A temporary county chairman appointed under the provisions of this subdivision shall call a meeting of the voters of that county, at which time a temporary county executive committee may be elected by the voters participating in the meeting, with such committee to be empowered to fulfill all the duties placed upon a county executive committee by law until such time as a permanent executive committee is elected by the voters in the party's primary.

Art. 13.45. Nominations by Parties Receiving Less Than 20 Percent of Vote for Governor

[See Compact Edition, Volume 2 for text of 1]

Parties Receiving Less Than Two Percent of Vote for Governor

Subd. 2. (a) Any political party whose nominee for governor received less than two percent of the total votes cast for governor in the last preceding general election for that office, or any new party, or any previously existing party which did not have a nominee for governor in the last preceding general election for that office, may nominate candidates by conventions as provided in Sections 224 and 225 of this code,¹ but in order to have the names of its nominees printed on the general election ballot there must be filed with the secretary of state, within 30 days after the date for holding the party's state convention, the lists of participants in precinct conventions held by the party in accordance with Sections 222a and 224 of this code,² signed and certified by the temporary chairman of each respective precinct convention, listing the names, addresses (including street address or post-office address), and registration certificate numbers of qualified voters attending such precinct conventions in an aggregate number of at least one percent of the total votes cast for governor at the last preceding general election for that office; or if the number of qualified voters attending the precinct conventions is less than that number, there must be filed along with the precinct lists a petition requesting that the names of the party's nominees be printed on the general election ballot, signed by a sufficient number of additional qualified voters to make a combined total of at least one percent of the total votes cast for governor at the last general election for that office. The address and registration certificate number of each signer shall be shown on the petition. No person who, during that voting year, has voted at any primary election or participated in any convention of any other party shall be eligible to sign the petition.

(b) The following statement shall appear at the head of each page of the petition: "I know the contents of this petition, requesting that the names of the nominees of the _____ Party be printed on the ballot for the next general election. I am a qualified voter at the next general election under the constitution and laws in force, and during the current voting year I have not voted in any primary election or participated in any convention held by any other political party, and I will not vote in a primary election or participate in a convention of any other party during the remainder of this voting year." The petition may be in multiple parts. To each part of the petition shall be attached an affidavit of the person who circulated it, stating that he called each signer's attention to the statement and

read it to him before the signer affixed his signature to the petition, and further stating that he witnessed the affixing of each signature, that the correct date of signing is shown on the petition, and that to the best of his knowledge and belief each signature is the genuine signature of the person whose name is signed. A petition so verified is prima facie evidence that the signatures thereon are genuine and the persons signing it are registered voters. The petition may not be circulated for signatures until after the date of the party's precinct conventions. Any signatures obtained on or before that date are void.

(c) Any person who signs a petition after having voted in a primary election or participated in a convention of any other party during the same voting year, or any person who votes in a primary election or participates in a convention of any other party during the same voting year after having signed the petition, is guilty of a misdemeanor and upon conviction shall be fined not less than \$100 nor more than \$500.

(d) The chairman of the state executive committee shall be responsible for forwarding the precinct lists and petition to the secretary of state.

(e) At the time the secretary of state makes his certifications to the county clerks as provided in Section 3 of this code,³ he shall also certify to the county clerks the names of parties subject to this subdivision which have complied with its requirements, and the county clerks shall not place on the ballot the names of any nominees of such a party which have been certified directly to them unless the secretary of state certifies that the party has complied with these requirements.

Art. 13.50. Nonpartisan or Independent Candidate

Subd. 1. This section applies to nonpartisan or independent candidates for federal, state, district, county, and precinct offices in the general election provided for in Section 9 of this code (Article 2.01, Vernon's Texas Election Code). A person may run as a nonpartisan or independent candidate for any such office, other than the offices of president, vice president, and presidential elector, by complying with this section and other applicable provisions of this code.

Subd. 2. (a) As a condition precedent to having a candidate's name printed on the official ballot as an independent candidate under this section, in addition to the application required by Subdivision 3 of this section, the person must file, by the deadline provided in Section 190 of this code (Article 13.12, Vernon's Texas Election Code), a declaration of his intent to run as an independent candidate. The declaration shall state the person's name, occupation, county of residence, post office address, age, and the office for which he intends to run, and shall be signed and duly acknowledged by the person desiring to be a candidate. It shall be filed with the officer with whom the application required by Subdivision 3 of this section is filed.

(b) The requirements of Paragraph (a) of this subdivision do not apply to candidates for unexpired terms where the vacancy in office occurs subsequent to the tenth day preceding the regular deadline for filing application for a place on a primary election ballot as prescribed in Section 190 of this code (Article 13.12, Vernon's Texas Election Code), and do not apply to candidates for any office for which the filing deadline in a primary election is extended under the provisions of Paragraph 2a of Section 190. However, an independent candidate who is not required to file a declaration of intent under Paragraph (a) of this subdivision must file with the secretary of state or the county judge, as the case may be, his written consent to become a candidate, within 30 days after the second primary election day.

Subd. 3. The name of a nonpartisan or independent candidate may be printed on the official ballot in the column for independent candidates, after a written application signed by qualified voters ad-

ressed to the proper officer, as herein provided, and delivered to him within 30 days after the second primary election day, as follows:

If for an office to be voted for throughout the state, the application shall be signed by one per cent of the entire vote of the state cast for Governor at the last preceding gubernatorial general election, and shall be addressed to the Secretary of State.

If for a district office in a district composed of more than one county, the application shall be signed by three per cent of the entire vote cast for Governor in such district at the last preceding gubernatorial general election, and shall be addressed to the Secretary of State.

If for a district office in a district composed of only one county or part of one county, the application shall be signed by five per cent of the entire vote cast for Governor in such district at the last preceding gubernatorial general election, and shall be addressed to the Secretary of State.

If for a county office, the application shall be signed by five per cent of the entire vote cast for Governor in such county at the last preceding gubernatorial general election, and shall be addressed to the county judge.

If for a precinct office, the application shall be signed by five per cent of the entire vote cast for Governor in such precinct at the last preceding gubernatorial general election, and shall be addressed to the county judge.

Notwithstanding the foregoing provisions, the number of signatures required on an application for any district, county, or precinct office need not exceed 500.

Subd. 4. No application shall contain the name of more than one candidate. No person shall sign the application of more than one candidate for the same office; and if any person signs the application of more than one candidate for the same office, the signature shall be void as to all such applications. No person shall sign such application unless he is a qualified voter, and no person who has voted at either the general primary election or the runoff primary election of any party shall sign an application in favor of anyone for an office for which a nomination was made at either such primary election.

Subd. 5. In addition to the person's signature, the application shall show each signer's address, the number of his voter registration certificate, and the date of signing.

Subd. 6. Any person signing the application of an independent candidate may withdraw and annul

his signature by delivering to the candidate and to the officer with whom the application is filed (or is to be filed, if not then filed), his written request, signed and duly acknowledged by him, that his signature be cancelled and annulled. The request must be delivered before the application is acted on, and not later than the day preceding the last day for filing the application. Upon such withdrawal, the person shall be free to sign the application of another candidate for the same office.

[Amended by Acts 1975, 64th Leg., p. 2095, ch. 682, § 23, eff. Sept. 1, 1975.]

Art. 13.51. Signer's Statement on Application; Verification

The following statement shall appear at the head of each page of the application: "I know the contents of this application; I have not participated in the general primary election or the runoff primary election of any party which has nominated, at either such election, a candidate for the office for which I desire _____ (here insert the name of the candidate) to be a candidate; I am a qualified voter at the next general election under the Constitution and laws in force and am signing this application of my own free will." The application may be in multiple parts. To each part of the application shall be attached an affidavit of the person who circulated it, stating that he called each signer's attention to the statement and read it to him before the signer affixed his signature to the application, and further stating that he witnessed the affixing of each signature, that the correct date of signing is shown on the application, and that to the best of his knowledge and belief each signature is the genuine signature of the person whose name is signed. An application so verified is prima facie evidence that the signatures thereon are genuine and the persons signing it are registered voters.

[Amended by Acts 1977, 65th Leg., p. 1703, ch. 677, § 3, eff. Aug. 29, 1977.]

Art. 13.52. Consent to Run

Upon receipt of an application which conforms to the above requirements, the Secretary of State shall issue his instruction to the county clerks of the state or of the district, as the case may require, and the county judge shall issue his instruction to the county clerk of the county, directing that the name of the candidate on whose favor the application is made shall be printed on the official ballot in the independent column under the title of the office for which he is a candidate; provided, that any candidate who is required by Subdivision 2, Section 227 of this code (Subdivision 2, Article 13.50, Vernon's Texas Election Code) to file a statement of intent to become an independent candidate must have filed such statement in compliance with the provisions of that subdivision, and any candidate not required to file such

statement must file with the Secretary of State or the county judge, as the case may be, his written consent to become a candidate, within 30 days after the second primary election day.

[Amended by Acts 1975, 64th Leg., p. 2097, ch. 682, § 24, eff. Sept. 1, 1975.]

Art. 13.54. Nominations by Parties Without State Organization

Any political party without a state organization desiring to nominate candidates for county and precinct offices only may nominate such candidates therefor by a county convention held on the second Saturday in May of the election year, which convention shall be composed of delegates from the various election precincts in the county, elected therein at conventions held in such precincts on the first Saturday in May. All nominations made by any such parties shall be certified to the county clerk by the chairman of the county committee of such party, and, after taking the same course as nominations of other parties so certified, shall be printed on the official ballot in a separate column, headed by the name of the party; provided, a written application for such printing shall have been made to the county judge not later than June 30 following the conventions, signed by qualified voters of the county equal in number to at least three per cent of the entire vote cast for governor in such county at the last general election for that office. No person who is affiliated with any other political party is eligible to sign the application. The application shall contain the following information with respect to each person signing it: his address, the number of his voter registration certificate, and the date of signing. The application may not be circulated for signatures until after the date of the precinct conventions, and any signatures obtained on or before that date are void. The application may be in multiple parts. To each part there shall be attached an affidavit of the person who circulated it, who must be a registered voter in the county, stating that he witnessed the affixing of each signature, that the correct date of signing is shown on the application, and that to his best knowledge and belief each signature is the genuine signature of the person whose name is signed. An application so verified is prima facie evidence that the signatures thereon are genuine and that the persons signing it are qualified voters of the county.

[Amended by Acts 1975, 64th Leg., p. 2097, ch. 682, § 25, eff. Sept. 1, 1975.]

Art. 13.56. Death, Withdrawal, or Ineligibility of Candidate; Filling Vacancy in Nomination

(a) A nominee of a political party may decline and annul his nomination by delivering to the officer with whom the certificate of his nomination is filed

and to the chairman of the executive committee having the power to fill a vacancy in such nomination, not later than the 45th day before the day of the general election, a declaration in writing, signed by him and acknowledged before some officer authorized to take acknowledgments, whereupon the officer receiving the declaration shall take the necessary action to have the name of the nominee removed from the ballot. A nominee may not decline the nomination after the 45th day before election day.

(b) If on or before the 45th day before the day of the election, a nominee dies or declines the nomination, or is declared ineligible to be elected to or to hold the office for which he is a candidate, the executive committee of the party for the state, district, county, or precinct, as the office to be nominated may require, may nominate a candidate to supply the vacancy. A certificate of such nomination, signed and duly acknowledged by the chairman of the executive committee, must be filed with the officer with whom the certificate of the original nomination was filed and must set forth the name of the original nominee, the cause of the vacancy, the name of the new nominee, the office for which he was nominated, and when, where, by whom, and how he was nominated. The certificate must be filed not later than the 40th day before the day of the election. The officer with whom the substitute nomination is filed shall immediately take the necessary action to cause the name of the new nominee to be placed on the ballot.

(c) In any case where a district committee is empowered to name a nominee and fails to do so, the state executive committee may name a candidate for such office and certify the name to the proper officer to have the name printed on the official ballot for the general election. The certification must be filed not later than the 5th day after the deadline for certification by the district committee and in any event not later than the 40th day before election day.

(d) If a party nominee dies or declines the nomination or is declared ineligible after the 45th day preceding the day of the general election, the procedure set out in Section 104 of this code¹ shall be followed.

(e) An independent candidate may withdraw his candidacy and cause his name to be kept off the ballot by delivering to the officer with whom the application requesting his name to be placed on the ballot was filed, not later than the 40th day before election day a declaration in writing, signed and duly acknowledged by him, whereupon the officer with whom the declaration is filed shall immediately take the necessary action to cause the candidate's name to be removed from the ballot. A candidate may not withdraw after the 40th day before election day.

(f) If an independent candidate in the general election for state and county officers withdraws or is declared ineligible before the 44th day before election day, his name shall not be printed on the ballot. If he dies after completing all the procedural requirements for candidacy and before the 44th day before election day, his name shall be printed on the ballot if he was the incumbent in the office for which he was a candidate or if no other candidate's name is to be printed on the ballot in that race; otherwise, his name shall not be printed on the ballot. If he dies or is declared ineligible after the 45th day before election day, his name shall be printed on the ballot. When a deceased or ineligible candidate's name is printed on the ballot, the procedure set out in Section 104 of this code shall be followed.

(g) If an independent candidate in any election other than the general election for state and county officers dies before the second day before the filing deadline for independent candidates in that election, or if he withdraws or is declared ineligible before the 20th day before election day, his name shall not be printed on the ballot. If he dies on or after the second day before the filing deadline or if he is declared ineligible on or after the 20th day before election day, his name shall be printed on the ballot and the procedure set out in Section 104 of this code shall be followed.

(h) When a candidate dies and his name is to be removed from the ballot under any provision of this section, the officer responsible for making up the ballot for the election shall remove the candidate's name upon receiving reliable information of the death. However, in the case of a candidate whose name is certified to the county clerk by the secretary of state, the clerk shall not remove the candidate's name from the ballot without authorization from the secretary of state.

(i) The provisions of this section in regard to independent candidates apply to all general and special elections, by whatever authority held, except that charter provisions of a home-rule city supersede the provisions of this section. The term "independent candidate" means any candidate, not the nominee of a political party in a partisan election, who is seeking ballot position in any general or special election.

2. Filing of application for nomination by a convention under Section 224a of this code.¹
3. Independent candidate's declaration of intent under Section 224a of this code.

5. Statement of definite intent and solicitation of support through letters or other modes of communication, prior to a public announcement.
6. Solicitation of or acceptance of a contribution for use in a future election.

The filing of a designation of a campaign treasurer is not affirmative action which makes one a candidate as defined in this chapter.

(B) "Office-holder" is defined as any person serving in a public office as defined herein and any other constitutionally designated member of the Executive Department.

(C) "Corporation" is defined as every organization organized or operating under authority of the Texas Business Corporation Act or the Texas Non-Profit Corporation Act, any corporation or association organized by authority of any law of Congress or of any other state or nation than Texas, national, state, private or unincorporated banks, trust companies, building and loan associations or companies, insurance companies, reciprocal or interinsurance exchanges, railroad companies, cemetery companies, cooperatives, abstract and title insurance companies, and stock companies. However, any political committee whose only principal purpose is to accept contributions and to make expenditures, as defined in this section, shall not be deemed to be a corporation under the provisions of this chapter if such committee is incorporated for liability purposes only. Incorporation of a political committee shall not relieve any person of any liability, duty, or obligation created pursuant to any provision of the Texas Election Code.

(D) "Contribution" is defined as:

(1) any advance, loan, deposit or transfer of funds, goods, services or any other thing of value, or any contract or obligation, whether enforceable or unenforceable, to transfer any funds, goods, services, or anything of value to any candidate, or political committee, which advance or other such item is involved in an election; providing that an individual or group of persons is involved in an election upon the receipt of a contribution or the making of an expenditure which was given or made and received with the intent that it be used or held for some election and that the receipt of or making of the contribution or expenditure may occur before, during, or after an election; or as

(2) any advance, deposit or transfer of funds, goods, services or anything of value or creation of any contract or obligation, enforceable or unenforceable, to transfer any funds, goods, services, or anything of value knowingly accepted by any office-holder for the purpose of assisting such person in the performance of duties or activities in connection with the office which are nonreimbursable by the state or political subdivision.

(E) "Expenditures" is defined as any payments made or obligations incurred

(1) by a candidate, or political committee, when such payments or obligations are involved in an election; or

(2) by an office-holder, when such payments are made in the performance of duties or activities in connection with the office which are nonreimbursable by the state or the political subdivision.

"Involved in an election" has the same meaning as in (D) above.

(F) "Election" is defined as any election held to nominate or elect a candidate to any public office. It shall also include any election at which a measure is submitted to the people.

(G) "Public office" is defined as any office created by or under authority of the laws of the state, that is filled by the voters.

(H) "State office" is defined as any public office of the state government which is to be filled by the choice of the voters of the entire state, except presidential electors.

(I) "District office" is defined as any public office of the state government, less than statewide, which is to be filled by the choice of the voters residing in more than one county, and the offices of State Senator, State Representative, and State Board of Education.

(J) "County office" is defined as any public office of the state or county government which is to be filled by the choice of the voters residing in only one county or less than one county, except for those offices specifically enumerated as district offices above.

² Article 14.01.

This article was renumbered from article 14.07 and repealed in its entirety, substituting new provisions therefor, by the 1975 Act.

Art. 14.07. Records and Sworn Statement

(A) Each candidate, office-holder, and political committee, or a campaign treasurer representing the same, is hereby required to keep an accurate record of contributions received, and of all expenditures made. Such record shall contain all information hereinafter required to be reported by such candidate, office-holder, or political committee.

(B) Each opposed candidate whose name is printed on the ballot, each write-in candidate taking affirmative action in an election and each political committee involved in an election concerning a candidate or measure shall file a sworn statement at each time required herein. Each office-holder and political committee as defined in Subsections (O)(2), (P)(2), or (Q)(2) in Section 237 of this Code,¹ shall file a sworn statement as required herein.

(C) The statements filed by a candidate, or office-holder, shall list all contributions received and all expenditures made by the candidate, the office-holder, his campaign treasurer, and his assistant campaign treasurers during the appropriate reporting period as described in Subsection (H) of this section. The statements filed by a political committee, or a campaign treasurer representing the same, shall list all contributions received and expenditures made by

the committee during the appropriate reporting period as described in Subsection (H) of this section. Each statement shall include the dates and amounts and the full name and complete address of each person from whom contributions in an aggregate amount of more than \$50 has been received or borrowed during the appropriate reporting period as described in Subsection (H) of this section. Each statement shall also include the dates and amounts and the full names and complete addresses of all persons to whom any expenditures aggregating more than \$50 were made during the appropriate reporting period, and the purpose of such expenditures. Each report shall also include a total of all contributions received and all expenditures made during the appropriate reporting period and a total of all contributions of \$50 and less received and all expenditures of \$50 and less made during the appropriate reporting period. However, for purposes of the time and manner of reporting, no expenditure need be deemed to have been made until the amount is readily determinable or, if the character of the expenditure is such that normal business practice is not to disclose the amount until the next periodic bill is received, then such expenditure need not be deemed to have been made until the date of receipt of such bill.

(D) Each political committee receiving contributions or making expenditures on behalf of a candidate, or office-holder, shall notify the candidate, or office-holder, as to the name and address of the political committee and its campaign treasurer, if one is required. The candidate, or office-holder, shall include within each statement required by this code a list identifying the name and address of each such political committee and its campaign treasurer, if one is required. "On behalf of" means the knowing acceptance of a contribution for a candidate(s), or office-holder(s), or the making of an expenditure for a candidate(s), or office-holder(s). Any campaign treasurer, candidate, office-holder, or other person managing a political committee, who violates the provisions of this subsection shall be guilty of a Class A misdemeanor.

(E) Such statements shall be accompanied by the following affidavit verified by the person filing the statement:

General purpose political committees shall file the required sworn statements and oaths with the Secretary of State. The deadline for filing any statement required under this section is 5 p. m. of the last day designated in the pertinent subsection for filing the statement. When the last day of filing falls on a Saturday or Sunday or an official state holiday enumerated in Article 4591, Revised Civil Statutes of Texas, 1925, as amended, the deadline for filing is extended to 5 p. m. of the next day which is not a Saturday or Sunday or enumerated holiday. A statement shall be deemed to be timely filed if it is placed in the United States Post Office or in the hands of a common or contract carrier properly addressed to the appropriate authority within the time limits applicable to the statement. The postmark or receipt mark (if received by a common or contract carrier) will be prima facie evidence of the date that such statement was deposited with the post office or carrier. The person making the report may show by competent evidence that the actual date of posting was to the contrary.

(G) In the event a political committee has elected to comply with the provisions applicable to political committees within this state, the requirements of this paragraph shall not be applicable. A candidate, office-holder, or political committee shall not accept a contribution aggregating more than \$500 in a reporting period from a political committee not in this state unless the contribution is accompanied by a written statement which sets forth the full name and complete address of each person who contributed more than \$100 to such committee during the preceding twelve months and which is certified by an officer of the contributing political committee. A correct copy of any such statement shall be included with the statement filed on which the contribution is reported. For the purpose of reporting, "political committee not in this state" shall mean any political committee expending 80 percent or more of its expenditures in any combination of elections outside of this state and federal offices not voted on in this state within the immediately preceding twelve-month period.

(H)(1)(a) Candidates and the campaign treasurers of specific purpose political committees as defined in subsection (P)(1) of Section 237, shall file sworn statements at the times required in paragraph (4) of this subsection.

(b)(i) Office-holders and specific purpose political committees assisting office-holder(s) as defined in

subsection (P)(2) of Section 237 of this Code shall file sworn statements on January 15 of each year of all contributions received and all expenditures made during the previous calendar year in accordance with the provisions of subsection (C) of this section but reporting only such contributions accepted and expenditures made that have not been previously reported.

(ii) In addition to the annual statement required in subsection (H)(1)(b)(i) above, any such office-holder shall file additional statements to cover all contributions received and expenditures made by such office-holder for that period of time prior to the designation of a campaign treasurer by such office-holder, and after such designation all contributions and expenditures are to be reported pursuant to subsection (H)(1)(a). The statements required by this subsection shall be filed not later than the 15th day following the designation of a campaign treasurer.

(2) Campaign treasurers of general purpose political committees shall file sworn statements at times required in paragraph (7) of this subsection.

(3) If the operations of a political committee necessitate a change in the applicability of paragraph (1) or (2) of this subsection, the campaign treasurer of such political committee shall make such change and declare the identity of the authorities with whom future filings are expected to be made by filing (a) notification(s) with the authority(ies) with whom such committee has previously been required to file sworn statements. Failure to file such notice(s), when such change has been properly made, before the next applicable deadline for filing sworn statements under the formerly applicable sections, shall constitute a Class B misdemeanor.

(4) Every candidate or specific purpose political committee shall file three sworn statements relating to the election in which such person is involved in addition to any statement as provided in paragraph (6) below. The three sworn statements shall be filed not later than the 30th day prior to the election, not later than the 7th day prior to the election, and not later than the 30th day after the election, respectively. A candidate who has been nominated by his party's primary or a specific purpose political committee existing for the sole purpose of supporting such candidate and having given notice of such sole purpose in lieu of filing his third statement which encompasses nine (9) days prior to the twenty-five (25) days after the election shall include in his first statement prior to the general election all previously unreported contributions and expenditures. The period reported in the first such statement shall begin on the day of campaign treasurer designation, and end on and include the 40th day prior to the election. The period reported in the second such statement shall begin on the 39th day before the election and

end on and include the 10th day before the election. The period reported in the third such statement shall begin on the 9th day before the election and end on and include the 25th day after the election. In the event a candidate or specific purpose political committee becomes involved in an election after the end of any period covered by the regular reports otherwise required herein, the first applicable sworn statement shall be filed at the next regularly required deadline and its reporting period shall begin on the date of designation of campaign treasurer.

(5) In lieu of any third statement required, which falls on the 30th day after any general primary or special elections, whenever a candidate or specific purpose political committee is involved in a run-off election, not later than the 7th day before the run-off election, the candidate or specific purpose political committee shall file a statement of all previously unreported contributions and expenditures through the 10th day before the run-off election. The next statement required shall be filed not later than the 30th day after the run-off election and shall report all contributions received and all expenditures made during a period beginning on the 9th day before the run-off election and ending on the 25th day after the run-off election.

(6) Each year after the last deadline for filing a statement of contributions and expenditures, an additional statement shall be filed, provided, however, if there have been no expenditures made or contributions knowingly accepted since the last required reporting period, or if any contributions knowingly accepted and any expenditures made have all been reported under Subsection (H)(1)(b) of this section, there shall be no filing required. The annual statement shall be filed on or before January 15 (following the last filing) and the period shall cover all previously unreported contributions and expenditures through and including the 31st day of December.

(7) All general purpose political committees shall file sworn statements as designated either in this paragraph or in Paragraph (8) of this subsection:

(a) On January 15th of each year, a statement of all contributions received and all expenditures made during the previous calendar year which have not been previously reported;

(b) Not earlier than the 40th day and not later than the 30th day before the date of an election in which the general purpose committee is involved, a statement of all contributions received and all expenditures made during the period from the date on which the general purpose political committee filed a designation of a campaign treasurer through the 40th day before the date of the election which have not been previously reported;

(c) Not earlier than the 10th day and not later than the 7th day before the date of an election in which the general purpose political committee is involved, a statement of all contributions received and all expenditures made through the 10th day before the date of the election which have not been previously reported;

(d) Not earlier than the 25th day and not later than the 30th day after the date of an election in which the general purpose political committee is involved, a statement of all contributions received and all expenditures made since the date covered by the last report filed under this subsection;

(e) Whenever a general purpose political committee is involved in a run-off election, in lieu of the statement to be filed by not later than the 30th day after the first election, the committee shall file a statement on the 7th day before the date of the run-off election showing all contributions received and all expenditures made since the date of the last report filed under this subsection;

(f) In the event a general purpose political committee becomes involved in an election after the end of any periods covered by the regular reports otherwise required herein, the first applicable sworn statement shall be filed at the next regularly required deadline and its reporting period shall begin on the date of designation of campaign treasurer.

(8) In lieu of the sworn statements required under Paragraph (7), a general purpose political committee may elect to file sworn monthly statements of all contributions received and all expenditures made which have not been previously reported by filing the sworn statements designated herein:

(a) Between January 1 and January 15 of each year, even if there has been no activity, in addition to a statement of all contributions received and all expenditures made during the previous calendar year which have not been previously reported, a notice of intent to file monthly statements pursuant to this paragraph. However, a general purpose political committee formed after January 15 of any particular year may upon designation of its campaign treasurer file at the same time a notice of intent to file monthly statements pursuant to this paragraph;

(b) On the first day of each calendar month, even if there has been no activity, a statement of all previously unreported contributions received and all previously unreported expenditures made through the 25th day of the preceding month. Any general purpose political committee filing under the procedures of this paragraph shall include in each statement the dates

and amounts and the full name and complete address of each person from whom contributions in an aggregate amount of more than \$10 has been received or borrowed during the reporting period. Each statement shall also include the dates and amounts and the full names and complete addresses of all persons to whom any expenditures aggregating more than \$10 were made during the appropriate reporting period and the purpose of such expenditures.

(c) If a general purpose political committee electing to file sworn monthly statements wishes to revert to filing the sworn statements required under Paragraph (7), such committee must file its intent to do so between January 1 and January 15 in addition to a statement of all contributions received and expenditures made which have not previously been reported.

(9) Candidates for offices created under laws of the United States are specifically exempted from the requirements of this section. It is provided, however, that they shall file copies of any reports required by federal laws with the secretary of state on the same date they file such reports with the appropriate federal authorities.

(10) Final Statement. A candidate or political committee may cease filing sworn statements regarding a campaign after a final statement has been filed and designated as such. Any of the required sworn statements may constitute a final statement if its filing results in the completion of the reporting of all contributions and expenditures involved in an election, together with the appropriate related information, required to be reported.

(11) In the event a general purpose political committee makes a contribution to either another general purpose political committee or an out of state political committee, and cannot thereby make the determination of the appropriate times to make filings of sworn statements, such contributing general purpose political committee shall be deemed to have complied with the requirements of this Section by filing a sworn statement with the Secretary of State fully reporting such contribution (as an expenditure) no later than the next succeeding filing deadline for the January 15th annual statement.

(12) In the event a campaign treasurer of a political committee is terminated, either voluntarily or by action of the political committee, he shall file a sworn statement no later than the 10th day after such termination, reporting all appropriate matters for the period from the end of the period reported in the preceding sworn statement through the day of his termination. Any subsequent sworn statement which is to be filed by a successor campaign treasurer need not report those matters included in the previous campaign treasurer's termination statement.

(I)(1) If any candidate, office-holder, or campaign treasurer of a political committee fails to file a sworn statement containing all information required by this chapter, such person shall be guilty of a Class C misdemeanor.

Art. 14.09. Political Advertising

(A) It is unlawful for any person knowingly to enter into a contract or transaction to print, publish or broadcast, any political advertising which does not disclose thereon that it is political advertising and which does not state thereon the name and address either of the agent who personally entered into the contract or transaction with the printer, publisher, or broadcaster, or the person represented by such agent. A violation of this provision shall constitute a Class A misdemeanor. However, in the event the political advertisement conveys the impression that it emanates from a source other than its true source for the purpose of injuring any candidate or influencing the vote in any election, the candidate, campaign treasurer, assistant campaign treasurer or any other person purchasing or contracting for the furnishing of such political advertisement in support of or in opposition to any candidate or measure, who knowingly violates this subsection shall be guilty of a felony of the third degree.

(B) Any advertising medium or any officer or agent thereof who willfully demands or receives for any political advertising any money or other thing of value in excess of the sum due for such service, or any person who pays or offers to pay for such service any money or other thing of value in excess of the sum due, or any person who pays or offers to pay any money or other thing of value for the publication or broadcasting of political advertising except as advertising or production matter, shall be fined not more than \$100. No advertising medium may charge a rate for political advertising in excess of the following:

(1) For advertising broadcast over a radio or television station, including a community antenna or cable television system, the rate charged shall not exceed the lowest unit charge of the station for the same class, condition and amount of time for the same period;

(2) For advertising printed or published by any other medium, the rate charged shall not exceed the lowest charge made for comparable use of such space for other purposes. The rate shall take into account the amount of space used, the number of times used, the frequency of use, and the kind of space used, as well as the type of advertising copy submitted by or on behalf of a candidate, or political committee. All discount privileges otherwise offered by a newspaper or magazine to advertisers shall be available upon equal terms to all candidates, or political committees.

(C) It is unlawful for an officer or employee of any political subdivision of this state to expend or authorize the expenditure of the funds of such political subdivision for the purpose of political advertising. The provisions of this subsection shall not apply to any advertising which describes the factual reasons for a measure and which does not advocate the passage or defeat of such measure.

(D) It is the legislative intent to impose both civil and criminal responsibility on persons, corporations, partnerships, labor unions, or labor organizations, or any unincorporated associations, firms, committees, clubs, or other organizations, or groups of persons, including any groups of persons associated with a political party or element thereof, for violations of this section.

(2) It is unlawful for any person to issue any communication relating to the candidacy of a person for nomination or election to a public office or election to the office of a political party or relating to the success or defeat of any ballot measure, which purports to emanate from any source other than its true source.

(B)(1) It is unlawful for any candidate for nomination or election to a public office to use the title of an office in his political advertising when the use of such title could reasonably be construed to lead the voters to believe that the candidate is the holder of an office, unless the candidate is the holder of the office at the time the representation is made.

(2) It is unlawful for any person to print, publish, or broadcast any political advertising, or to make any written or oral commercial communication, relating to the campaign of a candidate for nomination or election to a public office which states, implies, or otherwise represents that the candidate is the holder of an office, unless the candidate is the holder of the office at the time the representation is made.

(2) Filing of a statement of contributions and expenditures with the Secretary of State that does not conform to law.

(3) Accepting a contribution or making an expenditure before the filing of a designation of a campaign treasurer in an election in which the designation is required to be filed with the Secretary of State.

(4) Making or accepting an unlawful contribution or making an unlawful expenditure.

(B) Form and contents of complaint. A complaint must:

(1) be signed and sworn to by the complainant as containing allegations that are true and correct and made on personal knowledge; and

(2) state the name of the person accused, the election involved, if any, and the alleged violation; and

(3) allege facts indicating that the person accused has committed a violation.

(C) Notice to the accused. Upon receipt of a complaint meeting the requirements of Paragraphs (A) and (B) of this section, the Secretary of State shall give notice by registered or certified mail, restricted delivery, return receipt requested, to the person who is the subject of the complaint:

(1) informing the person that the complaint has been filed;

(2) attaching a copy of the complaint;

(3) requesting the person to make a written response within 15 days after the date shown on the notice (the date of mailing); and

(4) attaching a copy of this section.

(D) Referral to prosecuting attorney and Attorney General.

(1) If the accused is a candidate or the campaign treasurer of a candidate or of a political committee supporting a candidate, the Secretary of State shall not report any alleged violations to the prosecuting attorney or to the Attorney General while the candidate is still engaged in the campaign in the specific election in which the alleged violation is said to have occurred or in a subsequent runoff or general election for the same term of office.

(2) After a lapse of 25 days from the date of a notice pursuant to Paragraph (C) or after a lapse of 25 days from an election described in (D)(1) above of this section, if it appears that the person accused in the complaint may have failed to comply with the relevant provisions of law, the Secretary of State shall forward to the appropriate prosecuting attorney the original complaint and the accused's response (if any) to the notice, together with certified copies of all pertinent records filed with the Secretary of State, in order that appropriate action may be taken.

(3) If the alleged violation is one for which a civil penalty accrues in favor of the state, the Secretary of State shall also forward to the Attorney General certified copies of the original complaint, the accused's response, and all pertinent records filed with the Secretary of State, in order that appropriate action be taken.

(E) Malicious complaints. A civil action for damages exists against the complainant in favor of any person against whom a complaint is filed maliciously and without probable cause, after the termination of any resulting prosecution. In addition, a person who makes a false allegation in a complaint is subject to the provisions of the Texas Penal Code relating to the offense of perjury.¹

(F) The procedures outlined in this section are cumulative of other available procedures for investigation and enforcement of violations of this chapter. Nothing in this section shall be taken as precluding the filing of a complaint directly with a prosecuting attorney or as precluding investigations and prosecutions by a prosecuting attorney and actions by the Attorney General for recovery of civil penalties without a referral from the Secretary of State.

(G) Duties of Secretary of State.

(1) It shall be the duty of the Secretary of State to prescribe forms for any instruments

required to be filed by this code, regardless of whether the instruments are to be filed with the Secretary of State or with some other authority, and to make such forms available to persons required to file such statements and information with the Secretary of State, or any other authority.

(2) It shall be the duty of the Secretary of State to furnish such forms to the following: the State Executive Committee of any political party, the clerk of each county, the duly elected chairman of each county political subdivision or authority holding an election under this code.

ance, and five and one-half per cent (5½%) interest for single premium deferred annuity and pure endowment contracts and four and one-half per cent (4½%) interest for all other such individual annuity and pure endowment contracts.

(4) For all annuities and pure endowments purchased prior to the effective date of this amendatory Act of 1977 under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts, the 1971 Group Annuity Mortality Table, or any modification of this table approved by the State Board of Insurance, and six per cent (6%) interest.

(5) For all annuities and pure endowments purchased on or after the effective date of this amendatory Act of 1977 and prior to January 1, 1990, under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts, the 1971 Group Annuity Mortality Table, or any modification of this table approved by the State Board of Insurance, and seven and one-half per cent (7½%) interest.

For all annuities and pure endowments purchased on or after January 1, 1990, under group annuity and pure endowment contracts, excluding any disability and accidental death benefits purchased under such contracts, the 1971 Group Annuity Mortality Table, or any modification of this table approved by the State Board of Insurance, and six per cent (6%) interest.

If a company makes no such election, the operative date of this Subsection (b) for such company shall be January 1, 1979.

Reserves for Life Insurance and Endowment Benefits of Policies Providing Uniform Amount of Insurance and Requiring Payment of Uniform Premiums

Sec. 5. (A) Except as otherwise provided in Section 5(B), reserves according to the commissioners reserve valuation method, for the life insurance and endowment benefits of policies providing for a uniform amount of insurance and requiring the payment of uniform premiums shall be the excess, if any, of the present value, at the date of valuation, of such future guaranteed benefits provided for by such policies, over the then present value of any future modified net premiums therefor. The modi-

fied net premiums for any such policy shall be such uniform percentage of the respective contract premiums for such benefits that the present value, at the date of issue of the policy, of all such modified net premiums shall be equal to the sum of the then present value of such benefits provided for by the policy and the excess of (a) over (b), as follows:

[See Compact Edition, Volume 2 for text of 5(A)(a) and (b)]

Reserves according to the commissioners reserve valuation method for (1) life insurance policies providing for a varying amount of insurance or requiring the payment of varying premiums, (2) group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code of 1954, as amended (Title 26, United States Code, as amended), (3) disability and accidental death benefits in all policies and contracts, and (4) all other benefits, except life insurance and endowment benefits in life insurance policies and benefits provided by all other annuity and pure endowment contracts, shall be calculated by a method consistent with the principles of the preceding paragraph, except that any extra premiums charged because of impairments or special hazards shall be disregarded in the determination of modified net premiums. Such impairments and special hazards may also be disregarded in determining present value of benefits.

