BANK AND TRUST COMPANY SUITS.....	43

BOARD OF EQUALIZATION (See Commissioners Court)—

BOARD OF WATER ENGINEERS—

Board of Water Engineers has no authority to adjudicate private torts, even though they grow out of the use of public water.....	758
The Board of Water Engineers has jurisdiction over water projects in hands of receiver and its findings must be enforced by the court; Board of Water Engineers does not have power to grant a preferential use to one appropriator as against another, there being no adjudication of priorities.....	753

BONDS APPROVED—

County bonds	70
City bonds	71
Independent school district bonds.....	74
Common school district bonds.....	75
Common county line school district bonds.....	84
Road district bonds	84
Levee improvement district bonds.....	87
Drainage district bonds.....	88
Navigation district bonds	88
Conservation and reclamation district bonds.....	88

BONDS—

List of bonds approved by the Attorney General.....	7
A merchant who sells meat and does not kill or slaughter same is not a butcher and is not required to give a butcher's bond.....	656
Bonds issued by the War Finance Corporation are not United States bonds within the meaning of the State Depository Act.....	226

ROAD BONDS—

Where a county or road district issues bonds, the money derived therefrom must be expended in the construction, maintenance and operation of roads and in aid thereof, and the construction of ditches for drainage purposes is an item of proper maintenance	728
Money derived from the sale of road bonds cannot be used except for the definite and specific purpose for which such bonds were voted	529

ROAD DISTRICTS—

Commissioners Court is authorized to cancel and destroy bonds and interest coupons after maturity dates thereof, although such bonds have not been sold.....	730
--	-----

BONDS—Continued.
 Road district bond taxes may be used for the purpose of paying bonds outstanding against the district and for no other purpose 730
 Proceeds from the sale of road district bonds must be placed in the county depository 202

BOUNDARIES—
 History of the boundary controversy between the State of Texas and Oklahoma on Red River 759

BUILDING AND LOAN ASSOCIATIONS—
 The provisions of Chapter 5, Laws of the First Called Session of the Thirty-fourth Legislature, regulating building and loan associations, are mandatory and are applicable to all persons engaged in that character of business 167

BUTCHERS—
 A merchant who sells meat and does not kill or slaughter same is not a butcher and is not required to give a butcher's bond 656

CARNIVAL COMPANIES—
 All carnivals should pay \$10 for every performance unless given under the auspices of a Chamber of Commerce or another similar organization 624

CENSUS—
 A census becomes such when enumeration of a given county is accepted and approved by director of census as correct, complete and final, and not as of date prescribed by Congress as of which enumeration should be taken 420

CHARTERS AND AMENDMENTS APPROVED BY ATTORNEY
 GENERAL 68

CHILD LABOR LAW—
 Children under fifteen years of age may not be employed to labor in factory, mill, workshop, etc., regardless of the location of the institution; and the clause "in towns and cities of more than fifteen thousand population" applies only to messenger service . . 260
 A county judge may issue permits to children excused from compulsory school law, and above twelve years of age, to act as messengers; otherwise child must be above fourteen years of age . . 255
 A page employed in the Legislature does not come within the provisions of Child Labor Law 253
 County Judge may issue permits to children under twelve years of age pursuant to statute, and the time is immaterial 258

CITIES AND TOWNS—
 Cities and towns of less than 5,000 inhabitants are authorized to license and regulate service cars operating for hire on the streets of such cities and towns 586
 A city or town of 5,000 inhabitants or less cannot abolish the office of city health officer 418
 A city of 5,000 or less has the right to levy a tax of 15 cents by ordinance in addition to the 25 cents already assessed for the additional purpose of procuring land for public streets 618
 Penalties in State Insurance Commission Laws and ordinances in cities and towns covering different acts and subject matter are not in conflict 700

CITIES AND TOWNS—Continued.

- A city or town organized under Title 22, Revised Civil Statutes, can pay the balance due on the purchase of water system out of the revenues raised by general taxation and may give a mortgage to secure payment on revenues derived for the operation of water system, and it is necessary for the city council to authorize the execution of warrants or notes to pass an ordinance therefor.. 616
- Offenses for violation of traffic laws occurring in an incorporated city or town may be tried either in the justice, county or corporation court 558
- If the Commissioners Court should fail or refuse to change or move a bridge or highway when necessary for a city to impound sufficient water for city purposes, such city could compel such action by legal proceedings 689

CLUBS—

- A bona fide club maintaining and operating pool and billard tables incident to the principal purpose for which the club is organized and maintained, is not violating the pool hall law..... 719

COLLECTIONS OF THE DEPARTMENT..... 62

COMMISSIONER OF INSURANCE AND BANKING (See Banks and Banking, Insurance, Fees of Officers).

COMMISSIONERS COURT (See Officers).

COMMISSIONERS COURT—

- Commissioners Court may lease county school lands in consideration of money and specified permanent improvements..... 297
- Commissioners Court cannot pay county traffic officers for their service by witness fees..... 404
- Commissioners Court has not the power to fix compensation for the services of county officers except as declared by the statute for certain ex-officio services..... 529
- The Commissioners Court making a contract of \$2,000 or more is required to give notice and to let same on competitive bids... 126
- The Commissioners Court may purchase without advertising and competitive bids emergency supplies, stationery, books, etc., for county officers not in excess of \$50..... 129
- The Commissioners Court cannot contract to pay draftsmen all delinquent taxes collected within a given time for services in making a plat book system..... 126
- The Commissioners Court has authority to appoint public weighers in justice precincts where no public weigher has previously been elected prior to adoption of Chapter 76, Acts Thirty-sixth Legislature 382
- Commissioners Court has no authority to pay the salary of an assistant to the county health officer..... 431
- The Commissioners Court cannot allow automobile expenses of the County Commissioner against the county..... 114
- The Commissioners Court may pay expenses in sale of county school land only from general fund..... 137
- The Commissioners Court may contract for road plans and specifications without competitive bids..... 136
- The Commissioners Court has only authority conferred upon it by the Constitution and statutes, expressly or by implication, therefore cannot lease a portion of the courthouse square for private use 131
- The Commissioners Court must furnish provisions and medicines to persons quarantined where it has directed county health officer to declare and maintain a quarantine..... 133
- Where no ex-officio compensation has been fixed, then the court may at any subsequent time allow ex-officio compensation for past services 575

COMMISSIONERS' COURT—Continued.

Commissioners Court has authority to audit county auditor's office to ascertain the honesty and accuracy of auditor's work, but in counties having county auditor, they are without authority to contract with private parties for auditing the books of the county 366

The Commissioners Court, with the consent of the city, may pave the courthouse square and streets leading therefrom and connecting with the county public roads. 117

The Commissioners Court cannot contract with the County Judge to pay him for services in addition to fees of office and ex-officio salary 117

The Commissioners Court cannot contract so as to create a debt against the county, payable in future years, without providing for the levying of a tax sufficient to pay the interest and create a sinking fund. 120

The Commissioners Court has authority to invest proceeds from the sale of county school lands in road bonds issued by that county. 123

Commissioners Court, acting as board of equalization, having approved tax assessor's lists and adjourned, has no power to increase or decrease the value of property or make changes in approved rolls, and a decision of the Commissioners Court sitting as a board of equalization is in the nature of a final judgment, susceptible of investigation only when the Commissioners acted with corrupt or fraudulent motives. 609

It is the duty of the Commissioners Court to order lists made of property omitted from tax roll subsequent to 1884, and the Commissioners Court nor Comptroller can contract for collection of delinquent taxes and allow any portion thereof as compensation 635

Counties cannot lease public highways for oil and gas purposes. . . 687

It is the duty of the Commissioners Court, if a public highway or bridge interferes with the impounding of water for a waterworks system of a city or town to change or move said highway or bridge at the expense of the city or town. 689

Commissioners Court is authorized to cancel and destroy bonds and interest coupons after maturity dates thereof, although such bonds have not been sold. 730

When canal, drainage and irrigation companies have previously constructed ditches and canals, the Commissioners Court, in building and maintaining highways, must at their own expense provide for the bridges in crossing such ditches and canals. . . . 691

Expenses incurred in changing a roadway by the construction of a levee may be paid by the Commissioners Court, or in case of refusal it should be paid by the supervisor of the improvement district out of available funds. 712

Commissioners Court is authorized to construct dirt roads by the issuance of bonds under Title 18, Chapter 2, Revised Statutes 1911 728

Commissioners Court is authorized to pay ex-officio compensation for ex-officio services rendered to county judges, district clerks, county clerks, city attorneys and sheriffs, and justices of the peace and constables, provided they hold an office in a city of more than 20,000 inhabitants, and to all other officers, if in fact such officers render ex-officio services. 570

Commissioners Court has authority at any subsequent time to change or revoke an order allowing ex-officio compensation to public officers; but cannot allow an additional sum as ex-officio compensation for any past period of time. 575

CONSERVATION AND RECLAMATION DISTRICTS (See Levee Districts).

UNITED STATES CONSTITUTION—

Fourteenth Amendment.....	388
Fourteenth Amendment.....	721
Fourth Amendment.....	734
Fourteenth Amendment, Section 1.....	734

CONSTITUTIONAL LAW—

An Act of the Legislature making a stock law applicable to certain counties only is constitutional.....	154
House Bill No. 245, declaring members in fraternal benefit societies and policyholders in life insurance companies shall not disqualify judges or jurors in which such benefit society or life insurance company may be party, is unconstitutional.....	388
The Legislature, having once apportioned the State following a Federal census, cannot again apportion it into legislative districts until after another Federal census.....	145
All orders, resolutions, concurrent and joint, except such as propose amendment to the Constitution, and for adjournment, embracing legislative matter, require action by the Governor.....	141
Dates specified for constitutional amendment election at Regular Session cannot be changed by Special Session of the Legislature	151
The State under its police power has authority to reasonably regulate building and loan associations.....	167
A statute regulating building and loan associations, making it impossible for some persons or association to engage in that business, does not render the statute unconstitutional.....	167

CONSTITUTIONAL LAW—Continued.

Article 1703, providing that vote for Governor at last preceding general election shall determine whether or not a county is entitled to district clerk separate and apart from county clerk, is unconstitutional 394

Provision in special road law authorizing a tax for bond purposes on intangible assets of a railroad is unconstitutional 602

Senate Concurrent Resolution calling for a constitutional convention is not an amendment to the State Constitution and does not have to be published 232

CONTEMPT—

It is not contempt to disobey void order of court 775

CONTRACTS—

A contract signed by two members only of the Prison Commission within the scope of their authority not in formal meeting approved by the Governor creates no legal obligation upon the Prison Commission 775

Appropriations for the support and maintenance of State departments being exhausted, officers in charge of such departments have no authority to contract debts in excess of such appropriations 694

CONTRACTS WITH STATE OFFICERS (See Prison Commission).

CORPORATIONS—

A resident alien in Texas may be stockholder and director in incorporated State bank 185

There is no statute authorizing the organization of corporations in Texas for the main purpose of buying and selling oil royalties, nor to sell stock in oil companies 176

Oil companies having a right to acquire royalties in oil wells have the incidental right to only sell these royalties 176

A railroad corporation which does not own the fee title to its right-of-way or has not acquired title to the oil therein is not authorized to lease such land to be drilled for oil; if the corporation owns the fee title to its right-of-way, it may lease same for drilling 450

A warehouse and marketing corporation incorporated under the statutes relative thereto has authority to buy and sell cotton seed and other agricultural products, but is prohibited from buying and selling merchandise, etc. 193

Corporation substitute purchasers of public free school lands not entitled to have name placed on records of General Land Office as purchasers; notwithstanding such lands may contain minerals 262

A foreign corporation selling machinery in interstate commerce and which contracts to install same, even though another corporation than the original contracting one is engaged in intrastate business and must have a permit to transact business in Texas . . 177

A married woman may be an incorporator, stockholder, officer or director in a Texas corporation or State bank 184

CORPORATION COURTS—

Offenses for violation of traffic laws occurring in an incorporated city or town may be tried either in the justice, county or corporation court 558

COUNTY COMMISSIONERS—

County Commissioners cannot present for allowance to the Commissioners Court claims for automobile expenses in performing duty as county commissioner 114

COUNTY OFFICERS (See Officers and Fees of Officers)—

COURTS—

District court has authority to review action of county school trustees in changing the boundaries of a common school district 507

COURT OF CRIMINAL APPEALS DOCKET..... 90

CRIMINAL CASES 50

DEPOSITORIES—

County officer cannot act as agent for the county depository..... 360

COUNTY—

Proceeds from the sale of road district bonds must be placed in the county depository..... 202

The county depository is liable to the State for interest at contract rate on State funds from the date such funds are deposited until paid to the State Treasury..... 208

A county depository may retain county deposits sixty days from the day the Commissioners Court convenes in February following each general election..... 204

A certified check as deposit with a bid to become county depository is in the nature of liquidated damages and the county commissioners cannot refund to the bidder failing to qualify..... 206

STATE DEPOSITORY BOARD—

This opinion gives general construction of Acts of the Thirty-sixth Legislature creating State Depository Board and providing for the selection of a number of State depositories, and which supersedes all former laws. Existing depository contracts with the State are not affected; procedure in the solicitation of bids; investment of excess funds by the Depository Board; method of bidding and selection; procedure in qualifying; results of failure to qualify; rate of interest; clearing items with Treasurer; authorizing Depository Board to adopt rules and regulations governing depositories, are all provided for..... 211

STATE—

Bonds issued by the War Finance Corporation are not United States bonds within the meaning of the State Depository Act 226

A bank selected as a State depository, failing to qualify within thirty days after notice, is subject to penalty provided in Article 2424 as amended, and the State Depository Board cannot waive such penalty..... 209

DITCHES AND CANALS (See Drainage).

DRAINAGE DISTRICTS—

It is the duty of the drainage district, canal companies and irrigation companies to build and maintain bridges where ditches or canals cross or intersect public highways, provided public highways were first in existence..... 691

DUE PROCESS OF LAW—

Orders or instructions of the Live Stock Sanitary Commission or its agents enforcing tick eradication law would be insufficient to authorize a sheriff to enter the premises of any person against the owner's wishes, seize and take by force cattle or other live stock 734

ELECTIONS AND SUFFRAGE—

The County Democratic Executive Committee is authorized to provide the county clerk with necessary ballots to be used by absentee voters at primary elections..... 241

An otherwise qualified voter is entitled to vote in county election in the voting precinct in which he resides, and is not required to live therein six months unless said precinct is in a city of ten thousand population..... 239

In challenging a voter the statute does not require the use of the English language only; a voter, regardless of his ability to speak or read the English language, able to prepare his ballot without assistance, may vote..... 242

The statute requiring returns on elections for constitutional amendments to be counted on the fortieth day is directory..... 234

Applications for nomination to the office of district clerk separate from that of county clerk can be received by chairman of the Democratic Executive Committee only when last United States census shows population of county in excess of 8,000..... 394

A qualified voter in a county is entitled to vote in general elections for school trustees for the county, although he has not resided six months in his voting precinct..... 117

Justice precincts and consolidated justice precincts may continue to elect public weighers in accordance with the provisions of Article 7926, where such precincts were regularly election public weighers prior to adoption of Chapter 76, Acts Regular Session Thirty-sixth Legislature 382

The Governor must call State elections in accordance with general election laws, if resolution from the Legislature does not otherwise provide 232

CONVENTIONS—

Method of selecting precinct, county and State conventions and procedure thereof to send delegates to National convention, how 229

PRIMARY ELECTIONS—

Women may vote in primary elections and participate in conventions if they possess all the qualifications required of men 228

QUALIFIED VOTERS—

In primary and general elections a voter unable to vote by reason of bodily infirmities, or who is over sixty years of age and unable to read and write, may have assistance; such assistance may be given in primary elections only in the English language, but any language may be used in a general election 242

SPECIAL ELECTIONS—

The statute provides no primary election to nominate candidates in a special senatorial election, but the Secretary of State is authorized to certify to county clerks in the districts name of applicants as candidates..... 247

EX-OFFICIO FEES (See Fees of Officers).