(B) This subsection shall apply to all annuity and pure endowment contracts other than group annuity and pure endowment contracts purchased under a retirement plan or plan of deferred compensation, established or maintained by an employer (including a partnership or sole proprietorship) or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code, as now or hereafter amended.

Reserves according to the commissioners annuity reserve valuation method for benefits under annuity and pure endowment contracts, excluding any disability and accidental death benefits in such contracts, shall be the greatest of the respective excesses of the present values, at the date of valuation, of the future guaranteed benefits, including guaranteed non-forfeiture benefits, provided by such contracts at the end of each respective contract year, over the present value, at the date of valuation, of any future valuation considerations derived from future gross considerations, required by the terms of

such contract, that become payable prior to the end of such respective contract year. The future guaranteed benefits shall be determined by using the mortality table, if any, and the interest rate or rates specified in such contracts for determining guaranteed benefits. The valuation considerations are the portions of the respective gross considerations applied under the terms of such contracts to determine non-forfeiture values.

Aggregate Reserves for all Life Policies; Minimum Amount

Sec. 6. In no event shall a company's aggregate reserves for all life insurance policies, excluding disability and accidental death benefits, issued on or after the operative date of Article 3.44a (the Standard Non-forfeiture Law), be less than the aggregate reserves calculated in accordance with the methods set forth in Sections 5 and 8 and the mortality table or tables and rate or rates of interest used in calculating non-forfeiture benefits for such policies.

Calculation of Reserves for Policies and Contracts Issued Prior to Operative Date of Standard Non-forfeiture Law; Standards

Sec. 7. Reserves for all policies and contracts issued prior to the operative date of Article 3.44a (the Standard Non-forfeiture Law) may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for all such policies and contracts than the minimum reserves required by the laws in effect immediately prior to such date.

Reserves for any category of policies, contracts or benefits as established by the State Board of Insurance, issued on or after the operative date of Article 3.44a (the Standard Non-forfeiture Law), may be calculated, at the option of the company, according to any standards which produce greater aggregate reserves for such category than those calculated according to the minimum standard herein provided, but the rate or rates of interest used for policies and contracts, other than annuity and pure endowment contracts, shall not be higher than the corresponding rate or rates of interest used in calculating any non-forfeiture benefits provided for therein.

Any such company which at any time shall have adopted any standard of valuation producing greater aggregate reserves than those calculated according to the minimum standard herein provided may, with the approval of the State Board of Insurance, adopt any lower standard of valuation, but not lower than the minimum herein provided.

Deficiency Reserve

Sec. 8. If in any contract year the gross premium charged by any life insurance company on any policy or contract is less than the valuation net premium for the policy or contract calculated by the

method used in calculating the reserve thereon but using the minimum valuation standards of mortality and rate of interest, the minimum reserve required for such policy or contract is the greater of either the reserve calculated according to the mortality table, rate of interest, and method actually used for such policy or contract, or the reserve calculated by the method actually used for such policy or contract but using the minimum standards of mortality and rate of interest and replacing the valuation net premium by the actual gross premium in each contract year for which the valuation net premium exceeds the actual gross premium.

The limitation provided by this subsection shall not apply to any first lien on real estate where the Commissioner of Insurance finds that: (1) the making or acquiring of such lien is beneficial to and protects the interest of the insurer and (2) no substantial damage to the policyholders and creditors of such insurer appears probable from the taking or acquiring of such lien.

2. First Liens Upon Leasehold Estates.

First liens upon leasehold estates in real property and improvements situated thereon, the title to which is valid; provided that the duration of any loan upon such leasehold estates shall not exceed a period equal to four-fifths ($\frac{4}{5}$) of the then unexpired term of such leasehold estate, provided the unexpired term of the leasehold estate must extend at least ten (10) years beyond the term of the loan, and any such

The foregoing restrictions as to the value of the real estate security compared to the amount loaned thereon and as to the duration of such loans shall not be applied to loans if the entire amount of the indebtedness is insured or guaranteed in any manner by the United States, the Federal Housing Administration pursuant to the National Housing Act of 1934, as amended (12 U.S.C.A. [See Compact Edition, Volume 2 for text of 1(a) to (c), 2 to 4]

5. All such real property specified in Subdivisions 2, 3, and 4 of this Article which shall not be necessary for its accommodation in the convenient transactions of its business, except interests in minerals and royalties reserved upon the sale of land acquired under such Subdivisions 2, 3, and 4 hereof, and further excepting interests in producing royalties and producing overriding royalties otherwise acquired, shall be sold and disposed of within five (5) years after the company shall have acquired title to the same, or within five (5) years after the same shall have ceased to be necessary for the accommodation of its business. It shall not hold such property for a longer period, unless it shall procure a certificate from the Board that its interests will suffer materially by the forced sale thereof; in which event the time for the sale may be extended to such time as the Board shall direct in such certificate.

In addition to, and without limitation on, the purposes for which real property may be acquired, secured, held or retained pursuant to other provisions of this Article, every such insurance company may secure, hold, retain and convey production payments, producing royalties and producing overriding royalties as an investment for the production of income; provided, however, that the total amount of all such investments in production payments, producing royalties and producing overriding royalties plus the total amount of investments in home office and branch office properties under Subdivision 1(a) of this Article shall not exceed the total amount permitted by and shall be subject to all of the limitations and restrictions of Subdivisions 1(b) and 1(c) of this Article and for this purpose all investments in production payments, producing royalties and producing overriding royalties pursuant to the provisions of this paragraph shall be deemed to be "properties described in Subdivision 1(a)" of this Article; and provided further, that in valuing each such production payment, producing royalty and producing overriding royalty for the purposes of Subdivision 1(c) of this Article the State Board of Insurance may establish such value as being the maximum amount which the company purchasing such

production payment, producing royalty and producing overriding royalty could loan against a first lien on such production payment, producing royalty and producing overriding royalty under the provisions of Part II, Section A, Subsection 2 of Article 3.39 of the Insurance Code; and provided further, no such company shall make any investment in such production payments, producing royalties and producing overriding royalties solely as an investment for the production of income if, after making such investment, the total investment of the company at cost in such production payments, producing royalties and producing overriding royalties is in excess of ten per cent (10%) of its admitted assets as of December 31st next preceding the date of such investment. For the purposes of this paragraph, a production payment is defined to mean a right to oil, gas or other minerals in place or as produced that entitles its owner to a specified fraction of production until a specified sum of money, or a specified number of units of oil, gas or other minerals, has been received; a royalty and an overriding royalty are each defined to mean a right to oil, gas and other minerals in place or as produced that entitles the owner to a specified fraction of production without limitation to a specified sum of money, or a specified number of units of oil, gas or other minerals; "producing" is defined to mean producing oil, gas or other minerals in paying quantities, provided that it shall be deemed that oil, gas or other minerals are being produced in paying quantities if a well has been "shut in" and "shut in royalties" are being paid. In the event production in paying quantities should cease from any such royalty interest or overriding royalty interest held by any insurance company, such royalty or overriding royalty shall be sold and disposed of within two (2) years after such production shall have ceased, unless production in paying quantities shall have been resumed, or unless such Insurance Company shall have procured a certificate from the Board that its interests will suffer materially by the forced sale thereof; in which event the sale may be extended to such time as the Board shall direct in such certificate.

SUBCHAPTER D. POLICIES AND BENEFICIARIES

Art. 3.42. Policy Form Approval

(a) No policy, contract or certificate of life, term or endowment insurance, group life or term insurance, industrial life insurance, accident or health insurance, group accident or health insurance, hospitalization insurance, group hospitalization insurance, medical or surgical insurance, group medical or surgical insurance, or fraternal benefit insurance, and

no annuity or pure endowment contract or group annuity contract, shall be delivered, issued or used in this state by a life, accident, health or casualty insurance company, a mutual life insurance company, mutual insurance company other than life, mutual or natural premium life insurance company, general casualty company, Lloyds, reciprocal or interinsurance exchange, fraternal benefit society, group hospitalization service or any other insurer, unless the form of said policy, contract or certificate has been filed with the State Board of Insurance and approved by said Board as provided in Paragraph (c) of this Article. Provided, however, that this Article shall not apply to any society, company or other insurer whose activities are by statute exempt from the control of the State Board of Insurance and which is entitled by statute to an exemption certificate from said Board in evidence of its exempt status; provided, further, that this Act shall not be construed to enlarge the powers of any of the insurers subject to this Article.

(b) No application form which is required to be or is attached to the policy, contract or certificate, and no rider or endorsement to be attached to, printed upon or used in connection with any policy, contract or certificate described in Paragraph (a) of this Article shall be delivered, issued or used in this state by any insurer described in Paragraph (a) of this Article unless the form of said application, rider or endorsement has been filed with the State Board of Insurance and approved by said Board as provided in Paragraph (c) of this Article. Each individual accident and sickness insurance policy application form, which is required to be or is attached to the policy, shall comply with the rules and regulations of the Board promulgated pursuant to Subchapter G of this chapter. Provided, however, that this Article shall not apply to riders or endorsements which relate to the manner of distribution of benefits or to the reservation of rights and benefits under such policies, contracts and certificates, and which are used at the request of the holder of the policy, contract or certificate.

(c) Every such filing hereby required shall be made not less than thirty days in advance of any such issuance, delivery or use. At the expiration of thirty days the form so filed shall be deemed approved by the State Board of Insurance unless prior thereto it has been affirmatively approved or disapproved by the written order of said Board. The State Board of Insurance may extend by not more than an additional thirty days the period within which it may so affirmatively approve or disapprove any such form, by giving notice of such extension before expiration of the initial fifteen day period and at the expiration of any such extended period, and in the absence of such prior affirmative approval or disapproval, any such form shall be deemed approved. The State Board of Insurance may with-

draw any such approval at any time. Approval of any such form by such Board shall constitute a waiver of any expired portion of the waiting period, or periods, herein provided.

(d) The order of the State Board of Insurance disapproving any such form or withdrawing a previous approval shall state the grounds for such disapproval or withdrawal.

(e) The State Board of Insurance may, by written order, exempt from the requirements of this Article for so long as it deems proper, any insurance document or form specified in such order, to which in its opinion this Article may not practicably be applied, or the filing and approval of which are, in its opinion, not desirable or necessary for the protection of the public.

(f) The State Board of Insurance shall forthwith disapprove any such form, or withdraw any previous approval thereto if, and only if,

(1) It is in any respect in violation of or does not comply with this Code.

(2) It contains provisions which encourage misrepresentation or are unjust, unfair, inequitable, misleading, deceptive or contrary to law or to the public policy of this state.

(3) It has any title, heading or other indication of its provisions which is misleading.

(g)(1) The Board may, after notice and hearing, withdraw any previous approval of an individual accident and sickness insurance policy form if, after consideration of all relevant facts, the Board finds that the benefits provided under such policy form are unreasonable in relation to the premium charged. The Board shall from time to time as conditions warrant, and after notice and hearing, promulgate such reasonable rules and regulations and amendments thereto as are necessary to establish the standard or standards by which any previous approval of a policy form may be withdrawn. Any such rule or regulation shall be promulgated in accordance with Article 3.70-10 of the Texas Insurance Code. Nothing in this section shall be construed as granting the State Board of Insurance any power or authority to determine, fix, prescribe, or promulgate the rates to be charged for any individual accident and sickness insurance policy or policies.

(2) The Board shall require the filing of all rates to be charged for individual accident and sickness policies and may adopt necessary forms to be filed by insurers in conjunction with the annual statement required under Articles 3.07 and 3.20 of this code for reporting the experience on all individual accident and sickness insurance policy forms issued by the insurer so as to determine compliance with Subsection (1).

(h) Appeals from any order of the State Board of Insurance issued under this Article may be taken to

the District Court of Travis County, Texas, in accordance with Article 21.44 of Sub-Chapter F of this Insurance Code, or any amendments thereof.

Art. 3.44a. Standard Non-forfeiture Law

[See Compact Edition, Volume 2 for text of 1 to 4]

Adjusted Premiums

Sec. 5. Except as provided in the third paragraph of this Section, the adjusted premiums for any policy shall be calculated on an annual basis, or at the option of the company on a fully continuous basis provided such basis is consistent with actual policy provisions and the use of such basis is specified therein, and shall be such uniform percentage of the respective premiums specified in the policy for each policy year, excluding any extra premiums charged because of impairments or special hazards, that the present value, at the date of issue of the policy, of all such adjusted premiums shall be equal to the sum of (i) the then present value of the future guaranteed benefits provided for by the policy; (ii) two per cent (2%) of the amount of insurance, if the insurance be uniform in amount, or of the equivalent uniform amount, as hereinafter defined, if the amount of insurance varies with duration of the policy; (iii) forty per cent (40%) of the adjusted premium for the first policy year; (iv) twenty-five per cent (25%) of either the adjusted premium for the first policy year or the adjusted premium for a whole life policy of the same uniform or equivalent uniform amount with uniform premiums for the whole of life issued at the same age for the same amount of insurance, whichever is less. Provided, however, that in applying the percentages specified in (iii) and (iv) above, no adjusted premium shall be deemed to exceed four per cent (4%) of the amount of insurance or uniform amount equivalent thereto. The date of issue of a policy for the purpose of this Section shall be the date as of which the rated age of the insured is determined.

In the case of a policy providing an amount of insurance varying with duration of the policy, the equivalent uniform amount thereof for the purpose of this Section shall be deemed to be the uniform amount of insurance provided by an otherwise similar policy, containing the same endowment benefit or benefits, if any, issued at the same age and for the same term, the amount of which does not vary with duration and the benefits under which have the same present value at the date of issue as the benefits under the policy; provided, however, that in the case of a policy providing a varying amount of insurance issued on the life of a child under age ten, the equivalent uniform amount may be computed as

though the amount of insurance provided by the policy prior to the attainment of age ten were the amount provided by such policy at age ten.

The adjusted premiums for any policy providing term insurance benefits by rider or supplemental policy provision shall be equal to (a) the adjusted premiums for an otherwise similar policy issued at the same age without such term insurance benefits, increased, during the period for which premiums for such term insurance benefits are payable, by (b) the adjusted premiums for such term insurance, the foregoing items (a) and (b) being calculated separately and as specified in the first two paragraphs of this Section.

Except as otherwise provided in Sections 6 and 7, all adjusted premiums and present values referred to in this Article shall for all policies of ordinary insurance be calculated on the basis of the Commissioners 1941 Standard Ordinary Mortality Table, provided that for any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to an age not more than three years younger than the actual age of the insured and such calculations for all policies of industrial insurance shall be made on the basis of the 1941 Standard Industrial Mortality Table. All calculations shall be made on the basis of the rate of interest, not exceeding three and one-half per cent (3½%) per annum, specified in the policy for calculating cash surrender values and paid-up non-forfeiture benefits. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a non-forfeiture benefit, the rates of mortality assumed may be not more than one hundred and thirty percent (130%) of the rates of mortality according to such applicable table. Provided further, that for insurance issued on a sub-standard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the State Board of Insurance.

Calculation of Adjusted Premiums and Present Values of Ordinary Policies Issued on or After Operative Date of This Section

Sec. 6. In the case of ordinary policies issued on or after the operative date of this Section as defined herein, all adjusted premiums and present values referred to in this Article shall be calculated on the basis of the Commissioners 1958 Standard Ordinary Mortality Table and the rate of interest specified in the policy for calculating cash surrender values and paid-up non-forfeiture benefits provided that such rate of interest shall not exceed three and one-half per cent (3½%) per annum except that a rate of interest not exceeding four per cent (4%) per annum may be used for policies issued on or after June 14, 1973, and prior to the effective date of this amend-

tory Act of 1977. For policies issued on and after the effective date of this amendatory Act of 1977, a rate of interest not exceeding five and one-half per cent (5½%) per annum may be used, except that for any single premium whole life or endowment insurance policy a rate of interest not exceeding six and one-half per cent (6½%) per annum may be used. For any category of ordinary insurance issued on female risks, adjusted premiums and present values may be calculated according to age not more than three years younger than the actual age of the insured for policies issued prior to the effective date of this amendatory Act of 1977 and for policies issued on and after such effective date adjusted premiums and present values may be calculated according to an age not more than six (6) years younger than the actual age of the insured. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a non-forfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioners 1958 Extended Term Insurance Table. Provided further, that for insurance issued on a sub-standard basis, the calculation of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the State Board of Insurance.

On or after the operative date of this Article, any company may file with the State Board of Insurance a written notice of its election to comply with the provisions of this Section after a specified date before January 1, 1974. After the filing of such notice, then upon such specified date (which shall be the operative date of this Section for such company), this Section shall become operative with respect to the ordinary policies thereafter issued by such company. If a company makes no such election, the operative date of this Section for such company shall be January 1, 1974.

Industrial Policies; Adjusted Premiums and Present Values

Sec. 7. In the case of industrial policies issued on or after the operative date of this Section as defined herein, all adjusted premiums and present values referred to in this Article shall be calculated on the basis of the Commissioners 1961 Standard Industrial Mortality Table and the rate of interest specified in the policy for calculating cash surrender values and paid-up non-forfeiture benefits provided that such rate of interest shall not exceed three and one-half per cent (3½%) per annum, except that a rate of interest not exceeding four per cent (4%) per annum may be used for policies issued on or after June 14, 1973, and prior to the effective date of this amendatory Act of 1977. For policies issued on and after the effective date of this amendatory Act of 1977 a rate of interest not exceeding five and one-half per

cent (5½%) per annum may be used, except that for any single premium whole life or endowment insurance policy a rate of interest not exceeding six and one-half per cent (6½%) per annum may be used. Provided, however, that in calculating the present value of any paid-up term insurance with accompanying pure endowment, if any, offered as a non-forfeiture benefit, the rates of mortality assumed may be not more than those shown in the Commissioners 1961 Industrial Extended Term Insurance Table. Provided further, that for insurance issued on a sub-standard basis, the calculations of any such adjusted premiums and present values may be based on such other table of mortality as may be specified by the company and approved by the State Board of Insurance.

On or after the operative date of this Article, any company may file with the State Board of Insurance a written notice of its election to comply with the provisions of this Section after a specified date before January 1, 1974. After the filing of such notice, then upon such specified date (which shall be the operative date of this Section for such company), this Section shall become operative with respect to the industrial policies thereafter issued by such company. If a company makes no such election, the operative date of this Section for such company shall be January 1, 1974.

Art. 3.44b. Standard Non-forfeiture Law for Individual Deferred Annuities

Contracts of Annuity to Contain Certain Provisions

Sec. 1. In the case of contracts issued on or after the operative date of this Article as defined in Section 11, no contract of annuity, except as stated in Section 10, shall be delivered or issued for delivery in this state unless it contains in substance the following provisions, or corresponding provisions which in the opinion of the State Board of Insurance are at least as favorable to the contract holder, on cessation of payment of considerations under the contract.

(a) That on cessation of payment of considerations under a contract, the company will grant a paid-up annuity benefit on a plan stipulated in the contract of such value as is specified in Sections 3, 4, 5, 6, and 8 of this Article.

(b) If a contract provides for a lump-sum settlement at maturity, or at any other time, that on surrender of the contract at or prior to the commencement of any annuity payments, the company will pay in lieu of any paid-up annuity benefit a cash

surrender benefit of such amount as is specified in Sections 3, 4, 6, and 8 of this Article. The company shall reserve the right to defer the payment of such cash surrender benefit for a period of six (6) months after demand therefor with surrender of the contract.

(c) A statement of the mortality table, if any, and interest rates used in calculating any minimum paid-up annuity, cash surrender or death benefits that are guaranteed under the contract, together with sufficient information to determine the amounts of such benefits.

(d) A statement that any paid-up annuity, cash surrender or death benefits that may be available under the contract are not less than the minimum benefits required by any statute of the state in which the contract is delivered and an explanation of the manner in which such benefits are altered by the existence of any additional amounts credited by the company to the contract, any indebtedness to the company on the contract or any prior withdrawals from or partial surrenders of the contract.

Notwithstanding the requirements of this Section, any deferred annuity contract may provide that if no considerations have been received under a contract for a period of two (2) full years and the portion of the paid-up annuity benefit at maturity on the plan stipulated in the contract arising from considerations paid prior to such period would be less than twenty dollars (\$20.00) monthly, the company may at its option terminate such contract by payment in cash of the then present value of such portion of the paid-up annuity benefit, calculated on the basis of the mortality table, if any, and interest rate specified in the contract for determining the paid-up annuity benefit, and by such payment shall be relieved of any further obligation under such contract.

Minimum Non-forfeiture Amounts

Sec. 2. The minimum values as specified in Sections 3, 4, 5, 6, and 8 of this Article of any paid-up annuity, cash surrender, or death benefits available under an annuity contract shall be based upon minimum non-forfeiture amounts as defined in this Section.

(a) With respect to contracts providing for flexible considerations, the minimum non-forfeiture amount at any time at or prior to the commencement of any annuity payments shall be equal to an accumulation up to such time at a rate of interest of three per cent (3%) per annum of percentages of the net considerations (as hereinafter defined) paid prior to such time, decreased by the sum of:

(1) any prior withdrawals from or partial surrenders of the contract accumulated at a rate of interest of three per cent (3%) per annum; and

(2) the amount of any indebtedness to the company on the contract, including interest due and accrued; and increased by any existing additional amounts credited by the company to the contract.

The net considerations for a given contract year used to define the minimum non-forfeiture amount shall be an amount not less than zero and shall be equal to the corresponding gross considerations credited to the contract during that contract year less an annual contract charge of thirty dollars (\$30.00) and less a collection charge of one dollar and twenty-five cents (\$1.25) per consideration credited to the contract during that contract year. The percentages of net considerations shall be sixty-five per cent (65%) of the net consideration for the first contract year and eighty-seven and one-half per cent (87½%) of the net considerations for the second and later contract years. Notwithstanding the provisions of the preceding sentence, the percentage shall be sixty-five per cent (65%) of the portion of the total net consideration for any renewal contract year which exceeds by not more than two times the sum of those portions of the net considerations in all prior contract years for which the percentage was sixty-five per cent (65%).

(b) With respect to contracts providing for fixed scheduled considerations, minimum non-forfeiture amounts shall be calculated on the assumption that considerations are paid annually in advance and shall be defined as for contracts with flexible considerations which are paid annually with two exceptions:

(1) the portion of the net consideration for the first contract year to be accumulated shall be the sum of sixty-five per cent (65%) of the net consideration for the first contract year plus twenty-two and one-half per cent (22½%) of the excess of the net consideration for the first contract year over the lesser of the net considerations for the second and third contract years; and

(2) the annual contract charge shall be the lesser of (i) thirty dollars (\$30.00) or (ii) ten per cent (10%) of the gross annual consideration.

(c) With respect to contracts providing for a single consideration, minimum non-forfeiture amounts shall be defined as for contracts with flexible considerations except that the percentage of net consideration used to determine the minimum non-forfeiture amount shall be equal to ninety per cent (90%) and the net consideration shall be the gross consideration less a contract charge of seventy-five dollars (\$75.00).

Present Value of Paid-up Annuity

Sec. 3. Any paid-up annuity benefit available under a contract shall be such that its present value on the date annuity payments are to commence is at

least equal to the minimum non-forfeiture amount on that date. Such present value shall be computed using the mortality table, if any, and the interest rate specified in the contract for determining the minimum paid-up annuity benefits guaranteed in the contract.

Contracts Which Provide Cash Surrender Benefits

Sec. 4. For contracts which provide cash surrender benefits, such cash surrender benefits available prior to maturity shall not be less than the present value as of the date of surrender of that portion of the maturity value of the paid-up annuity benefit which would be provided under the contract at maturity arising from considerations paid prior to the time of cash surrender reduced by the amount appropriate to reflect any prior withdrawals from or partial surrenders of the contract, such present value being calculated on the basis of an interest rate not more than one per cent (1%) higher than the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, decreased by the amount of any indebtedness to the company on the contract, including interest due and accrued, and increased by any existing additional amounts credited by the company to the contract. In no event shall any cash surrender benefit be less than the minimum non-forfeiture amount at that time. The death benefit under such contracts shall be at least equal to the cash surrender benefit.

Contracts Which Do Not Provide Cash Surrender Benefits

Sec. 5. For contracts which do not provide cash surrender benefits, the present value of any paid-up annuity benefit available as a non-forfeiture option at any time prior to maturity shall not be less than the present value of that portion of the maturity value of the paid-up annuity benefit provided under the contract arising from considerations paid prior to the time the contract is surrendered in exchange for, or changed to, a deferred paid-up annuity, such present value being calculated for the period prior to the maturity date on the basis of the interest rate specified in the contract for accumulating the net considerations to determine such maturity value, and increased by any existing additional amounts credited by the company to the contract. For contracts which do not provide any death benefits prior to the commencement of any annuity payments, such present values shall be calculated on the basis of the interest rate and the mortality table specified in the contract for determining the maturity value of the paid-up annuity benefit. However, in no event shall the present values of a paid-up annuity be less than the minimum non-forfeiture amount at that time.

Maturity Dates

Sec. 6. For the purpose of determining the benefits calculated under Sections 4 and 5 of this Article,

in the case of annuity contracts under which an election may be made to have annuity payments commence at optional maturity dates, the maturity date shall be deemed to be the latest date for which election shall be permitted by the contract, but shall not be deemed to be later than the anniversary of the contract next following the annuitant's 70th birthday or the 10th anniversary of the contract, whichever is later.

Statement Indicating No Benefits

Sec. 7. Any contract which does not provide cash surrender benefits or does not provide death benefits at least equal to the minimum non-forfeiture amount prior to the commencement of any annuity payments shall include a statement in a prominent place in the contract that such benefits are not provided.

Benefits Available Other Than On Contract Anniversary

Sec. 8. Any paid-up annuity, cash surrender or death benefits available at any time, other than on the contract anniversary under any contract with fixed scheduled considerations, shall be calculated with allowance for the lapse of time and the payment of any scheduled considerations beyond the beginning of the contract year in which cessation of payment of consideration under the contract occurs.

Contracts Which Provide Both Annuity Benefits and Life Insurance Benefits

Sec. 9. For any contract which provides, within the same contract by rider or supplemental contract provision, both annuity benefits and life insurance benefits that are in excess of the greater of cash surrender benefits or a return of the gross considerations with interest, the minimum non-forfeiture benefits shall be equal to the sum of the minimum non-forfeiture benefits for the annuity portion and the minimum non-forfeiture benefits, if any, for the life insurance portion computed as if each portion were a separate contract. Notwithstanding the provisions of Sections 3, 4, 5, 6, and 8 of this Article, additional benefits payable (a) in the event of total and permanent disability, (b) as reversionary annuity or deferred reversionary annuity benefits, or (c) as other policy benefits additional to life insurance, endowment and annuity benefits, and considerations for all such additional benefits, shall be disregarded in ascertaining the minimum non-forfeiture amounts, paid-up annuity, cash surrender and death benefits that may be required by this Article. The inclusion of such additional benefits shall not be required in any paid-up benefits, unless such additional benefits separately would require minimum non-forfeiture amounts, paid-up annuity, cash surrender and death benefits.

Inapplicability of Article

Sec. 10. This Article shall not apply to any reinsurance, group annuity purchased under a retire-

ment plan or plan of deferred compensation established or maintained by an employer (including a partnership or sole proprietorship), or by an employee organization, or by both, other than a plan providing individual retirement accounts or individual retirement annuities under Section 408 of the Internal Revenue Code of 1954, as amended (Title 26, United States Code, as amended), premium deposit fund, variable annuity, investment annuity, immediate annuity, any deferred annuity contract after annuity payments have commenced, or reversionary annuity, nor to any contract which shall be delivered outside this state through an agent or other representative of the company issuing the contract.

Operative Date of Article

Sec. 11. After the effective date of this Article, any company may file with the State Board of Insurance a written notice of its election to comply with the provisions of this Article after a specified date before the second anniversary of the effective date of this Article. After the filing of such notices, then upon such specified date, which shall be the operative date of this Article for such company, the Article shall become operative with respect to annuity contracts thereafter issued by such company. If a company makes no such election, the operative date of this Article for such company shall be the second anniversary of the effective date of this Article.

SUBCHAPTER E. GROUP; INDUSTRIAL AND CREDIT INSURANCE

Art. 3.50. Group Life Insurance

Definitions

Sec. 1. No policy of group life insurance shall be delivered in this state unless it conforms to one of the following descriptions:

(1) A policy issued to an employer, or to the trustees of a fund established by an employer, which employer or trustees shall be deemed the policyholder, to insure employees of the employer for the benefit of persons other than the employer, subject to the following requirements:

(a) The employees eligible for insurance under the policy shall be all of the employees of the employer, or all of any class or classes thereof determined by conditions pertaining to their employment. The policy may provide that the term "employees" shall include the employees of one or more subsidiary corporations, and the employees, individual proprietors, and partners of one or more affiliated corporations, proprietors

or partnerships if the business of the employer and of such affiliated corporations, proprietors or partnerships is under common control through stock ownership, contract, or otherwise. The policy may provide that the term "employees" shall include the individual proprietor or partners if the employer is an individual proprietor or a partnership. The policy may provide that the term "employees" shall include retired employees.

(b) The premium for the policy shall be paid by the policyholder, either wholly from the employer's fund or funds contributed by him, or partly from such funds and partly from funds contributed by the insured employees. No policy may be issued on which the entire premium is to be derived from funds contributed by the insured employees. A policy on which part of the premium is to be derived from funds contributed by the insured employees may be placed in force only if at least seventy-five percent (75%) of the then eligible employees, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured employees must insure all eligible employees, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy must cover at least ten (10) employees at date of issue.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the employees or by the employer or trustees. No policy may be issued which provides insurance on any employee which together with any other insurance under any group life insurance policies issued to the employer or to the trustees of a fund established by the employer exceeds Fifty Thousand Dollars (\$50,000.00), unless two hundred percent (200%) of the annual compensation of such employee from his employer or employers exceeds Fifty Thousand Dollars (\$50,000.00), in which event all such term insurance shall not exceed One Hundred Thousand Dollars (\$100,000.00), or two hundred percent (200%) of such annual compensation, whichever is the lesser, except that this limitation shall not apply to group insurance on other than the term plan where such insurance is to be used to fund the benefits under a pension or profit sharing

plan and the amount of such insurance does not exceed that required to provide at normal retirement date the pension specified by the plan, and except that a group policy which is issued by the same or another carrier to replace another group policy may provide term insurance not to exceed the amounts provided by the policy which it replaces, or the amounts provided above, whichever are greater.

(2) A policy issued to a labor union, which shall be deemed the employer and policyholder, to insure the members of such union who are actively engaged in the same occupation and who shall be deemed to be the employees of such union within the meaning of this Article.

(3) A policy issued to any association of employees of the United States Government or any subdivision thereof, provided the majority of the members of such association are residents of this state, an association of public employees, an incorporated city, town or village, an independent school district, common school district, state colleges or universities, any association of state employees, any association of state, county and city, town or village employees, and any association of any combination of state, county or city, town or village employees and any department of the state government which employer or association shall be deemed the policyholder to insure the employees of any such incorporated city, town or village, of any such independent school district, of any common school district, of any such state college or university, of any such department of the state government, members of any association of state, county or city, town or village or of the United States Government or any subdivision thereof, provided the majority of such employees reside in this state, employees for the benefit of persons other than the policyholder subject to the following requirements:

(a) The persons eligible for insurance under the policy shall be all of the employees of the employer or if the policyholder is an association, all of the members of the association.

(b) The premium for a policy issued to any policyholder authorized to be such policyholder under Subsection (3) of Section 1, Article 3.50, Texas Insurance Code, may be paid in whole or in part from funds contributed by the employer, or in whole or in part from funds contributed by the persons insured under said policy; or in whole or in part from funds contributed by the insured employees who are members of such association of employees; provided, however,

that any monies or credits received by or allowed to the policyholder pursuant to any participation agreement contained in or issued in connection with the policy shall be applied to the payment of future premiums and to the pro rata abatement of the insured employees' contribution therefor; and provided further, that the employer may deduct from the employees' salaries the employees' contributions for the premiums when authorized in writing by the respective employees so to do. Such policy may be placed in force only if at least 75% of the eligible employees or if an association of employees is the policyholder, 75% of the eligible members of said association, excluding any as to whom evidence of individual insurability is not satisfactory to the insurer, elect to make the required premium contributions and become insured thereunder. Any group policies heretofore issued to any of the groups named in Section 1(3) above and in existence on the effective date of this Act shall continue in force even though the number of employees or members insured thereunder is less than 75% of the eligible employees or members on the effective date of this Act.

(c) The policy must cover at least ten (10) employees at date of issue, or if an association of employees is the policyholder, ten (10) members of said association at date of issue.

(d) The term employees as used herein in addition to its usual meaning shall include elective and appointive officials of the state.

(4) A policy issued to a creditor, who shall be deemed the policyholder, to insure debtors of the creditor, subject to the following requirements:

(a) The debtors eligible for insurance under the policy shall all be members of a group of persons numbering not less than fifty (50) at all times, who become borrowers, or purchasers of securities, merchandise or other property, under agreement to repay the sum borrowed or to pay the balance of the price of the securities, merchandise or other property purchase, to the extent of their respective indebtedness, but not to exceed Twenty Thousand Dollars (\$20,000.00) on any one life; provided, however, the face amount of any loan or loan commitment, totally or partially executed, made to a debtor for educational purposes or to a debtor with seasonal income by a creditor in good faith for general agricul-

tural or horticultural purposes, secured or unsecured, where the debtor becomes personally liable for the payment of such loan, may be so insured in an initial amount of such insurance not to exceed the total amount repayable under the contract of indebtedness and, when such indebtedness is repayable in substantially equal installments, the amount of insurance shall at no time exceed the scheduled or actual amount of unpaid indebtedness, whichever is greater, and such insurance on such credit commitments not exceeding one year in duration may be written up to the amount of the loan commitment on a nondecreasing or level term plan, but such insurance shall not exceed Fifty Thousand Dollars (\$50,000.00) on any one life.

(b) The premium for the policy shall be paid by the policyholder, either from the creditor's funds or from charges collected from the insured debtors, or both.

(c) The insurance issued shall not include annuities or endowment insurance.

(d) The insurance shall be payable to the policyholder. Such payment shall reduce or extinguish the unpaid indebtedness of the debtor to the extent of such payment; provided that in the case of a debtor for educational purposes or of a debtor with seasonal income, under a loan or loan commitment for general agricultural or horticultural purposes of the type described in paragraph (a), the insurance in excess of the indebtedness to the creditor, if any, shall be payable to the estate of the debtor or under the provision of a facility of payment clause.

(5) A policy issued to the trustees of a fund established by two or more employers in the same industry or by one or more labor unions, or to the trustees of a fund established by one or more employers in the same industry and one or more labor unions, or by one or more employers and one or more labor unions whose members are in the same or related occupations or trades, which trustees shall be deemed the policyholder, to insure employees of the employers or members of the unions for the benefit of persons other than the employers or the union, subject to the following requirements:

(a) The persons eligible for insurance shall be all of the employees of the employers and the employees of the trade association of such employers or all of the members of the union, or all of any class or classes thereof determined by conditions pertaining to their employment, or to membership in the unions, or both. The policy

may provide that the term "employees" shall include retired employees, and the individual proprietor or partners if an employer is an individual proprietor or a partnership. No director of a corporate employer shall be eligible for insurance under the policy unless such person is otherwise eligible as a bona fide employee of the corporation by performing services other than the usual duties of a director. No individual proprietor or partner shall be eligible for insurance under the policy unless he is actively engaged in and devotes a substantial part of his time to the conduct of the business of the proprietor or partnership. The policy may provide that the term "employees" shall include the trustees or their employees, or both, if their duties are principally connected with such trusteeship.

(b) The premium for the policy shall be paid by the trustees wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions, or by both, or, partly from such funds and partly from funds contributed by the insured persons, except that in no event shall the contribution by an insured person toward the cost of his insurance exceed forty cents per thousand per month. A policy on which part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance may be placed in force only if at least seventy-five percent (75%) of the then eligible persons of each participating employer unit, excluding any as to whom evidence of insurability is not satisfactory to the insurer, elect to make the required contributions. A policy on which no part of the premium is to be derived from funds contributed by the insured persons specifically for their insurance must insure all eligible persons, or all except any as to whom evidence of individual insurability is not satisfactory to the insurer.

(c) The policy must cover at date of issue at least one hundred (100) persons; unless the policy is issued to the trustees of a fund established by employers which have assumed obligations through a collective bargaining agreement and are participating in the fund either pursuant to those obligations with regard to one or more classes of their employees which are encompassed in the collective bargaining agreement or as a method of providing insurance benefits for other classes of their employees, or unless the policy is issued to the trustees of a fund established by one or more labor unions.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured persons or by the policyholder or employer. No policy may be issued which provides term insurance on any person which together with any other term insurance under any group life insurance policy or policies issued to trustees or employers exceeds Fifty Thousand Dollars (\$50,000.00), unless two hundred percent (200%) of the annual compensation of such employee from his employer or employers exceeds Fifty Thousand Dollars (\$50,000.00), in which event all such term insurance shall not exceed One Hundred Thousand Dollars (\$100,000.00) or two hundred percent (200%) of such annual compensation, whichever is the lesser.

(e) The limitation as to amount of group insurance on any person shall not apply to group insurance on other than the term plan where such insurance is to be used to fund the benefits under a pension plan and the amount of such insurance does not exceed that required to provide at normal retirement date the pension specified by the plan, and except that a group policy which is issued by the same or another carrier to replace another group policy may provide term insurance not to exceed the amount provided by the policy which it replaces, or the amounts provided above whichever is greater.

(f) No policy may be issued (i) to insure employees of any employer whose eligibility to participate in the fund as an employer arises out of considerations directly related to the employer being a commercial correspondent or business client or patron of another employer (regardless of whether such other employer is or is not participating in the fund); or (ii) to insure employees of any employer which is not located in this state, unless the majority of the employers whose employees are to be insured are located in this state, or unless the policy is issued to the trustees of a fund established by one or more labor unions.

(6) A policy issued to cover any other substantially similar group which, in the discretion of the commissioner of insurance, may be subject to the issuance of a group life insurance policy or contract.

(7) No policy of wholesale, franchise or employee life insurance, as hereinafter defined, shall be issued or delivered in this state unless it conforms to the following requirements:

(a) Wholesale, franchise or employee life insurance is hereby defined as: a term life insurance plan under which a number of individual term life insurance policies are issued at special rates to a selected group. A special rate is any rate lower than the rate shown in the issuing insurance company's manual for individually issued policies of the same type and to insureds of the same class.

(b) Wholesale, franchise or employee life insurance may be issued to (1) the employees of a common employer or employers, covering at date of issue not less than five employees; or (2) the members of a labor union or unions covering at date of issue not less than five members; or (3) the members of a credit union or credit unions covering at date of issue not less than five (5) members.

(c) The premium for the policy shall be paid either wholly from funds contributed by the employer or employers of the insured persons, or by the union or unions or by both, or partly from such funds and partly from funds contributed by the insured person, except that in no event shall the contribution by an insured person toward the cost of his insurance exceed forty cents per thousand per month.

(d) No policy may be issued on a wholesale, franchise or employee life insurance basis which, together with any other term life insurance policy or policies issued on a wholesale, franchise, employee life insurance or group basis, provides term life insurance coverage for an amount in excess of Fifty Thousand Dollars (\$50,000.00), unless two hundred percent (200%) of the annual compensation of such employee from his employer or employers exceeds Fifty Thousand Dollars (\$50,000.00), in which event all such term insurance shall not exceed One Hundred Thousand Dollars (\$100,000.00), or two hundred percent (200%) of such annual compensation, whichever is the lesser. An individual application shall be taken for each such policy and the insurer shall be entitled to rely upon the applicant's statements as to applicant's other similar coverage upon his life.

(e) Each such policy of insurance shall contain a provision substantially as follows:

A provision that if the insurance on an insured person ceases because of termination of employment or of membership in the union, such person shall be entitled to have issued to him by the insurer, without evi-

dence of insurability an individual policy of life insurance without disability or other supplementary benefits, provided application for the individual policy shall be made, and the first premium paid to the insurer, within thirty-one (31) days after such termination.

(f) Each such policy may contain any provision substantially as follows:

(1) A provision that the policy is renewable at the option of the insurer only;

(2) A provision for termination of coverage by the insurer upon termination of employment by the insured employee;

(3) A provision requiring a person eligible for insurance to furnish evidence of individual insurability satisfactory to the insurer as condition to coverage.

(g) The limitation as to amount of group and wholesale, franchise or employee life insurance on any person shall not apply to group insurance on other than the term plan where such insurance is to be used to fund benefits under a pension plan and the amount of such insurance does not exceed that required to provide at normal retirement date the pension specified by the plan, and except that a group policy which is issued by the same or another carrier to replace another group policy may provide term insurance not to exceed the amounts provided by the policy which it replaces, or the amounts provided above, whichever are greater.

(h) Nothing contained in this Subsection (6) shall in any manner alter, impair or invalidate (1) any policy heretofore issued prior to the effective date of this Act; nor (2) any such plan heretofore placed in force and effect provided such prior plan was at date of issue legal and valid; nor (3) any policy issued on a salary savings franchise plan, bank deduction plan, pre-authorized check plan or similar plan of premium collection.

(7A) A policy may be issued to a principal, or if such principal is a life or life and accident or life, accident and health insurer, by or to such principal, covering when issued not less than ten (10) agents of the principal, subject to the following requirements:

(a) As used in this section, the term "agents" shall be deemed to include general agents, subagents and salesmen.

(b) The agents eligible for insurance under the policy shall be those who are under contract to render personal services for the

principal for a commission or other fixed or ascertainable compensation.

(c) The premium for the policy shall be paid either wholly by the principal or partly from funds contributed by the principal and partly from funds contributed by the insured agents. A policy on which no part of the premium is to be derived from funds contributed by the insured agents must insure all of the eligible agents or all of any class or classes thereof determined by conditions pertaining to the services to be rendered by the agents to the principal. A policy on which part of the premium is to be derived from funds contributed by the insured agents must cover at issue at least seventy-five percent (75%) of the eligible agents or at least seventy-five percent (75%) of any class or classes thereof determined by conditions pertaining to the services to be rendered by the agents; provided, however, that the benefits may be extended to other classes of agents as seventy-five percent (75%) thereof express the desire to be covered.

(d) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the principal or by the agents. No policy may be issued which provides term insurance on any agent which together with any other term insurance under any group life insurance policy or policies issued to the principal exceeds Fifty Thousand Dollars (\$50,000.00), unless two hundred percent (200%) of the annual commissions or other fixed or ascertainable compensation of such agent from the principal exceeds Fifty Thousand Dollars (\$50,000.00), in which event all such term insurance shall not exceed One Hundred Thousand Dollars (\$100,000.00), or two hundred percent (200%) of such annual commissions or other fixed or ascertainable compensation, whichever is the lesser.

(e) The insurance shall be for the benefit of persons other than the principal.

(8) A policy issued to the Veterans Land Board of the State of Texas, who shall be deemed the policyholder to insure persons purchasing land under the Texas Veterans Land Program as provided in Section 16(B) of Article 5421m, Vernon's Texas Civil Statutes (Chapter 318, Acts of the 51st Legislature, Regular Session, 1949, as amended).

(9) Any policy of group term life insurance may be extended, in the form of group term life insurance only, to insure the spouse and minor children, natural or adopted, of an insured em-

ployee, provided the policy constitutes a part of the employee benefit program established for the benefit of employees of the United States government or any subdivision thereof, and provided further, that the spouse or children of other employees covered by the same employee benefit program in other states of the United States are or may be covered by group term life insurance, subject to the following requirements:

(a) The premiums for the group term life insurance shall be paid by the policyholder from funds solely contributed by the insured employee.

(b) The amounts of insurance under the policy must be based upon some plan precluding individual selection either by the insured employee or by the policyholder, provided that group term life insurance upon the life of a spouse shall not exceed the lesser of (1) Ten Thousand Dollars (\$10,000.00) or (2) one-half of the amount of insurance on the life of the insured employee under the group policy; and provided that group term life insurance on the life of any minor child shall not exceed Two Thousand Dollars (\$2,000.00).

(c) Upon termination of the group term life insurance with respect to the spouse of any insured employee by reason of such person's termination of employment or death, or termination of the group contract, the spouse insured pursuant to this section shall have the same conversion rights as to the group term life insurance on his or her life as is provided for the insured employee.

(d) Only one certificate need be issued for delivery to an insured employee if a statement concerning any dependent's coverage is included in such certificate.

(10)¹ A policy of group life insurance may be issued to a nonprofit service, civic, fraternal, or community organization or association which has had an active existence for at least two years, has a constitution or bylaws, was formed for purposes other than obtaining insurance, and which association shall be deemed the policyholder to insure members and employees of such association for the benefit of persons other than the association or any of its officers, subject to the following requirements:

(a) The persons eligible for insurance shall be all the members of the association, or all of any class thereof determined by conditions pertaining to membership in the association.

(b) The amounts of insurance under the policy shall be based upon some plan pre-

cluding individual selection either by the insured members or by the association.

(c) The premium for the policy shall be paid by the policyholder from the policyholder's own funds or from funds contributed by the employees or members specifically for their insurance, or from both.

(d) The policy shall cover at least twenty-five (25) persons at date of issue.

Administration

Sec. 4. The administration and implementation of this Act are vested solely in the trustee. As it shall deem necessary to insure the proper adminis-

tration of this Act and the insurance coverages, services, and benefits provided for or authorized by this Act, the trustee, as an agency of the State of Texas, shall have full power and authority to hire employees. The duties of such employees and their compensation shall be determined and assigned by the trustee. The trustee may, on a competitive bid basis, contract with a qualified, experienced firm of group insurance specialists who shall act for the trustee in a capacity as independent administrators and managers of the programs authorized under this Act. The independent administrator so selected by the trustee shall assist the trustee to insure the proper administration of the Act and the insurance coverages, services, and benefits provided for or authorized by the Act and shall be paid by the trustee. Compensation of all persons employed by the trustee and their expenses shall be paid at such rates and in such amounts as the trustee shall approve, providing that in no case shall they be greater than those expenses paid for like or similar services. Also, as an agency of the State of Texas, the trustee shall have full power and authority to enter into interagency contracts with any department of the State of Texas. The interagency contracts shall provide for reimbursement to the state departments and shall define the services to be performed by the departments for the trustee. The trustee shall have full power and authority to promulgate all rules, regulations, plans, procedures, and orders reasonably necessary to implement and carry out the purposes and provisions of this Act in all its particulars, including but not limited to the following:

- (a) preparation of specifications for all insurance provided by authority of this Act;
- (b) prescribing the time at which and the conditions under which an employee is eligible for all coverages provided under this Act;
- (c) determination of the methods and procedures of claims administration;
- (d) determination of the amount of employee payroll deductions and the responsibility of establishing procedures by which such deductions shall be made;
- (e) establishment of grievance procedures by which the trustee shall act as an appeals body for complaints by insured employees regarding the allowance and payment of claims, eligibility, and other matters;
- (f) continuing study of the operation of all insurance coverages provided under this Act, including such matters as gross and net cost, administration costs, benefits, utilization of benefits, and claims administration;
- (g) administration of the Employees Life, Accident, and Health Insurance and Benefits Fund, providing for the beginning and ending

dates of coverages of employees and annuitants and their dependents under health benefit plans;

(h) adoption of all rules and regulations consistent with the provisions of this Act and its purpose as it deems necessary to carry out its statutory duties and responsibilities;

(i) development of basic plans of group insurance coverages and benefits applicable to all state employees. The trustee also may provide for optional group insurance coverages and benefits in addition to the basic plan; and

(j) to provide either additional statewide optional programs or individual agency optional programs as the trustee may determine is appropriate.

Authority to Purchase Group Insurance

Sec. 5. (a) The trustee shall establish a plan or plans for active employees and retired employees, and is hereby authorized, empowered, and directed to contract with one or more qualified carriers or a combination of qualified carriers for the establishment of such plans. The trustee is further authorized, empowered, and directed to establish the above referenced plans of group insurance which in the trustee's discretion may include but are not necessarily limited to the following: group life insurance, accidental death and dismemberment, health benefits plans, including but not limited to hospital care and benefits, surgical care and treatment, medical care and treatment, dental care, obstetrical benefits, prescribed drugs, medicines, and prosthetic devices and supplement benefits, supplies, and services in conformity with the provisions of this Act, insurance protection against either long or short term loss of salary and any other coverages of group insurance which in the discretion of the trustee with consultation from the advisory committee shall be deemed advisable. All rules and regulations shall be promulgated pursuant thereto upon such terms and conditions as shall be agreed upon between the trustee and the carrier or carriers selected to provide such insurance coverages and benefits. The trustee shall determine the insurance coverages desired for state employees and will submit this information to the State Board of Insurance for any recommendations as to the types and sufficiency of such coverages. The State Board of Insurance will notify the board of trustees within 15 days as to any such recommendations and will furnish the board of trustees with a list of all carriers authorized to do business in the State of Texas who would be eligible to bid on the insurance coverage proposed. The trustee will notify those carriers that competitive bidding will be conducted and that they are to submit their bids to the State Board of Insurance by a specified date if they wish to bid on the contract. The State Board of Insurance will, after the designated closing date

for receiving bids, examine and evaluate the bidding contracts and certify their actuarial soundness to the trustee within 15 days from the closing date. The trustee shall select the desired carrier or carriers and will notify the bidding eligible carriers as to the results of the bidding. The trustee shall select the desired carrier or carriers to provide services which shall be in the best interest of the employees covered by this Act. The trustee is not required to select the lowest bid but shall take into consideration other factors such as ability to service contracts, past experience, financial ability, and other relevant criteria. Should the trustee select a carrier whose bid differs from that advertised, such deviation shall be recorded and the reasons for such deviation shall be fully justified and explained in the minutes of the next meeting of the trustee.

(b) In the event the trustee shall select as the carrier one whose bid was not the lowest of all bids submitted, such selection shall be submitted together with justifications and reasons therefor to the State Board of Insurance. Such deviating selection shall not be deemed final and binding unless and until a majority of the State Board of Insurance has certified its approval in writing to the trustee, or upon the expiration of 30 days after receipt thereof by the State Board of Insurance such deviating selection shall be deemed approved.

(c) The trustee will be required to submit for competitive bidding the coverages provided by the group plan as follows:

(1) at least every three years;

(2) whenever a change in the types and amounts of coverage occurs, provided that submission for competitive bidding shall not be required more than once within a year from the last submission.

(d) No department shall establish, continue, or authorize payroll deductions for any benefits or coverage as provided in this section without the express approval of the trustee, except for benefits from the deferred compensation program established pursuant to Chapter 197, Acts of the 63rd Legislature, Regular Session, 1973 (Article 6252-3b, Vernon's Texas Civil Statutes).

(e) The trustee is authorized to select and contract for services performed by health maintenance organizations which are approved by the federal government or the State of Texas to offer health care services to eligible employees and annuitants in a specific area of the state. Eligible employees and annuitants may participate in a selected health maintenance organization in lieu of participation in the health insurance benefits in the Employees Uniform Group Insurance Program, and the employer contributions provided by Subsection (a), Section 15 of this Act for health care coverage shall be paid to

the selected health maintenance organizations on behalf of the participants.

Benefit Certificates

Sec. 6. The trustees shall provide for the issuance to each employee insured under this Act a certificate of insurance setting forth the benefits to which the employee is entitled, to whom the benefits are payable, to whom the claims shall be submitted, and summarizing the provisions of the policy principally affecting the employee.

Annual Report

Sec. 7. As soon as practicable after the end of each calendar year but not later than 90 days thereafter, the trustee shall make a written report to the State Board of Insurance concerning the insurance coverages provided and the benefits and services being received by all state employees insured under the provisions of this Act. It shall be the duty of the State Board of Insurance to review such report and advise the trustee in regard to the insurance features of the coverages provided for all state employees and cooperate fully with the trustee in carrying out the purposes of this Act.

Reinsurance

Sec. 8. (a) The trustee shall arrange with any carrier or carriers issuing any policy or policies under this Act for the reinsurance, under conditions approved by the trustee, of portions of the total amount of insurance under such policy or policies, with other qualified carriers which elect to participate in the reinsurance.

(b) The trustee shall determine for and in advance of a policy year which qualified carriers are eligible to participate as reinsurers and the amount of insurance under a policy or policies which is to be allocated to the issuing company and reinsurers. The trustee shall make this determination at least every three years and when a participating company withdraws.

Annual Accounting; Special Contingency Reserve

Sec. 9. (a) Carriers providing any policy purchased under this Act shall provide an accounting to the trustee not later than 90 days after the end of each policy year. The accounting shall set forth, in a form approved by the trustee:

(2) the total of all mortality and other claims, charges, losses, costs, and expenses incurred for that period; and

(3) the amounts of the insurers' allowance for a reasonable profit and contingencies for that period.

(b) An excess of the total of Subdivision (a)(1) of this section over the sum of Subdivisions (a)(2) and (a)(3) of this section shall be held by the carrier issuing the policy as a special contingency reserve to be used by the carrier only for charges, claims, costs, and expenses under the policy. The reserve shall bear interest at a rate determined in advance of each policy year by the carrier and approved by the trustee as being consistent with the rates generally used by the carrier for similar funds held under other group insurance policies. When the trustee determines that the special contingency reserve has attained an amount estimated by it to make satisfactory provision for adverse fluctuations in future charges, claims, costs, or expenses under the policy, any further excess shall be deposited in the State Treasury to the credit of the Employees Life, Accident, and Health Insurance and Benefits Fund. When a policy is discontinued, any balance remaining in the special contingency reserve after all charges have been made shall be deposited in the State Treasury to the credit of the fund. The carrier may make the deposit in equal monthly installments over a period of not more than two years.

Exemption from Execution and Taxes on Premiums

Sec. 10. (a) Exemption from Execution. In addition to the benefits hereinabove provided and subject to the conditions and limitations of the policy or policies purchased by the trustee, such policy or policies shall provide such payments and benefits for employees and retired employees as shall be determined by the trustee. The trustee is also authorized to include the depend-

(b) The trustee shall prescribe regulations providing for the conversion of other than annual rates of pay to annual rates of pay, and specify the types of pay included in annual pay and all other matters necessary to implement this section.

Sec. 12. (a) The amount of group life insurance and group accidental death and dismemberment insurance in force on an employee at the date of his death shall be paid, on the establishment of a valid claim, to the person or persons surviving at the date of his death, in the following order of precedence:

First, to the beneficiary or beneficiaries designated by the employee in a signed and witnessed writing received before death in the employing office. For this purpose, a designation, change, or cancellation of beneficiary in a will or other document not so executed and filed has no force or effect.

Second, if there is no designated beneficiary, to the widow or widower of the employee.

Third, if none of the above, to the child or children of the employee and descendants of deceased children by representation.

Fourth, if none of the above, to the parents of the employee or the survivor of them.

Fifth, if none of the above, to the duly appointed executor or administrator of the estate of the employee.

Sixth, if none of the above, to other kin of the employee entitled under the laws of the domicile of the employee at the date of his death.

(b) If, within one year after the death of the employee, no claim for payment has been filed by a person entitled under the order of precedence named by Subsection (a) of this section, or if payment to the person within that period is prohibited by any statute or regulation, payment may be made in the order of precedence as if the person had predeceased the employee, and the payment bars recovery by any other person.

(c) If, within two years after the death of the employee, no claim for payment has been filed by a person entitled under the order of precedence named in Subsection (a) of this section, and neither the trustee nor the office established by the administering carrier has received notice that such a claim will be made, payment may be to the claimant who in the judgment of the trustee is equitably entitled thereto, and the payment bars recovery by any other person.

(d) If, within four years after the death of the employee, payment has not been made under this

section and no claim for payment by a person entitled under this section is pending, the amount payable escheats to the credit of the fund.

Automatic Coverage

Sec. 13. (a) No employee of the State of Texas shall be denied any of the group insurance coverage provided under this Act.

(b) Unless participation is waived specifically, every full-time employee shall be covered automatically by the basic plan for active full-time employees and every employee-annuitant shall be covered by the basic plan for retired employee-annuitants. Coverage shall begin on the date he becomes eligible for insurance, and each policy of insurance purchased by the trustee providing such insurance shall provide for such automatic coverage.

Payment of Premiums

Sec. 14. (a) The State of Texas shall contribute monthly to the cost of each insured employee's group insurance such amount as shall be appropriated therefor by the legislature in the General Appropriations Act. A like amount for each employee shall be appropriated by the governing board of state departments in their respective official operating budgets if their employees are compensated from funds appropriated by such budgets rather than by the General Appropriations Act.

(b) If an employee or annuitant refuses in writing the coverages, benefits, or services provided by this Act by a statement in writing satisfactory to the trustee, then in no event shall the State of Texas or the employee's department make any contribution to the cost of any other insurance coverages, services, or benefits on such employee or annuitant.

(c) If any insured employee or annuitant applies for coverage for which the premium exceeds the state's or the employing department's contribution under this Act, he shall authorize in writing and in a form satisfactory to the trustee a deduction from his monthly compensation or annuity the difference between the cost of premiums under said group policies and the amount contributed therefor by the State of Texas or the employing department.

Employer Contributions

Sec. 15. (a) On or before the first day of November next preceding each regular session of the legislature, the trustee shall certify to the Legislative Budget Board and budget division of the governor's office for information and review the amount necessary to pay the contributions of the State of Texas

to the trustee for insurance premiums on the coverages provided under this Act during the ensuing biennium. This amount shall be included in the budget of the state which the governor submits to the legislature. The trustee shall certify on or before August 31 of each year to the state comptroller of public accounts and the State Treasurer the estimated amount of state contributions to be received for employees covered by this Act during the ensuing year.

(b) From and after the effective date of this Act, there is hereby allocated and appropriated to the trustee, in accordance with the provisions of this Act, from the several funds from which state employees receive their respective salaries, a sum equal to the total of all employer contributions computed in accordance with the provisions of this Act and the rules and regulations of the trustee promulgated pursuant thereto.

(c) All money hereby allocated and appropriated by the state to the trustee under this Act shall be paid to the trustee in monthly installments based on the annual estimate by the trustee of the contributions to be received for all state employees during said year; provided, however, that in the event said estimate of the contributions of the state employees shall vary from the actual amount of the employer contributions during the year, such adjustments shall be made at the close of each fiscal year as may be required. Each of said monthly installments shall be paid into the appropriate fund created by this Act in the amount certified by the trustee.

(d) The trustee shall certify to the governing boards of those state departments who provide contributions for their employees from operating budgets provided from sources other than the General Appropriations Act the proportionate amounts needed to pay their respective contributions. Such certifications shall be made at least 30 days prior to the meeting at which the governing board adopts its operating budget.

Employees Life, Accident, and Health Insurance and Benefits Fund

Sec. 16. (a) There is hereby created with the treasury of the State of Texas an Employees Life, Accident, and Health Insurance and Benefits Fund which shall be administered by the trustee. The contributions of employees, annuitants, and the state provided for under this Act shall be paid into the fund. The fund is available:

(1) without fiscal year limitation for all payments for any insurance coverages provided for under this Act; and

(2) to pay expenses for administering this Act within the limitations that may be specified annually by the legislature.

(b) Portions of the contributions made by employees, annuitants, and the state shall be regularly set aside in the fund as follows: a percentage, not to exceed one percent of all contributions, determined by the trustee to be reasonably adequate to pay the administrative expenses made available by Subsection (a) of this section. The trustee, from time to time and in amounts it considers appropriate, may transfer unused funds for administrative expenses to the contingency reserves of the plans then under contract with the trustee. When funds are so transferred, each contingency reserve shall be credited in proportion to the total amount of the subscription charges paid and accrued to the plan for the contract term immediately before the contract term in which the transfer is made. The income derived from dividends, rate adjustments, or other refunds made by a plan shall be credited to its contingency reserve. The contingency reserves may be used to defray increases in future rates, or may be applied to reduce the contributions of employees and the state to, or to increase the benefits provided by, the plan from which the reserves are derived, as the trustee from time to time shall determine.

(c) The trustee shall have full power to invest and reinvest any of the money in the fund subject only to the restrictions contained in Section 7, Chapter 352, Acts of the 50th Legislature, 1947, as amended (Article 6228a, Vernon's Texas Civil Statutes). The interest on and the proceeds from the sale of these obligations become a part of the fund.

(d) When insurance coverages or benefits provided for under this Act are discontinued, the contingency reserve of that plan shall be credited to the contingency reserves of such insurance continuing under this Act for the contract term following that in which termination occurs, each reserve to be credited in proportion to the amount of the subscription charges paid and accrued to the plan for the year of termination.

Studies, Reports, Records, and Audits

Sec. 17. (a) The trustee shall make a continuing study of the operation and administration of this Act, including surveys and reports on group insurance coverages and benefits available to employees and on the experience thereof.

(b) Each contract entered into under this Act shall contain provisions requiring carriers to

(1) furnish such reasonable reports as the trustee determines to be necessary to enable it to carry out its functions under this Act; and

(2) permit the trustee and representatives of the state auditor to examine records of the carriers as may be necessary to carry out the purposes of this Act.

(c) Each state department shall keep such records, make such certifications, and furnish the trustee with such information and reports as may be necessary to enable the trustee to carry out its functions under this Act.

Group Insurance Advisory Committee

Sec. 18. (a) There is created and established hereby the Group Insurance Advisory Committee, which shall consist of 23 members who shall be active or retired employees of the State of Texas. One classified employee shall be appointed from each of the 10 largest state agencies or departments by the chief administrative officer of those agencies or departments. One nonvoting member shall be the executive director of the Employees Retirement System of Texas. One member shall be a classified employee of the governor's office, appointed by the governor. One member shall be a retired state employee appointed by the trustee for a three-year term. The remaining members shall be elected by and from the classified employees of the other state departments and agencies in a manner consonant with the election for membership to the board of the Employees Retirement System of Texas, but not more than one employee shall be from any one agency or department.

(b) All members of the committee shall be appointed or elected for three-year terms; provided, however, that in the initial appointments and election, the trustee shall designate seven members to serve for one year, seven to serve for two years, and seven to serve for three years. Subsequent appointments or elections shall be for three-year terms. During a term of appointment or election, vacancies shall be filled by an employee of the same agency from which the vacancy occurred, being appointed by the trustees for the balance of the vacated term.

(c) The Group Insurance Advisory Committee shall advise and consult with the trustee on matters concerning all insurance coverages provided under this Act. The committee shall cooperate and work with the trustee in coordinating and correlating the administration of the Employees Uniform Group Insurance Program among the various state departments and agencies. The duties of each member of the Group Insurance Advisory Committee shall be to secure input from fellow employees and shall be considered additional duties required of his or her other state office or employment and all expenses incurred by any such member in performing his or her duties as a member of the committee shall be paid out of funds made available for those purposes to the agency or department of which he or she is an employee or officer.

Coverage for Dependents

Sec. 19. (a) Any employee or annuitant shall be entitled to secure for his dependents any uniform

group insurance coverages provided for employees under this Act, as shall be determined by the trustee. Premium payments required of the employee in excess of employer contributions shall be deducted from the monthly pay of the employee or from his retirement benefits in such manner and form as the trustee shall determine.

(b) A surviving spouse of an employee or a retiree who is entitled to monthly benefits paid by a retirement system named in this Act may, following the death of the employee or retiree, elect to retain the spouse's authorized insurance coverage and also retain authorized insurance coverage for any dependent of the spouse, at the group rate for employees, provided such coverage was previously secured by the employee or retiree for the spouse or dependent, and the spouse directs the applicable retirement system to deduct required premiums from the monthly benefits paid the surviving spouse by the retirement system.

(c) The surviving spouse of an employee or a retiree who designated or selected a time certain annuity option, upon expiration of the annuity option, may retain authorized insurance coverage by advance payment of premiums to the Employees Retirement System of Texas under rules and regulations adopted by the trustee.

Effective Date

Sec. 20. This Act shall become effective September 1, 1975, but no insurance coverages shall be provided hereunder until such time as the trustee shall have made a study of the coverages and benefits authorized by this Act and gathered the necessary statistical data and information to secure such group insurance and the Texas Legislature has appropriated the funds necessary to provide the insurance coverages and benefits provided for in this Act; provided, however, that subject only to the legislature's appropriating the necessary funds, group insurance coverages for state employees contemplated by this Act shall be provided beginning not later than September 1, 1976. Departments are specifically authorized to continue or initiate state employee insurance plans and policies with state financial participation until the date and time this Act is implemented; provided, however, that any experience rating refunds becoming payable to such department under any such plans or policies on or after the date and time this Act is implemented shall be paid to the Employees Life, Accident, and Health Insurance and Benefits Fund, and such payment shall be deemed payment to such department.

Sec. 21. Section headings contained in this Act shall not be deemed to govern, limit, expand, modify, or in any manner affect the scope, meaning, or intent of the provisions of any section hereof.

Severability

Sec. 22. If any word, phrase, clause, paragraph, sentence, part, portion, or provision of this Act or the application thereof to any person or circumstance shall be held to be invalid or unconstitutional, the remainder of the Act in all its particulars and as to all other persons and circumstances shall be valid and of full force and effect, and the legislature hereby declares that this Act would have been enacted without such invalid or unconstitutional word, phrase, clause, paragraph, sentence, part, portion, or provision; and to this end the provisions of this Act are declared to be severable.

(b) The administrative council shall be selected, serve, and perform duties as hereinafter described:

(1) Selection. (A) Acting as a group, the presidents of the six senior level institutions having the highest number of employees as defined in this Act, based on the most current statistical reports of the Coordinating Board, Texas College and University System, shall with prior consultation with all other presidents of all senior level institutions covered by this Act, designate three representatives to serve as members of the council. The persons so designated shall be employees as defined in this Act and may be from any of the senior level institutions.

(B) Acting as a group, the presidents of the three junior level institutions or technical institutions having the highest number of employees as defined in this Act, based on the most current statistical reports of the Coordinating Board, Texas College and University System, shall with prior consultation with all other presidents of all junior level institutions covered by this Act, designate three representatives to serve as members of the council. The persons so designated shall be employees as defined in this Act and may be from any of the junior level institutions or technical institutions.

Where institutions do not correct said deficiencies as directed by the administrative council, the council is hereby authorized and empowered to direct the institution to establish such plans as determined by the council, and to report its action to the commissioner of higher education. If such plans are not established within a reasonable time period not to exceed six months from date of notification, the council shall notify the state comptroller of public accounts, who shall withhold state insurance premium matching funds from the affected institutions until notified by the administrative council that the deficiencies have been corrected. These notifications to the state comptroller shall be reported to the commissioner of higher education.

All contracts for basic coverages negotiated from the effective date of this Act shall be in compliance with basic coverage standards, rules, and regulations of the administrative council promulgated pursuant to this Act. Each governing board may provide such additional or optional insurance programs and coverages as it deems desirable for its employees.

(G) adopt rules and regulations consistent with the provisions of this Act and its purpose as it deems necessary to carry out the statutory responsibilities.

(H) require that procedures be established by each institution to allow each covered employee to obtain prompt action regarding claims pertaining to insurance provided under this Act.

(I) publish such additional goals, guidelines, and surveys as are necessary to assist covered institutions in providing their employees with effective benefits programs.

(J) develop policies, practices, and procedures as necessary in accordance with provisions of applicable statutes to provide for greater uniformity in the administration of retirement annuity insurance programs available to employees of Texas state colleges and universities through the Optional Retirement Program, Article 51.351 et seq., Texas Education Code, as amended, and tax sheltered annuity programs as provided in Chapter 22, Acts of the 57th Legislature, 3rd Called Session, 1962, as amended (Article 6228a-5, Vernon's Texas Civil Statutes).

(K) establish rules, regulations, and procedures for preparation and review of the annual reports of the institutions as further provided for under Section 6 of the Act.

(c) The advisory committee shall be selected, serve, and perform duties as hereinafter described:

One member of the advisory committee shall be elected from each of the institutional components, units, or agencies under the policy direction of a single governing board at such times as designated by the administrative council and in accordance with general guidelines for such elections provided by the administrative council.

(2) Qualifications of members. The members of the advisory committee shall be chosen from among employees as defined in this Act. The persons so elected shall demonstrate mature judgment, special abilities, and sincere interests in employee insurance programs and be able to represent the needs of all employees of the institution represented with regard to advisory committee actions.

At the initial meeting of the advisory committee, and subsequently each year, the members who are elected shall elect a chairman and other such officers as may be necessary. Benefit Certificates

Sec. 5. The administrative council shall assure that each employee insured under this Act is issued a certificate of insurance setting forth the benefits to which the employee is entitled, to whom the benefits are payable, to whom the claims shall be submitted, and summarizing the provisions of the policy principally affecting the employee.

Annual Report

Sec. 6. As soon as practicable after the end of each contract year, but not later than 180 days thereafter, each institution covered under the provisions of this Act shall submit an annual report to the administrative council, comparing the insurance coverages provided and the benefits and services received by its employees insured under the provisions of this Act. The administrative council shall, within 30 days of receipt of the institutional annual reports, submit the annual reports together with a summary and commentary to the commissioner of higher education for submission to the Coordinating Board, Texas College and University System.

Reinsurance

Sec. 7. (a) The institutions may arrange with any administering carrier or carriers issuing any policy or policies under this Act for the reinsurance of portions of the total amount of insurance under such policy or policies with other qualified carriers which elect to participate in the reinsurance.

(b) The administrative council may determine all rules, regulations, and actions necessary for the providing of such reinsurance through qualified carriers.

Annual Accounting

Sec. 8. (a) Carriers providing any policy purchased under this Act shall provide an accounting to the institution not later than 120 days after the end of each policy year. The accounting for each line of coverage shall set forth, in a form acceptable to the administrative council:

(1) the cumulative amount of premiums actually remitted to the carrier under the policy from its date of issue to the end of the policy year, the amount of premiums actually remitted

under the policy for each year from the anniversary date to the end of that policy year;

(2) the total of all mortality and other claims, charges, losses, costs, contingency reserve for pending and unreported claims and expenses incurred for each of the periods corresponding to each of the periods heretofore described in Subsection (a)(1) of this section;

(3) the amounts of the allowance for a reasonable profit, contingency reserves, and all other administrative charges corresponding to each of the periods as heretofore described in Subsection (a)(1) of this section.

(b) Any excess of the total of Subsection (a)(1) of this section over the corresponding sum of Subsections (a)(2) and (a)(3) of this section may be held by the carrier issuing the policy as a special reserve. Such reserve may be used at the discretion of the institution with prior approval of the administrative council for, but not limited to, providing additional coverage for participating employees, offsetting necessary employee premium rate increases, or to reduce participating employee premium contributions to the coverage. Any reserve held by the carrier would bear interest at a rate determined each policy year by the carrier and approved by the institution as being consistent with the rate generally used by the carrier for similar funds held under other group insurance policies. Alternative report requirements or arrangements may be approved by the administrative council.

Exemption from Execution

Sec. 9. All insurance benefits and other payments and transactions made pursuant to the provisions of this Act to any employee covered under the provisions of this Act shall be exempt from execution, attachment, garnishment, or any other process whatsoever.

(a) to the beneficiary or beneficiaries designated by the employee in a signed and witnessed writing received before death in the employing office. For this purpose, a designation, change, or cancellation of beneficiary in a will or other document not so executed and filed has no force or effect.

(b) if no beneficiary is designated in accordance with Subsection (a) of this section, payment shall be made in accordance with the death benefit provisions of the Teacher Retirement

ment System of Texas, Chapter 3, Title 1, Texas Education Code, as amended.¹

¹ See Education Code, § 3.33.

Automatic Coverage

Sec. 11. No eligible employee shall be denied enrollment in any of the coverages provided by this Act; provided, however, that the employee may waive in writing any or all such coverages. Each policy of insurance shall provide for automatic coverage on the date the employee becomes eligible for insurance. From the first day of employment, each active full-time employee who has not waived basic coverage or selected optional coverages shall be protected by a basic plan of insurance coverage automatically. The premium for such coverage shall not exceed the amount of the employer contribution. Each employee who is automatically covered under this section may subsequently retain or waive the basic plan and may make application for any other coverages provided under this Act within institutional and administrative council standards.

Payment of Premiums

Sec. 12. Each institution and agency covered under the provisions of this Act shall contribute monthly to the cost of each insured employee's coverage no less than the amount appropriated therefor by the legislature in the General Appropriations Act or as determined by the governing board of the institution in its respective official operating budget, if the employees are compensated from funds appropriated by such budgets rather than by the General Appropriations Act. The employees shall authorize in writing and in a form satisfactory to the institution a deduction from his monthly compensation of the difference between the total cost of benefits and the amount contributed therefor by the institution or agency.

Employer Contributions

Sec. 13. Certification shall be submitted on or before the first day of November next preceding each regular session of the legislature; the institutions and agencies covered under the provisions of this Act shall certify to the Legislative Budget Board and budget division of the Governor's Budget and Planning Office the amount necessary to pay employer contributions for each active and retired employee from the effective date of this Act. The Legislative Budget Board and the Governor's Budget and Planning Office will establish procedures to insure that eligible institutions request appropriate funds to support this program and shall present appropriate budget recommendations to the legislature. The Teacher Retirement System of Texas, Optional Retirement Program carriers, and Employees Retirement System of Texas shall furnish each institution such information as may be deemed necessary by the administrative council to provide

retired employees with the coverages and employer contributions provided under the Act.