EXPENDITURES OF THE DEPARTMENT..... 61

FEES OF OFFICERS—

County Commissioners' fees dependent upon population under general laws Fourth Called Session, Thirty-fifth Legislature, Chapter 29, becomes operative when the last preceding Federal census is finally made 420

FEES OF OFFICERS—Continued.

- The sheriff in counties of less than 40,000 is allowed \$2 per day in keeping prisoners; in counties of 40,000 population or more containing a city having a population of 25,000 or more, is allowed \$3 per day to compensate jail guard, jailer and turnkey..... 412
- Traveling expenses of Lieutenant Governor in going to and from seat of government during the absence of the Governor may be paid from the appropriation bill "To pay Lieutenant Governor for acting as Governor, to be used in two years, \$500"..... 698
- County officers making report for fiscal year ending November 30, 1919, may retain proportional part of maximum fees as June 18 to November 30 bears to the entire year..... 364
- Compensation for traffic officers shall be fixed by Commissioners Court; maximum 5% in counties receiving \$30,000 or more as registration fees on motor vehicles, and 7½% in counties receiving less than \$30,000..... 404
- Commissioners Court has not the power to authorize payment of deputy county clerk out of moneys derived from the sale of bonds for building and maintaining public highways..... 529
- County and District Attorneys and County Judges receive the fees under Articles 7490 and 7491 in the collection of inheritance taxes which are cumulative and need not be accounted for as fees of office..... 535
- The Commissioner of Insurance and Banking may collect fees for certificates placed on registered policies, which constitute a special fund in his hands to be used to defray expenses incurred in keeping the securities; any excess should be deposited in the State Treasury 199
- County or District Attorney is not entitled to collect commissions in the case where defendant is prosecuted pursuing a taxable occupation without license and before conviction procures a license.. 539

CENSUS TRUSTEES—

- Are not entitled to additional compensation to pay for transportation expenses and for an interpreter to accompany said trustees 520

COUNTY ATTORNEY—

- County Attorney can receive fees of office only and cannot receive a salary of per diem remuneration, and it is his duty to perform all the duties of his office, although there is no statute providing compensation 564
- It is the duty of the County Attorney to perform the duties of District Attorney in Eastland County and he is entitled to receive the fees of the District Attorney, provided the total amount of fees received as County Attorney and for discharging duties of District Attorney does not exceed maximum allowed to the County Attorney under statute..... 564
- The County Attorney is entitled to the fee prescribed by statute for such services where he represents the State in a felony habeas corpus case, provided District Attorney is not in attendance 568
- County Attorney is entitled to receive a fee of \$15 for convictions secured in gaming cases in justice or county court; a person who pleads guilty, so far as conviction is concerned, is the same as though he had been found guilty by verdict of a jury 562
- County Attorney can only receive the compensation for making investigation and report in inheritance tax cases where he actually makes the investigation and report..... 628
- County Attorney in delinquent tax suits is entitled to the fee provided by law, and is not entitled to separate fee because navigation or improvement district taxes are included..... 426

FEEES OF OFFICERS—Continued.

COUNTY CLERKS—

- County Clerks are entitled to a fee of \$1 on each tract of land assessed to the same person for each year taxes are delinquent 525
- In cases where taxes are delinquent on unimproved city or town lots, tax collector and county clerk are entitled to only one fee of \$1, regardless of the number of lots. 525

COUNTY JUDGE—

- Commissioners Court has authority at any subsequent time to change, revoke an order allowing ex-officio compensation to county judge; but cannot allow an additional sum as ex-officio compensation for any past period of time. 575

COUNTY SUPERINTENDENT—

- County Superintendents are allowed \$2,000 per annum for traveling and office expenses. 438
- Salary and expenses of the office shall be prorated among common school districts and incorporated school districts having less than 500 scholasties. 410

COUNTY TRAFFIC OFFICERS—

- Special deputy sheriffs, county traffic officers, are entitled to the usual fees allowed peace officers for arrests and serving criminal process, which fees must be paid to the sheriff. . . . 445

COUNTY TREASURER—

- County Treasurer is not entitled to any commission on that part of gross registration chauffeur or transfer fees transmitted to the State Highway Department, but is entitled to commission on that part of such fees as is required to be deposited in county depository; provided further that the County Treasurer shall in no event receive more than \$2,000 annually 575

DISTRICT ATTORNEY—

- District Attorney is entitled to statutory compensation of all moneys collected by him in escheat proceedings as provided by law, but a district attorney in a district in two or more counties could not at the same time receive per diem during escheat proceedings 543
- District Attorney of El Paso District composed of two or more counties and containing a city of 35,000 inhabitants and an army post is entitled to \$15 per day for 170 days, and in addition thereto \$15 per day not to exceed 40 days for specific duties performed, provided such compensation does not exceed \$5,000 in one year. 548
- Where the District Attorney appears and represents the State in a hearing and actual trial, he is entitled to the fee prescribed by statute 553
- The District Attorneys in judicial districts of more than two counties are entitled to per diem compensation during the time the district court is in session and only the days he is actually engaged in the discharge of his official duties and each day he represents the State in examining trials, inquest proceedings and habeas corpus proceedings in vacation 553
- District Attorneys in districts of two or more counties are not entitled to collect commissions on fines and forfeited bail bonds 540

DISTRICT CLERK—

- Is entitled to a fee of 50 cents only for recording each account of sheriffs and not 50 cents for each case disposed of. 523

EX-OFFICIO COMPENSATION—

Commissioners Court is authorized to pay ex-officio compensation for ex-officio services rendered to county judges, district clerks, county clerks, city attorneys and sheriffs, and justices of the peace and constable, provided they hold an office in a city of more than 20,000 inhabitants, and to all other officers, if in fact such officers render ex-officio services. 570

JUSTICE OF THE PEACE—

Justice of Peace is entitled for holding examining trial of misdemeanor cases amount allowed by law for the trial of misdemeanor cases, provided he shall not receive more than \$3 in any one case. 440

LAND COMMISSIONER—

Is entitled to filing fee of \$1 on each instrument evidencing sale of permits, regardless of the number of permits evidenced. . 346

SHERIFF—

A sheriff in counties of less than 40,000 is entitled to 50 cents for attaching each witness and 10 cents each mile traveled in executing the writ, provided there be no duplication in mileage; in counties casting less than 3,000 votes at last presidential election he shall receive \$1 per day for each day in conveying witnesses to any court; his actual expenses and expenses of witness not to exceed 50 cents per mile and 35 cents per night for lodging. 443

A sheriff in a county of less than 40,000 inhabitants is entitled to executing warrant of arrest or capias in felony cases \$3 and 15 cents for each mile actually traveled in going to place of arrest and conveying prisoner to jail; if by railroad, 10 cents for himself and 10 cents for each prisoner per mile; 10 cents per mile for each additional prisoner. . . 440

A sheriff is not entitled to a commission for collecting money on convict bonds 657

TAX ASSESSOR—

County Tax Assessor is entitled to receive for assessing the taxes in all drainage districts, road districts and other political subdivisions of the county one-half of one cent for each \$100 of assessed values, and the tax collector is entitled to receive for collecting the taxes thereof one-half of one cent for each \$100 of taxes collected. 579

TAX COLLECTORS—

Tax Collectors are entitled to a fee of \$1 on each tract of land assessed to the same person for each year taxes are delinquent 525

Are entitled to retain 2% of the amounts collected by them as commissions out of motor vehicle license fees. 432

In cases where taxes are delinquent on unimproved city or town lots, Tax Collector and county clerk are entitled to only one fee of \$1, regardless of the number of lots. 525

County Tax Assessor is entitled to receive for assessing the taxes in all drainage districts, road districts and other political subdivisions of the county one-half of one cent for each \$100 of assessed values, and the Tax Collector is entitled to receive for collecting the taxes thereof one-half of one cent for each \$100 of taxes collected. 579

FELONIES—

General summary and record of felonies in Texas. 104

FELONIES, RECORD OF 105-111

FINES—

- Collected fines should be paid in the county treasury less the 10% allowed district attorneys..... 541
- A fine collected for violation of Chapter 4, Title 12, Penal Code, shall be deposited with county treasurer to the credit of Class No. 2, county funds 428

FIRE ESCAPES—

- The clause in the State fire escape law allowing public assemblies and sleeping apartments applies only to buildings erected by municipal, county or State authorities and to no other buildings 702

FRATERNAL BENEFIT SOCIETIES (See Insurance).

FREE TEXT BOOKS—

- A contract entered into renewing contract made under the 1911 law for supplementary readers authorizes the use of such readers in the schools whenever supplementary readers are used..... 493
- It is the duty of the State Superintendent of Public Instruction, with approval of the State Board of Education, to purchase and furnish to the pupils of free school of this State all adopted and contracted books, but she would have no authority to purchase an unadopted book..... 488
- School trustees of each district are authorized to designate one or more members of the board or employes to act as depository for the distribution and management of free text books..... 490
- All school books sold to the State under the free text book law should have printed on the back thereof the contract price..... 486

GAME, FISH AND OYSTER COMMISSION—

- The closed season on doves is from September 1 to March 1 of each year 748

GAME LAWS—

- The closed season on doves is from September 1 to March 1 of each year 748
- Owner of enclosed land in excess of 2,000 acres may post same against hunting; no law exists for posting enclosed lands in excess of 2,000 acres against fishing; an owner of enclosed land on both sides of a public stream less than 2,000 acres may prevent the public from fishing from the banks of said stream only, provided, however, that in Texas any person may fish in a stream 30 feet wide or more without permission of the riparian owner 750

GENERAL SUMMARY OF CRIMINAL MATTERS..... 90

GOVERNOR—

- The Governor is required to act on all orders, resolutions, concurrent and joint, except those providing for constitutional amendment and adjournment, passed by the Legislature embracing legislative matter 141
- The Governor has sovereign right to exercise executive power over disputed territory by placing ranger force thereon..... 759

- Juvenile insurance policies cannot be issued under the fraternal beneficiary act to dependents of uninitiated persons..... 159
- Local mutual aid associations confined within one county not limited in the number of members, but those operating in two or more counties in radius of fifty miles from home office are limited to two thousand members..... 165
- House Bill No. 245, declaring members in fraternal benefit societies and policyholders in life insurance companies shall not disqualify judges or jurors in which such benefit society or life insurance company may be party, is unconstitutional..... 388
- Warehouse and marketing corporations may carry blanket insurance covering warehouse property and stored products and charge the owner for same..... 196

INTERSTATE COMMERCE—

- A foreign corporation selling machinery in interstate commerce contracting to install same within this State is engaged in intrastate commerce 177

INTOXICATING LIQUOR SUITS..... 33

IRRIGATION (See Water Rights).

JITNEYS (See State Highway Commission Law).

JUDICIARY—

Judiciary will not interfere with the executive power when it is constitutionally exercised in establishing and maintaining martial law 668

LABOR LAWS—

Females employed in State institutions required to work more than nine hours a day, it is a question of fact as to whether the superintendent of such institution has violated the law 251
 Fifty-four-hour law applies to females employed as manicurists 249
 A page employed in the Legislature does not come within the provisions of child labor law 253

LAND SUITS 25

LAWS—

Act of the Legislature carrying no emergency clause passed by less than two-thirds vote becomes effective ninety full days after the adjournment of the session, exclusive of day of adjournment and day of taking effect 155

LEGISLATURE—

The Legislature cannot enact a law in plain contravention of the Constitution in respect to pensions allowed Confederate soldiers 667
 Dates specified for constitutional amendment election at Regular Session cannot be changed by special session of the Legislature 151
 The Legislature, having once apportioned the State following a federal census, cannot again apportion it into legislative districts until after another federal census 145
 An Act of the Legislature carrying no emergency clause, passed by less than two-thirds vote, becomes effective ninety full days after the adjournment of the session, exclusive of day of adjournment and day of taking effect 155
 Child labor law not applicable to the Legislature 253
 The joint ranger investigating committee and the character of investigation had is a legislative proceeding within the meaning of Article 5597, Section 2, and is privileged 715

LEVEE DISTRICTS—

Where a levee improvement district embraces territory included within a road district, the aggregate amount of indebtedness incurred for levee and road building purposes in the territory common to the levee district and the road district cannot exceed 25 per cent of the total assessed valuation of real property therein 731
 The statutes of the State provide for three distinct and separate laws on the subject of levee construction, that is, the Act of 1915, the Canales Act and the Laney Act 707
 Expenses incurred in changing a roadway by the construction of a levee may be paid by the commissioners court, or in case of refusal it should be paid by the supervisor of the improvement district out of available funds 712

CANALES ACT—

Taxation in levee districts under the Canales Act is on the ad valorem plan 707

LANEY ACT—

Taxation in levee districts under the Laney Act is according to benefits assessed 707

LEVEE IMPROVEMENT DISTRICTS—

LANEY ACT—

Levee improvement districts under the Laney Act do not have the power to levy taxes against the property of any city, county or public corporation..... 703

LIBEL LAW—

The joint ranger investigating committee and the character of investigation had is a legislative proceeding within the meaning of Article 5597, Section 2. and is privileged..... 715

LICENSE FEE—

All persons who offer for sale second-hand motor vehicles must have tax collector's receipt for the license fee for such motor vehicle and must deliver same to the purchaser of said car..... 589

LIEUTENANT GOVERNOR—

Traveling expenses of Lieutenant Governor in going to and from seat of government during the absence of the Governor may be paid from the appropriation bill "To pay Lieutenant Governor for acting as Governor, to be used in two years, \$500"..... 698

LIVE STOCK (See Tick Eradication).