Administrative Costs

Sec. 14. No employee covered under the provisions of this Act shall be required to pay out of the amount of employer contributions due him or out of the amount of his additional premiums due for selected coverages, any administrative costs, fees, or tax whatsoever to pay expenses of a state institution, the coordinating board, or committees as herein established for administering this Act. The duties of each member of the administrative council and the advisory committee shall be considered additional duties to those required of his other state office or employment, and all expenses incurred by any such member in performing his duties as a member of the council or committee shall be paid out of funds made available for those purposes to the institution of which he is an employee or officer.

Studies, Reports, Records, and Audits

Sec. 15. (a) The administrative council shall cause to be established a continuing study of the operation and administration of this Act, including surveys and reports on group insurance coverages and benefits.

(b) Each contract entered into under this Act shall contain provisions requiring administering carriers to

(1) furnish such reasonable reports as the administrative council determines to be necessary to enable it to carry out its functions under this Act; and

(2) permit the administrative council and representatives of the state auditor to examine records of the carriers as may be necessary to carry out the purpose of this Act.

(c) Each institution shall keep such records, make such certifications, and furnish the administrative council with such information and reports as may be necessary to enable the administrative council to carry out its functions under this Act.

Applicability of State Open-Meetings and Open-Records Statutes and Federal and State Privacy Statutes

Sec. 16. Any reports which shall be required by action of the administrative council and advisory committee which have been established under the Act shall be a matter of open record, available for review under the provisions of applicable open-record statutes of the State of Texas. This shall not be interpreted to require the release of any records pertaining to individuals insured under the provisions of this Act, the release of which would be in conflict with the rights of these individuals under federal and state privacy statutes. Meetings which are necessary for the administration of the Act shall be subject to applicable provisions of state open-meetings statutes.

Coverage for Dependents

Sec. 17. Any employee or retired employee shall be entitled to secure for his dependents any uniform group insurance coverages provided for such dependents under the rules and regulations to be promulgated by the administrative council. Such payments for such coverages for dependents shall be deducted from the monthly pay of the employee or paid in such manner and form as the administrative council shall determine.

Effective Date

Sec. 18. This Act shall become effective September 1, 1977, and basic coverages shall be provided by each institution covered under this Act beginning no later than September 1, 1979.

Severability

Sec. 19. If any word, phrase, clause, paragraph, sentence, part, portion, or provision of this Act or the application thereof to any person or circumstance shall be held to be invalid or unconstitutional, the remainder of the Act in all its particulars and as to all other persons and circumstances shall be valid and of full force and effect, and the legislature hereby declares that this Act would have been enacted without such invalid or unconstitutional word, phrase, clause, paragraph, sentence, part, portion, or provision, and to this end the provisions of this Act are declared to be severable.

Repeal

Sec. 20. All laws or parts of laws in conflict with this Act are hereby repealed to the extent of such conflict only.

Art. 3.51-7. Continuation of Group Life and Group Accident and Health Insurance During Labor Dispute

[Text as added by Acts 1977, 65th Leg., p. 1948, ch. 774, § 1]

No group life insurance policy or group accident and health insurance policy shall be delivered or issued for delivery in this state where the premiums or any part thereof is paid or is to be paid in whole or in part by an employer pursuant to the terms of a collective bargaining agreement unless the policy provides that in the event of a cessation of work by the employees covered by the policy as the result of a labor dispute, the policy upon timely payment of the premium shall continue in effect with respect to all employees insured by the policy on the date of the cessation of work who continue to pay their individual contribution and who assume and pay the contribution due from the employer for the period of cessation of work, under the following conditions:

(a) If the policyholder is not a trustee or the trustees of a fund established or maintained in whole or in part by the employer, the policy shall provide that the employee's individual contribution shall be the rate in the policy, on the date cessation of work occurs, applicable to an individual in the class to which the employee belongs as set forth in the policy. If the policy does not provide for a rate applicable to individuals, the policy shall provide that the employee's individual contribution shall be an amount equal to the amount determined by dividing (1) the total monthly premium in effect under the policy at the date of cessation of work by (2) the total number of persons insured under the policy at such date.

(b) If the policyholder is a trustee or the trustees of a fund established or maintained in whole or in part by the employer, the employee's contribution shall be the amount which he and his employer would have been required to contribute to the trust for such employee if (1)

the cessation of work had not occurred and (2) the agreement requiring the employer to make contributions to the trust were in full force.

(c) The policy may provide that the continuation of insurance is contingent upon the collection of individual contributions by the union or unions representing the employees for policies referred to in Subdivision (a) above and by the policyholder or the policyholder's agent with respect to policies referred to in Subdivision (b) above.

(d) The policy may provide that the continuation of insurance on each employee is contingent upon timely payment of contributions by the individual and timely payment of the premium by the entity responsible for collecting the individual contributions.

(e) The policy may provide that each individual premium rate shall be increased by any amount up to 20 percent, or any higher percent which may be approved by the commissioner, of that otherwise shown in the policy during the period of cessation of work in order to provide sufficient compensation to the insurer to cover increased administrative costs and increased mortality and morbidity. If the policy does provide for such an increase, this shall have the effect of increasing the employee's contribution by a like percent.

(f) Nothing in this article shall be deemed to limit any right which the insurer may have in accordance with the terms of the policy to increase or decrease the premium rates before, during, or after such cessation of work if in fact the insurer would have had the right to increase the premium rate had the cessation of work not occurred. If such a premium rate change is made, it shall be effective, notwithstanding any other provisions of this article, on such date as the insurer shall determine in accordance with the terms of the policy.

(g) The policy may contain such other provisions with respect to such continuation of insurance as the Commissioner of Insurance may approve.

(h) The policy may provide that, if a premium is unpaid at the date of cessation of work and such premium became due prior to such cessation of work, the continuation of insurance is contingent upon payment of such premium prior to the date the next premium becomes due under the terms of the policy.

(i) Nothing herein shall be deemed to require the continuation of any loss of time payments included in any such group accident and health insurance policy, nor of any other coverages beyond the time that 75 percent of the employees continue such coverage or as to any individ-

ual employee beyond the time that he takes full-time employment with another employer; nor shall anything herein be deemed to require continuation of coverage more than six months after the cessation of work.

SUBCHAPTER G. ACCIDENT AND SICKNESS INSURANCE

Art. 3.70-1. Purpose; Definitions; Scope of Act; Rules and Regulations; Standards for Policy Provisions; Minimum Standards; Outline of Coverage; Pre-Existing Conditions; Administrative Procedures

(A) Purpose. The purpose of this Act shall be to provide for reasonable standardization, readability, and simplification of terms and coverages contained in individual accident and sickness insurance policies; to facilitate public understanding of coverages; to eliminate provisions contained in individual accident and sickness insurance policies which may be unjust, unfair, misleading, or unreasonably confusing in connection either with the purchase of such coverages or with the settlement of claims; and to provide for full and fair disclosure in the sale of accident and sickness coverages.

(B) Definitions. As used in this Act,

(1) "Board" shall mean the State Board of Insurance of the State of Texas.

(2) "Commissioner" shall mean the Commissioner of Insurance of the State of Texas.

(3) "Policy of accident and sickness insurance" as used herein, includes any policy or contract providing insurance against loss resulting from sickness or from bodily injury or death by accident or both.

(4) "Policy" means the entire contract between the insurer and the insured, including the policy, riders, endorsements, and the application, if attached.

(C) Scope of Act. This Act shall apply to and govern individual accident and sickness insurance policies delivered, or issued for delivery, in the State of Texas by life, health and accident companies, mutual life insurance companies, mutual assessment life insurance companies, mutual insurance companies, local mutual aid associations, mutual or natural premium life or casualty insurance companies, general casualty companies, Lloyds, reciprocal or inter-insurance exchanges, nonprofit hospital, medical, or dental service corporations including but not limited

to companies subject to Chapter 20 of this code, as amended, stipulated premium insurance companies, or any other insurer which by law is required to be licensed by the Board; provided, however, this Act shall not apply to any society, company or other insurer whose activities are by statute exempt from the control of the Board and which are entitled by statute to an exemption certificate from the Board in evidence of their exempt status, nor to fraternal benefit societies; nor to credit accident and sickness insurance policies written under Article 3.53 of this code, as amended; provided further, that this Act shall not be construed to enlarge the powers of any of the enumerated companies. Conversion policies issued pursuant to a contractual conversion privilege under a group accident and sickness insurance policy shall not be subject to Subsections (D) through (H) of this article.

(D) Rules and Regulations. The Board is authorized to issue such reasonable rules and regulations as may be necessary to carry out the various purposes and provisions of this article.

(E) Standards for Policy Provisions.

(1) The Board shall issue reasonable rules and regulations to establish specific standards including standards for readability of policies and for full and fair disclosure, that set forth the manner, content, and required disclosure for the sale of individual policies of accident and sickness insurance which shall be in addition to and in accordance with applicable laws of this state which may cover but shall not be limited to:

- (a) terms of renewability;
- (b) initial and subsequent conditions of eligibility;
- (c) nonduplication of coverage provisions;
- (d) coverage of dependents;
- (e) pre-existing conditions;
- (f) termination of insurance;
- (g) probationary periods;
- (h) limitations;
- (i) exceptions;
- (j) reductions;
- (k) elimination periods;
- (l) requirements for replacement;
- (m) recurrent conditions; and
- (n) the definition of terms including but not limited to the following: hospital, accident, sickness, injury, physician, accidental means, total disability, partial disability, nervous disorder, guaranteed renewable and noncancellable; provided that any definition of hospital so developed shall not be applicable to companies organized under Chapter 20 of this code, as amended.

(2) The Board may issue rules and regulations that specify prohibited policy provisions, not otherwise specifically authorized by statute, which in the opinion of the Board are unjust, unfair, or unfairly discriminatory to the policyholder, any person insured under the policy, or beneficiary.

(F) Minimum Standards for Benefits.

(1) The Board shall issue rules and regulations to establish minimum standards for benefits under each of the following categories of coverage in individual policies of accident and sickness insurance:

- (a) basic hospital expense coverage;
- (b) basic medical-surgical expense coverage;
- (c) hospital confinement indemnity coverage;
- (d) major medical expense coverage;
- (e) disability income protection coverage;
- (f) accident only coverage;
- (g) specified disease or specified accident coverage; and
- (h) limited benefit coverage.

(2) Nothing in this section shall preclude the issuance of any policy which combines two or more of the categories of coverage enumerated in Paragraphs (a) through (h) of Subsection (1) of this section.

(3) No policy shall be issued, or issued for delivery, in the State of Texas which does not meet the prescribed minimum standards for the categories of coverage listed in Paragraphs (a) through (h) of Subsection (1) of this section which are contained within the policy unless the Board finds such policy to be a supplemental policy, a policy experimental in nature or finds such policy will fulfill a reasonable public need and such policy meets the requirements set forth in Article 3.42 of the Insurance Code.

(4) The Board shall prescribe the method of identification of policies based on coverages provided.

(G) Outline of Coverage.

(1) In order to provide for full and fair disclosure in the sale of individual accident and sickness insurance policies, no such policy shall be delivered, or issued for delivery, in the State of Texas unless: (i) in the case of a direct response insurance product, the outline of coverage described in Subsection (2) of this section accompanies the policy; (ii) in all other cases, the outline of coverage described in Subsection (2) of this section is delivered to the applicant at the time application is made and an acknowledgement of receipt or certificate of delivery of

such outline is provided the insurer with the application. In the event the policy is issued on a basis other than that applied for, the outline of coverage properly describing the policy must accompany the policy when it is delivered and clearly state that it is not the policy for which application was made.

(2) The Board shall prescribe the format and content of the outline of coverage required by Subsection (1) of this section. "Format" means style, arrangement, and overall appearance, including such items as the size, color, and prominence of type and the arrangement of text and captions. Such outline of coverage shall include:

(a) a statement identifying the applicable category or categories of coverage provided by the policy as prescribed in Section (F) of this article;

(b) a description of the principal benefits and coverage provided in the policy;

(c) a statement of the exceptions, reductions, and limitations contained in the policy;

(d) a statement of the renewal provision including any reservation by the insurer of a right to change premiums;

(e) a statement that the outline is a summary of the policy issued or applied for and that the policy should be consulted to determine governing contractual provisions;

(f) a summary of such provisions required to be in the policy by Section 3, Chapter 397, Acts of the 54th Legislature, Regular Session, 1955, as amended (Article 3.70-3, Vernon's Texas Insurance Code), as the Board may determine to be necessary to carry out the purposes of this Act.

(g) Any other statements, descriptions, or outlines that the Board may determine to be reasonably necessary to carry out the purposes of this Act.

(H) Pre-existing Conditions. (1) Notwithstanding the provisions of Section 3(A)(2)(b), Chapter 397, Acts of the 54th Legislature, Regular Session, 1955, as amended (Article 3.70-3, Vernon's Texas Insurance Code), if an insurer elects to use a simplified application form, with or without a question as to the applicant's health at the time of application, but without any questions concerning the insured's health history or medical treatment history, the policy must cover any loss occurring after 12 months from any pre-existing condition not specifically excluded from coverage by terms of the policy. (2) Notwithstanding the provisions of Section 3(A)(2)(b), Chapter 397, Acts of the 54th Legislature, Regular Session, 1955, as amended (Article 3.70-3, Vernon's

Texas Insurance Code), or of Paragraph (1) of this subsection, no individual policy of accident and sickness insurance delivered or issued for delivery in this state to a person age 65 or over may contain a provision excluding from coverage any loss due to a pre-existing condition, not specifically excluded from coverage by name or specific description in an exclusion endorsement or rider effective on the date of the loss, for a period in excess of six months from the effective date of coverage under the policy; provided, however, that if the Board finds that the public interest would be served thereby, it may authorize a policy provision excluding coverage for pre-existing conditions for a period in excess of six months but in no event shall such period exceed one year. (3) Except as so provided, a policy issued under the provisions of this section may not include wording that would permit a defense based on pre-existing conditions.

(I) Administrative Procedures. Rules and regulations promulgated pursuant to this Article shall be subject to notice and hearing pursuant to Section 10, Chapter 397, Acts of the 54th Legislature, Regular Session, 1955 (Article 3.70-10, Vernon's Texas Insurance Code).

[Amended by Acts 1975, 64th Leg., p. 2199, ch. 703, § 1, eff. June 21, 1975; Acts 1977, 65th Leg., p. 1285, ch. 505, § 1, eff. June 15, 1977.]

Sections 2 and 3 of the 1975 amendatory act amended subsecs. (A) and (B) of art. 3.70-3; § 4 amended art. 3.42; § 5 amended art. 3.70-9; and § 6 thereof provided:

"This Act shall apply to all policies of accident and sickness insurance issued, or issued for delivery, in the State of Texas after June 1, 1976. This Act shall not apply to policies issued, or issued for delivery, in the State of Texas prior to such date."

Art. 3.70-3. Accident and Sickness Policy Provisions

(A) Required Provisions. Except as provided in paragraph (C) of this section each such policy delivered or issued for delivery to any person in this state shall contain the provisions specified in this subsection in the words in which the same appear in this section; provided, however, that the insurer may, at its option, substitute for one or more of such provisions, provisions of different wording approved by the Board, in accordance with reasonable rules and regulations promulgated by the Board, which are in each instance not less favorable in any respect to the insured or the beneficiary; and provided further that Provisions 6, 8, and 9 shall not be required provisions under this Subsection A for companies organized under Chapter 20 of this code, as amended. Such provisions shall be preceded individually by the caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the Board may approve.

(1) A provision as follows:

Entire Contract; Changes: This policy, including the endorsements and the attached pa-

pers, if any, constitutes the entire contract of insurance. No change in this policy shall be valid until approved by an executive officer of the insurer and unless such approval be endorsed hereon or attached hereto. No agent has authority to change this policy or to waive any of its provisions.

(2) A provision as follows:

Time Limit on Certain Defenses: (a) After two years from the date of issue of this policy no misstatements, except fraudulent misstatements, made by the applicant in the application for such policy shall be used to void the policy or to deny a claim for loss incurred or disability (as defined in the policy) commencing after the expiration of such two-year period.

(The foregoing policy provision shall not be so construed as to affect any legal requirement for avoidance of a policy or denial of a claim during such initial two-year period, nor to limit the application of Section 3(B), (1), (2), (3), (4), and (5) in the event of misstatement with respect to age or occupation or other insurance.)

(A policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue, may contain in lieu of the foregoing the following provision (from which the clause in parentheses may be omitted at the insurer's option) under the caption "incontestible":

After this policy has been in force for a period of two years during the lifetime of the insured (excluding any period during which the insured is disabled), it shall become incontestible as to the statements contained in the application.)

(b) No claim for loss incurred or disability (as defined in the policy) commencing after two years from the date of issue of this policy shall be reduced or denied on the ground that a disease or physical condition not excluded from coverage by name or specific description effective on the date of loss had existed prior to the effective date of coverage of this policy.

(3) A provision as follows:

Grace Period: A grace period of (insert a number not less than "7" for weekly premium policies, "10" for monthly premium policies, and "31" for all other policies) days will be granted for the payment of each premium falling due after the first premium, during which grace period the policy shall continue in force.

(A policy which contains a cancellation provision may add, at the end of the above provision, subject to the right of the insurer to cancel in

accordance with the cancellation provision hereof.

A policy in which the insurer reserves the right to refuse any renewal shall have, at the beginning of the above provision:

Unless not less than five days prior to the premium due date the insurer has delivered to the insured or has mailed to his last address as shown by the records of the insurer written notice of its intention not to renew this policy beyond the period for which the premium has been accepted.)

(4) A provision as follows:

Reinstatement: If any renewal premium be not paid within the time granted the insured for payment, a subsequent acceptance of premium by the insurer or by any agent duly authorized by the insurer to accept such premium, without requiring in connection therewith an application for reinstatement, shall reinstate the policy; provided, however, that if the insurer or such agent requires an application for reinstatement and issues a conditional receipt for the premium tendered, the policy will be reinstated upon approval of such application by the insurer or, lacking such approval, upon the forty-fifth day following the date of such conditional receipt unless the insurer has previously notified the insured in writing of its disapproval of such application. The reinstated policy shall cover only loss resulting from such accidental injury as may be sustained after the date of reinstatement and loss due to such sickness as may begin more than ten days after such date. In all other respects the insured and insurer shall have the same rights thereunder as they had under the policy immediately before the due date of the defaulted premium, subject to any provisions endorsed hereon or attached hereto in connection with the reinstatement. Any premium accepted in connection with a reinstatement shall be applied to a period for which premium has not been previously paid, but not to any period more than sixty days prior to the date of reinstatement.

(The last sentence of the above provision may be omitted from any policy which the insured has the right to continue in force subject to its terms by the timely payment of premium (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue.)

(5) A provision as follows:

Notice of Claim: Written notice of claim must be given to the insurer within twenty days after the occurrence or commencement of any loss covered by the policy, or as soon thereafter as is reasonably possible. Notice given by or on

behalf of the insured or the beneficiary to the insurer at (insert the location of such office as the insurer may designate for the purpose), or to any authorized agent of the insurer, with information sufficient to identify the insured, shall be deemed notice to the insurer.

(In a policy providing a loss-of-time benefit which may be payable for at least two years, an insurer may at its option insert the following between the first and second sentences of the above provision:

Subject to the qualifications set forth below, if the insured suffers loss of time on account of disability for which indemnity may be payable for at least two years, he shall, at least once in every (insert a number not less than one nor more than six) months after having given notice of claim, give to the insurer notice of continuance of said disability, except in the event of legal incapacity. The period of (insert a number not less than one nor more than six) months following any filing of proof by the insured or any payment by the insurer on account of such claim or any denial of liability in whole or in part by the insurer shall be excluded in applying this provision. Delay in the giving of such notice shall not impair the insured's right to any indemnity which would otherwise have accrued during the period of (insert a number not less than one nor more than six) months preceding the date on which such notice is actually given.)

(6) A provision as follows:

Claim Forms: The insurer, upon receipt of a notice of claim, will furnish to the claimant such forms as are usually furnished by it for filing proofs of loss. If such forms are not furnished within fifteen days after the giving of such notice the claimant shall be deemed to have complied with the requirements of this policy as to proof of loss upon submitting, within the time fixed in the policy for filing proofs of loss, written proof covering the occurrence, the character and the extent of the loss for which claim is made.

(7) A provision as follows:

Proofs of Loss: Written proof of loss must be furnished to the insurer at its said office in case of claim for loss for which this policy provides any periodic payment contingent upon continuing loss within ninety days after the termination of the period for which the insurer is liable and in case of claim for any other loss within ninety days after the date of such loss. Failure to furnish such proof within the time required shall not invalidate nor reduce any claim if it was not reasonably possible to give proof within

such time, provided such proof is furnished as soon as reasonably possible; and in no event, except in the absence of legal capacity, later than one year from the time proof is otherwise required.

(8) A provision as follows:

Time of Payment of Claims: Indemnities payable under this policy for any loss other than loss for which this policy provides any periodic payment will be paid immediately upon receipt of due written proof of such loss. Subject to due written proof of loss, all accrued indemnities for loss for which this policy provides periodic payment will be paid (insert period for payment which must not be less frequently than monthly) and any balance remaining unpaid upon the termination of liability will be paid immediately upon receipt of due written proof.

(9) A provision as follows:

Payment of Claims: Indemnity for loss of life will be payable in accordance with the beneficiary designation and the provisions respecting such payment which may be prescribed herein and effective at the time of payment. If no such designation or provision is then effective, such indemnity shall be payable to the estate of the insured. Any other accrued indemnities unpaid at the insured's death may, at the option of the insurer, be paid either to such beneficiary or to such estate. All other indemnities will be payable to the insured.

(The following provisions, or either of them, may be included with the foregoing provision at the option of the insurer:

If any indemnity of this policy shall be payable to the estate of the insured, or to an insured or beneficiary who is a minor or otherwise not competent to give a valid release, the insurer may pay such indemnity, up to an amount not exceeding \$. (insert an amount which shall not exceed \$1,000), to any relative by blood or connection by marriage of the insured or beneficiary who is deemed by the insurer to be equitably entitled thereto. Any payment made by the insurer in good faith pursuant to this provision shall fully discharge the insurer to the extent of such payment.

Subject to any written direction of the insured in the application or otherwise all or a portion of any indemnities provided by this policy on account of hospital, nursing, medical or surgical services may, at the insurer's option and unless the insured requests otherwise in writing not later than the time of filing proofs of such loss, be paid directly to the hospital or person rendering such services; but it is not

required that the service be rendered by a particular hospital or person.)

(10) A provision as follows:

Physical Examinations and Autopsy: The insurer at its own expense shall have the right and opportunity to examine the person of the insured when and as often as it may reasonably require during the pendency of a claim hereunder and to make an autopsy in case of death where it is not forbidden by law.

(11) A provision as follows:

Legal Actions: No action at law or in equity shall be brought to recover on this policy prior to the expiration of sixty days after written proof of loss has been furnished in accordance with the requirements of this policy. No such action shall be brought after the expiration of three years after the time written proof of loss is required to be furnished.

(12) A provision as follows:

Change of Beneficiary: Unless the insured makes an irrevocable designation of beneficiary, the right to change of beneficiary is reserved to the insured and the consent of the beneficiary or beneficiaries shall not be requisite to surrender or assignment of this policy or to any change of beneficiary or beneficiaries, or to any other changes in this policy.

(The first clause of this provision, relating to the irrevocable designation of beneficiary, may be omitted at the insurer's option.)

(B) **Other Provisions.** Except as provided in paragraph (C) of this section, no such policy delivered or issued for delivery to any person in this state shall contain provisions respecting the matters set forth below unless such provisions are in the words in which the same appear in this section; provided, however, that the insurer may, at its option, use in lieu of any such provision a provision of different wording approved by the Board, in accordance with reasonable rules and regulations promulgated by the Board, which is not less favorable in any respect to the insured or the beneficiary. Any such provision contained in the policy shall be preceded individually by the appropriate caption appearing in this subsection or, at the option of the insurer, by such appropriate individual or group captions or subcaptions as the Board may approve.

(1) A provision as follows:

Change of Occupation: If the insured be injured or contract sickness after having changed his occupation to one classified by the insurer as more hazardous than that stated in this policy or while doing for compensation anything pertaining to an occupation so classified, the insurer will pay only such portion of the indemnities provid-

ed in this policy as the premium paid would have purchased at the rates and within the limits fixed by the insurer for such more hazardous occupation. If the insured changes his occupation to one classified by the insurer as less hazardous than that stated in this policy, the insurer, upon receipt of proof of such change of occupation, will reduce the premium rate accordingly, and will return the excess pro-rata unearned premium from the date of change of occupation or from the policy anniversary date immediately preceding receipt of such proof, whichever is the more recent. In applying this provision, the classification of occupational risk and the premium rates shall be such as have been last filed by the insurer prior to the occurrence of the loss for which the insurer is liable or prior to date of proof of change in occupation with the state official having supervision of insurance in the state where the insured resided at the time this policy was issued; but if such filing was not required, then the classification of occupational risk and the premium rates shall be those last made effective by the insurer in such state prior to the occurrence of the loss or prior to the date of proof of change in occupation.

(2) A provision as follows:

Misstatement of Age: If the age of the insured has been misstated, all amounts payable under this policy shall be such as the premium paid would have purchased at the correct age.

(3) A provision as follows:

Other Insurance in This Insurer: If an accident or sickness or accident and sickness policy or policies previously issued by the insurer to the insured be in force concurrently herewith, making the aggregate indemnity for (insert type of coverage or coverages) in excess of \$ (insert maximum limit of indemnity or indemnities) the excess insurance shall be void and all premiums paid for such excess shall be returned to the insured or to his estate; or, in lieu thereof:

Insurance effective at any one time on the insured under a like policy or policies in this insurer is limited to the one such policy elected by the insured, his beneficiary or his estate, as the case may be, and the insurer will return all premiums paid for all other such policies.

(4) A provision as follows:

Relation of Earnings to Insurance: If the total monthly amount of loss of time benefits promised for the same loss under all valid loss of time coverage upon the in-

sured, whether payable on a weekly or monthly basis, shall exceed the monthly earnings of the insured at the time disability commenced or his average monthly earnings for the period of two years immediately preceding a disability for which claim is made, whichever is the greater, the insurer will be liable only for such proportionate amount of such benefits under this policy as the amount of such monthly earnings or such average monthly earnings of the insured bears to the total amount of monthly benefits for the same loss under all such coverage upon the insured at the time such disability commences and for the return of such part of the premiums paid during such two years as shall exceed the pro-rata amount of the premiums for the benefits actually paid hereunder; but this shall not operate to reduce the total monthly amount of benefits payable under all such coverage upon the insured below the sum of Two Hundred Dollars (\$200.00) or the sum of the monthly benefits specified in such coverages, whichever is the lesser, nor shall it operate to reduce benefits other than those payable for loss of time.

(The foregoing policy provision may be inserted only in a policy which the insured has the right to continue in force subject to its terms by the timely payment of premiums (1) until at least age 50 or, (2) in the case of a policy issued after age 44, for at least five years from its date of issue. The insurer may, at its option, include in this provision a definition of "valid loss of time coverage," approved as to form by the Board, which definition shall be limited in subject matter to coverage provided by governmental agencies or by organizations subject to regulation by insurance law or by insurance authorities of this or any other state of the United States or any province of Canada, or to any other coverage the inclusion of which may be approved by the Board or any combination of such coverages. In the absence of such definition such term shall not include any coverage provided for such insured pursuant to any compulsory benefit statute (including any workmen's compensation or employer's liability statute), or benefits provided by union welfare plans or by employer or employee benefit organizations.)

(5) A provision as follows:

Unpaid Premium: Upon the payment of a claim under this policy, any premium then

due and unpaid or covered by any note or written order may be deducted therefrom.

(6) A provision as follows:

Cancellation: The insurer may cancel this policy at any time by written notice delivered to the insured, or mailed to his last address as shown by the records of the insurer, stating when, not less than five days thereafter, such cancellation shall be effective; and after the policy has been continued beyond its original term the insured may cancel this policy at any time by written notice delivered or mailed to the insurer, effective upon receipt or on such later date as may be specified in such notice. In the event of cancellation, the insurer will return promptly the unearned portion of any premium paid. If the insured cancels, the earned premium shall be computed by the use of the short-rate table last filed with the state official having supervision of insurance in the state where the insured resided when the policy was issued. If the insurer cancels, the earned premium shall be computed pro-rata. Cancellation shall be without prejudice to any claim originating prior to the effective date of cancellation.

(7) A provision as follows:

Conformity With State Statutes: Any provision of this policy which, on its effective date, is in conflict with the statutes of the state in which the insured resides on such date is hereby amended to conform to the minimum requirements of such statutes.

(8) A provision as follows:

Illegal Occupation: The insurer shall not be liable for any loss to which a contributing cause was the insured's commission of or attempt to commit a felony or to which a contributing cause was the insured's being engaged in an illegal occupation.

(9) A provision as follows:

Intoxicants and Narcotics: The insurer shall not be liable for any loss sustained or contracted in consequence of the insured's being intoxicated or under the influence of any narcotic unless administered on the advice of a physician.

[Amended by Acts 1975, 64th Leg., p. 2202, ch. 703, §§ 2 and 3, eff. June 21, 1975.]

Art. 3.70-9. Violation

Any person, partnership, or corporation wilfully violating any provision of this Act or order of the

Board made in accordance with this Act, shall forfeit to the people of the state a sum not to exceed Five Thousand Dollars (\$5,000.00) for each such violation, which may be recovered by a civil action. The Board may also suspend or revoke the license of an insurer or agent for any such wilful violation. [Amended by Acts 1975, 64th Leg., p. 2210, ch. 703, § 5, eff. June 21, 1975.]

Art. 3.72. Variable Annuity Contracts

[See Compact Edition, Volume 2 for text of 1 to 7]

Investment of Separate Account Funds

Sec. 8. Any domestic insurance company which has established one or more separate variable annuity accounts pursuant to this article may invest and reinvest all or any part of the assets allocated to any such account in and only in the securities and investments authorized by Article 3.39 of this Insurance Code for any of the funds of a domestic life insurance company, free and clear of any and all limitations and restrictions in such Article 3.39, and in addition thereto in common capital stocks or other equities which are listed on or admitted to trading in a securities exchange located in the United States of America, or which are publicly held and traded in the "over-the-counter market" as defined by the State Board of Insurance and as to which market quotations have been available. None of the assets allocated to any such variable annuity account shall be invested in common stocks of corporations which shall have defaulted in the payment of any debt within five years next preceding such investment. No such company shall invest in excess of the greater of (a) Twenty-Five Thousand Dollars (\$25,000) or (b) five percent (5%) of the assets of any such separate variable annuity account in any one corporation issuing such common capital stock, except that subject to the approval of the State Board of Insurance all of the assets of a separate account may be invested in the shares of one or more open-end management companies registered under the Federal Investment Company Act of 1940¹ and qualifying as a diversified company thereunder. The assets and investments of such separate variable annuity accounts shall not be taken into account in applying the quantitative investment limitations applicable to other investments of the company. In the purchase of common capital stock or other equities, the insurer shall designate to the broker, or to the seller if the purchase is not made through broker, the specific variable annuity account for which the investment is made.

SUBCHAPTER A. MOTOR VEHICLE OR AUTOMOBILE INSURANCE

Art. 5.03. Promulgated Rates as Controlling

(a) On and after the filing and effective date of such classification of such risks and rates, no such insurer, except as otherwise provided herein, shall issue or renew any such insurance at premium rates which are greater or lesser than those promulgated by the Board as just, reasonable, adequate and not excessive for the risks to which they respectively apply, and not confiscatory as to any class of insurance carriers authorized by law to write such insurance after taking into consideration the deviation provisions of this Article. Any insurer desiring to write insurance at rates different from those promulgated by the Board shall make a written application to the Board for permission to file a uniform percentage deviation for a lesser or greater rate, on a statewide basis unless otherwise ordered by the Board, from the class rates or classes of rates promulgated by the Board. Any insurer desiring to write insurance under a classification plan different from that promulgated by the Board shall make written application to the Board for permission to do so; provided, however, the Board shall approve the use of only such additions or refinements in its classification plan as will produce subclassifications which, when combined, will enable consideration of the insurer's experience under both the Board classification plan and its own classification plan. Such application shall be approved in whole or in part by the Board, provided the Board finds that the resulting premiums will be just, adequate, reasonable, not excessive and not unfairly discriminatory, taking into consideration the following:

- (1) the financial condition of the insurer;
- (2) the method of operation and expenses of such insurer;

(3) the actual paid and incurred loss experience of the insurer;

(4) earnings of the insurer from investments together with a projection of prospective earnings from investments during the period for which the application is made; and

(5) such application meets the reasonable conditions, limitations, and restrictions deemed necessary by the Board.

In considering all matters set forth in such application the Board shall give consideration to the composite effect of items (2), (3), and (4) above and the Board shall deny such application if it finds that the resulting premiums would be inadequate, excessive, or unfairly discriminatory. Any original or renewal policy of insurance issued pursuant to an approved plan of deviation shall have attached to or imprinted on the face of such policy the following notice: "The premium charged for this policy is greater than the premium rates promulgated by the State Board of Insurance." The notice shall be in 10-point or larger prominent type-size.

Except as the Board may authorize, the deviation provisions in this Article shall not apply to insurance written pursuant to other provisions of this Chapter in which a deviation from standard rates is authorized, including, but not limited to, automobile liability experience rating and fleet rating plans.

[Amended by Acts 1977, 65th Leg., p. 1981, ch. 792, § 1, eff. Aug. 29, 1977.]

Art. 5.06-1. Uninsured or Underinsured Motorist Coverage

(1) No automobile liability insurance (including insurance issued pursuant to an Assigned Risk Plan established under authority of Section 35 of the Texas Motor Vehicle Safety-Responsibility Act),¹ covering liability arising out of the ownership, maintenance, or use of any motor vehicle shall be delivered or issued for delivery in this state unless coverage is provided therein or supplemental thereto, in at least the limits described in the Texas Motor Vehicle Safety-Responsibility Act, under provisions prescribed by the Board, for the protection of persons insured thereunder who are legally entitled to recover damages from owners or operators of uninsured or underinsured motor vehicles because of bodily injury, sickness, or disease, including death, or property damage resulting therefrom. The coverages required under this Article shall not be applicable where any insured named in the policy shall reject the coverage; provided that unless the named insured thereafter requests such coverage in writing, such coverage need not be provided in or supplemental to a renewal policy where the named insured has rejected the coverage in connection with a policy previously issued to him by the same insurer.

(2) For the purpose of these coverages: (a) the term "uninsured motor vehicle" shall, subject to the terms and conditions of such coverage, be deemed to include an insured motor vehicle where the liability insurer thereof is unable to make payment with respect to the legal liability of its insured within the limits specified therein because of insolvency.

(b) The term "underinsured motor vehicle" means an insured motor vehicle on which there is valid and collectible liability insurance coverage with limits of liability for the owner or operator which were originally lower than, or have been reduced by payment of claims arising from the same accident to, an amount less than the limit of liability stated in the underinsured coverage of the insured's policy.

(c) The State Board of Insurance is hereby authorized to promulgate the forms of the uninsured and underinsured motorist coverages. The Board may also, in such forms, define "uninsured motor vehicle" to exclude certain motor vehicles whose operators are in fact uninsured.

(d) The forms promulgated under the authority of this section shall include provisions that, regardless of the number of persons insured, policies or bonds applicable, vehicles involved, or claims made, the total aggregate limit of liability to any one person who sustains bodily injury or property damage as the result of any one occurrence shall not exceed the limit of liability for these coverages as stated in the policy and the total aggregate limit of liability to all claimants, if more than one, shall not exceed the total limit of liability per occurrence as stated in the policy; and shall provide for the exclusion of the recovery of damages for bodily injury or property damage or both resulting from the intentional acts of the insured. The forms promulgated under the authority of this section shall require that in order for the insured to recover under the uninsured motorist coverages where the owner or operator of any motor vehicle which causes bodily injury or property damage to the insured is unknown, actual physical contact must have occurred between the motor vehicle owned or operated by such unknown person and the person or property of the insured.

(3) The limits of liability for bodily injury, sickness, or disease, including death, shall be offered to the insured in amounts not less than those prescribed in the Texas Motor Vehicle Safety-Responsibility Act and such higher available limits as may be desired by the insured, but not greater than the limits of liability specified in the bodily injury liability provisions of the insured's policy.

(4) (a) Coverage for property damage shall be offered to the insured in amounts not less than those prescribed in the Texas Motor Vehicle Safety-Responsibility Act and such higher available limits as may be desired by the insured, but not greater than limits of liability specified in the property damage

liability provisions of the insured's policy, subject to a deductible amount of \$250.

(b) If the insured has collision coverage and uninsured or underinsured property damage liability coverage, the insured may recover only under the coverage which is subject to the lower deductible amount.