LIVE STOCK SANITARY COMMISSION—

Orders or instructions of the live stock sanitary commission or its agents enforcing tick eradication law would be insufficient to authorize a sheriff to enter the premises of any person against the owner's wishes, seize and take by force cattle or other live stock 734

An inspection and investigation disclosing the existence of the fever tick is a pre-requisite necessary before the live stock sanitary commission or its agents have authority to require the cattle to be dipped..... 746

MANDAMUS SUITS 22

MARRIED WOMEN—

A married woman may be an incorporator, stockholder, officer or director in a Texas corporation or State bank..... 184

Married women legally qualified to execute and make a valid bond can hold the office of notary public..... 396

MARTIAL LAW—

The militia in suppressing an insurrection may seize and detain insurrectionists and those aiding and abetting them without turning them over to civil authorities until the insurrection is suppressed 669

Where local civil officers in a district under martial law fail to perform their duties and encourage lawlessness, they may be suspended as officers from office during the period of marital law, and the civil law may be enforced in said district by the superior military officer 669

MASSEURS—

Masseurs are exempt from law requiring a certificate of authority to practice, but where such persons undertake to cure diseases for pay, they must have medical certificate..... 665

MEDICAL PRACTICE ACT—

Masseurs are exempt from law requiring a certificate of authority to practice 665

MINES AND MINERALS—

Natural gas and crude oil shall not be produced in Texas in such a manner as to constitute waste..... 644

Oil in place is a mineral and susceptible of separate ownership from ownership of the surface and is taxable against its owner..... 596

Reclassification different from former classification is change of status preventing reinstatement..... 309

Filing on mineral lands by employes of department of insurance, statistics and history not prohibited by statute, and the interests of such persons having already filed should not be affected by land commissioner 318

OIL AND GAS LEASES—

District trustees have control and management of school property and may lease portion of school lot for oil and gas purposes 512

Applications for mineral leases must be considered on the day and the hour designated in the notice sent out by land commissioner; an application endorsed in ambiguous and uncertain manner cannot be considered at another time than that designated by the land commissioner..... 294

Counties cannot lease public highways for oil and gas purposes. 687

OIL AND GAS PERMITS—

Application for a mineral permit must be presented for filing to the county clerk at his office..... 325

A mineral permittee having failed to begin development work forfeits his permit, but the land is not subject to be filed upon by other parties until the land commissioner has officially cancelled the permit..... 326

Land commissioner may issue oil and gas permit and also permit for prospecting for coal to different parties on the same land, provided oil and gas permittee has not discovered coal 334

Applicants for mineral permits on university lands in large blocks containing many thousands of acres should file with county surveyor 349

Applications for permits should be filed with the county clerk as agent of the State, who cannot act as agent of an individual in matters of this kind..... 323

A person cannot secure a mineral permit on more than 1,000 acres of land, all of which is within one mile of a producing well, but where less than 1,000 acres is in the the area permitted, he may secure permit on more land..... 337

Oil and gas permits may be grouped into one organization not to exceed sixteen sections, regardless of location of the land.. 343

Filing fee of \$1 is required to be paid on instrument evidencing sale of permits, irrespective of the number of permits evidenced by instrument of sale..... 346

Under the 1917 Mineral Act permittee of four sections of land in block cannot receive mineral permit directly or indirectly on lands adjoining the four sections..... 271

Permittees for oil and gas purposes are required to be citizens of the United States or declarants..... 271

There is no federal or State law extending time to soldiers holding oil and gas permits to begin development..... 273

Chapter 81, Acts First and Second Called Sessions, Thirty-sixth Legislature, providing for forfeitures of oil and gas permits, does not alter provisions of Chapter 83, Regular Session, Thirty-fifth Legislature, providing for forfeiture of permits of river bed lands..... 274

Land commissioner is not authorized to cancel oil and gas permits where permittee fails to pay ten cents to surface owner 276

MINES AND MINERALS—Continued.	
A mineral permit on unsold school land grouped with other permits is not subject to forfeiture for failure to file statement that actual government work was commenced within six months	341
A purchaser of the surface subsequent to the issuance of permit has no right to the oil and gas until rights of the permittee have been forfeited	341
Applications for oil and gas permits in Winkler County should be filed with county surveyor of Reeves County.	399
The combining or grouping of mineral permits on university land with other land is unauthorized.	267
MISCELLANEOUS SUITS	53
MISDEMEANORS, RECORD OF.	92-104
MISDEMEANORS—	
Record of misdemeanor suits in Texas.	92
MUNICIPAL CORPORATIONS (See Cities and Towns).	
NATIONAL GUARD (See Militia).	
NEPOTISM—	
County officer cannot act as agent for a county depository.	360
NOTARY PUBLIC (See Officers.)	
NINE-HOUR LAW (See Labor Laws).	
NOTICES—	
Notices to delinquent taxpayers must be mailed each and every year in the months of April and May in order to prosecute suit for collection of delinquent taxes.	638
OCCUPATION TAX (See Taxation).	
OFFICERS—	
Married women legally qualified to execute and make a valid bond can hold the office of notary public.	396
It is a misdemeanor for officials to contract debts against the State in excess of the amount appropriated by the Legislature.	694
All county officers mentioned in Articles 3881, 3886 are required to make reports provided in Article 3895, regardless of population of the county; counties of less than 25,000 inhabitants make fiscal report for fractional year beginning June 18, 1919, and ending November 30, 1919.	364
County officer cannot act as agent for a county depository.	360
No officer within the provisions of Chapter 55, General Laws Thirty-fifth Legislature, can appoint deputies or assistants without first securing order from the county judge.	362
CENSUS TRUSTEES—	
Are not entitled to additional compensation to pay for transportation expenses and for an interpreter to accompany said trustees	520
COUNTY AUDITOR—	
When warrants are issued by county judge to officers in payment of their fee due under convict bonds, it is necessary to have the approval of the county auditor, but not of the commissioners court	657

OFFICERS—Continued.

Commissioners court has authority to audit county auditor's office to ascertain the honesty and accuracy of auditor's work, but in counties having county auditor, they are without authority to contract with private parties for auditing the books of the county..... 366

County attorneys have the right and authority to appear and represent the State in corporation courts, although there is no law authorizing compensation..... 558

COUNTY CLERK—

Applications for permits are filed with the county clerk as agent of the State, who cannot act as agent of an individual..... 323

Application for a mineral permit must be presented for filing to county clerk at his office..... 325

The county clerk is authorized to deliver to absentee voter a ballot as is required by statute..... 241

It is the duty of the county clerk to furnish abstractor's proper facilities to inspect, examine and make copies of all books, records and file papers in the office. Records cannot be removed from his office..... 406

A COUNTY HEALTH OFFICER—

A county health officer cannot at the same time be a member of Texas board of medical examiners..... 357

A county health officer cannot hold the office of city health officer 418

A county health officer has no authority to appoint an assistant 431

COUNTY AND CITY HEALTH OFFICERS—

Only have authority to establish local quarantine; commissioners court and city council have authority to declare general quarantine within their respective jurisdiction..... 414

COUNTY JUDGE—

The county judge cannot receive compensation for services rendered in addition to the fees of office and his ex-officio salary 117

It is the duty of the county judge to approve convict bonds and to collect money thereon..... 657

County judge may be appointed to sell levee improvement district and seawall bonds, and commissions are not fees of office 438

County judge is prohibited from attempting to control appointments by county officers..... 362

County judges cannot act as attorneys for improvement commissioners and receives fees therefor..... 438

COUNTY SURVEYOR—

May be employed by commissioners court to prepare road specifications 136

A county organized for judicial purposes not a separate land district attached to another county for surveying purposes has a county surveyor within the meaning of the statutes.. 399

County surveyor is prohibited from being directly or indirectly concerned in mineral permits..... 337

COUNTY SCHOOL TRUSTEES—

County school trustees may change the boundaries of a common school district whenever it is necessary for the best interests of the school children, provided they may not reduce area of common school district that has voted bonds..... 507

OFFICERS—Continued.

COUNTY TRAFFIC OFFICER—

One or more special deputy sheriffs, traffic officers, may be employed by the commissioners court, provided only two regular officers may be employed and two additional deputies for special emergencies 404

DISTRICT CLERK—

Last United States census and not the population based on the vote for Governor at last general election must govern in determining whether county is entitled to office of district clerk separate from that of county clerk..... 394

GOVERNOR—

The Governor is required to act on all orders, resolutions, concurrent and joint, except those providing for constitutional amendment and adjournment, passed by the Legislature embracing legislative matter..... 141

LAND COMMISSIONER—

Is not authorized to cancel oil and gas permits where permittee fails to pay ten cents to surface owner..... 276
Only may reclassify lands..... 302

SCHOOL TRUSTEES—

A woman cannot be appointed by a board of commissioners as a school trustee in city or town of less than 5,000 inhabitants organized under the first thirteen chapters of Title 22, Revised Statutes of 1911..... 409
A woman is eligible to be school trustee in a town or village organized under Chapter 14, Title 22, Revised Statutes of 1911 409

SECRETARY OF STATE—

Governor and attorney general are authorized to count results of elections on a constitutional amendment on the fortieth day, but the requirement is directory only..... 234
The Secretary of State may certify to county clerks in a senatorial district the name of applicants as candidates for senator in special election..... 247

SHERIFF—

The sheriff may in emergency cases, with approval of the county judge, employ jail guards..... 412

SPECIAL POLICEMEN—

Acting as night watchmen for industrial or mercantile establishment whose activities are strictly confined to the premises of their employers are entitled to carry pistols on duty.... 385

STATE SUPERINTENDENT—

It is the duty of the state superintendent of public instruction with approval of the state board of education, to purchase and furnish to the pupils of the free schools of this State all adopted and contracted books, but she would have no authority to purchase an unadopted book..... 488

TAX ASSESSOR—

It is the duty of the tax assessor to assess all property in his county 635
The tax assessor of each county should assess taxes only on the portion of land lying in his county..... 615

OFFICERS—Continued.

TAX COLLECTOR—

- Tax collector will not lose amount of worthless checks given in attempted payment of taxes..... 607
- Tax collector has no power or authority to question the acts of the board of equalization in setting valuations on property, and it is his duty to proceed with the collection of the taxes as shown by said rolls..... 609
- The tax collector is required to deposit daily with the county depository State funds collected..... 208
- Tax collectors are entitled to retain 2% of the amounts collected by them as commissions out of motor vehicle license fees.. 432
- Stamp account of tax collector for mailing notice to delinquent owners is payable out of the general fund..... 386

OKLAHOMA-TEXAS BOUNDARY 759

OPINIONS OF ATTORNEY GENERAL'S DEPARTMENT—

- Commissioners court 114-140
- Constitution and power of Legislature..... 141-158
- Corporations—Foreign; banks; insurance..... 159-201
- Depositories 202-227
- Elections and suffrage..... 228-248
- Labor laws 249-261
- Public lands and mineral rights..... 262-356
- Public offices 357-419
- Public officers, fees and compensation of..... 420-448
- Railroads 449-472
- Schools and school districts..... 473-580
- State highway commission law..... 581-593
- Taxation 594-639
- Miscellaneous 640-693
- Miscellaneous Subjects 694
 - 1. Appropriations 698
 - 2. Fire Insurance Commission Law..... 700
 - 3. Levee Districts 703
 - 4. Libel, Pool Hall and Sunday Law..... 715
 - 5. Public Securities 728
 - 6. Game Laws 748
 - 7. Board of Water Engineers..... 753
 - 8. Opinions to the Governor in re Red River Boundary Suit and Prison Contract pertaining to the Blue Ridge Farm.. 759

ORDINANCES—

- Penalties in State Insurance Commission laws and ordinances in cities and towns covering different acts and subject matter are not in conflict 700

PENSIONS—

- Section 2, Chapter 86, Acts Regular Session Thirty-sixth Legislature which disqualifies widows of Confederate soldiers from drawing a pension unless they were married to such soldiers prior to March 1, 1880, is in conflict with Section 51, Article 3, of the State Constitution 667

PHRENOLOGIST—

- A person practicing phrenology in this State is not subject to occupation tax 620

PISTOLS—

- Special policemen acting as nightwatchmen for industrial or mercantile establishment whose activities are strictly confined to the premises of their employers may carry pistols on duty..... 385

PLAT BOOK SYSTEM 126

POLICE POWER—

It is within the police power of the State to prohibit the maintenance and operation of pool halls..... 720

POOL HALLS—

The State law prohibiting the keeping of pool halls is not unconstitutional 721

A bona fide club maintaining and operating pool and billiard tables incident to the principal purpose for which the club is organized and maintained is not violating the pool hall law..... 719

POSTING—

Owner of enclosed land in excess of 2000 acres may post same against hunting; no law exists for posting enclosed lands in excess of 2000 acres against fishing; an owner of enclosed land on both sides of a public stream less than 2000 acres may prevent the public from fishing from the banks of said stream only, provided, however, that in Texas any person may fish in a stream 30 feet wide or more without permission of the riparian owner..... 750

PRIMARY ELECTION (See Elections and Suffrage)—

PRISON COMMISSION—

A contract signed by two members only of the Prison Commission within the scope of their authority not in formal meeting approved by the Governor creates no legal obligation upon the Prison Commission 775

PUBLIC LANDS—

Corporation substitute purchasers of public free school lands not entitled to have name placed on records of General Land Office as purchasers, notwithstanding such lands may contain minerals... 262

Lessee of University lands for oil and gas purposes is liable to the State for \$2 an acre for such lease, payable annually and upon execution of lease 266

Public free school land to be purchased by an applicant must be on the market and subject to sale at the time application is made. The fact that invalid and void sale as against the State has been made may be valid as against adverse claimants under the facts in this opinion 281

A purchaser of eight sections of public school land in Jeff Davis County not cancelled prior to January 3, 1916, is not entitled to purchase from the State any more land in said county prior to January 3, 1916, although he may have transferred prior to that date all lands previously purchased, even though vendees may be regarded as original purchasers..... 281

This opinion passes on the qualifications of a purchaser of public school lands in Brewster and Presidio Counties on facts stated 299

Land Commissioner only may re-classify lands and board of appraisers may re-value lands..... 302

University lands in large blocks containing many thousands of acres are not surveyed lands within the meaning of the statute relative to mines and minerals..... 349

Substitute purchaser having complied with the law may hold land purchased, although from grantor not qualified purchaser.... 305

Owner of school lands forfeits rights thereto unless he carries out obligation of purchase; and the original purchase has a right to be reinstated if there is no intervening third party..... 309

PUBLIC SECURITIES (See Bonds)—

PUBLIC WAREHOUSEMEN (See Warehouse and Marketing Department)—

PUBLIC WEIGHERS—

A compress company's weight receipt having a clause stating that the weight shown must not be used for the purpose of purchase and sale will not relieve compress otherwise public weigher from prosecution for violation of public weighers law..... 370

Public weighers law enacted by the Thirty-sixth Legislature does not prohibit stockyards, wholesale produce and commission merchants from making private contracts whereby the dealer is to weigh the commodity that is bought or sold..... 373

Public weighers law enacted by the Thirty-sixth Legislature does not abolish office of public weigher appointed or elected under former laws, but requires such weigher within sixty days to file a bond 375

A "public weigher" under Acts of Thirty-sixth Legislature is a person, firm or corporation engaged in the business of public weighing for hire, or who issues a weight certificate which shall be accepted as accurate weight to be used in the purchase and sale of commodities 375

Compress company not engaged in weighing for the public and issuing no weight certificate to be used in the purchase or sale of cotton is not required to comply with Chapter 76, Article 1, Thirty-sixth Legislature 368

After June 18, 1919, it is unlawful for a person or corporation to engage in the business of public weighing for hire and issue weight receipts therefor, unless said law is complied with..... 378

Acts Thirty-sixth Legislature, Chapter 76, known as the public weighers law, does not prohibit commissioners court from appointing public weighers in justice precincts where no public weigher has previously been elected; and justice precincts and consolidated justice precincts may continue to elect public weighers in accordance with Article 7926..... 382

QUARANTINE—

County and city health officers only have authority to establish local quarantine; commissioners court and city council have authority to declare general quarantine within their respective jurisdiction 414

A county health officer attempting to establish local quarantine in an incorporated city at the request of city health officer, the county is not liable for his services..... 414