(5) The underinsured motorist coverage shall provide for payment to the insured of all sums which he shall be legally entitled to recover as damages from owners or operators of underinsured motor vehicles because of bodily injury or property damage in an amount up to the limit specified in the policy, reduced by the amount recovered or recoverable from the insurer of the underinsured motor vehicle.

(6) In the event of payment to any person under any coverage required by this Section and subject to the terms and conditions of such coverage, the insurer making such payment shall, to the extent thereof, be entitled to the proceeds of any settlement or judgment resulting from the exercise of any rights of recovery of such person against any person or organization legally responsible for the bodily injury, sickness or disease, or death for which such payment is made, including the proceeds recoverable from the assets of the insolvent insurer; provided, however, whenever an insurer shall make payment under a policy of insurance issued pursuant to this Act, which payment is occasioned by the insolvency of an insurer, the insured of said insolvent insurer shall be given credit in any judgment obtained against him, with respect to his legal liability for such damages, to the extent of such payment, but such paying insurer shall have the right to proceed directly against the insolvent insurer or its receiver, and in pursuance of such right such paying insurer shall possess any rights which the insured of the insolvent company might otherwise have had if the insured of the insolvent insurer had made the payment.

(7) If a dispute exists as to whether a motor vehicle is uninsured, the burden of proof as to that issue shall be upon the insurer.

SUBCHAPTER B. CASUALTY INSURANCE AND FIDELITY, GUARANTY AND SURETY BONDS

Art. 5.13-1. Legal Service Contracts

(a) Every insurer governed by Subchapter B of Chapter 5 of the Insurance Code, as amended,¹ and every life, health, and accident insurer governed by Chapter 3 of the Insurance Code, as amended,² is authorized to issue prepaid legal services contracts. Every such insurer or rating organization authorized under Article 5.16 of the Insurance Code shall file with the State Board of Insurance all rules and forms applicable to prepaid legal service contracts in a manner to be established by the State Board of

Insurance. All rates, rating plans, and charges shall be established in accordance with actuarial principles for various categories of insureds. Rates, rating plans, and charges shall not be excessive, inadequate, unfairly discriminatory, and the benefits shall be reasonable with respect to the rates charged. Certification, by a qualified actuary, to the appropriateness of the charges, rates, or rating plans, based upon reasonable assumptions, shall accompany the filing along with adequate supporting information.

(b) The State Board of Insurance shall, within a reasonable period, approve any form if the requirements of this section are met. It shall be unlawful to issue such forms until approved or to use such schedules of charges, rates, or rating plans until filed and approved. If the State Board of Insurance has good cause to believe such rates and rating plans do not comply with the standards of this article, it shall give notice in writing to every insurer or rating organization which filed such rates or rating plans, stating therein in what manner and to what extent such noncompliance is alleged to exist and specifying therein a reasonable time, not less than 30 days thereafter, in which such noncompliance may be corrected. If the board has not acted on any form, rate, rating plan, or charges within 30 days after the filing of same, they shall be deemed approved. The board may require the submission of whatever relevant information is deemed necessary in determining whether to approve or disapprove a filing made pursuant to this section.

(c) The right of such insurers to issue prepaid legal services contracts on individual, group, or franchise bases is hereby recognized, and qualified agents of such insurers who are licensed under Articles 21.07 and 21.14 of the Insurance Code, as amended, and Chapter 213, Acts of the 54th Legislature, 1955, as amended (Article 21.07-1, Vernon's Texas Insurance Code), shall be authorized to write such coverages under such rules and regulations as the State Board of Insurance may prescribe.

(d) The State Board of Insurance is hereby vested with power and authority under this article to promulgate, after notice of hearing, and to enforce, rules and regulations concerning the application to the designated insurers of this article and for such clarification, amplification, and augmentation as in the discretion of the State Board of Insurance are deemed necessary to accomplish the purposes of this article.

(e) This article shall be construed as a specific exception to Article 3.54 of the Texas Insurance Code.

(f) Nothing in this Act shall be construed as compelling the State Board of Insurance to establish standard or absolute rates and the board is specifically authorized, in its discretion, to approve different rates for different insurers for the same risk or

risks on the types of insurance covered by this article; nor shall this article be construed as to require the State Board of Insurance to establish a single or uniform rate for each risk or risks or to compel all insurers to adhere to such rates previously filed by other insurers; and the board is empowered to approve such different rates for different insurers, and is required to approve such rates as filed by any insurer unless it finds that such filing does not meet the requirements of this article.

¹ Article 5.13 et seq.

² Article 3.01 et seq.

Limitations. Section 3 of the 1975 Act provided:

"An insurer operating under the requirements of Section 2 shall not contract itself to practice law in any manner, nor shall it control or attempt to control the relations existing between an insured and his or her attorney. These attorneys shall never be employees of the insurer but shall at all times be independent contractors maintaining a direct lawyer and client relationship with the insured. Such insurer must agree to pay any attorney licensed by the Supreme Court to practice law in Texas for such services rendered."

Art. 5.15. Filing of Rates and Rating Information; Approval

[See Compact Edition, Volume 2 for text of (a) to (c)]

(d) It is expressly provided, however, that notwithstanding any other provision of this subchapter to the contrary, a rate or premium for such insurance greater than the standard rate or premium that has been approved by the Board may be used on any specific risk if:

(1) a written application is made to the Board naming the insurer and stating the coverage and rate proposed;

(2) the person to be insured or person authorized to act in relation to the risk to be insured consents to such rate;

(3) the reasons for requiring such greater rate or premium are stated in or attached to the application;

(4) the person to be insured or person authorized to act for such person signs the application; and

(5) the Board approves the application by order or by stamping.

(e) Any filing for which there is no approved rate shall be deemed approved from the date of filing to the date of such formal approval or disapproval.

(f) If at any time the Board finds that a filing so approved no longer meets the requirements of this subchapter, it may, after a hearing held on not less than twenty (20) days' notice specifying the matters to be considered at such hearing, to every insurer and rating organization which made such filing, issue an order withdrawing its approval thereof. Said order shall specify in what respects the Board finds that such filing no longer meets the requirements of this subchapter and shall be effective not less than thirty (30) days after its issuance. Copies

of such order shall be sent to every such insurer and rating organization.

(g) Any person or organization aggrieved by the action of the Board with respect to any filing may, within thirty (30) days after such action, make written request to the Board for a hearing thereon. The Board shall hear such aggrieved party within thirty (30) days after receipt of such request and shall give not less than ten days' written notice of the time and place of the hearing to the insurer or rating organization which made the filing and to any other aggrieved party. Within thirty (30) days after such hearings the Board shall affirm, reverse or modify its previous action. Pending such hearing and decision thereon the Board may suspend or postpone the effective date of its previous action.

Art. 5.15-1. Professional Liability Insurance for Physicians and Health Care Providers

Scope of Article

Sec. 1. This article shall apply to the making and use of insurance rates by every insurer licensed to write or engaged in writing professional liability insurance for any physician or any health care provider including rating organizations, acting on behalf of insurers.

Definitions

Sec. 2. In this article:

(1) "Physician" means a person licensed to practice medicine in this state.

(2) "Health care provider" means any person, partnership, professional association, corporation, facility, or institution licensed or chartered by the State of Texas to provide health care as a registered nurse, hospital, dentist, podiatrist, chiropractor, optometrist, blood bank that is a nonprofit corporation chartered to operate a blood bank and which is accredited by the American Association of Blood Banks, or not-for-profit nursing home, or an officer, employee, or agent of any of them acting in the course and scope of his employment.

(3) "Hospital" means a licensed public or private institution as defined in Chapter 223, Acts of the 56th Legislature, Regular Session, 1959, as amended (Article 4437f, Vernon's Texas Civil Statutes), or in Section 88, Chapter 243, Acts of the 55th Legislature, Regular Session, 1957 (Article 5547-88, Vernon's Texas Civil Statutes).

Rate Standards

Sec. 3. Rates shall be made in accordance with the following provisions:

(a) Consideration shall be given to past and prospective loss and expense experience inside this state, unless the State Board of Insurance shall find that the group or risk to be insured is not of sufficient size to be deemed credible, in which event, past and prospective loss and expense experience outside this state shall also be considered, to a reasonable margin for underwriting profit and contingencies, to investment income, to dividends or savings allowed or returned by insurers to their policyholders or members.

(b) For the establishment of rates, risks may be grouped by classifications, by rating schedules, or by any other reasonable methods. Classification rates may be modified to produce rates for individual risks in accordance with rating plans which establish standards for measuring variations in hazards or expense provisions, or both. Those standards may measure any difference among risks that can be demonstrated to have a probable effect upon losses or expenses.

(c) Rates shall be reasonable and shall not be excessive or inadequate, as defined in this subsection, nor shall they be unfairly discriminatory. No rate shall be held to be excessive unless the rate is unreasonably high for the insurance coverage provided and a reasonable degree of competition does not exist in the area with respect to the classification to which the rate is applicable. No rate shall be held to be inadequate unless the rate is unreasonably low for the insurance coverage provided and is insufficient to sustain projected losses and expenses; or unless the rate is unreasonably low for the insurance coverage provided and the use of the rate has or, if continued, will have the effect of destroying competition or creating a monopoly.

Filing Rates

Sec. 4. (a) The provisions of Article 5.15, Insurance Code, shall apply to the filing of rates and rating information required under this article.

(b) Nothing contained in this article or other provisions of this subchapter concerning the regulation of rates, rating plans, and rating classifications shall, as applies to the writing of professional liability insurance for health care providers and physicians, give the board the power to prescribe uniform or absolute rates; nor shall anything therein be construed as preventing the filing of different rates for risks in a given classification or modified rates for individual risks made in accordance with rating plans, as filed by different insurers or organizations authorized to file such rates. As used in this subsection, "absolute rates" means rates, rating classifications, or rating plans filed by an insurer or authoriz-

ed rating organization in accordance with this subchapter and the rates, rating classifications, or rating plans so filed are required to be used, to the exclusion of all others, by each insurer lawfully engaged in writing policies.

(c) The State Board of Insurance shall prescribe standardized policy forms for occurrence, claims-made and claims-paid policies of professional liability insurance covering health care providers and physicians, and no insurer may use any other forms in writing professional liability insurance for health care providers and physicians without the prior approval of the State Board of Insurance. However, an insurer writing professional liability insurance for health care providers and physicians may use any form of endorsement if the endorsement is first submitted to and approved by the board.

Reporting of Claims and Claims Information

Sec. 5. Each insurer who issues policies of professional liability insurance covering physicians and health care providers shall file annually with the State Board of Insurance a report of all claims and amount of claims, amounts of claims reserves, investment income of the company derived from medical professional liability premiums, information relating to amounts of judgments and settlements paid on claims, and other information required by the board. The board may formulate and promulgate a form on which this information shall be reported. The form shall be so devised as to require the information to be reported in an accurate manner, reasonably calculated to facilitate interpretation and to protect the confidentiality of the health care provider or physician.

Annual Premiums

Sec. 6. Policies of professional liability insurance under this article shall be written on not less than an annual premium basis.

Notice of Cancellation or Nonrenewal

Sec. 7. An insurer who issues a policy of professional liability insurance covered by this article shall give at least 90 days' written notice to an insured if premiums on the insurance are to be increased or the policy is to be cancelled or is not to be renewed other than for nonpayment of premiums or because the insured is no longer licensed. If the premiums are to be increased, the notice shall state the amount of the increase, and if the policy is to be cancelled or is not to be renewed, the insurer shall state in the notice the reason for cancellation or nonrenewal. Notice of cancellation under this section may only be given within the first 90 days from the effective date of the policy.

Punitive Damages under Medical Professional Liability Insurance

Sec. 8. No policy of medical professional liability insurance issued to or renewed for a health care

provider or physician in this state may include coverage for punitive damages that may be assessed against the health care provider or physician.

Claim Surcharges

Sec. 9. A claim surcharge assessed by an insurer against a health care provider or physician under a professional liability insurance policy may be based only on claims actually paid by an insurer as a result of a settlement or an adverse judgment or an adverse decision of a court.

[Added by Acts 1977, 65th Leg., p. 2054, ch. 817, § 31.01, eff. Aug. 29, 1977.]

Art. 5.15-2. Accident Prevention Services

(a) Any insurer desiring to write professional liability insurance for hospitals in Texas shall maintain or provide accident prevention facilities as a prerequisite for a license to write such insurance. Such facilities shall be adequate to furnish accident prevention services required by the nature of its policyholder's operations and shall include surveys, recommendations, training programs, consultations, analyses of accident causes and hospital risk control management, to implement the program of accident prevention services. Each field safety representative shall be either a college graduate who shall have a bachelor's degree in science or engineering, a registered professional engineer, a certified safety professional, or an individual who shall have completed a course of training in accident prevention services approved by the State Board of Insurance.

(b) The insurer shall render accident prevention services to its policyholders reasonably commensurate with the risks and exposures and experience of the subscriber's business. To provide such facilities, the insurer may employ qualified personnel, retain qualified independent contractors, contract with the policyholder to provide qualified accident prevention personnel and services, or use a combination of the methods enumerated in this subsection. Such personnel shall have the qualification required for field safety representatives as provided in Subsection (a) of this article.

(c) If the Commissioner of Insurance shall determine that reasonable accident prevention services are not being maintained or provided by the insurer or are not being used by the insurer in a reasonable manner to prevent injury to patients of its policyholders, the fact shall be reported to the State Board of Insurance, and the board shall order a hearing to determine if the insurer is not in compliance with this article. If it is determined that the insurer is not in compliance, its authority to write professional liability insurance for hospitals in Texas shall be revoked.

(d) The State Board of Insurance may promulgate reasonable rules and regulations for the enforcement of this article after holding a public hearing on the proposed rules and regulations.

(e) In this article, "hospital" means a licensed public or private institution as defined in Chapter 223, Acts of the 56th Legislature, Regular Session, 1959, as amended (Article 4437f, Vernon's Texas Civil Statutes), or in Section 88, Chapter 243, Acts of the 55th Legislature, Regular Session, 1957 (Article 5547-88, Vernon's Texas Civil Statutes).

(f) The provisions of this section shall become effective on January 1, 1978.

of Rejected Risks**

(a) The words "company" and "association" used in this Subchapter shall mean the Texas Employers' Insurance Association, or any stock company, or any mutual company, or any reciprocal, or any inter-insurance exchange, or Lloyds association authorized to write Workers' Compensation and/or Longshoremen's and Harbor Workers' Compensation Insurance in this State. The word "Board" shall mean the Board of Insurance Commissioners of this State.

(b) For the purpose of carrying into effect the provisions of this Article, and with the approval of the Board, there shall be organized and maintained in this State, by insurance companies and associations as defined herein, an Administrative Agency to be known as "The Texas Workers' Compensation Assigned Risk Pool" (hereinafter referred to as "Agency"), and every such company and association shall be a member of the Agency. Provided, that any company or association not engaged in writing such insurance for members of the public generally shall, upon being so certified by the Board and under such conditions and for such time as the Board may determine, be exempt from the provisions of this Article during the period of any such certification.

(c) It shall be the duty of the companies and associations, members of the agency established pursuant to Paragraph (b) of this article, to provide insurance, in the manner herein provided, for any risk under the Workers' Compensation Law of Texas,¹ the Longshoremen's and Harbor Workers' Compensation Act,² and/or the Federal Coal Mine Health and Safety Act of 1969, as amended,³ or for any city, county or any other political subdivision, agency or department of the State authorized to provide workers' compensation insurance for its employees under any laws of the State of Texas, heretofore or hereafter enacted, which risk shall have been tendered to and rejected by any member of said agency. It shall be the further duty of the companies and associations, members of the agency established pursuant to Paragraph (b) of this article, to provide insurance in the manner herein provided on all policies and claims in existence for any insurance company which has been declared insolvent by the courts of this State or any other state in the same manner as if said policies had been written by servicing companies of this agency. With respect to said claims in existence at the time of said declaration of insolvency and paid by the agency, the agency shall have the same rights against the receiver of said insolvent company as are provided by the laws of this State for workers' compensation loss claimants of the insolvent insurance company. From and after the date

the rules made and adopted under Paragraph (e) have been approved by the Board the procedures and remedies established under this article shall be the sole and exclusive procedure and remedies, either at law or in equity, of any applicant for such insurance whose insurance has been rejected or cancelled by any company or association.

Failure or refusal by any such policyholder or applicant to comply with any such reasonable rule for the prevention of injuries as shall be prescribed by the Agency, together with such other relevant factors, shall determine the issue of whether said policyholder or applicant in good faith is entitled to such insurance. Any policyholder or applicant aggrieved by any such rule for the prevention of injuries may, within thirty (30) days after notice of such rule, petition the Board for a review, and the Board, upon a hearing held after notice and in conformity with Article 5.65 of this Code, shall affirm, modify or annul such rule.

[Amended by Acts 1975, 64th Leg., p. 1063, ch. 409, § 3, eff. Sept. 1, 1975.]

Art. 9.07. Policy Forms and Premiums

Corporations organized under this Chapter, as well as foreign corporations and those created under Subdivision 57, Article 1302, of the Revised Civil Statutes of 1925, or under Chapter 8 of this Code, or any other law insofar as the business of either may be the business of title insurance, shall operate in Texas under the control and supervision and under such uniform rules and regulations as to forms of policies and underwriting contracts and premiums therefor, and such underwriting standards and practices as may be from time to time prescribed by the Board; and no Texas or foreign corporation, whether incorporated under this Chapter or any other law of the State of Texas, shall be permitted to issue any title policy of any character, or underwriting contract, or reinsure any portion of the risk assumed by any title policy, on Texas real property other than under this Chapter under such rules and regulations. No policy of title insurance, reinsurance of any risk assumed under any policy of title insurance, or any guarantee of any character on Texas titles shall be issued or valid unless written by a corporation complying with all provisions of and authorized or qualified under this Chapter, except as is provided in Article 9.19D. Before any premium rate provided for herein shall be fixed or charged, reasonable notice shall issue,

and a hearing afforded to the title insurance companies and title insurance agents authorized or qualified under this Chapter and the public. Under no circumstances may any title insurance company or title insurance agent use any form which is required under the provisions of this Chapter 9 to be promulgated or approved until the same shall have been so promulgated or approved by the Board.

The Board shall have the duty to fix and promulgate the premium rates to be charged by title insurance companies and title insurance agents created or operating under this Chapter for policies of title insurance or other promulgated or approved forms, and the premiums therefor shall be paid in the due and ordinary course of business. Premium rates for reinsurance as between title insurance companies qualified under this Chapter shall not be fixed or promulgated by the Board, and title insurance companies may set such premium rates for reinsurance as such title insurance companies shall agree upon. Under no circumstance shall any premium be charged for any policy of title insurance or other promulgated or approved forms different from those fixed and promulgated by the Board, except for premiums charged for reinsurance. The premium rates fixed by the Board shall be reasonable to the public and nonconfiscatory as to the title insurance companies and title insurance agents. For the purpose of collecting data on which to determine the proper rates to be fixed, the Board shall require all title insurance companies and all title insurance agents operating in Texas to submit such information in such form as it may deem proper, all information as to loss experience, expense of operation, and other material matter for the Board's consideration.

The Board shall hold an annual hearing during November of each calendar year, commencing in 1975, to consider adoption of premium rates and such other matters and subjects relative to the regulation of the business of title insurance as may be requested by any title insurance company, any title insurance agent, any member of the public, or as the Board may determine necessary to consider. Proper notice of such public hearing and the items to be considered shall be made to the public and shall be sent direct to all title insurance companies and title insurance agents qualified or authorized to do business under this Chapter for at least four (4) weeks in advance of such hearing.

Premium rates when once fixed shall not be changed until after a public hearing shall be had by the Board, after proper notice sent direct to all title insurance companies and title insurance agents qualified or authorized to do business under this Chapter, and after public notice in such manner as to give fair publicity thereto for at least four (4) weeks in advance. The Board must call such additional hear-

ing to consider premium rate changes at the request of a title insurance company.

The Board may, on its own motion, following notice as required for the annual hearing hold at any time a public hearing to consider adoption of premium rates and such other matters and subjects relative to the regulation of the business of title insurance as the Board shall determine necessary or proper.

Any title insurance company, any title insurance agent, or other person interested, feeling injured by any action of the Board with regard to premium rates or other action taken by the Board, shall have the right to file a suit in the District Court of Travis County, within thirty (30) days after the Board has made such order, to review the action. Such cases shall be tried de novo in the District Court in accordance with the provisions of Article 21.44 of the Insurance Code and shall be governed by the same rules of evidence and procedure as other civil cases in said court; in which suit the court may enter a judgment setting aside the Board's order, or affirming, the action of the Board.

[Amended by Acts 1975, 64th Leg., p. 1063, ch. 409, § 4, eff. Sept. 1, 1975.]

Art. 9.09. Prohibiting Transacting of Other Kinds of Insurance by Title Insurance Companies or the Transacting of Title Insurance by Other Types of Insurance Companies

Corporations, domestic or foreign, operating under this Chapter shall not transact, underwrite or issue any kind of insurance other than title insurance on real property; nor shall title insurance be transacted, underwritten or issued by any company transacting any other kinds of insurance; provided, however, that the above prohibitions shall not apply as to any corporation, domestic or foreign, which on October 1, 1967 was transacting, underwriting and issuing within the State of Texas title insurance and any other kind of insurance. Any corporation now organized and doing business under the provisions of Chapter 8 and actively writing title insurance shall be subject to all the provisions of this Chapter except Article 9.18 relating to investments.

[Amended by Acts 1975, 64th Leg., p. 1063, ch. 409, § 5, eff. Sept. 1, 1975.]

Art. 9.11. Revocation of Right to do Business

Any foreign or domestic corporations issuing any form of title insurance policy or other promulgated or approved forms, or charging any premium rates on an owner, mortgagee, or other title insurance policy, or on other promulgated or approved forms, except for the premium rates charged for reinsurance, on Texas real property other than forms and premium rates prescribed by the Board, under the

provisions of this Chapter shall forfeit its right to do business in this state. The provisions of this Article 9.11 shall not, however, be applicable to premium rates charged in connection with reinsurance transactions between or among title insurance companies doing business under the provisions of this Chapter, provided any such reinsurance contract complies with the provisions of Article 9.19 of this Chapter. [Amended by Acts 1975, 64th Leg., p. 1063, ch. 409, § 6, eff. Sept. 1, 1975.]

Art. 9.13. Fees

The general laws applicable to payment of filing fees of corporations having capital stock are hereby made applicable to corporations coming under the provisions of this Chapter. [Amended by Acts 1975, 64th Leg., p. 1063, ch. 409, § 7, eff. Sept. 1, 1975.]

Art. 9.14. Charter and Amendments

The original charter of corporations doing the business of title insurance and incorporated under the provisions of this Chapter, or under Subdivision 57, Article 1302, Revised Civil Statutes of 1925, or under Article 1302a, Texas Civil Statutes (Acts 1929, 41st Legislature, page 383, Chapter 245, Section 1) or under any other law regardless of the nature of such amendment, shall be certified only to and filed only with the Board, and only the Board shall collect from the said companies filing fees required under the law. All other laws or parts of laws, to the extent that the same are in conflict with the provisions of this Article, shall not hereafter apply to such corporations.

[Amended by Acts 1975, 64th Leg., p. 1063, ch. 409, § 8, eff. Sept. 1, 1975.]

Art. 9.15. Certificate of Authority

The Board after having satisfied itself by such investigation as it may deem proper with reference to the payment of capital stock and surplus as required by this Chapter 9, and the value of the assets offered in payment thereof (the expense of which examination shall be borne by the title insurance company), shall issue to such title insurance company a certificate of authority to transact the characters of business provided for in this Chapter on either an annual or a continuing basis. No title insurance company, domestic or foreign, shall transact business under this Chapter unless it shall hold a valid certificate of authority.

[Amended by Acts 1975, 64th Leg., p. 1063, ch. 409, § 9, eff. Sept. 1, 1975.]

Art. 9.19. Maximum Liability

A. No title insurance company operating under the provisions of this Chapter shall issue any policy of title insurance on any real property located within the State of Texas involving a potential liability by

virtue of such policy of more than fifty (50%) percent of the capital stock and surplus as stated in the most recent annual statement of the company unless the excess shall in due course be reinsured in some other title insurance company authorized to do business in Texas under this Chapter. Each title insurance company authorized to do business under the provisions of this Chapter may reinsure any or all of its policies and contracts issued on real property situated within the State of Texas, provided:

- (i) the reinsuring title insurance company shall be licensed to do business in the State of Texas under the provisions of this Chapter; and
- (ii) the form of the reinsurance contract shall be approved in advance by the Board.

B. If the Board has first approved one or more forms of reinsurance contracts for a title insurance company, such title insurance company may thereafter continue using such form or forms without submitting individual reinsurance contracts to the Board. Authority is reserved to the Board, however, to alter the required form so previously approved by it after first giving written notice to the title insurance company or title insurance companies affected by such required change.

C. No title insurance company authorized to do business in Texas under the provisions of this Chapter may accept reinsurance risks on real property situated within the State of Texas except from other title insurance companies holding a certificate of authority to do business in the State of Texas under the provisions of this Chapter.

D. The Board may, however, upon application and hearing permit any title insurance company licensed to do business in this State under this Chapter to acquire reinsurance upon an individual policy or facultative basis from title insurance companies not licensed to do business in this State, provided:

- (i) any such non-admitted foreign title insurance company has a combined capital and surplus of at least \$1,400,000 evidenced by its annual statement last preceding the acceptance of such reinsurance; and

- (ii) any such title insurance company so authorized to do business under this Chapter has exhausted the opportunity to acquire such reinsurance from all other title insurance companies so authorized to do business under the provisions of this Chapter.

[Amended by Acts 1975, 64th Leg., p. 1063, ch. 409, § 10, eff. Sept. 1, 1975.]

(a) Two Hundred Fifty Thousand Dollars (\$250,000.00) capital and One Hundred Thousand Dollars (\$100,000.00) surplus until July 1, 1976;

Art. 9.30. Rebates and Discounts

A. No commission, rebate, discount, or other thing of value shall be paid, allowed or permitted by any title insurance company, domestic or foreign, or by any title insurance agent doing the business of title insurance provided for in this Chapter, relating to title policies or underwriting contracts and no portion of any premium shall be paid to any person for soliciting or referring title insurance business; provided this Article 9.30 shall not prevent any title insurance company, domestic or foreign, doing business under this Chapter, from appointing as its title insurance agent in any county any person, firm, or corporation owning and operating an abstract plant of such county as its title insurance agent and making such arrangements for division of premiums as may be approved by the Board.

B. No person shall give and no person shall accept any portion, split, or percentage of any charge made or received for the rendering of a real estate settlement or closing in connection with a transaction involving the conveyance or mortgaging of real estate located in the State of Texas other than for services actually performed.

C. Nothing in this Article 9.30 shall, however, be construed as prohibiting (a) the payment of a fee to attorneys at law for services actually rendered or (b) the payment to any person of a bona fide salary, compensation or other payment for goods or facilities actually furnished or for services actually performed.

Art. 9.40. Right of Title Insurance Company to Examine Agent's Trust Fund Accounts and to Require Reports

Any title insurance company may at such time or times as it sees fit, through its examiners or auditors or through independent certified public accountants commissioned by it, examine the trust fund accounts and records pertaining thereto of any of its title insurance agents, such examination to be made at the expense of the title insurance company; or the title insurance company may require special reports from any such agent regarding any of its transactions. Each title insurance company shall periodically, but at least every two years, audit the unused forms in the possession of each of its title insurance agents so as to determine that all used forms have been reported to the title insurance company. A report of each such audit shall be made to the State Board of Insurance.

[Amended by Acts 1975, 64th Leg., p. 1063, ch. 409, § 22, eff. Sept. 1, 1975.]

Art. 9.48. Title Insurance Guaranty

Title

Sec. 1. This article shall be known and may be cited as the "Texas Title Insurance Guaranty Act."

Purpose

Sec. 2. This article is for the purposes and findings set forth in Section 1 of Article 21.28-A of the Insurance Code and in supplementation thereto by providing funds in addition to assets of impaired insurers for the protection of the holders of "covered claims" as defined herein through payment and through contracts of reinsurance or assumption of liabilities or of substitution or otherwise.

Scope

Sec. 3. This article shall apply only to all title insurance (direct and reinsurance) written by title insurance companies authorized to do business in this state and doing business under and regulated by the provisions of this Chapter 9.

Construction

Sec. 4. This article shall be liberally construed to effect the purpose under Section 2 which shall constitute an aid and guide to interpretation.

Definitions

Sec. 5. As used in this article

(1) A. "State Board of Insurance" is the State Board of Insurance of this State.

B. "Commissioner" is the Commissioner of Insurance of this State.

(2) "Covered claim" is an unpaid claim of an insured which arises out of and is within the coverage and not in excess of the applicable limits of a title insurance policy to which this article applies, issued or assumed (whereby an assumption certificate is issued) by an insurer licensed to do business in this state and covered by this article, if such insurer becomes an "impaired insurer" after the effective date of this article and the insured real property (or lien thereon) is located within this state. Individual "covered claims" shall be limited to \$100,000 and shall not include any amount in excess of \$100,000. "Covered claim" shall also include any sum up to \$100,000 for which any insurer is liable in connection with the fidelity or solvency of any title insurance agent of such insurer as authorized by Article 9.49 of this chapter of this code. "Covered claim" shall not include any amount due any reinsurer, insurer, insurance pool, or underwriting association, as subrogation recoveries or otherwise. "Covered claim" shall not include supplementary payment obligations, including but not limited to adjustment fees and expenses, attorneys' fees and expenses, court costs, interest, and bond premiums, incurred prior to the determination that an insurer is an "impaired insurer" under this article.

(3) "Insurer" is any title insurance company authorized to do business in this state, and doing business under and regulated by the provisions of this Chapter 9.

(4) "Impaired insurer" is (a) an insurer which, after the effective date of this article, is placed in temporary or permanent receivership under an order of a court of competent jurisdiction based on a finding of insolvency, and which has been designated an "impaired insurer" by the commissioner; or (b) after the effective date of this article, an insurer placed in conservatorship after it has been deemed by the commissioner to be insolvent and which has been designated an "impaired insurer" by the commissioner.

(5) "Payment of covered claims" is actual payment of claims and also is the utilization of funds of the impaired insurer and funds derived from assessments for consummation of con-

tracts of reinsurance or assumption of liabilities or contracts of substitution to provide for liabilities arising from covered claims.

(6) "Net direct written premiums" is the gross amount of premiums paid by policyholders for issuance of policies of title insurance insuring risks located in this state and to which this article applies. The term does not include premiums for reinsurance accepted from other licensed insurers, and there shall be no deductions for premiums for reinsurance ceded to other insurers.

Assessments

Sec. 6. Whenever the commissioner determines that an insurer has become an impaired insurer, the receiver appointed in accordance with Article 21.28 of the Insurance Code or the conservator appointed under the authority of Article 21.28-A or Article 9.29 of the Insurance Code shall promptly estimate the amount of additional funds needed to supplement the assets of the impaired insurer immediately available to the receiver or the conservator for the purpose of making payment of all covered claims. Thereafter, the commissioner shall be empowered to make such assessments as may be necessary to produce the additional funds needed to make payment of all covered claims. The commissioner may make partial assessments as the actual need for additional funds arises for each impaired insurer.

The commissioner shall assess individual insurers in proportion to the ratio that the total net direct written premium collected in the State of Texas by the insurer during the next preceding year bears to the total net direct written premium collected by all insurers (except impaired insurers) in the State of Texas. Assessments during a calendar year may be made up to, but not in excess of, two percent of each insurer's net direct written premium for the preceding calendar year. If the maximum assessment in any calendar year does not provide an amount sufficient for payment of covered claims of impaired insurers, assessments may be made in the next successive calendar years.

Insurers designated as impaired insurers by the commissioner shall be exempt from assessment from and after the date of such designation and until the commissioner determines that such insurer is no longer an impaired insurer.

The commissioner shall designate the impaired insurer for which each assessment or partial assessment is made and it shall be the duty of each insurer to pay the amount of its assessment to the conservator or receiver, as the case may be, within 30 days after the commissioner gives notice of the assessment, and assessments may be collected by the conservator or receiver through suits brought for that purpose. Venue for such suits shall lie in Travis

County, Texas, and actions to collect such assessments shall have precedence over all other causes on the docket of a different nature. Either party to said action may appeal to the appellate court having jurisdiction over said cause, and said appeal shall be at once returnable to said appellate court having jurisdiction over said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. Neither the receiver nor the conservator shall be required to give an appeal bond in any cause arising hereunder.

Funds derived from assessments under the provisions of this article shall not become assets of the impaired insurer but shall be deemed a special fund loaned to the receiver or the conservator for payment of covered claims, which loan shall be repayable to the extent available from the funds of such impaired insurer, as herein provided.

No insurer shall be deemed or considered to have or incur any liability, real or contingent, under the provisions of this Article 9.48 of this Chapter 9 until any such assessment shall have been actually made in writing by the commissioner under the provisions of this Article 9.48.

Penalty for Failure to Pay Assessments

Sec. 7. The commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact business in this state of any insurer who fails to pay an assessment when due.

Any insurer whose certificate or authority to do business in this state is cancelled or surrendered shall be liable for any unpaid assessments made prior to the date of such cancellation or surrender.

Accounting for and Repayment of Assessments

Sec. 8. Upon receipt from an insurer of payment of an assessment or partial assessment, the receiver or conservator shall provide the insurer with a participation receipt which shall create a liability against the impaired insurer, and the holder of such participation receipt shall be regarded as a general creditor of the impaired insurer; provided, however, that with reference to the remaining balance of any portions of assessments received by the receiver or conservator and not expended in payment of "covered claims," the holders of such participation receipts shall have preference over other general creditors and shall share pro rata with other holders of participation receipts. The receiver or conservator of any impaired insurer shall adopt accounting procedures reflecting the expenditure and use of all funds received from assessments or partial assessments and shall make a final report of the expenditure and use of such funds to the commissioner, which final report shall set forth the remaining balance, if any,

from the funds collected by assessment. The receiver or conservator shall also make any interim reports concerning such accounting as may be required by the commissioner. Upon completion of the final report, the receiver or conservator shall, as soon thereafter as is practicable, refund pro rata the remaining balance of such assessments to the holders of the participation receipts.

Payment of Covered Claims

Sec. 9. When an insurer has been designated by the commissioner as an impaired insurer, the receiver or conservator, as the case may be, shall marshal all assets of the impaired insurer, including but not limited to those which are designated as or that constituted reserve assets offsetting reserve liabilities for all liabilities falling within the definition of "covered claim" as defined in this article. The receiver or conservator shall apply all of such assets to the payment of covered claims, but may utilize funds received from assessments in the payment of claims, pending orderly liquidation or disposition of such assets. When all covered claims have been paid or satisfied by the receiver or conservator, any balance remaining from the liquidation or disposition of such assets shall first be applied in repayment of funds expended from assessments. Such repayments shall be credited as remaining balances and be refunded as provided in Section 9 of this article.

In addition to authorization to make actual payment of covered claims, the receiver or conservator is specifically authorized to utilize such marshalled assets and funds derived from assessments for the purpose of negotiating and consummating contracts of reinsurance or assumption of liabilities or contracts of substitution to provide for outstanding liabilities of covered claims. The commissioner shall not require the insurer that reinsures or assumes the policies of the impaired insurer or enters into an agreement to substitute itself in the place of the impaired insurer, to issue assumption certificates or other written evidence of such agreement to the policyholders of the impaired insurer, except to policyholders that have made a claim for loss arising under their policy (issued by the impaired insurer) before the date of such reinsurance, assumption or substitution agreement. The commissioner shall require that the reinsurance, assumption, or substitution agreement be filed as a public record with the State Board of Insurance. The commissioner shall approve such agreement unless, after public hearing held within 30 days following such filing, he determines that such agreement does not effectively protect the policyholders of the insurers to give notice of such hearing to its policyholders. Such notice shall be by publication, not less than seven days in advance of the hearing, in a newspaper of general circulation printed in the State of Texas. No cause of action shall lie against the impaired insurer for

breach of contract or refund of premium after the agreement has been approved by the commissioner and the notice of hearing before the commissioner shall so advise the policyholders of the impaired insurer.

This article shall not be construed to impose restriction or limitation upon the authority granted or authorized the commissioner, the conservator, or the receiver elsewhere in the Insurance Code and other statutes of this state but shall be construed and authorized for use in conjunction with other portions of the Insurance Code dealing with delinquency proceedings or threatened insolvencies or supervisions or conservatorships.