The Commissioners Court liable for expenses of same, when..... 133

RAILROADS—

A railroad corporation which does not own the fee title to its right-of-way or has not acquired title to the oil therein is not authorized to lease such land to be drilled for oil; if the corporation owns the fee title to its right-of-way, it may lease same for drilling 450

A railroad intersecting a public highway must maintain crossing in reasonable safe condition of repair; but cannot be required to hard surface highway on railroad right-of-way..... 449

Expenses incurred by railroads in conforming to plan of reclamation must be borne by them and the levee district shall deduct the amount of such expenses from the benefits assessed against the railroad 703

A railroad company may bind itself by contract to perpetually maintain a depot at a particular place until the interests of the public demand its removal 466

A spur track intended primarily for the immediate use of a single shipper but open to use of all members of the public is a public use 456

Provision in special road law authorizing a tax for bond purposes on intangible assets of a railroad is unconstitutional..... 602

RAILROAD COMMISSION—

- Powers and duties of the Railroad Commission are statutory and it may exercise only such conferred power; it may require railroad to construct, maintain and operate a switch connection from its track with any private side track or spur where connection can be made safe and sufficient business justifies the construction; it may adopt reasonable rates, rules and regulations for the operation of all private side tracks or spur tracks; but it has no authority to require railroad company to construct in whole or part a spur track or side track for the use of private industry. . . . 455
- force reasonable rules and regulations for the conservation of force reasonable rules and regulations for the consummation of oil and gas. It has authority to prevent the waste of oil and gas in drilling and producing operations, in storage, piping and distribution thereof, and such statutes conferring power are constitutional 644
- The Railroad Commission may enforce removal of railroad depots regardless of contracts of the railroads with private individuals 466

RAILROAD SUITS 8

RANGERS—

- The Governor has sovereign right to exercise executive power over disputed territory by placing ranger force thereon. 759

RECAPITULATION OF BONDS APPROVED. 89

RED RIVER—

- History of the boundary controversy between the State of Texas and Oklahoma on Red River. 759

RIVERS AND STREAMS (See Water Rights)—

ROADS AND ROAD DISTRICTS—

- Where a county or road district issues bonds under Chapter 2, Title 18, and amendments, or the Revised Civil Statutes of Texas, the roads constructed by the issuance of such bonds must be adequate, durable and permanent, and the court could have no authority to construct dirt roads. 728

ROAD DISTRICTS (See Bonds)—

SALARIES (See Fees and Compensation)—

SCHOOLS AND SCHOOL DISTRICTS—

- Trustees of an independent school district have the same power to assess, equalize and collect district taxes as are possessed by city councils of incorporated cities and towns; but they have only the power to appoint board of equalization. 477
- Where trustees have selected county assessor and collector to assess and collect the taxes of independent school district, the appointment of a board of equalization is unnecessary. 477
- County Superintendents under recommendation of county school trustees may transfer children from a common school district to an independent school district, or from a common school district to another common school district at any time if necessity requires the transfer by reason of the classification of the school district 499
- School children transferred from common school district to an independent school district are entitled to attend the school in the independent school district for the length of time that the school in that district is able to run from the funds derived from the State and county available school fund; thereafter tuition must be paid 499

SCHOOLS AND SCHOOL DISTRICTS—Continued.

Act of the Thirty-sixth Legislature providing for the consolidation of school districts does not repeal former laws on the same subject, and a consolidated district with a geographical center more than four and one-half miles from its farthest boundary line is a legal district, and if an independent school district contains more than twenty-five square miles it also is a legal district.... 504

Legislature may create the City of Marshall into an independent school district, but the taxing power of such district shall not exceed the 50-cent limit..... 515

Delinquent maintenance or bond tax when collected becomes the property of the district and the commissioners court cannot apply same on a county claim..... 126

Added territory to a school district for a 50-cent tax on the \$100 valuation cannot be subjected to 50-cent tax until it has been submitted to the qualified voters of the said school district so increased 517

District court has authority to review action of county school trustees in changing the boundaries of a common school district.. 507

School teachers are entitled to receive salaries unless otherwise provided in contract, when schools are closed by school board, health officer or county councils on account of epidemics..... 510

School trustees of each district are authorized to designate one or more members of the board or employes to act as depository for the distribution and management of free text books..... 490

Custodian of free text books is required to give a bond 50% in excess of the value of the books and the bond is not an obligation of the district 490

Proceeds from the sale of county school lands may be invested by the commissioners' court of that county in road bonds issued by said county 123

Independent school district containing less than 150 scholastics and having its own assessor and collector can assess property for purposes of school taxation at a valuation other than that made for state and county purposes..... 473

Common school districts and incorporated school districts having less than 500 scholastics must pay the salary and expenses of superintendent 410

District trustees have control and management of school property and may lease portion of school lot for oil and gas purposes.... 512

SCHOOL LANDS—

Commissioners' court may lease county school lands in consideration of money and specified permanent improvements..... 297

Funds derived from the sale of public school lands may be invested in road bonds issued by that county..... 123

Expenses incurred in sale of county school land must be paid out of the county general fund..... 137

SEARCHES AND SEIZURES—

Orders or instructions of the Live Stock Sanitary Commission, or its agents, enforcing tick eradication law would be insufficient to authorize a sheriff to enter the premises of any person against the owner's wishes, seize and take by force cattle or other live stock 734

SENTENCE—

A penitentiary term of months or years begins when the prisoner has reached and been actually confined in the penitentiary, but the term of his imprisonment may be estimated to begin from the date of his sentence..... 648

SPUR TRACKS (See Railroad Commission)—

STATE BOARD OF CONTROL—

State Board of Control has not the power to audit all departments of the State government but only those specifically named in the act creating such board..... 641

STATE FIRE INSURANCE COMMISSION—

Ordinances proposed by the State Insurance Commission to cities and towns do not conflict with State Insurance Commission Laws... 700
The clause in the State Fire Escape Law allowing public assemblies and sleeping apartments applies only to buildings erected by municipal, county or state authorities and to no other buildings 702

STATE FIRE MARSHAL—

Ordinances proposed by the State Insurance Commission to cities and towns do not conflict with State Insurance Commission laws 700

STATE HIGHWAY COMMISSION LAW—

All persons who offer for sale second-hand motor vehicles must have tax collector's receipt for the license fee for such motor vehicle and must deliver same to the purchaser of such car..... 589
A dealer in second-hand cars is not entitled upon payment of license fee to receive a distinguishing dealer's number, nor can a jitney driver use a dealer's distinguishing number..... 591
All persons who register a motorcycle or motor vehicle after the first day of July, 1919, must comply with Chapter 113, Acts Thirty-sixth Legislature passed at its Regular Session; however, the registration feature of this law does not affect motorcycles and motor vehicles registered prior to July 1, 1919, until January 1, 1920 581

STATE TAX BOARD—

The Intangible Tax Board in finding the true value should find a value just, fair, equitable and lawful and intangibles must not be taxed at a higher proportion of their actual value than is tangible property 631
The Intangible Tax Law places the duty upon the State Tax Board of finding the value of intangibles and equalizing same..... 631

STATUTORY CONSTRUCTION—

The failure to bring forward a prior civil statute in the Revised Civil Statutes has the effect of repealing such prior statute, but the contrary is true in such failure to place a criminal statute in the Penal Code	622
Clauses of limitation relate to and modify the language next preceding such clause unless the language plainly appears to apply to the entire act.....	702
Repeals by implication are not favored and the repugnancy between the latter and former act must be wholly irreconcilable in order to work a repeal of the former.....!	548
General law passed same session Legislature subsequent to particular law will not repeal the particular law unless there is repugnancy so that both cannot stand.....	432
Where one provision of a law is invalid and another valid, the latter is not affected by the void provision if each provision is independent and capable of operation without defeating the object of the statute	667
The statute requiring returns on elections for constitutional amendments to be counted on the fortieth day is directory.....	234
Contemporaneous and particular construction of a statute by those whose duty it is to carry it into effect is entitled to great weight by a court	473
For a statute to repeal an earlier one there must be a clear repugnance between the two laws that they cannot stand together	505
The true intention of the Legislature may be determined by resorting to legislative records and where the caption of an act contains a provision conferring a power, but the act does not, such provision will be treated as surplusage.....	641