Approval of Covered Claims

Sec. 10. Covered claims against an impaired insurer placed in temporary or permanent receivership under an order of liquidation, rehabilitation, or conservation by a court of competent jurisdiction shall be processed and acted upon by the receiver or ancillary receiver in the same manner as other claims as provided in Article 21.28 of the Insurance Code and as ordered by the court in which such receivership is pending; provided, however, that funds received from assessments shall be liable only for the difference between the amount of the covered claims approved by the receiver and the amount of the assets marshalled by the receiver for payment to holders of covered claims; and provided further that in ancillary receiverships in this state, funds received from assessments shall be liable only for the difference between the amount of the covered claims approved by the ancillary receiver and the amount of assets marshalled by the receivers in other states for application to payment of covered claims within this state. Such funds received from assessments shall not be liable for any amount over and above that approved by the receiver for a covered claim, and any action brought by the holder of such covered claim appealing from the receiver's action shall not increase the liability of such funds; provided, however, that the receiver may review his action in approving a covered claim and for just cause modify such approval at any time during the pendency of the receivership.

If a conservator is appointed to handle the affairs of an impaired insurer, the conservator shall determine whether or not covered claims should or can be provided for in whole or in part by reinsurance, assumption, or substitution. Upon determination by the conservator that actual payment of covered claims should be made, the conservator shall give notice of such determination to claimants falling within the class of "covered claims." The conservator shall mail such notice to the latest address reflected in the records of the impaired insurer. If the records of the impaired insurer do not reflect the

address of a claimant, the conservator may give notice by publication in a newspaper of general circulation. Such notice shall state the time within which the claimant must file his claim with the conservator, which time shall in no event be less than 90 days from the date of the mailing or publication of such notice. The conservator may require, in whole or in part, that sworn claim forms be filed and may require that additional information or evidence be filed as may be reasonably necessary for the conservator to determine the legality or the amount due under a covered claim. When an impaired insurer has been placed in conservatorship, the funds received from assessments shall be liable only for the difference between the amount of the covered claim approved by the conservator and the amount of assets marshalled by the conservator for payment to holders of covered claims. Any action brought by the holder of such covered claim against the impaired insurer shall not increase the liability of such funds; provided, however, that the conservator may review his action in approving a covered claim and may for just cause modify such approval at any time during the pendency of the conservatorship.

Upon determination by the conservator that actual payment of covered claims should be made or upon order of the court to the receiver to give notice for the filing of claims, any person who has a cause of action against an insured of the impaired insurer under a title insurance policy issued or assumed by such insurer shall, if such cause of action meets the definition of "covered claim," have the right to file a claim with the receiver or the conservator, regardless of the fact that such claim may be contingent, and such claim may be approved as a "covered claim" (1) if it may be reasonably inferred from the proof presented upon such claim that such person would be able to obtain a judgment upon such cause of action against such insured; and (2) if such person shall furnish suitable proof that no further valid claims against such insurer arising out of his cause of action other than those already presented can be made; and (3) if the total liability of such insurer to all claimants arising from the same title insurance policy shall be no greater than its total liability would be were it not in liquidation, rehabilitation, or conservation. In the proceedings of considering "covered claims," no judgment against an insured taken after the date of the commencement of the delinquency proceedings or the appointment of a conservator shall be considered as evidence of liability, or of the amount of damages, and no judgment against an insured taken by default or by collusion prior to the commencement of the delinquency proceedings or the appointment of a conservator shall be considered as conclusive evidence either (1) of the liability of such insured to such person upon such cause of action, or (2) of the amount of damages to which such person is therein entitled.

The acceptance of payment from the receiver or conservator by the holder of a covered claim or the acceptance of the benefits of contracts negotiated by the receiver or conservator providing for reinsurance or assumption of liabilities or for substitution shall constitute an assignment to the impaired insurer of any cause of action or right of the holder of such covered claim arising from the occurrence upon which the covered claim is based. Such assignment shall be to the extent of the amount accepted or the value of the benefits provided by such contracts of reinsurance or assumption of liabilities or substitution. Such assignment to the impaired insurer may be assigned to the insurer executing such reinsurance, assumption or substitution agreement.

Release From Conservatorship or Receivership

Sec. 11. An impaired insurer placed in conservatorship or receivership for which assessments have been made under the provisions of this article shall not be authorized, upon release from conservatorship or receivership, to issue new or renewal insurance policies until such time as the impaired insurer has repaid pro rata in full to each holder of a participation receipt the assessment amount paid by the receipt holder or its assigns; provided, however, the commissioner may, upon application of the advisory association and after hearing, permit the issuance of new policies in accordance with a plan of operations by the released insurer for repayment of assessments. The commissioner may, in approving such plan, place such restrictions upon the issuance of new or renewal policies as he deems necessary to the implementation of the plan. The commissioner shall give 10 days notice of such hearing to the insurers to whom the participation receipts were issued for an assessment made for the benefit of the released insurer, and the holders of the receipts shall be entitled to appear at and participate in such hearing.

Creation of Advisory Association

Sec. 12. There is created by this article an advisory association to be known as the "Texas Title Insurance Advisory Association", herein called the "advisory association", to be composed of four insurers. Within 30 days after the effective date of this article, the State Board of Insurance shall appoint the insurers who will serve as the initial advisory association. Of the initial advisory association members, one shall be appointed to serve for a one-year term of office, one shall be appointed to serve for a two-year term of office, one shall be appointed to serve for a three-year term of office, and one shall be appointed to serve a four-year term of office. Subsequent members of the advisory association shall serve for the term of office as stated above and shall be elected by insurers, subject to the approval by the commissioner.

The initial members of the advisory association and subsequent members shall be chosen to afford fair representation to all insurers subject to this article, giving due consideration to geographical location and segments of the industry represented in Texas. Vacancies on the advisory association shall be filled for the remaining period of the term in the same manner as the initial appointments.

The advisory association shall conduct its meetings in Austin, Texas, in the Insurance Building of the State of Texas. Meetings shall be held upon call by the commissioner or upon written request of a majority of the members. Meetings shall not be open to the public, and only members of the advisory association, members of the State Board of Insurance, the commissioner, and persons authorized by the commissioner shall attend such meetings.

The advisory association shall advise and counsel with the commissioner upon matters relating to the solvency of insurers. The commissioner shall call a meeting of the advisory association when he determines that an insurer is insolvent or impaired and may call a meeting of the advisory association when he determines that a danger of insolvency or impairment of an insurer exists. The advisory association shall, upon majority vote, notify the commissioner of any information indicating that an insurer may be unable or potentially unable to fulfill its contractual obligations and request a meeting with the commissioner. At such meetings the commissioner may divulge to the advisory association any information in his possession and any records of the State Board of Insurance, including examination reports or preliminary reports from examiners relating to such insurer. The commissioner may summon officers, directors, and employees of an insolvent or impaired insurer, or an insurer the commissioner considers to be in danger of insolvency or impairment, to appear before the advisory association for conference or for the taking of testimony. Members of the advisory association shall not reveal information received in such meetings to anyone unless authorized by the commissioner or the State Board of Insurance or when required as witness in court. Advisory association members shall be subject to the same standard of confidentiality as is imposed upon examiners under Article 1.18 of the Insurance Code, except that no bond shall be required of advisory association members.

The advisory association shall, upon request by the commissioner, attend hearings before the commissioner and meet with and advise the commissioner, the liquidator or conservator appointed by the commissioner, on matters relating to the affairs of an impaired insurer and relating to action that may be taken by the commissioner, liquidator, or conservator to best protect the interests of persons holding covered claims against an impaired insurer and re-

lating to the amount and timing of partial assessments and the marshalling of assets and the processing and handling of covered claims.

Reports or recommendations made by the advisory association to the commissioner, liquidator, or conservator shall not be considered public documents, and there shall be no liability on the part of and no cause of action against a member of the advisory association or the advisory association for any report, individual report, recommendation or individual recommendation by the advisory association or members to the commissioner, liquidator, or conservator.

Members shall serve without pay, but their expenses in attending meetings shall be paid subject to the authorization by the legislature in its appropriations bills or otherwise, and subject to the rules of the State Board of Insurance. Members shall serve until their successors are appointed.

Any insurer that has an officer, director, or employee serving as a member of the advisory association shall not lose the right to negotiate for and enter into contracts of reinsurance or assumption of liability or contracts of substitution to provide for liabilities for covered claims with the receiver or conservator of an impaired insurer. The entering into any such contract shall not be deemed a conflict of interest.

The advisory association or any insurer assessed under this article shall be an interested party under Section 3(h) of Article 21.28 of the Insurance Code.

The State Board of Insurance shall within 90 days after the effective date of this article promulgate reasonable organizational rules for the association which shall set forth, among other things, quorum and attendance requirements for meetings, procedural rules to be followed at association meetings and rules concerning the replacement of members.

Recognition of Assessments in Rates and Premium Tax Offset

Sec. 13. Insurers shall be entitled to recoup assessments up to one percent of their net direct written premiums from rates promulgated, established, or approved by the State Board of Insurance in the next calendar year. The State Board of Insurance in promulgating, establishing, or approving rates shall take into account assessments and refunds of assessments made in accordance with this article and shall include in the formula forming the basis for promulgating, establishing, or approving rates sums sufficient to provide for such recoupment.

Unless the State Board of Insurance has determined that all amounts paid by each insurer on assessments on total net direct written premiums have been included in the rates and premiums as

provided above, any amounts not so included shall be allowed to such insurer as a credit against its premium tax under Article 7064, Revised Civil Statutes of Texas, 1925, as amended. The tax credit referred to herein shall be allowed at a rate of 20 percent per year for five successive years following the date of assessment and at the option of the insurer may be taken over an additional number of years.

Advertisement

Sec. 14. It shall be unlawful for an insurer to advertise or refer to this Act in any manner as an inducement to the purchase of title insurance.

Immunity

Sec. 15. There shall be no liability on the part of and no cause of action of any nature shall arise against any insurer subject to this article or its agents or employees, the advisory association, or the commissioner or his representatives for any action taken by them in the performance of their powers and duties under this article.

Rules and Regulations

Sec. 16. The State Board of Insurance is authorized and directed to issue such reasonable rules and regulations as may be necessary to carry out the various purposes and provisions of this article and in augmentation thereof.

Appeals

Sec. 17. Any action or ruling of the commissioner under this article may be appealed as provided in Article 1.04 of the Insurance Code, as amended. The liability of the appealing insurer for an assessment shall be suspended pending appeal by such insurer contesting the amount or legality of such assessment.

Control Over Conflicts

Sec. 18. The provisions of this article and the powers and functions authorized by this article are to be exercised to the end that its purposes are accomplished. This article is cumulative of existing laws, but in the event of conflict between this article and any other law relating to the subject matter of this article or its application, the provisions of this article shall control.

Unconstitutional Application Prohibited

Sec. 19. This article and law does not apply to any insurer or other person to whom, under the Constitution of the United States or the Constitution of the State of Texas, it cannot validly apply. [Added by Acts 1975, 64th Leg., p. 1063, ch. 409, § 13, eff. Sept. 1, 1975.]

thorized and empowered to issue upon request on real property transactions in this state at no charge whatever insured closing and settlement letters, in the form prescribed by the board, in connection with the closing and settlement of loans made by title insurance agents for any title insurance company operating under the provisions of this chapter. After January 1, 1976, only the form prescribed by the board shall be used thereafter in issuing such insured closing and settlement letters. The liability of the title insurance company shall not be changed or altered by the failure of the title insurance company to issue such insured closing and settlement letters as authorized by this Article 9.49.

[Added by Acts 1975, 64th Leg., p. 1063, ch. 409, § 14, eff. Sept. 1, 1975.]

Art. 9.50. Home Solicitation Transactions Act as Consumer Protection Law

Chapter 246, Acts of the 63rd Legislature, Regular Session, 1973 (Article 5069-13.01 through Article 5069-13.06, Vernon's Texas Civil Statutes), shall be deemed and considered a consumer protection law when construed in connection with any policy of title insurance issued in this state.

Art. 9.51. Title Insurance Agents Right to Surrender License

No title insurance agent shall be permitted to surrender his license under the provisions of Article 9.37 of this Chapter 9 if, prior to the offer to surrender such license, an action shall have been commenced under the provisions of Article 9.37 by the commissioner of insurance for revocation of such person's title insurance agent's license.

[Added by Acts 1975, 64th Leg., p. 1063, ch. 409, § 16, eff. Sept. 1, 1975.]

[Added by Acts 1975, 64th Leg., p. 1063, ch. 409, § 17, eff. Sept. 1, 1975.]

Art. 9.53. Uniform Closing and Settlement Statements

On or prior to January 1, 1976, the board, after notice and hearing, shall prescribe uniform settlement and closing statement forms to be used in connection with the settlement and closing of any conveyance or mortgaging of real estate in which

transaction a title insurance policy is issued by any title insurance company or title insurance agent. The board is specifically authorized to establish separate forms for transactions involving improved residential real property and for all other real property transactions. The forms prescribed by the board shall be designed so that dual forms or separate forms provided for each party to the transaction identifying only the charges made to such party may be used at any settlement or closing.

Every such settlement and closing statement furnished to a party to the transaction shall state thereon the name of any person, firm, or corporation receiving any sum from such party to the settlement or closing. The title insurance company and the title insurance agent, however, shall be required to include within the closing and settlement statement only those items of disbursement as are actually disbursed by the title insurance company or the title insurance agent. If a title is examined or any closing or settlement services rendered by an attorney, other than a full-time employee of either the title insurance company or the title insurance agent, the amount of such fee (shown as included in the premium) and the name of the attorney (which may be expressed by the name of the firm, if applicable) to whom such fee was paid shall be shown thereon. Such form shall also conspicuously and clearly itemize the charges imposed upon such party in connection with the settlement and closing. If a charge for title insurance is made to such party, the form shall state whether the title insurance premium included in such charges covers or insures the mortgagee's interest in the property, the borrower's interest, or both.

Any title insurance company or any title insurance agent may at its election use the uniform closing statement prepared under the provisions of the Real Estate Settlement Procedures Act of 1974 (Public Law 93-533)¹ in lieu of the uniform closing statement prescribed by the board.

The provisions of this Article 9.53 of this Chapter 9 shall not apply to the settlement or closing of any residential real estate transaction regulated by the provisions of the Real Estate Settlement Procedures Act of 1974 (Public Law 93-533).

The provisions of this Article 9.53 of this Chapter 9 shall not apply to a settlement or closing if neither a title insurance company, a title insurance agent, an attorney for a title insurance company or title insurance agent, nor a representative of the title insurance company, title insurance agent or attorney for a title insurance company or title insurance agent has actually handled the closing or settlement of such real estate transaction.

Art. 9.54. Advance Disclosure of Settlement Costs Involving Residential Property

Every title insurance company and every title insurance agent licensed to do business in Texas under the provisions of this Chapter 9 shall, in connection with the issuance of any type of title policy guaranteeing either a lien upon or the title to improved residential property, upon written request of the buyer, seller, or borrower prior to settlement and closing, furnish to any such requesting party to such transaction an itemized disclosure in writing, to the extent that the information is available, each charge to be made to such party, arising in connection with such closing and settlement, upon any standard real estate settlement and closing form developed, prescribed or authorized under Article 9.53 of this chapter. If information is not available concerning any item or items of charges to be made to such party, proper notation shall be made that a charge is to be made, but the information is not available or that the amount shown is an estimate of such charge. Such person shall be advised in writing as to the identity of the person or organization responsible for such charges to be made for which an estimate has been made or for which notation has been made that the information is not available.

Provided, however, that the title insurance company or title insurance agent providing the disclosures of items of charge shall not be required to disclose costs or charges which the lender is required by any law to disclose to such party. Nothing contained in this Article 9.54 shall be deemed or construed as placing upon any title insurance company or title insurance agent any of the obligations imposed upon lenders by reason of the Federal Real Estate Settlement Procedures Act of 1974 (Public Law 93-533).¹

The provisions of this Article 9.54 of this Chapter 9 shall not apply to a settlement or closing if neither a title insurance company, a title insurance agent, an attorney for a title insurance company or title insurance agent, nor a representative of the title insurance company, title insurance agent or attorney for a title insurance company or title insurance agent has actually handled the closing or settlement of such real estate transaction.

Art. 9.55. Requirement for Issuance of Owners and Mortgagee Title Policies in Connection With Residential Property

After January 1, 1976, whenever any improved residential real property situated in the State of Texas shall be sold and a mortgagee title policy issued to guarantee the validity of a lien thereon, the title insurance company or title insurance agent so issuing such mortgagee title policy of insurance

shall also issue an owner title policy to the owner of such property and the required premium as promulgated by the board shall be charged.

The provisions of this article may, however, be rejected, provided that the person acquiring title shall, at or prior to closing and settlement, execute a written and acknowledged rejection wherein the purchaser rejects issuance of such owner title policy. The form of such rejection shall be prescribed, after notice and hearing, by the board.

The provisions of this Article 9.55 of this Chapter 9 shall not apply to a settlement or closing if neither a title insurance company, a title insurance agent, an attorney for a title insurance company or title insurance agent, nor a representative of the title insurance company, title insurance agent or attorney for a title insurance company or title insurance agent has actually handled the closing or settlement of such real estate transaction.

May Incorporate

Sec. 3. Private corporations may be created by 15 or more State of Texas resident members of the State Bar of Texas to insure titles to lands or interest therein in this state and indemnify the owners of such lands, or the holders of interests in or liens on such lands, against loss or damage on account of encumbrances upon or defects in the title to such lands or interests therein, provided that such title insurance shall be issued only in connection with and as a part of a title opinion of a title attorney, without any premium or fee therefor except the prescribed title insurance rates provided for in Article 9.07 of this Chapter 9.

Subject to the provisions of Article 9.06 of this Chapter 9, and Section 4 of this article, the capital

shares of such corporations may be issued for a par value of \$100 or more per share, and in one or more classes, provided, however, that (a) except as provided in (b) hereafter, all such shares shall be subscribed and paid for, and issued to members of the State Bar of Texas, residing in the State of Texas, subject to the right of reacquisition of such shares by such corporation in the event of death of such attorney shareholder or failure of such attorney shareholder to be and remain a licensed member of the State Bar of Texas, or failure of such attorney shareholder to be and remain qualified to be appointed a title attorney under the provisions of this Article 9.56; and (b) nothing herein contained prohibits an association of the organized State Bar of Texas, the State Bar of Texas, or any foundation created by or through the State Bar of Texas, whose purposes include among others the continuing legal education of the bench and bar of Texas, from owning shares of any class thereof, providing at least 15 resident members of the State Bar of Texas at all times own shares therein whether of the same class or not.

Capital Stock and Surplus Required—Association of the Organized State Bar of Texas, the State Bar of Texas, or any Foundation Created By or Through the State Bar of Texas

Sec. 4. (a) The attorney's title insurance company created as an affiliate or subsidiary of the organized State Bar of Texas, the State Bar of Texas, or any foundation created by or through the State Bar of Texas, and operating under the provisions of this section, must have a paid-up capital of not less than \$250,000 and a surplus of not less than \$150,000.

(b) Any other attorney's title insurance company shall meet the capital and surplus requirements upon organization as required by Article 9.06 of this Chapter 9.

Requirements for Title Attorneys

Sec. 5. No attorney shall act within this state as a title attorney for an attorney's title insurance company without first having been (1) licensed as a title attorney for such company by the board and (2) filing a bond or cash deposit in lieu thereof as required in Section 9; and no attorney's title insurance company shall allow or permit any attorney to act as its title attorney within the state unless said attorney shall first have obtained a license and filed a bond as required by this chapter.

Title Attorney's Licenses

Sec. 6. (a) Before an initial license is issued to any Texas licensed attorney to act as a title attorney within the State of Texas for an attorney's title insurance company, there shall first be filed by the attorney's title insurance company with the board an application for a title attorney's license, on forms to be provided by the board, accompanied by a fee of

\$2. The application shall be signed and duly sworn to by the attorney's title insurance company and the applicant title attorney. Such application shall contain the following:

(1) that the applicant title attorney is a bona fide licensed Texas attorney, resident of Texas; and

(2) that the applicant title attorney is actively engaged in the practice of law; and

(3) that the applicant title attorney is known to the attorney's title insurance company to have a good business reputation, to be a current member of the State Bar of Texas, in good standing, and is worthy of the public trust and said attorney's title insurance company knows of no fact or condition which would disqualify him from receiving a license; and

(4) that the applicant title attorney is qualified as defined in this Article 9.56 of this Chapter 9.

The board shall grant such title attorney's license if it determines from the application and its own investigation that the foregoing requirements have been met.

(b) On or before the first day of June of each year, every attorney's title insurance company operating under the provisions of this Chapter 9 shall certify to the board, on forms provided by the board, the names and addresses of every title attorney of said attorney's title insurance company, and shall apply for and pay a fee of \$2 for an annual license in the name of each title attorney included in said list; if any such attorney's title insurance company shall terminate any licensed title attorney, it shall immediately notify the board in writing of such act and request cancellation of such license, notifying the title attorney of such action. No such attorney's title insurance company shall permit any title attorney appointed by it to write, sign, or deliver title insurance policies within the state until the foregoing conditions have been complied with, and the board has granted said license. The board shall deliver such license to the attorney's title insurance company for transmittal to the title attorney.

Licenses shall continue until the first day of the next June unless previously cancelled; provided, however, that if any attorney's title insurance company surrenders or has its certificate of authority revoked by the board, all existing licenses of its title attorneys shall automatically terminate without notice.

The board shall keep a record of the names and addresses of all licensed title attorneys in such manner that the title attorneys appointed by any attorney's title insurance company authorized to transact the business of an attorney's title insurance company

within the State of Texas may be conveniently ascertained and inspected by any person upon request.

(c) If an attorney's title insurance company terminates its contract with a title attorney or gives notice of termination to the title attorney, then any such title attorney may, within 30 days after either occurrence apply to the board for continuation of his license with an amendment thereto showing the name of another attorney's title insurance company for whom he is or will be authorized to act.

Authority of Title Attorney

Sec. 7. (a) A duly licensed title attorney may issue policies of title insurance for an attorney's title insurance company only if: (1) such title attorney is an appointed title attorney for an attorney's title insurance company; and (2) such title attorney bases each title opinion upon separate and current title evidence furnished by a licensed abstract plant of the records of the county in which the real property, the title to which is to be insured, is located; and (3) if such title attorney does not own or lease and control a licensed abstract plant and does not participate in a bona fide joint plant operation, such title attorney pays to the licensed abstract plant furnishing the title information the portion of the premium which may be agreed upon between the title attorney and the licensed abstract plant and approved by the board under the contract to furnish title information provided for under Paragraph (b) of this Section 7.

(b) The board shall, not later than January 1, 1976, promulgate the form of the contract to be made and entered into between a title attorney and a licensed abstract plant whereby title information shall be furnished by a licensed abstract plant to a title attorney. Such contract shall state therein the standards for the information which is to be furnished. Contracts shall be entered into between each title attorney and each licensed abstract plant. The board may from time to time alter, change, or amend the form of such contract.

The parties to any such contract shall determine the portion of the premium to be paid by the title attorney to the licensed abstract plant, except that the board is authorized to and may disapprove any division of the premium which the board finds to be excessive or inadequate. Such portion of the premium to be paid to the licensed abstract plant shall be deemed and considered as the "regular charge" for title information as that term is used in Article 9.34 of this Chapter 9. Within 10 days following execution, the parties to each such contract shall file a copy of the executed contract with the board. Each such contract shall be deemed to be approved as to the division of the premium until the parties are notified of disapproval by the board.

(c) In the event a title attorney does not own or lease and control a licensed abstract plant nor is a participant in a bona fide joint plant operation and is unable to contract with a licensed abstract plant to obtain the required title information in the county in which the real property, the title to which is to be insured, is located, such title attorney may deliver (but not issue) title insurance policies in conformity with the provisions of Article 9.34 of this Chapter 9. Likewise, a title attorney may deliver (but not issue) a title insurance policy upon real property in conformity with the provisions of Article 9.34 of this Chapter 9 when based upon a duly certified abstract of title prepared by a licensed abstract plant covering the particular real property from the sovereignty of the soil to the date of the transaction.

(d) Each annual audit of each title attorney shall include therein disclosure of the payments for title information and to whom such payments were made."

Title Attorneys' Licenses: Surrender, Forfeiture, Grounds for Revocation; Notice, Hearing, and Appeal

Sec. 8. (a) Any title attorney may surrender his license at any time by giving notice to the board and to the attorney's title insurance company concerned, except that no title attorney shall be permitted to surrender his license under the provisions of this Section 8 if prior to the offer to surrender such license an action shall have been commenced under the provisions of this Section 8 by the Commissioner of Insurance for revocation of such title attorney's license. Any title attorney shall automatically forfeit the license under the attorney's title insurance company represented if he shall terminate his relationship with the attorney's title insurance company.

(b) The license of any title attorney may be denied, or a license duly issued may be suspended or revoked or a renewal thereof refused by the board, if, after notice and hearing as hereafter provided, it finds that the applicant for or holder of such license:

(1) has wilfully violated any provision of this Chapter 9; or

(2) has intentionally made a material misstatement in the application for such license; or

(3) has obtained, or attempted to obtain, such license by fraud or misrepresentation; or

(4) has misappropriated or converted to his own use or illegally withheld money belonging to an attorney's title insurance company, an insured, or any other person; or

(5) has otherwise demonstrated lack of trustworthiness or competence to act as a title attorney; or

(6) has been guilty of fraudulent or dishonest practices; or

(7) has materially misrepresented the terms and conditions of title insurance policies or contracts; or

(8) is not of good character or reputation; or

(9) has failed to maintain a separate and distinct accounting of escrow funds, and has failed to maintain an escrow bank account or accounts separate and apart from all other accounts; or

(10) has failed to remain a member of the State Bar of Texas, or has been disbarred; or

(11) is no longer actively engaged in the practice of law.

(c) Before the license of any title attorney shall be denied, or suspended or revoked, or the renewal thereof refused hereunder, the board shall give notice of its intention so to do, by registered mail, to the applicant for or holder of such license and to the attorney's title insurance company who desires that such license be granted or continued in effect, and shall set a date not less than 20 days from the date of mailing such notice when the applicant or licensee and a duly authorized representative of the attorney's title insurance company may appear to be heard and produce evidence. In the conduct of such hearing, the commissioner of insurance or any regular salaried employee specially designated by him for such purpose shall have power to administer oaths, to require the appearance of and examine any person under oath, and to require the production of books, records, or papers relevant to the inquiry upon his own initiative or upon the request of the applicant or licensee. Upon termination of such hearing, findings shall be reduced to writing and, upon approval by the commissioner, shall be filed in his office and notice of the findings sent by registered mail to the applicant or licensee and the attorney's title insurance company concerned.

(d) No applicant or licensee whose license has been denied, refused, or revoked hereunder shall be entitled to file another application for a license as a title attorney within one year from the effective date of such denial, refusal, or revocation, or, if judicial review of such denial, refusal, or revocation is sought, within one year from the date of final court order or decree affirming such action. Such application, when filed after one year, may be refused by the board unless the applicant shows good cause why the denial, refusal, or revocation of his license shall not be deemed a bar to the issuance of a new license.

(e) If the board shall refuse an application for any license provided for in this Act, or shall suspend, revoke, or refuse to renew any such license at said hearing, then any such applicant or licensee, and any attorney's title insurance company concerned, may appeal from said order by filing suit against the board as defendant in any of the district courts of Travis County, Texas, and not elsewhere, within 20

days from the date of the order of said board. Said action shall have precedence over all other causes of a different nature on the docket. The action shall not be limited to questions of law and shall be tried and determined upon a trial de novo to the same extent as now provided for in the case of an appeal from the justice court to the county court. Any party to said action may appeal to the appellate court having jurisdiction of said cause, and said appeal shall be at once returnable to said appellate court having jurisdiction of said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. The board shall not be required to give any appeal bond in any cause arising hereunder.

Bonds for Title Attorneys

Sec. 9. (a) Every attorney who has been licensed as a title attorney shall make, file, and pay for a surety bond with a corporate surety company authorized to write surety bonds in this state, payable to the State Board of Insurance in the sum of \$7,500, which bond shall obligate the principal and surety to (1) pay such pecuniary losses as may result to any participant in a real estate settlement or closing where an attorney's title insurance policy is issued by such title attorney which shall be sustained through acts of fraud, dishonesty, theft, embezzlement, or wilful misapplication on the part of any title attorney, (2) to pay such pecuniary loss as any party to an escrow agreement in which the title attorney is escrowee shall sustain through acts of fraud, dishonesty, forgery, theft, embezzlement, or wilful misapplication on the part of such title attorney, either directly and alone, or in connivance with others. In lieu of such bond any title attorney may deposit with the board cash (or securities approved by the board) which cash and securities shall be in the amount of \$7,500 and subject to the same conditions as provided for in said bond.

(b) If at any time it appears to the board that the terms of any title attorney's bond may have been violated, the board may require the title attorney to appear in Travis County with such records as the board deems proper on a named date not earlier than 10 days nor later than 15 days from service of notice, and there conduct an examination into the matter. If upon such examination the board is satisfied that the terms of said bond have been violated, the board shall immediately notify the surety and prepare a written statement covering the facts and deliver it to the Attorney General of Texas, whose duty it shall be to investigate the charges, and if satisfied that the terms of said bond have been violated, then to enforce the liability against cash or securities, or by suit on said bond in Travis County in the name of the board for the benefit of all parties who have suffered any loss because of breach of the terms of said bond.

Annual Audit and Report of Title Attorneys

Sec. 10. Every title attorney shall have an annual audit, at his expense, made of trust fund accounts, and within 90 days after January 1 of each calendar year shall send by certified mail, postage prepaid, to the board one copy of such audit report with a letter of transmittal, and each such title attorney shall also send a copy of such letter of transmittal and audit report to the attorney's title insurance company which he represents.

Said audit shall be made by an independent certified public accountant or licensed public accountant, or a firm composed of either, recommended by said title attorney and approved by the title insurance company represented by said title attorney.

Each attorney's title insurance company shall examine and analyze the audit report furnished by each of its title attorneys and shall within three months of receipt of same report to the board on forms to be promulgated by the board the findings and results of its examination and analysis of such audit report. If an attorney's title insurance company fails to receive an audit report from any of its title attorneys within the time specified above, it shall forthwith report such omission to the board.

All such reports and analyses furnished by the attorney's title insurance company to the board shall, at the election of the commissioner, be classed as confidential and privileged after having been filed with the board.

If any title attorney shall fail or refuse to furnish an audit report within the time required, or shall furnish an audit report which reveals any shortage or other irregularity, or any practice not in keeping with sound, honest business practices, the board may, after notice to the title attorney and the attorney's title insurance company involved and after a hearing at which the attorney and attorney's title insurance company may offer evidence explaining or excusing such omissions or irregularity, revoke the license of such title attorney.

Any title attorney or attorney's title insurance company feeling aggrieved by any action of the board hereunder shall have the right to file a suit in a District Court of Travis County in the time and manner provided in Section 8.

Right of Attorney's Title Insurance Company to Examine Title Attorney's Fund Accounts and Require Reports

Sec. 11. Any attorney's title insurance company may at such time or times as it sees fit, through its examiners or auditors or through independent certified public accountants commissioned by it, examine the trust fund accounts and records pertaining thereto of any of its title attorneys, such examination to be made at the expense of the attorney's title insurance company; or the attorney's title insurance

company may require special reports from any such title attorney regarding any of its transactions.

Application to Other Title Insurance Companies

Sec. 12. The business of attorney's title insurance shall only be conducted by attorney's title insurance companies, as defined herein, and no title insurance company, foreign or domestic, or title insurance agent or escrow officer of a title insurance agent presently or hereafter licensed to transact a title insurance business in the State of Texas, pursuant to the provisions of this Chapter 9 of this Insurance Code, may operate as an attorney's title insurance company or a title attorney under the provisions of this chapter.

Exemption From Other Acts

Sec. 13. (a) The sale, issuance, or offering of any capital stock to persons permitted by the provisions of this Article 9.56 to own such capital stock are hereby exempted from all provisions of the laws of this state, other than this Chapter 9, which provide for supervision, registration, or regulation in connection with the sale, issuance, or offering of securities; and the sale, issuance, or offering of any such capital stock to such persons shall be legal without any action or approval whatsoever on the part of any official or state regulatory agency authorized to license, regulate, or supervise the sale, issuance, or offering of securities.

(b) The shares of stock of each attorney's title insurance company (regardless of class) may be owned only (except as provided in Section 3 of this Article 9.56) by attorneys duly licensed by the State Bar of Texas, residing in the State of Texas, and qualified to be appointed a title attorney under the provisions of this Article 9.56. Each certificate evidencing any share shall have endorsed thereon provisions relating to limitation upon the alienation of such shares whereby such shares may be owned only by such qualifying attorneys or the attorney's title insurance company so issuing such shares. The provisions of this Section 13B shall not, however, be applicable to shares owned by the organized State Bar of Texas, the State Bar of Texas, or any foundation created by or through the State Bar of Texas, whose purposes include among others the continuing legal education of the bench and bar of Texas.

(c) At time of organization of any attorney's title insurance company, the applicants for such attorney's title insurance company shall, as a part of the application for granting and approving the charter of such attorney's title insurance company, file with and obtain the approval of the State Board of Insurance an acceptable plan providing for the reacquisition of any and all shares of stock of such attorney's title insurance company issued to any qualified attorney when such attorney no longer remains qualified to own the same or upon the death of such

attorney, whichever shall first occur. Such plan shall, in addition to its other provisions, contain an express provision that under no circumstance may such attorney's title insurance company acquire outstanding shares of its stock as treasury stock if such reacquisition of such shares will result in reducing the capital and surplus of such attorney's title insurance company below the minimum capital and surplus required for the initial organization of such attorney's title insurance company.

(d) In the event of the death of any title attorney, the attorney's title insurance company shall have a period of nine months following the death of such title attorney within which to acquire such deceased title attorney's share or shares.

CHAPTER FOURTEEN. GENERAL PROVISIONS FOR MUTUAL ASSESSMENT COMPANIES

Article

14.40a. Application of Sunset Act [NEW].

Art. 14.17. Certificate of Authority Required; Exemptions

It shall be the duty of the Board of Insurance Commissioners to require any corporation, person, firm, association, local mutual aid association, or any local association, company, or organization to have a certificate of authority before being authorized to carry on any insurance business in this State. If, in any event, any such company, person, firm, association, corporation, local aid association, or local organization is writing any form of insurance whatsoever without a permit or certificate of authority issued by the Department of Insurance of Texas, it shall be the duty of the Board to make known said fact to the Attorney General of the State of Texas, who is hereby required to institute proceedings in the District Court of Travis County, Texas, to restrain such corporation, person, firm, association, company, local aid association, or organization from writing any insurance of any kind or character without a permit; provided no provision of this and the preceding Article shall be construed to apply to associations which limit their membership to the employees and the families of employees of any particular designated firm, corporation, or individual, nor shall it apply to associations which limit their membership to bona fide borrowers of a Federal agency in Texas and members of the borrower's immediate family who are living with him and who are not engaged in nonfarm work for their chief income, and which association has been in existence for at least five (5) years, and which are not operated for profit and which pay no commissions to anyone and whose operating expenses do not exceed One Thousand Dollars (\$1,000) per month; provided, however, that

all such associations shall make annual reports to the Department of Insurance on blanks furnished for that purpose, showing the financial condition, the receipts and expenditures, and such other facts as the Board of Insurance Commissioners may require. No such association shall be permitted to operate, however, without making report to the Insurance Department of the State of Texas and securing a permit to so function. Such permit shall be for the current year or fractional part thereof and shall expire on the thirty-first day of May thereafter and shall be renewed annually upon the approval of the financial statement of the organization by the Board of Insurance Commissioners.

[Amended by Acts 1975, 64th Leg., p. 483, ch. 206, § 1, eff. Sept. 1, 1975.]

Art. 14.20. Reduced Benefits or Excluded Coverage on Life Policies; Health and Accident Policies Excluded

Sec. 1. Any company or association licensed and operating under this chapter, may with the approval of the State Board of Insurance issue policies providing for reduced benefits when death or injury occurs while the insured is engaged in military, naval, aerial service, or aerial flight in time of peace or war; or in case of death of the member by his own hand while sane or insane; or while engaged in certain hazardous occupations to be named in the policy; or if death or injury is caused by mob violence or legal execution; or reduce or exclude benefits for sickness from certain named causes. Attention shall be called on the front page of the policy to any reduction or exclusion of benefits provided herein, and the circumstances or conditions under which reduction or exclusion of benefits are applicable shall be plainly stated in the policy. The provisions of this Section 1 of this Article 14.20 shall apply to all outstanding policies already containing such limitations.

Sec. 2. In the event a policy providing natural death benefits shall contain a provision for reduction (other than for the specific reductions enumerated and authorized by Section 1 of this Article 14.20) of the highest or ultimate death benefit stated in such policy for a specified insured, such reduced death benefit for such specified insured shall at all times during the period of time such reduction in death benefit is in effect equal at least 120 percent of the total premium then paid upon such policy by such specified insured; the period of any such reduced benefit (other than as enumerated and authorized by Section 1 of this Article 14.20) shall not exceed five years from issue date. This Section 2 of this Article 14.20 shall not be applicable, however, to any policy of life insurance upon which the reduction of the death benefit is not applicable at the time of the death of such specified insured.