STOCK LAWS—

An act of the Legislature making a stock law applicable to certain counties only is constitutional.....	154
---	-----

STREETS (See Cities and Towns)—

SUNDAY LAWS—

A person playing a pipe organ for pay on Sunday in connection with religious worship does not violate the Penal Code of Texas.....	724
--	-----

TAX ASSESSOR (See Officers and Fees of Officers)—

TAXATION—

- A county or road district cannot be taxed under Section 52, Article 2, of the Constitution in support of bonds in excess of an amount equal to one-fourth of the assessed real property values thereof.. 731
- All persons who offer for sale second-hand motor vehicles must have tax collector's receipt for the license fee for such motor vehicle and must deliver same to the purchaser of said car..... 589
- It is the duty of the Automatic Tax Board to deduct unappropriated cash in the State Treasury from total amount of moneys to be raised by ad valorem tax in arriving at the State ad valorem tax rate 594
- Independent school district containing less than 150 scholastics and having its own assessor and collector can assess property for purposes of school taxation at a valuation other than that made for State and county purposes..... 473
- A church is not exempt from registration fee on automobile owned for the pastor 583

DELINQUENT TAXES.

- Publisher's fee of 25 cents should not be taxed against delinquent owner unless the publication has actually been made and in cases of unimproved city or town lots publisher's fee is only 25 cents for every 10 lots..... 525
- A suit for the collection of taxes past due includes all taxes for all years delinquent against all real estate..... 426
- Oil lease contracts that convey to the lessee an interest in land are taxable 601
- Provision in special road law authorizing a tax for bond purposes on intangible assets of a railroad is unconstitutional..... 602
- Added territory to a school district for a 50-cent tax on the \$100 valuation cannot be subjected to 50-cent tax until the matter has been submitted to the qualified voters of the said school district so increased 517
- All statutory provisions must be strictly complied with in filing delinquent tax suits and notices must be mailed each and every year as is prescribed by law to prosecute a suit for the collection of same 638
- A city or town organized under Title 22, Revised Civil Statutes, can pay the balance due on the purchase of water system in annual payments out of the revenues raised by general taxation..... 616
- Levee improvement districts under the Laney Act do not have the power to levy taxes against property of any city, county or public corporation 703
- Stamp account of tax collector for mailing notice to delinquent owners paid out of the general fund..... 386
- It is the duty of the County Attorney to file suit for the collection of delinquent taxes in independent school districts located in his county, and he is governed in the collection of same by the same provisions as city attorneys in incorporated cities or towns.... 639
- Where a county assessor and collector assess and collect the taxes of an independent school district, the appointment of a board of equalization for that district is not required..... 477
- Land lying on the county boundary should not be assessed or taxed in more than one county and having been assessed in one county and paid thereon is not subject to assessment and payment in another county 615

TAXATION—Continued.

SCHOOL DISTRICTS.

- The tax limit for school purposes in independent school districts created by general or special law is 50 cents on the \$100 valuation and no city can levy taxes in excess of \$2.50 on the \$100 valuation 515
- Where a levee improvement district embraces territory included within a road district, the aggregate amount of indebtedness incurred for levee and road building purposes in the territory common to the levee district and the road district cannot exceed 25 per cent of the total assessed valuation of real property therein. 731,

OCCUPATION TAX.

- No occupation tax can be collected for the operation of a knife, cane or doll rack 622
- All carnivals should pay \$10 for every performance unless given under the auspices of a Chamber of Commerce or another similar organization 624
- A person practicing phrenology in this State is not subject to occupation tax 620
- Personal property permanently located in this State is subject to taxation, regardless of domicile of the owner. 634
- The Intangible Tax Board in finding the true value should find a value just, fair, equitable and lawful and intangibles must not be taxed at a higher proportion of their actual value than is tangible property 631
- The acceptance of a check by tax collector is a conditional payment of taxes and that taxes are not paid until the check is paid. . . . 607

EXEMPTIONS.

- All marl, shell, sand and mudshell used by counties and cities in building roads and streets is exempt from State tax. 603
- A city of 5,000 or less has the right to levy a tax of 15 cents by ordinance in addition to the 25 cents already assessed for the additional purpose of procuring land for public streets. 618
- Oil in place is a mineral and susceptible of separate ownership from ownership of the surface and is taxable against its owner. 596

INHERITANCE TAX.

- The provisions of Chapter 164, Acts Thirty-sixth Legislature, for penalties and attorneys, fees are applicable to estates subject to inheritance taxes at the time said law became effective, as well as to estates taxable thereafter. 628

TEXT BOOK COMMISSION—

- Text Book Commission having adopted text book covering specific subjects is without power to adopt a different book of a general nature upon all the subjects theretofore adopted in separate books; text book on general science cannot be adopted where special text books in physiology, physical geography, physics, chemistry and agriculture have been theretofore adopted; it might, however, be adopted as an elementary book, but not to displace another adopted book. 480
- The State Text Book Commission is prohibited from making a contract with the book publisher for books at a price in excess of the price at which such publishers are furnishing said books under contract with any other State in the Union. 483,

TICK ERADICATION—

Any owner controlling or caring for domestic animals in this State who shall refuse or fail to dip such live stock when lawfully directed to do so by the Live Stock Sanitary Commission shall be deemed guilty of misdemeanor and each day of such failure constitutes a separate offense..... 746

TORTS—

Board of Water Engineers has no authority to adjudicate private torts, even though they grow out of the use of public water.... 758

TRAVELING EXPENSES—

Traveling expenses of Lieutenant Governor in going to and from seat of government during the absence of the Governor may be paid from the appropriation bill "To pay Lieutenant Governor for acting as Governor, to be used in two years, \$500"..... 698

TREATIES—

Treaty between United States and Mexico, Article 8 interpreted.... 185

TRESPASS—

There is no statute in Texas authorizing a landlord to eject by force a trespasser on posted enclosure..... 751

VAGRANCY—

Phrenologist cannot be punished for vagrancy under Article 634, subdivision P of the Penal Code..... 620

VETERINARIANS' LICENSE—

Veterinarian permitted to practice under the five-year clause can only practice as a veterinarian in the county in which he lives and if he removes to another county he must take the examination 661

VOTERS (See Elections and Suffrage)—**WAREHOUSE AND MARKETING CORPORATIONS—**

A warehouse and marketing corporation incorporated under the statutes relative thereto has authority to buy and sell cotton seed and other agricultural products, but is prohibited from buying and selling merchandise, etc..... 193

The liability of a warehouse and marketing corporation where loss is sustained by fire is that a public warehouseman and such company is not required to carry insurance on stored products, but only on warehouse property..... 196

WATER RIGHTS—

An appropriator under Act of 1895 has a right to divert water from one water shed to another notwithstanding Acts of Thirty-fifth Legislature relative thereto 753

Board of Water Engineers does not have power to grant a preferential use to one appropriator as against another, there being no adjudication of priorities 753

Board of Water Engineers has no authority to adjudicate private torts, even though they grow out of the use of public water.... 758

Silt from a city drainage system which fills a stream and interferes with private irrigation system is a tort and not within the jurisdiction of the Board of Water Engineers..... 758

WEIGHERS, PUBLIC (See Public Weighers)—

WITNESS FEES—