Sec. 3. In the event a policy of life insurance shall provide, during any of the first five years of such policy, for an increase in the death benefit whereby the initial amount of the death benefit for a specified insured shall be increased one or more times during such five-year period, such amount of death benefit for any such specified insured shall at all times during the period or periods of such increasing benefit equal at least 120 percent of the premiums paid on such policy by such specified insured during the period of such increase. This Section 3 of this Article 14.20 shall not be applicable, however, to any policy of life insurance after it has been in force for more than five years from the policy issue date.

Sec. 4. The provisions of Section 2 and Section 3 of this Article 14.20 shall not be applicable to family group life policies as the term "family group life policies" is defined in Section 2(a)(2) of Article 14.15 of this Insurance Code.

Sec. 5. The provisions of this Article 14.20 shall not apply to health and accident policies.

(7) a copy of the form of the group contract, if any, which is to be issued to employers, unions, trustees, or other organizations;

(8) a financial statement showing the applicant's assets, liabilities, and sources of financial support; if the applicant's financial affairs are audited by an independent certified public accountant, a copy of the applicant's most recent regular certified financial statement shall be deemed to satisfy this requirement unless the commissioner directs that additional or more

Art. 20A.05. Issuance of Certificate of Authority

(a)(1) Upon receipt of an application for issuance of a certificate of authority, the commissioner shall begin consideration of the application and forthwith transmit copies of such application and accompanying documents to the board.

(2) The board shall determine whether the applicant for a certificate of authority, with respect to health care services to be furnished:

(B) the health care plan constitutes an appropriate mechanism whereby the health maintenance organization will effectively provide or arrange for the provision of basic health care services on a prepaid basis, through insurance or otherwise, except to the extent of reasonable requirements for co-payment;

(C) the health maintenance organization is fully responsible and may reasonably be expected to meet its obligations to enrollees and prospective enrollees. In making this determination, the commissioner shall consider:

(i) the financial soundness of the health care plan's arrangement for health care services and a schedule of charges used in connection therewith;

(ii) the adequacy of working capital;

(iii) any agreement with an insurer, group hospital service corporation, a political subdivision of government, or any other organization for insuring the payment of the cost of health care services or the provision for automatic applicability of an alternative coverage in the event of discontinuance of plan;

(iv) any agreement which provides for the provision of health care services; and

(v) any surety bond or deposit of cash or securities submitted in accordance with Section 13 of this Act as a guarantee that the obligations will be duly performed;

(D) the enrollees will be afforded an opportunity to participate in matters of policy and operation pursuant to Section 7(b) of this Act;

(E) nothing in the proposed method of operation, as shown by the information submitted pursuant to Section 4 of this Act, or by independent investigation, is contrary to Texas law.

(c) If the board or the commissioner, or both, shall certify that the health maintenance organization's proposed plan of operation does not meet the requirements of this section, the commissioner shall not issue the certificate of authority. The commissioner shall notify the applicant that it is deficient, and shall specify in what respects it is deficient.

(d) A certificate of authority shall continue in force as long as the person to whom it is issued meets the requirements of this Act or until suspended or revoked by the commissioner or terminated at the request of the certificate holder. Any change in control, as defined by Article 21.49-1 of the Insurance Code of Texas, of the health maintenance organization, shall be subject to the approval of the commissioner.

(b)(1) The health maintenance organization shall file notice, with adequate supporting information, with the commissioner prior to the exercise of any power granted in Subdivision (1) or (2) of Subsection (a) of this section. The commissioner shall disapprove such exercise of powers which, in his or her

opinion would substantially and adversely affect the financial soundness of the health maintenance organization and endanger its ability to meet its obligations. If the commissioner does not disapprove within 30 days of filing, it shall be deemed approved; provided that the commissioner may, by official order, postpone action for such further time, not exceeding 30 days, as may be considered necessary for proper consideration.

[Acts 1975, 64th Leg., p. 519, ch. 214, § 8, eff. Dec. 1, 1975.]

Art. 20A.09. Evidence of Coverage and Charges

(a)(1) Every enrollee residing in this state is entitled to evidence of coverage under a health care plan. If the enrollee obtains coverage under a health care plan through an insurance policy or a contract issued by a group hospital service corporation, whether by option or otherwise, the insurer or the group hospital service corporation shall issue the evidence of coverage. Otherwise, the health maintenance organization shall issue the evidence of coverage.

(2) No evidence of coverage, or amendment thereto, shall be issued or delivered to any person in this state until a copy of the form of evidence of coverage, or amendment thereto, has been filed with and approved by the commissioner.

(3) An evidence of coverage shall contain:

(i) the medical and health care services and the issuance of other benefits, if any, to which the enrollee is entitled under the health care plan;

(4) Copy of the form of the evidence of coverage to be used in this state, and any amendments thereto, shall be subject to the filing and approval requirements of Subsection (b) of this section, unless it is subject to the jurisdiction of the commissioner under the laws governing health insurance or group hospital service corporations, in which event the filing and approval provisions of such law shall apply. To the extent, however, that such provisions do not apply to the requirements of Subdivision (3), Subsection (a) of this section, the requirements of Subdivision (3) shall be applicable.

(b)(1) No schedule of charges for enrollee coverage for medical services or health care services or amendments thereto may be used in conjunction with any health care plan until a copy of such schedule or amendments thereto has been filed with the commissioner.

may be literally untrue, if, in the total context in which said statement is made or such item of information is communicated, such statement or items of information may be reasonably understood by a reasonable person, not possessing special knowledge, regarding health care coverage, as indicating any benefit or advantage or absence of any exclusion, limitation, or disadvantage of possible significance to an enrollee of or person considering enrollment in, a health care plan, if such benefit or advantage or absence of limitation, exclusion, or disadvantage does not in fact exist;

(3) an evidence of coverage shall be deemed to be deceptive if the evidence of coverage, taken as a whole, and with consideration given to typography and format, as well as language, shall be such as to cause a reasonable person, not possessing special knowledge regarding health care plans, and evidence of coverage therefor, to expect benefits, services, charges, or other advantages which the evidence of coverage does not provide or which the health care plan issuing such evidence of coverage does not regularly make available for enrollees covered under such evidence of coverage.

(d) No health maintenance organization, unless licensed as an insurer, may use in its name, contracts, or literature, any of the words "insurance," "casualty," "surety," "mutual," or any other words descriptive of the insurance, casualty, or surety business or deceptively similar to the name or description of any insurance or surety corporation doing business in this state.

Sec. 1. No person or corporation shall act as an agent of any (i) local mutual aid association, (ii) local mutual burial association, (iii) statewide mutual assessment corporation, (iv) stipulated premium company, (v) county mutual insurance company, (vi) casualty company writing accident and health insurance, or (vii) any other type of insurance carrier licensed to do business in the State of Texas and which insurance carrier's agents are required to be licensed under the provisions of Article 21.07, Texas Insurance Code, 1951, as amended, on the date that this Act shall become effective, unless he or it shall have first procured a license from the State Board of Insurance as in this Article 21.07, as amended hereby, is provided, and no such insurance carrier shall appoint any person or corporation to act as its agent unless such person or corporation shall have obtained a license under the provisions of this Article, and no such person or corporation who obtains a license shall engage in business as an agent until he or it shall have been appointed to act as an agent by some duly authorized insurance carrier designated by the provisions of this Article 21.07 and authorized to do business in the State of Texas. Any person or corporation desiring to act as an agent of any insurance carrier licensed to do business in the State of Texas and writing health and accident insurance may obtain a separate license as an agent to write health and accident insurance provided such person or corporation complies with the provisions of this Article and has been appointed to act as an agent by some duly authorized insurance carrier authorized to do health and accident insurance business in the State of Texas.

Application for License; To Whom License May Be Issued

Sec. 2. (a) Hereafter, when any person or corporation shall desire to become a agent for a (i) local mutual aid association, (ii) a local mutual burial

association, (iii) a statewide mutual assessment corporation, (iv) a stipulated premium company, (v) a county mutual insurance company, (vi) a casualty company writing accident and health insurance, or (vii) any other type of insurance carrier licensed to do business in the State of Texas and which insurance carrier's agents are required to be licensed under the provisions of Article 21.07, Texas Insurance Code, 1951, as amended, such person or corporation shall, in such form and giving such information as may be reasonably required, make application to the State Board of Insurance for a license to act as an agent. The application shall be accompanied by a certificate on forms to be prescribed and furnished by the State Board of Insurance and signed by an officer or properly authorized representative of the insurance carrier the applicant proposes to represent, stating that the insurance carrier has investigated the character and background of the applicant and is satisfied that he or its officers, directors, and shareholders are trustworthy and qualified to hold himself or the corporation out in good faith to the general public as an insurance agent, and that the insurance carrier desires that the applicant act as an insurance agent to represent it in this state.

(b) The Board shall issue a license to a corporation if the Board finds:

(1) That the corporation is a Texas corporation organized or existing under the Texas Business Corporation Act having its principal place of business in the State of Texas and having as one of its purposes the authority to act as an agent covered by this Article;

(2) That every officer, director, and shareholder of the corporation is individually licensed under the provisions of this Article; and

(3) That such corporation will have the ability to pay any sums up to \$25,000 which it might become legally obligated to pay on account of any claim made against it by any customer and caused by any negligent act, error, or omission of the corporation or any person for whose acts the corporation is legally liable in the conduct of its business under this Article. The term "customer" means any person, firm, or corporation to whom such corporation sells or attempts to sell a policy of insurance, or from whom such corporation accepts an application for insurance. Such ability shall be proven in one of the following ways:

(A) an errors and omissions policy issued by an insurance company licensed to do business in the State of Texas insuring such corporation against errors and omissions in at least the sum of \$50,000 with no more than a \$2,500 deductible feature;

(B) a bond executed by such corporation as principal and a surety company authorized to do business in this State, as surety, in the principal sum of \$25,000, payable to the State Board of Insurance for the use and benefit of customers of such corporation, conditioned that such corporation shall pay any final judgment recovered against it by any customer; or

(C) a deposit of cash or securities of the class authorized by Articles 2.08 and 2.10, Insurance Code, as amended, having a fair market value of \$25,000 with the State Treasurer. The State Treasurer is directed to accept and receive such deposit and hold it exclusively for the protection of any customer of such corporation recovering a final judgment against such corporation. Such deposit may be withdrawn only upon filing with the Board evidence satisfactory to it that the corporation has withdrawn from business and has no unsecured liabilities outstanding, or that such corporation has provided for the protection of its customers by furnishing an errors and omissions policy or a bond as provided. Securities so deposited may be exchanged from time to time for other qualified securities.

A binding commitment to issue such a policy or bond, or the tender of such securities, shall be sufficient in connection with any application for license.

Nothing contained herein shall be construed to permit any unlicensed employee or agent of any corporation to perform any act of an agent under this Article without obtaining a license.

If at any time, any corporation holding an agent's license does not maintain the qualifications necessary to obtain a license, the license of such corporation to act as an agent shall be cancelled or denied in accordance with the provisions of Sections 10 and 11 of this Article; provided, however, that should any person who is not a licensed agent under this Article acquire shares in such a corporation by devise or descent, he shall have a period of 90 days from date of acquisition within which to obtain a license or to dispose of the shares of a person licensed under this Article.

Should such an unlicensed person acquire shares in a corporation and not dispose of them within a period of 90 days to a licensed agent, then they must be purchased by the corporation for their book value, that is, the value of said shares of stock as reflected by the regular books and records of said corporation, as of the date of the acquisition of said shares by said unlicensed person. Should the corporation fail or refuse to so purchase such shares, its license shall be cancelled.

Any such corporation shall have the power to redeem the shares of any shareholder, or the shares of a deceased shareholder, upon such terms as may be agreed upon by the board of directors and such shareholder or his personal representative, or at a price and upon such terms as may be provided in the articles of incorporation, the bylaws, or an existing contract entered into between the shareholders of the corporation.

Each corporation licensed as an agent under this Article shall file, under oath, a list of the names and addresses of all of its officers, directors, and shareholders with its yearly application for renewal license.

Each corporation shall immediately notify the State Board of Insurance upon any change in its officers, directors, or shareholders.

No other corporation may own any interest in a corporation licensed under this Article, and each owner of an interest in a corporation licensed under this Article shall be a natural person who holds a valid license issued under this Article.

Issuance of License Under Certain Circumstances

Sec. 3. After the State Board of Insurance has determined that such applicant is of good character and trustworthy, the State Board of Insurance shall issue a license to such person or corporation in such form as it may prepare authorizing such applicant to write the types of insurance authorized by law to be issued by applicant's appointing insurance carrier, except that such applicant shall not be authorized to write health and accident insurance unless: (i) applicant, if not a corporation, shall have first passed a written examination as provided for in this Article 21.07, as amended, or (ii) applicant will act only as a ticket-selling agent of a public carrier with respect to accident life insurance covering risks of travel or as an agent selling credit life, health and accident insurance issued exclusively in connection with credit transactions, or (iii) applicant will write policies or riders to policies providing only lump sum cash benefits in the event of the accidental death, or death by accidental means, or dismemberment, or providing only ambulance expense benefits in the event of accident or sickness.

Examination of Applicant for License to Write Health and Accident Insurance

Sec. 4. (a) Each applicant for a license under the provisions of this Article 21.07, Texas Insurance Code, 1951, as amended, who desires to write health and accident insurance, other than as excepted in Section 3 of this Article 21.07, within this State shall submit to a personal written examination prescribed and administered in the English or Spanish language by the State Board of Insurance to determine his competency with respect to health and accident in-

surance and his familiarity with the pertinent provisions of the laws of the State of Texas relating to health and accident insurance, and shall pass the same to the satisfaction of the State Board of Insurance; except that no written examination shall be required of:

(i) An applicant for the renewal of a license issued by the State Board of Insurance pursuant to Article 21.07, Texas Insurance Code, 1951, as amended, which is currently in force at the effective date of this Act;

(ii) An applicant whose license expired less than one year prior to the date of application may, in the discretion of the State Board of Insurance, be issued a license without written examination, provided such prior license granted such applicant the right to sell health and accident insurance; or

(iii) An applicant that is a corporation.

(b)(i) The State Board of Insurance shall, within sixty (60) days from the effective date of this Act, establish reasonable rules and regulations with respect to the scope, type and conduct of such written examination and the times and places within this State where such examinations shall be held; applicants, shall, however, be permitted to take such examinations at least once in each week at the office of the State Board of Insurance. The rules and regulations of the State Board of Insurance shall designate text books, manuals and other materials to be studied by applicants in preparation for examination pursuant to this Section. Such text books, manuals and other materials may consist of matter available to applicants by purchase from the publisher or may consist of matter prepared at the direction of the State Board of Insurance and distributed to applicants upon request therefor and payment of the reasonable cost thereof. All examination questions shall be prepared from the contents of the text books, manuals and other materials designated or prepared by the State Board of Insurance pursuant to this Section and such questions shall be limited to and substantially similar to the questions relating to health and accident insurance contained in the written examination prescribed by the State Board of Insurance pursuant to Article 21.07-1 of this Insurance Code. The State Board of Insurance shall charge each applicant a fee of \$10.00 for the privilege of taking such written examination and which fee shall not be returned under any circumstance other than for failure to appear and take the examination after the applicant has given at least 24 hours' notice of an emergency situation to the State Board of Insurance and received board approval. A new examination fee shall be paid for each and every examination.

[See Compact Edition, Volume 2 for text of 4(b)(ii) to (e)]

Failure of Applicant to Qualify for License

Sec. 5. If the State Board of Insurance is not satisfied that the applicant for a license is trustworthy and of good character, or, if applicable, that the applicant, if required to do so, has not passed the written examination to the satisfaction of the State Board of Insurance, the State Board of Insurance shall forthwith notify the applicant and the insurance carrier in writing that the license will not be issued to the applicant, and return to said agent the \$25.00 fee for application for license and the \$8.00 fee for appointment.

Agent May Be Licensed to Represent Additional Insurers

Sec. 6. Any agent licensed under this Article may represent and act as an agent for more than one insurance carrier at any time while his or its license is in force, if he or it so desires. Any such agent and the insurance carrier involved must give notice to the State Board of Insurance of any additional appointment or appointments authorizing him or it to act as agent for an additional insurance carrier or carriers. Such notice must set forth the insurance carrier or carriers which the agent is then licensed to represent, and shall be accompanied by a certificate from each insurance carrier to be named in each additional appointment, that said insurance carrier desires to appoint the applicant as its agent. This notice shall also contain such other information as the State Board of Insurance may require. The agent shall be required to pay a fee of \$8.00 for each additional appointment applied for, which fee shall accompany the notice.

Expiration and Renewal of License

Sec. 7. (a) Each license issued to an agent shall expire two years following the date of issue, unless prior thereto it is suspended or revoked by the State Board of Insurance or the authority of the agent to act for the insurance carrier is terminated.

(b) Licenses which have not expired or which have not been suspended or revoked may be renewed upon request in writing of the agent.

[See Compact Edition, Volume 2 for text of (c)]

(d) The appointment or appointments given under any Section of this Article authorizing the agents to act as an agent for an insurance carrier shall continue in full force and effect without the necessity of renewal until terminated and withdrawn by the insurance carrier in accordance with Section 9 of this Article 21.07 or otherwise terminated in accordance with this Article 21.07, and each renewal license issued to the agent shall authorize him or it to represent and act for the insurance carriers for

which he or it holds an appointment until the appointment is so terminated, and the agent shall prima facie be deemed, for the purpose of this Article 21.07, to be the agent of the appointing insurance carriers, provided that on or before April 1st of each and every calendar year, commencing on or before April 1, 1970, each such insurance carrier so appointing such agent shall file with the State Board of Insurance a certificate, upon forms promulgated by the State Board of Insurance, certifying that such insurance carrier desires to continue the appointment of such agent, and if such insurance carrier shall for any reason fail to file such certificate for any year as relates to such agent, it shall be deemed and considered for all purposes that such insurance carrier has terminated the appointment of such agent in like manner as if compliance had been made by such insurance carrier with Section 9 of this Article.

[See Compact Edition, Volume 2 for text of 8 and 9]

Denial, Refusal, Suspension or Revocation of Licenses

Sec. 10. (a) A license may be denied, or a license duly issued may be suspended or revoked or the renewal thereof refused by the State Board of Insurance if, after notice and hearing as hereafter provided, it finds that the applicant, individually or through any officer, director, or shareholder, for, or holder of, such license:

- (1) Has wilfully violated any provision of the insurance laws of this State: or
- (2) Has intentionally made a material misstatement in the application for such license; or
- (3) Has obtained, or attempted to obtain, such license by fraud or misrepresentation; or
- (4) Has misappropriated or converted to his or its own use or illegally withheld money belonging to an insurance carrier or an insured or beneficiary; or
- (5) Has otherwise demonstrated lack of trustworthiness or competence to act as an agent; or
- (6) Has been guilty of fraudulent or dishonest practices; or
- (7) Has materially misrepresented the terms and conditions of any insurance policy or contract; or
- (8) Has made or issued, or caused to be made or issued, any statement misrepresenting or making incomplete comparisons regarding the terms or conditions of any insurance contract legally issued by any insurance carrier, for the purpose of inducing or attempting to induce the owner of such contract to forfeit or surrender such contract or allow it to lapse for the purpose of replacing such contract with another; or
- (9) Is not of good character or reputation.

(b) Before any license shall be denied (except for failure to pass a required written examination), or suspended or revoked, or the renewal thereof refused hereunder, the Board shall give notice of its intention so to do, by registered mail, to the applicant for, or holder of, such license and the insurance carrier whom he or it represents or who desires that he or it be licensed, and shall set a date not less than twenty days from the date of mailing such notice when the applicant or licensee and a duly authorized representative of the insurance carrier may appear to be heard and produce evidence. In the conduct of such hearing, the Board or any regular salaried employee specially designated by it for such purpose shall have power to administer oaths, to require the appearance of and examine any person under oath, and to require the production of books, records or papers relevant to the inquiry upon its own initiative or upon the request of the applicant or licensee. Upon termination of such hearings, findings shall be reduced to writing and, upon approval by the Board, shall be filed in its office and notice of the findings sent by registered mail to the applicant or licensee and the insurance carrier concerned.

(c) No applicant or licensee whose license has been denied, refused or revoked hereunder (except for failure to pass a required written examination) shall be entitled to file another application for a license as an agent within one year from the effective date of such denial, refusal or revocation, or, if judicial review of such denial, refusal or revocation is sought, within one year from the date of final court order or decree affirming such action. Such application, when filed after one year, may be refused by the Board unless the applicant shows good cause why the denial, refusal or revocation of his or its license shall not be deemed a bar to the issuance of a new license.

Judicial Review of Acts of State Board of Insurance

Sec. 11. If the said Board shall refuse an application for any license provided for in this Article, or shall suspend, revoke or refuse to renew any such license or permit at said hearing, then any such applicant or accused may appeal from said order by filing suit against the State Board of Insurance as defendant in any of the District Courts of Travis County, Texas, or in any District Court in the county of the applicant's residence or principal place of business, and not elsewhere, within twenty (20) days from the date of the order of said State Board of Insurance.

Said action shall have precedence over all other causes of a different nature on the docket. The action shall not be limited to questions of law and shall be tried and determined upon a trial de novo to the same extent as now provided for in the case of an appeal from the justice court to the county court.

Either party to said action may appeal to the appellate court having jurisdiction of said cause, and said appeal shall be at once returnable to said appellate court having jurisdiction of said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. The State Board of Insurance shall not be required to give any appeal bond in any cause arising hereunder.

Penalty

Sec. 12. Any person or officer, director, or shareholder of a corporation required to be licensed by this Article who individually, or as an officer or employee of an insurance carrier, or other corporation, wilfully violates any of the provisions of this Article shall, in addition to any other penalty specifically provided, be guilty of a misdemeanor and, upon conviction, shall be fined not more than \$500.00 or imprisoned not more than six (6) months, or both, each such violation being a separate offense hereunder. In addition, if such offender or the corporation of which he is an officer, director, or shareholder holds a license as an agent, such license shall automatically expire upon such conviction.

[See Compact Edition, Volume 2 for text of 13]

Fees and Use of Funds

Sec. 14. (a) It shall be the duty of the State Board of Insurance to collect from every agent of any insurance carrier writing insurance in the State of Texas under the provisions of this Article, a licensing fee and an initial appointment fee, as provided in Subsection (b) of this section, for each and every appointment by any insurance carrier, which fees shall constitute a fund to be used by the State Board of Insurance to enforce the provisions of this Article 21.07 and all laws of this State governing and regulating agents for such insurance carriers, as provided in Subsection (b) of this section.

(b) For those agents subject to licensing under the provisions of this Act, the license fee shall be Twenty-five Dollars (\$25) and Eight Dollars (\$8) for each appointment.

Any person or corporation that holds a license under the provisions of Article 21.07-1, Texas Insurance Code, 1951, as amended, shall be entitled to receive a license under this Article 21.07, and be authorized to write health and accident insurance without being required to pass the examination as required under this Article 21.07. Any person or corporation that holds a license under the provisions of Article 21.14, Texas Insurance Code, 1951, as amended, shall be entitled to write health and acci-

[See Compact Edition, Volume 2 for text of 1(a)]

(b) The term "life insurance agent" for the purpose of this Act means any person or corporation that is an authorized agent of a legal reserve life insurance company, and any person who is a sub-agent of such agent, who acts as such in the solicitation of, negotiation for, or procurement of, or collection of premiums on, an insurance or annuity contract with a legal reserve life insurance company; except that the term "life insurance agent" shall not include:

[See Compact Edition, Volume 2 for text of 1(b)(1) to (5), (c) to (g)]

Acting for Unauthorized Companies Prohibited

Sec. 2. (a) No person or corporation shall, within this State, solicit, procure, receive, or forward applications for life insurance or annuities, or issue or deliver policies for, or in any manner secure, help, or aid in the placing of any contract of life insurance or annuity for any person other than himself, or itself, directly or indirectly, with any legal reserve life insurance company not authorized to do business in this State.

[See Compact Edition, Volume 2 for text of 2(b)]

Acting as Agent Without License Prohibited; No Commissions To Be Paid to Unlicensed Persons

Sec. 3. (a) No person or corporation shall act as a life insurance agent within this State until he or it shall have procured a license as required by the laws of this State.

(b) No insurer or licensed life insurance agent doing business in this State shall pay directly or indirectly any commission, or other valuable consideration, to any person or corporation for services as a life insurance agent within this State, unless such person or corporation shall hold a currently valid license to act as a life insurance agent as required by the laws of this State; nor shall any person or

corporation, other than a duly licensed life insurance agent, accept any such commission or other valuable consideration; provided, however, that the provisions of this Section shall not prevent the payment or receipt of renewal or other deferred commissions to or by any person solely because such person or corporation has ceased to hold a license to act as a life insurance agent.

Application for License; To Whom License May Be Issued

Sec. 4. (a) Each applicant for a license to act as a life insurance agent within this State shall file with the Insurance Commissioner his or its written application on forms furnished by the Commissioner. The application shall be signed and duly sworn by the applicant. The prescribed form shall require the applicant to state his full name; residence; age; occupation and place of business for five years preceding date of the application; whether applicant has ever held a license to solicit life, or any other insurance in any State; whether he has been refused, or has had suspended or revoked a license to solicit life, or any other insurance in any State; what insurance experience, if any, he has had; what instruction in life insurance and in the insurance laws of this State he has had or expects to have; whether any insurer or general agent claims applicant is indebted under any agency contract, and if so, the name of the claimant, the nature of the claim and the applicant's defense thereto; whether applicant has had an agency contract cancelled and, if so, when, by what company or general agent and the reasons therefor; whether applicant will devote all or part of his efforts to acting as a life insurance agent, and, if part only, how much time he will devote to such work, and in what other business or businesses he is engaged or employed; whether, if applicant is a married woman, her husband has ever applied for or held a license to solicit life, or any other insurance in any State and whether such license has been refused, suspended, or revoked; and such other information pertinent to the licensing of such agent as the Insurance Commissioner in his discretion may prescribe. It is not intended that the Insurance Commissioner shall be authorized to deny a license to an applicant on the sole ground that he will act only part time as a life insurance agent.

(b) The application shall be accompanied by a certificate on forms furnished by the Insurance Commissioner and signed by an officer or properly authorized representative of the legal reserve life insurance company he or it proposes to represent, stating that the insurer has investigated the character and background of the applicant and is satisfied that he or the officers, directors, and shareholders of the corporation are trustworthy and qualified to hold himself or itself out in good faith to the general public as a life insurance agent, that the applicant has completed the educational requirements as pro-

vided in sub-section (e), Section 4 of this Act, and that the insurer desires that the applicant be licensed as a life insurance agent to represent it in this State.

(c) The application, when filed, shall be accompanied by a filing fee in the amount of \$25.00 and, in the case of applicants required to take an examination administered by the Commissioner of Insurance as hereafter prescribed, by an examination fee in the amount of \$10.00. In the event an applicant fails to qualify for, or is refused a license, the filing fee shall be returned; the examination fee shall not be returned for any reason other than for failure to appear and take the examination after the applicant has given at least 24 hours' notice of an emergency situation to the Commissioner of Insurance and received the commissioner's approval. A new examination fee shall be paid for each and every examination.

(d) The Insurance Commissioner shall issue a license to a corporation if he finds:

(1) That the corporation is a Texas corporation organized or existing under the Texas Business Corporation Act having its principal place of business in the State of Texas and having as one of its purposes the authority to act as agent under this Act;

(2) That every officer, director, and shareholder of the corporation is individually licensed as an agent under the provisions of this Act; and

(3) That such corporation will have the ability to pay any sums up to \$25,000.00 which it might become legally obligated to pay on account of any claim made against it by any customer and caused by any negligent act, error, or omission of the corporation or any person for whose acts the corporation is legally liable in the conduct of its business as under this Act. The term "customer" as used herein shall mean any person, firm, or corporation to whom such corporation sells or attempts to sell a policy of insurance or from whom such corporation accepts an application for insurance. Such ability shall be proven in one of the following ways:

(A) An errors and omissions policy issued by an insurance company licensed to do business in the State of Texas insuring such corporation against errors and omissions in at least the sum of \$50,000.00, with no more than a \$2,500.00 deductible feature; or

(B) A bond executed by such corporation as principal and a surety company authorized to do business in this State, as surety, in the principal sum of \$25,000.00, payable to the State Board of Insurance for the use and benefit of customers of such corpora-

tion, conditioned that such corporation shall pay any final judgment recovered against it by any customer; or

(C) A deposit of cash or securities of the class authorized by Articles 2.08 and 2.10 of the Insurance Code, having a fair market value of \$25,000.00 with the State Treasurer. The State Treasurer is hereby authorized and directed to accept and receive such deposit and hold it exclusively for the protection of any customer of such corporation recovering a final judgment against such corporation. Such deposit may be withdrawn only upon filing with the Insurance Commissioner evidence satisfactory to it that the corporation has withdrawn from business and has no unsecured liabilities outstanding, or that such corporation has provided for the protection of its customers by furnishing an errors and omissions policy or a bond as hereinbefore provided. Securities so deposited may be exchanged from time to time for other qualified securities.

A binding commitment to issue such a policy or bond, or the tender of such securities, shall be sufficient in connection with any application for license.

Nothing contained herein shall be construed to permit any unlicensed employee or agent of any corporation to perform any act of an agent under this Act without obtaining a license.

If at any time, any corporation holding a license under this Act does not maintain the qualifications necessary to obtain a license, the license of such corporation to act as an agent shall be cancelled or denied in accordance with the provisions of Sections 12 and 13 of this Act; provided, however, that should any person who is not an agent licensed under this Act acquire shares in such a corporation by devise or descent, they shall have a period of 90 days from date of acquisition within which to obtain a license as an agent or to dispose of the shares to an agent licensed under this Act.

Should such an unlicensed person acquire shares in such a corporation and not dispose of them within said period of 90 days to a licensed agent, then they must be purchased by the corporation for their book value, that is, the value of said shares of stock as reflected by the regular books and records of said corporation as of the date of the acquisition of said shares by said unlicensed person. Should the corporation fail or refuse to so purchase such shares, its license shall be cancelled.

Any such corporation shall have the power to redeem the shares of any shareholder, or the shares of a deceased shareholder, upon such terms as may be agreed upon by the board of directors and such shareholder or his personal representative, or at such

price and upon such terms as may be provided in the articles of incorporation, the bylaws, or an existing contract entered into between the shareholders of the corporation.

Each corporation licensed as an agent under this Act shall file, under oath, a list of the names and addresses of all of its officers, directors, and shareholders with its yearly application for renewal license.

Each corporation licensed as an agent under this Act shall immediately notify the State Board of Insurance upon any change in its officers, directors, or shareholders.

No other corporation may own any interest in a corporation licensed under this Act, and each owner of an interest in a corporation licensed under this Act shall be a natural person who holds a valid license issued under this Act.

No association, partnership, or any legal entity of any nature, other than an individual person or corporation, may be licensed as a life insurance agent.

(e) Each applicant, prior to sitting for the written examination as provided for in Section 5 of this Act, shall complete, under the supervision of such sponsoring insurer, an educational program that shall include:

(1) such texts as may be prescribed by the Commissioner of Insurance on the recommendation of the Advisory Board as provided in Sub-section (c) of Section 5 of this Act; and

(2) materials that will provide the applicant with the basic knowledge of:

(A) the broad principles of insurance, licensing, and regulatory laws of this State; and

(B) the obligations and duties of a life insurance agent.

Examination of Applicant for License

Sec. 5. (a) Each applicant for a license to act as a life insurance agent within this State shall submit to a personal written examination administered in the English or Spanish language, and as shall be prescribed by the State Board of Insurance, to determine his competence with respect to insurance and annuity contracts and his familiarity with the pertinent provisions of the laws of this State, and shall pass the same to the satisfaction of the State Board of Insurance; except that no such written examination shall be required of:

(1) An applicant for the renewal of a license issued by the State Board of Insurance pursuant to Article 21.07, Texas Insurance Code, 1951, which is currently in force at the time of the effective date of this Act;

(2) An applicant whose license as a life insurance agent expired less than one year prior to the date of application may, in the discretion of the State Board of Insurance, be issued a license without written examination;

(3) A person who holds the designation Chartered Life Underwriter (CLU);

(4) An applicant that is a corporation.

(b) The Commissioner shall establish rules and regulations with respect to the scope, type and conduct of such written examinations and the times and places within this State where they shall be held; provided, that applicants shall be permitted to take such examinations at least once in each week at the office of the Commissioner, and at least once in each month in the county court house of the residence of the applicant. The rules and regulations of the Commissioner shall designate text books, manuals and other materials to be studied by applicants in preparation for examinations pursuant to this Section. Such text books, manuals or other materials may consist of matter available to applicants by purchase from the publisher or may consist of matter prepared at the direction of the Commissioner and distributed to applicants upon request therefor and payment of the reasonable cost thereof. All examination questions shall be prepared from the contents of the text books, manuals and other materials designated or prepared by the Commissioner pursuant to this Section.

(c) The Commissioner shall appoint an Advisory Board consisting of eight persons of whom two shall be holders of licenses issued under this Article, two shall be employed by and familiar with the operations of legal reserve life insurance companies, two shall be general agents and managers, and two shall be citizens of the State of Texas who are neither agents, general managers, nor employees of legal reserve life insurance companies, which shall make recommendations to him with respect to the scope, type, and conduct of written examinations and the times and places within the State where they shall be held. This Advisory Board shall make such recommendations not less frequently than once every four years. The members of the Advisory Board shall serve without pay but shall be reimbursed for their reasonable expenses in attending meetings of the Advisory Board.

(d) An applicant other than a corporation for a license to act as a combination life insurance agent for a combination company, or as an industrial life agent for an industrial company, may, in lieu of taking and passing to the satisfaction of the Insurance Commissioner a personal written examination as provided in Sub-section (a) of this Section 5, submit to a personal written examination given by the combination or industrial insurer for which he is

to be licensed, subject to the following definitions and conditions:

Agent May Be Licensed to Represent Additional Insurers

Sec. 8. (a) Any life insurance agent licensed in this state may represent and act as a life insurance agent for more than one legal reserve life insurance company at any time while his or its license is in force, if he or it so desires. Any such life insurance agent and the company involved must give notice to the Commissioner of Insurance of any additional appointment or appointments authorizing him or it to act as a life insurance agent for an additional legal reserve life insurance company or companies. Such notice must set forth the insurer or insurers which the agent is then licensed to represent, and shall be accompanied by a certificate from each insurer to be named in each additional appointment, that said insurer desires to appoint the applicant as its agent. This notice shall also contain such other information as the Commissioner may require. The agent shall be required to pay a fee of \$8.00 for each additional appointment applied for, which fee shall accompany the notice. Any insurer may file a request with the Insurance Commissioner for notification in the event any agent licensed to represent such insurer has given the Commissioner of Insurance notice of an additional appointment to represent another insurer; and in such event the Commissioner shall notify the insurer filing such request.

(b) Any life insurance agent licensed in this state may place excess or rejected risks with any legal

reserve life insurance company lawfully doing business in this state other than an insurer such agent is licensed to represent; provided, however, that such life insurance agent shall procure an additional appointment to represent such other insurer before receiving commissions or other compensation for his or its services.

Expiration and Renewal of License

Sec. 9. (a) Each license issued to a life insurance agent shall expire two years following the date of issue, unless prior thereto it is suspended or revoked by the Insurance Commissioner or the authority of the agent to act for the insurer is terminated.

(b) Licenses which have not expired or which have not been suspended or revoked, may be renewed upon request in writing of the agent.

(c) Each request for renewal of license shall show whether the agent devotes all or part of his or its efforts to acting as a life insurance agent, and if part only, how much time he or it devotes to such work.

(d) Upon the filing of a request for renewal of license, and payment of a renewal fee of \$25.00 for such license, prior to the date of expiration, the current license shall continue in force until the renewal license is issued by the Commissioner or until the Commissioner has refused, for cause, to issue such renewal license, as provided in Section 12, of this Act, and has given notice of such refusal in writing to the insurer and the agent.

(e) The appointment or appointments given under Section 4 or Section 8 of this Act authorizing the agents to act as a life insurance agent for a legal reserve life insurance company or companies, shall continue in full force and effect, without the necessity of renewal, until terminated and withdrawn by the companies in accordance with Section 11 of this Act, or otherwise terminated in accordance with this Act, and each renewal license issued to the agent shall authorize him or it to represent and act for the companies for which he or it holds an appointment until the appointment is so terminated, and the agent shall prima facie be deemed, for the purpose of this Article, to be the agent of the appointing companies, provided that on or before April 1st of each and every calendar year, commencing on or before April 1, 1968, each such company so appointing such life insurance agent shall file with the Commissioner a certificate, upon forms promulgated by the Commissioner, certifying that such legal reserve life insurance company desires to continue the appointment of such life insurance agent, and if such company shall for any reason fail to file such certificate for any year as relates to such agent, it shall be deemed and considered for all purposes that such company has terminated the appointment of such life insurance agent in like manner as if compliance

has been made by such company with Section 11 of this Act.

Temporary License

Sec. 10. The Life Insurance Commissioner, if he is satisfied with the honesty and trustworthiness of the applicant, may issue a temporary life insurance agent's license, effective for ninety days, without requiring the applicant to pass a written examination, as follows:

[See Compact Edition, Volume 2 for text of 10(a) to (b)(3)]

(4) that such person will complete, under such insurer's supervision, at least forty hours of training as prescribed by sub-section (c) of Section 10 of this Act within fourteen days from the date on which the application and certificate were delivered or mailed to the Commissioner.

(5) The Commissioner shall have the authority to cancel, suspend, or revoke the temporary appointment powers of any life insurance company, if, after notice and hearing, he finds that such company has abused such temporary appointment powers. In considering such abuse, the Commissioner may consider, but is not limited to, the number of temporary appointments made by a company, the percentage of appointees sitting for the examination as life insurance agents under this Article as it may be in violation of sub-section (d) of this Section, and the number of appointees successfully passing said examination. Appeals from the Commissioner's decision shall be made in accordance with Section 13 hereof.

(c) At least forty hours of training must be administered to any applicant for a temporary license as herein defined within fourteen days from the date on which the application and certificate were delivered or mailed to the Commissioner. Such training program shall be constructed so as to provide an applicant with the basic knowledge of:

(1) the broad principles of insurance, licensing, and regulatory laws of this State; and

(2) the obligations and duties of a life insurance agent.

The Commissioner of Insurance may, in his discretion, require that such training program shall be filed with the State Board of Insurance for approval in the event he finds an abuse of temporary appointment powers under sub-section (b)(5) of this Section.

(d) Each insurer is responsible for requiring at least 70 percent of such insurer's applicants for temporary licenses during a fiscal year to sit for the examination as defined in Section 5 of this Act.

Denial, Refusal, Suspension, or Revocation of Licenses

Sec. 12. (a) A license may be denied, or a license duly issued may be suspended or revoked or the renewal thereof refused by the Insurance Commissioner if, after notice and hearing as hereafter provided, he finds that the applicant, individually or through any officer, director, or shareholder, for, or holder of such license:

[See Compact Edition, Volume 2 for text of 12(a)(1) to (3)]

(4) Has misappropriated or converted to his or its own use or illegally withheld money belonging to an insurer or an insured or beneficiary; or

[See Compact Edition, Volume 2 for text of 12(a)(5) to (8)]

(9) Has obtained, or attempted to obtain such license, not for the purpose of holding himself or itself out to the general public as a life insurance agent, but primarily for the purpose of soliciting, negotiating or procuring life insurance or annuity contracts covering himself or himself or members of his family or his or its business associates; or

[See Compact Edition, Volume 2 for text of 12(a)(10)]

(b) Before any license shall be denied (except for failure to pass a required written examination), or suspended or revoked, or the renewal thereof refused hereunder, the Insurance Commissioner shall give notice of his intention so to do, by registered mail, to the applicant for, or holder of such license and the insurer whom he or it represents or who desires that he or it be licensed, and shall set a date not less than twenty days from the date of mailing such notice when the applicant or licensee and a duly authorized representative of the insurer may appear to be heard and produce evidence. In the conduct of such hearing, the Commissioner or any regular salaried employee specially designated by him for such purpose shall have power to administer oaths, to require the appearance of and examine any person under oath, and to require the production of books, records or papers relevant to the inquiry upon his own initiative or upon the request of the applicant or licensee. Upon termination of such hearing, findings shall be reduced to writing and, upon approval by the Commissioner, shall be filed in his office and notice of the findings sent by registered mail to the applicant or licensee and the insurer concerned.

(c) No applicant or licensee whose license has been denied, refused or revoked hereunder (except for failure to pass a required written examination) shall be entitled to file another application for a license as a life insurance agent within one year from the effective date of such denial, refusal or revocation, or, if judicial review of such denial, refusal or revocation is sought, within one year from the date of final court order or decree affirming such action. Such application, when filed after one year, may be refused by the Commissioner unless the applicant shows good cause why the denial, refusal or revocation of his or its license shall not be deemed a bar to the issuance of a new license.

Judicial Review of Acts of Commissioner

Sec. 13. If the said Insurance Commissioner shall refuse an application for any license provided for in this Act, or shall suspend, revoke or refuse to renew any such license or permit at said hearing, then any such applicant or accused may appeal from said order by filing suit against the Insurance Commissioner as defendant in any of the District Courts of Travis County, Texas, or in any District Court in the county of the applicant's residence or principal place of business, and not elsewhere, within twenty (20) days from the date of the order of said Insurance Commissioner.

Said action shall have precedence over all other causes of a different nature on the docket. The action shall not be limited to questions of law and shall be tried and determined upon a trial de novo to the same extent as now provided for in the case of an appeal from the justice court to the county court. Either party to said action may appeal to the appellate court having jurisdiction of said cause, and said appeal shall be at once returnable to said appellate court having jurisdiction of said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. The Board shall not be required to give any appeal bond in any cause arising hereunder.

Penalty

Sec. 14. Any person or officer, director, or shareholder of a corporation required to be licensed by this Act who individually, or as an officer or employee of a legal reserve life insurance company, or other corporation, violates any of the provisions of this Act shall, in addition to any other penalty specifically provided, be guilty of a misdemeanor and, upon conviction, shall be fined not more than \$500.00 or imprisoned not more than six months, or both, each such violation being a separate offense hereunder. In addition, if such offender or corporation of which he is an officer, director, or shareholder holds a license as a life insurance agent, such license shall automatically expire upon such conviction.

With respect to a "covered claim" for unearned premiums, both persons who were residents of this State at the time the policy was issued and persons who are residents of this State at the time the company is found to be an "impaired insurer" shall be considered to have "covered claims" under this Act.

(3) "Insurer" and "member insurer" includes all stock and mutual fire insurance companies, casualty insurance companies and fire and casualty insurance companies licensed to do business in this State; and also includes all county mutual insurance companies, Lloyd's and reciprocal exchanges licensed to do business in this State; but shall not include farm mutual insurance companies, title insurance companies, mortgage guaranty insurance companies or Mexican casualty insurance companies.

(4) "Impaired insurer" is (a) a member insurer which, after the effective date of this Act, is placed in temporary or permanent receivership under an order of a court of competent jurisdiction based on a finding of insolvency, and which has been designated an "impaired insurer" by the Commissioner; or (b) after the effective date of this Act, a member insurer placed in conservatorship after it has been deemed by the Commissioner to be insolvent and which has been designated an "impaired insurer" by the Commissioner.

Assessments

Sec. 7. Whenever the Commissioner determines that an insurer has become an impaired insurer the receiver appointed in accordance with Article 21.28 of the Insurance Code or the conservator appointed under the authority of Article 21.28-A of the Insurance Code shall promptly estimate the amount of additional funds, by lines of business, needed to supplement the assets of the impaired insurer immediately available to the receiver or the conservator for the purpose of making payment of all covered claims. The receiver or conservator shall advise the board of directors of the association of such estimates, and the board shall make available from the account maintained by the association for each line of business funds sufficient to enable the receiver or conservator to carry out an efficient program of paying the covered claims of the impaired insurer. The board shall make additional funds available as the actual need therefor arises for each impaired insurer.

When the board of directors shall determine that additional funds are needed in any of the three accounts, they shall advise the Commissioner who shall make such assessments as may be needed to produce the necessary funds. The Commissioner in determining the proportionate amount to be paid by individual insurers under an assessment shall take into consideration the lines of business written by the impaired insurer and shall assess individual insurers in proportion to the ratio that the total net direct written premium collected in the State of Texas by the insurer for such line or lines of business during the next preceding year bears to the total net direct written premium collected by all insurers (except impaired insurers) in the State of Texas for such lines of business. Assessments during a calendar year may be made up to, but not in excess of, two percent (2%) of each insurer's net direct written premium for the preceding calendar year in the lines of business for which the assessments are being made. If the maximum assessment in any calendar year does not provide an amount sufficient for payment of covered claims of impaired insurers, assessments may be made in the next and successive calendar years.

Insurers designated as impaired insurers by the Commissioner shall be exempt from assessment from and after the date of such designation and until the Commissioner determines that such insurer is no longer an impaired insurer.

It shall be the duty of each insurer to pay the amount of its assessment to the association within thirty (30) days after the Commissioner gives notice of the assessment, and assessments may be collected on behalf of the association by the conservator or receiver through suits brought for that purpose. Venue for such suits shall lie in Travis County, Texas, and actions to collect such assessments shall have precedence over all other causes on the docket of a different nature. Either party to said action may appeal to the appellate court having jurisdiction over said cause and said appeal shall be at once returnable to said appellate court having jurisdiction over said cause and said action so appealed shall have precedence in said appellate court over all causes of a different character therein pending. Neither the receiver, the conservator, nor the association shall be required to give an appeal bond in any cause arising hereunder.

Funds advanced by the association under the provisions of the Act shall not become assets of the impaired insurer but shall be deemed a special fund loaned to the receiver or the conservator for payment of covered claims, which loan shall be repayable to the extent available from the funds of such impaired insurer, as herein provided.

Income from the investment of any of the funds of the association may be transferred to the administrative account authorized in Section 14A(1) of this article. The funds in this account may be used by the association for the purpose of meeting administrative costs and other general expenses of the association. Upon notification by the association of the amount of any additional funds needed for the administrative account the Commissioner shall assess member insurers to obtain the needed funds in the same manner as hereinbefore set out, provided, that he shall take into consideration the net direct written premium collected in the State of Texas for all lines of business covered by this article.

Penalty for Failure to Pay Assessments

Sec. 8. The Commissioner may suspend or revoke, after notice and hearing, the certificate of authority to transact business in this State of any insurer who fails to pay an assessment when due, and the association shall promptly report to the Commissioner any such failure.

Any insurer whose certificate of authority to do business in this State is cancelled or surrendered shall be liable for any unpaid assessments made prior to the date of such cancellation or surrender.

Accounting for and Repayment of Assessments

Sec. 9. Upon receipt from an insurer of payment of an assessment or partial assessment, the association shall provide the insurer with a participation receipt which shall create a liability against the account for the line or lines of business for which the assessment was made. The account from which an advance is made to an impaired insurer for the payment of covered claims shall be regarded as a general creditor of the impaired insurer for the amount of funds so advanced; provided, however, that with reference to the remaining balance of any advances received by the receiver or conservator and not expended in payment of "covered claims" the claim of such account shall have preference over other general creditors. The receiver or conservator of any impaired insurer shall adopt accounting procedures reflecting the expenditure and use of all funds received from the association and shall make a final report of the expenditure and use of such funds to the Commissioner and to the association, which final report shall set forth the remaining balance, if any, from the moneys advanced. The receiver or conservator shall also make any interim reports concerning such accounting as may be required by the Commissioner or requested by the association. Upon completion of the final report, the receiver or conservator shall, as soon thereafter as is practicable, refund by line of business the remaining balance of such advances to the accounts maintained by the association.

Should the association at any time determine that there exist moneys in the account for any line of business in excess of those reasonably necessary for efficient future operation under the terms of this Act, it shall cause such excess moneys to be returned pro rata to the holders of any participation receipts on which there is a balance outstanding after deducting any credits taken against premium taxes as authorized in Section 15 of this article, which receipts were issued for an assessment on the same line of business as that for which the excess moneys are found to exist. If after such a distribution the association finds that an excess amount still exists in any such fund, or if there are no such participation receipts on which there is an outstanding balance, it shall cause such excess amount to be deposited with the State Treasurer for credit to the general fund of this State.

Payment of Covered Claims

Sec. 10. When an insurer has been designated by the Commissioner as an impaired insurer, the receiver or conservator, as the case may be, shall marshal all assets of the impaired insurer, including but not limited to those which are designated as or that constitute reserve assets offsetting reserve liabilities for all liabilities falling within the definition of "covered claim" as defined in this Act. The receiver or conservator shall apply all of such assets to the payment of covered claims, but may utilize funds received from the association in the payment of claims, pending orderly liquidation or disposition of such assets. When all covered claims have been paid or satisfied by the receiver or conservator, any balance remaining from the liquidation or disposition of such assets shall first be applied in repayment of funds expended from those advanced by the association. Such repayments shall be credited as remaining balances and be refunded as provided in Section 9 of this Act.

In addition to authorization to make actual payment of covered claims, the receiver or conservator is specifically authorized to utilize such marshalled assets and funds derived from the association for the purpose of negotiating and consummating contracts of reinsurance or assumption of liabilities or contracts of substitution to provide for outstanding liabilities of covered claims. This Act shall not be construed to impose restrictions or limitations upon the authority granted or authorized the Commissioner, the conservator or the receiver elsewhere in the Insurance Code and other statutes of this State but shall be construed and authorized for use in conjunction with other portions of the Insurance Code dealing with delinquency proceedings or threatened insolvencies or supervisions or conservatorships.

Approval of Covered Claims

Sec. 11. Covered claims against an impaired insurer placed in temporary or permanent receivership under an order of liquidation, rehabilitation or conservation by a court of competent jurisdiction shall be processed and acted upon by the receiver or ancillary receiver in the same manner as other claims as provided in Article 21.28 of the Insurance Code and as ordered by the court in which such receivership is pending; provided, however, that funds received from the association shall be liable only for the difference between the amount of the covered claims approved by the receiver and the amount of the assets marshalled by the receiver for payment to holders of covered claims; and provided further, that in ancillary receiverships in this State, funds received from the association shall be liable only for the difference between the amount of the covered claims approved by the ancillary receiver and the amount of assets marshalled by the receivers in other states for application to payment of covered claims within this State. Such funds received from the association shall not be liable for any amount over and above that approved by the receiver for a covered claim, and any action brought by the holder of such covered claim appealing from the receiver's action shall not increase the liability of such funds; provided, however, that the receiver may review his action in approving a covered claim and for just cause modify such approval at any time during the pendency of the receivership.

If a conservator is appointed to handle the affairs of an impaired insurer the conservator shall determine whether or not covered claims should or can be provided for in whole or in part by reinsurance, assumption or substitution. Upon determination by the conservator that actual payment of covered claims should be made the conservator shall give notice of such determination to claimants falling within the class of "covered claims." The conservator shall mail such notice to the latest address reflected in the records of the impaired insurer. If the records of the impaired insurer do not reflect the address of a claimant, the conservator may give notice by publication in a newspaper of general circulation. Such notice shall state the time within which the claimant must file his claim with the conservator, which time shall in no event be less than ninety (90) days from the date of the mailing or publication of such notice. The conservator may require, in whole or in part, that sworn claim forms be filed and may require that additional information or evidence be filed as may be reasonably necessary for the conservator to determine the legality or the amount due under a covered claim. When an impaired insurer has been placed in conservatorship, the funds received from the association shall be liable only for the difference between the amount of

the covered claim approved by the conservator and the amount of assets marshalled by the conservator for payment to holders of covered claims. Any action brought by the holder of such covered claim against the impaired insurer shall not increase the liability of such funds; provided, however, that the conservator may review his action in approving a covered claim and may for just cause modify such approval at any time during the pendency of the conservatorship.

Upon determination by the conservator that actual payment of covered claims should be made or upon order of the court to the receiver to give notice for the filing of claims, any person who has a cause of action against an insured of the impaired insurer under a liability insurance policy issued or assumed by such insurer shall (if such cause of action meets the definition of "covered claim") have the right to file a claim with the receiver or the conservator, regardless of the fact that such claim may be contingent, and such claim may be approved as a "covered claim" (1) if it may be reasonably inferred from the proof presented upon such claim that such person would be able to obtain a judgment upon such cause of action against such insured; and (2) if such person shall furnish suitable proof that no further valid claims against such insurer arising out of his cause of action other than those already presented can be made; and (3) if the total liability of such insurer to all claimants arising out of the same act of its insured shall be no greater than its total liability would be were it not in liquidation, rehabilitation or conservation. In the proceedings of considering "covered claims" no judgment against an insured taken after the date of the commencement of the delinquency proceedings or the appointment of a conservator shall be considered as evidence of liability, or of the amount of damages, and no judgment against an insured taken by default or by collusion prior to the commencement of the delinquency proceedings or the appointment of a conservator shall be considered as conclusive evidence either (1) of the liability of such insured to such person upon such cause of action, or (2) of the amount of damages to which such person is therein entitled.

The acceptance of payment from the receiver or conservator by the holder of a covered claim or the acceptance of the benefits of contracts negotiated by the receiver or conservator providing for reinsurance or assumption of liabilities or for substitution shall constitute an assignment to the impaired insurer of any cause of action or right of the holder of such covered claim arising from the occurrence upon which the covered claim is based. Such assignment shall be to the extent of the amount accepted or the value of the benefits provided by such contracts of reinsurance or assumption of liabilities or substitution.

Release from Conservatorship or Receivership

Sec. 13. An impaired insurer placed in conservatorship or receivership for which advances have been made under the provisions of this Act shall not be authorized, upon release from conservatorship or receivership, to issue new or renewal insurance policies until such time as the impaired insurer has repaid in full to the association the funds advanced by it; provided, however, the Commissioner may, upon application of the association and after hearing, permit the issuance of new policies in accordance with a plan of operations by the released insurer for repayment of advances. The Commissioner may, in approving such plan, place such restrictions upon the issuance of new or renewal policies as he deems necessary to the implementation of the plan.

Advisory Association

Sec. 14. A. Creation of the Association. (1) There is hereby created a nonprofit legal entity to be known as the Texas Property and Casualty Insurance Guaranty Association. All member insurers shall be and remain members of the association as a condition precedent to their authority to transact insurance in this State. The association shall perform its functions under the plan of operation established and approved as set out below and shall exercise its powers through a board of directors established as set out below. For the purposes of administration and assessment, the board shall establish four accounts:

- (a) the administrative account;
- (b) the workmen's compensation account;
- (c) the automobile account; and
- (d) the other lines of insurance account.

(2) The association shall come under the immediate supervision of the Commissioner and shall be subject to the applicable provisions of the insurance laws of this State.

B. Board of Directors. (1) The association shall exercise its powers through a board of directors consisting of eight (8) persons who shall be chosen from employees or officers of the member insurers and who shall be chosen to give fair representation to all member insurers giving due consideration to the various categories of premium income, geographical location, and segments of the industry represented in Texas. Members of the board shall be elected for overlapping four-year terms, with the terms of two of the members expiring each year. The initial membership of the board of directors shall consist of the industry representatives in the Texas Property and Casualty Advisory Association as it exists under this Act prior to the time this amendment takes effect, and those members shall serve out the terms for which they were elected to

the advisory association. Their replacements shall be elected by the member insurers under procedures to be established in the plan of operation. All directors shall be eligible to succeed themselves in office.

(2) Directors shall not receive any remuneration or emolument of office, but they shall be entitled to reimbursement for their actual expenses incurred in performing their duties as directors.

C. Powers and Duties of Association. In addition to the powers and duties enumerated in other sections of this article, the association:

(1) May render assistance and advice to the Commissioner, upon his request, concerning rehabilitation, payment of claims, continuations of coverage, or the performance of other contractual obligations of any impaired insurer;

(2) Shall have the standing to appear before any court in this State with jurisdiction over an impaired insurer concerning which the association is or may become obligated under this Act;

(3) May enter into such contracts as are necessary or proper to carry out the provisions and purposes of this article;

(4) May sue or be sued, including taking any legal actions necessary or proper for recovery of any unpaid assessments;

(5) May employ or retain such persons as are necessary to handle the financial transactions of the association, and to perform such other functions as become necessary or proper under this Act;

(6) May negotiate and contract with any liquidator, rehabilitator, conservator, receiver, or ancillary receiver to carry out the powers and duties of the association; and

(7) May take such legal action as may be necessary to avoid the payment of improper claims.

D. Plan of Operation. (1)(a) The association shall submit to the Commissioner a plan of operation and any amendment thereto necessary or suitable to assure the fair, reasonable, and equitable administration of the association. The plan of operation and any amendments thereto shall become effective upon approval in writing by the Commissioner.

(b) If the association fails to submit a suitable plan of operation within one hundred and eighty (180) days following the effective date of this Act, or if at any time thereafter the association fails to submit suitable amendments to the plan, the Commissioner may, after notice and hearing, adopt and promulgate such reasonable rules as are necessary or advisable to effectuate the provisions of this Act. Such rules shall continue in force until modified by the Commissioner or superseded by a plan submitted by the association and approved by the Commissioner.

(2) All member insurers shall comply with the plan of operation.

(3) The plan of operation shall, in addition to requirements enumerated elsewhere in this Act:

(a) establish procedures for handling the assets of the association;

(b) establish the amount and method of reimbursing members of the board of directors under this section;

(c) establish regular places and times for meetings of the board of directors;

(d) establish procedures for records to be kept of all financial transactions of the association, its agents and the board of directors;

(e) establish any additional procedures for assessments under Section 7 of this article; and

(f) contain additional provisions necessary or proper for the execution of the powers and duties of the association.

E. Prevention of Impairments. To aid in the detection and prevention of insurer impairments:

(1) The board of directors shall, upon majority vote, notify the Commissioner of any information indicating any member insurer may be unable or potentially unable to fulfill its contractual obligations and may request appropriate investigation and action by the Commissioner who may, in his discretion, make such investigation and take such action as he deems appropriate.

(2) The board of directors shall advise and counsel with the Commissioner upon matters relating to the solvency of insurers. The Commissioner shall call a meeting of the board of directors when he determines that an insurer is insolvent or impaired and may call a meeting of the board of directors when he determines that a danger of insolvency or impairment of an insurer exists. Such meetings shall not be open to the public and only members of the board of directors, members of the State Board of Insurance, the Commissioner, and persons authorized by the Commissioner shall attend such meetings. The board of directors shall, upon majority vote, notify the Commissioner of any information indicating that an insurer may be unable or potentially unable to fulfill its contractual obligations and request a meeting with the Commissioner. At such meetings the Commissioner may divulge to the board of directors any information in his possession and any records of the State Board of Insurance, including examination reports or preliminary reports from examiners relating to such insurer. The Commissioner may summon officers, directors, and employees of an insolvent or impaired insurer (or an insurer the Commissioner considers to be in danger

of insolvency or impairment) to appear before the board of directors for conference or for the taking of testimony. Members of the board of directors shall not reveal information received in such meetings to anyone unless authorized by the Commissioner or the State Board of Insurance or when required as witness in court. Board members and all of such meetings and proceedings under this section shall be subject to the same standard of confidentiality as is imposed upon examiners under Article 1.18 of the Insurance Code, as amended, except that no bond shall be required of a board member.

The board of directors shall, upon request by the Commissioner, attend hearings before the Commissioner and meet with and advise the Commissioner, liquidator, or conservator appointed by the Commissioner, on matters relating to the affairs of an impaired insurer and relating to action that may be taken by the Commissioner, liquidator, or conservator appointed by the Commissioner to best protect the interests of persons holding covered contractual obligations against an impaired insurer and relating to the amount and timing of partial assessments and the marshalling of assets and the processing and handling of contractual obligations.

(3) The board of directors may, upon majority vote, make reports and recommendations to the Commissioner upon any matter germane to the solvency, liquidation, rehabilitation, or conservation of any member insurer. Such reports and recommendations shall not be considered public documents. Reports or recommendations made by the board of directors to the Commissioner, liquidator, or conservator shall not be considered public documents, and there shall be no liability on the part of and no cause of action against a member of the board of directors or the board of directors for any report, individual report, recommendation, or individual recommendation by the board of directors or members to the Commissioner, liquidator, or conservator.

(4) The board of directors may, upon majority vote, make recommendations to the Commissioner for the detection and prevention of member insurer impairments.

(5) The board of directors shall, at the conclusion of any member insurer impairment in which the association carried out its duties under this article or exercised any of its powers under this article, prepare a report on the history and causes of such impairment, based on the information available to the association, and submit a report on same to the Commissioner.

(6) Any insurer that has an officer, director, or employee serving as a member of the board

of directors shall not lose the right to negotiate for and enter into contracts of reinsurance or assumption of liability or contracts of substitution to provide for liabilities for contractual obligations with the receiver or conservator of an impaired insurer. The entering into any such contract shall not be deemed a conflict of interest.

(7) The association or any insurer assessed under this article shall be an interested party under Section 3(h) of Article 21.28 of the Insurance Code, as amended.

Recognition of Assessments in Premium Tax Offset

Sec. 15. Any assessment paid by an insurer under this Act shall be allowed to such insurer as a credit against its premium tax under Article 7064, Revised Civil Statutes of Texas, 1925, as amended. The tax credit referred to herein shall be allowed at a rate of twenty percent (20%) per year for five (5) successive years following the date of assessment and at the option of the insurer may be taken over an additional number of years, and the balance of any assessment paid by the insurer and not claimed as such tax credit may be reflected in the books and records of the insurer as an admitted asset of the insurer for all purposes, including exhibition in annual statements pursuant to Article 6.12 of this Code.

[See Compact Edition, Volume 2 for text of 16 and 17]

Advertising Prohibited

Sec. 17a. It shall be unlawful for any insurer required to participate in the association to advertise or use in any manner for promotional purposes the fact that its policies are protected under this Act, and such acts of advertisement or promotion shall constitute unfair methods of competition or unfair or deceptive acts or practices under Article 21.21, Insurance Code, and shall be subject to the provisions thereof.

[See Compact Edition, Volume 2 for text of 18]

Certain Evidence Not Admissible; Unfair Practices

Sec. 19. (1) In any lawsuit brought by a conservator or receiver of an impaired insurer for the purpose of recovering assets of the impaired insurer, the fact that claims against the impaired insurer have been or will be paid under the provisions of this article shall not be admissible for any purposes and shall not be placed before any jury either by evidence or argument.

(2) The use in any manner of the protection afforded by this article by any person in the sale of insurance shall constitute unfair competition and unfair practices under Article 21.21 of the Insurance

Code, as amended, and shall be subject to the provisions thereof.

Control Over Conflicts

Sec. 20. The provisions of this Act and the powers and functions authorized by this Act are to be exercised to the end that its purposes are accomplished. This Act is cumulative of existing laws, but in the event of conflict between this Act and any other law relating to the subject matter of this Act or its application, the provisions of this Act shall control.

Unconstitutional Application Prohibited

Sec. 21. This Act and law does not apply to any insurer or other person to whom, under the Constitution of the United States or the Constitution of the State of Texas, it cannot validly apply.

Severance Clause

Sec. 22. If any provision of this Act or the application thereof to any person or circumstance is held invalid by any court of competent jurisdiction, such invalidity shall not affect other provisions or applications of the Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

Art. 21.48A. Prohibiting Certain Practices Relating to Insurance of Real or Personal Property

Definitions

Sec. 1. (1) "Lender" means any person, partnership, corporation, association, or other entity, or any agent, loan agent, servicing agent, or any loan or mortgage broker, who lends money and receives or otherwise acquires a mortgage, lien, deed of trust, or any other security interest in or upon any real or personal property as security for such loan.

(2) "Borrower" means any person, partnership, corporation, association, or other entity, who has or acquires a legal or equitable interest in real or

personal property which is or becomes subject to a mortgage, lien, security agreement, deed of trust, or other security instrument.

Prohibited Practices

Sec. 2. (a) No Lender shall require a fee of over Ten Dollars (\$10.00) for the substitution by the Borrower of an insurance policy for another insurance policy still in effect, or require any fee for the furnishing by the Borrower of an insurance policy for an existing policy upon termination of the existing policy, when such insurance policy is provided through an insurance company duly licensed to do business in the State of Texas pursuant to the provisions of this Insurance Code.

(b) No Lender shall directly or indirectly impose or require as a condition of any financing or lending of money or the renewal or the extension thereof, that the purchaser or borrower or his successors, shall procure any policy of insurance or the renewal or extension thereof, covering the property involved in the transaction, from or through any particular agent or agents, solicitor or solicitors, insurer or insurers, or any other person or persons, or from or through any particular type or class of any of the foregoing.

(c) No Lender shall use or permit the use of any of the information taken from a policy of insurance insuring the property of a Borrower for the purpose of soliciting insurance business from the Borrower, or make any of such information available to any other person for any purpose, unless such Lender has first been furnished specific written authority from the Borrower permitting or directing such particular use or disclosure; provided, however, this paragraph shall not prevent a Lender who is a licensed local recording agent from selling insurance to a Borrower.

(d) No Lender may require a Borrower to furnish evidence of insurance more than fifteen (15) days prior to the termination date of an existing policy.

Exceptions

Sec. 3. Nothing contained in Section 2 hereof shall be deemed to prevent such Lender from:

(a) requiring evidence, to be produced prior to the commencement or renewal of the risk, that insurance with a fixed termination date providing adequate coverage has been obtained in an amount sufficient to cover the debt or loan and that it will not be cancelled without reasonable notice to the lender;

(b) requiring insurance in an insurer authorized to do business and having a licensed resident agent in this state;

(c) refusing to accept or approve insurance in any particular insurer on reasonable and nondis-

criminary grounds relating to its financial soundness, or its facility to service the policy;

(e) requiring at or before the time of delivery of an insurance policy to the Lender by a local recording agent or insurer a statement in writing from the Borrower designating such agent or insurer as his agent for such purpose; provided, however, such statement shall not be required when an agent or insurer is furnishing a renewal of an existing expiring policy provided by such agent or insurer;

(b) Filing Requirements of Negotiated Agreements. No person who has executed or entered into a privately negotiated agreement or contract directly with shareholders of a domestic insurer to acquire any voting security of such insurer by which, after the consummation thereof, such person would, directly or indirectly, or by conversion or by exercise of any right to acquire, be in control of such insurer, shall consummate or make effective any such agreement or control, or acquire any further right, title, or interest in such voting security, or exercise any control over such insurer, until and unless such person has filed with the commissioner a statement containing the information required by Subsection (c) of this section and such agreement, contract, and acquisition has been approved by the commissioner in the manner hereinafter prescribed. The statement filed under this Subsection (b) shall be subject to public inspection at the office of the commissioner, and a copy thereof shall be sent to the insurer but shall not be required to be sent to the insurer's shareholders.

If the person required to file the statement referred to in either Subsection (a) or (b) is a partnership, limited partnership, syndicate, or other group, the commissioner may require that the information called for by Clauses (1) through (12) shall be given with respect to each partner of such partnership or limited partnership, each member of such syndicate or group, and each person who controls such partner or member. If any such partner, member, or person is a corporation or the person required to file the statement referred to in either Subsection (a) or (b) is a corporation, the commissioner may require that the information called for by Clauses (1) through (12) shall be given with respect to such corporation, each officer and director of such corporation, and each person who is directly or indirectly the beneficial owner of more than 10 percent of the outstanding voting securities of such corporation.

If any material change occurs in the facts set forth in the statement filed with the commissioner and sent to such insurer pursuant to this section, an amendment setting forth such change, together with copies of all documents and other material relevant to such change, shall be filed with the commissioner and sent to such insurer within two business days after the person learns of such change.

(d) Alternative Filing Materials. If any offer, request, invitation, contract, agreement, or acquisition referred to in either Subsection (a) or Subsection (b) is proposed to be made by means of a registration statement under the Securities Act of 1933, as amended, or in circumstances requiring the disclosure of similar information under the Securities Exchange Act of 1934, as amended, or under a

State law requiring similar registration or disclosure, the person required to file the statement referred to in either Subsection (a) or Subsection (b) may utilize such documents in furnishing the information called for by that statement.

(e) Approval by Commissioner; Hearings. (1) The commissioner shall approve any such acquisition of control referred to in either Subsection (a) or Subsection (b) unless, after a public hearing thereon, he finds that:

(i) after the change of control the domestic insurer referred to in either Subsection (a) or Subsection (b) would not be able to satisfy the requirements for the issuance of a license to write the line or lines of insurance for which it is presently licensed;

(ii) the effect of such acquisition of control would be substantially to lessen competition in insurance in this State or tend to create a monopoly therein;

(iii) the financial condition of any acquiring party is such as might jeopardize the financial stability of the insurer, or prejudice the interest of its policyholders or the interests of any remaining security holders who are unaffiliated with such acquiring party;

(iv) the terms of the offer, request, invitation, agreement, or acquisition referred to in Subsection (a) are unfair and unreasonable to the securityholders of the insurer;

(v) the plans or proposals which the acquiring party has to liquidate the insurer, sell its assets or consolidate or merge it with any person, or to make any other material change in its business or corporate structure or management, are unfair, prejudicial, hazardous, or unreasonable to policyholders or stockholders of the insurer and not in the public interest;

(vi) the competence, trustworthiness, experience, and integrity of those persons who would control the operation of the insurer are such that it would not be in the interest of policyholders of the insurer and of the public to permit the merger or other acquisition of control; or

(vii) such acquisition or merger would violate any law of this or any other state or of the United States.

(2) The public hearing referred to in Clause (1) hereof shall be held within 30 days after the statement required by either Subsection (a) or Subsection (b) is filed, and at least 20 days' notice thereof shall be given by the commissioner to the person filing the statement and to the domestic insurer. Not less

than 10 days' notice of such public hearing shall be given by the person filing the statement to such other persons as may be designated by the commissioner. The insurer shall give prompt notice of the hearing to its securityholders as prescribed in Subsection (f) hereof. The commissioner shall make a determination within 30 days after the conclusion of such hearing. At such hearing, the person filing the statement, the insurer, any person to whom notice of hearing was sent, and any other person whose interests may be affected thereby shall have the right to present evidence, examine and cross-examine witnesses, and offer oral and written arguments in connection therewith.

(f) Mailings to Shareholders; Payment of Expenses. Except as provided in Subsection (b), all statements, amendments, or other material filed pursuant to Subsection (a), (b), or (c), and all notices of public hearings held pursuant to Subsection (e), shall be mailed by the insurer to its shareholders within five business days after the insurer has received such statements, amendments, other material, or notices. The expenses of mailing shall be borne by the person making the filing. As security for the payment of such expenses, such person shall file with the commissioner an acceptable bond or other deposit in an amount to be determined by the commissioner.

(g) Exemptions. The provisions of this section shall not apply to:

(1) any offers, requests, invitations, agreements, or acquisitions by the person referred to in Subsection (a) who is a broker-dealer under state or federal securities laws of any voting security referred to in Subsection (a) which, immediately prior to consummation of such offer, request, invitation, agreement, or acquisition, was not issued and outstanding and which acquisition is solely for resale under a plan approved by the commissioner that will not reasonably result in acquisition of control on resale and where during the period prior to resale no actual positive act of control by virtue of those shares is committed;

(2) any transaction which is subject to the provisions of: (i) Article 21.25, Sections 1 through 5, of this code, dealing with the merger or consolidation of two or more insurers and complying with the terms of such article until the plan of merger or consolidation has been filed by the insurer with the Commissioner of Insurance in accordance with such Article 21.25. After the filing of such plan of merger or consolidation the transaction shall be subject to the approval provisions of Subsection (e) of Section 5 of this article, but the Commissioner may exempt such transaction from any or all of the other provisions and requirements of Section 5 of this article if he finds that the notice, proxy

statement, and other materials furnished to shareholders and security holders in connection with such merger or consolidation contained reasonable and adequate factual and financial disclosure, material and information relating to such transaction, (ii) Article 11.20 of this code, (iii) Article 11.21 of this code, (iv) Article 14.13 of this code, (v) Article 14.61 of this code, (vi) Article 14.63 of this code, (vii) Article 21.26 of this code, provided that the requirements of said article are fully complied with, (viii) Article 22.15 of this code, and (ix) Article 22.19 of this code, provided that the reinsurance is a total direct reinsurance agreement; or

(3) any offer, request, invitation, agreement, or acquisition which the commissioner by order shall exempt therefrom as (i) not having been made or entered into for the purpose and not having the effect of changing or influencing the control of a domestic insurer, or (ii) as otherwise not comprehended within the purposes of this section.

(h) Retention of Control. (1) The following conditions affecting any controlled insurer, regardless of when such control has been acquired, are violations of this article: (i) the violation of this article, or other demonstration of untrustworthiness, by the insurer, its holding company or any controlling person, or any of the officers or directors of either; or (ii) the violation of any provision of Chapter 15 of the Business and Commerce Code, Chapter 785, Acts of the 60th Legislature, 1967, as amended, or any other antitrust law of this State by the insurer, the holding company or any affiliate. If, after notice and an opportunity to be heard the commissioner determines that any of the foregoing violations exists, he shall reduce his findings to writing and shall issue an order based thereon and cause the same to be served upon the insurer and upon all persons affected thereby directing any person found to be in violation hereof to take appropriate action to cure such violation. Upon the failure of any such person to comply with such order, Section 3 of Article 1.14 of this code shall become applicable to such person, as well as any other provisions of this article.

(2) The commissioner may require the submission of such information as he deems necessary to determine whether any retention of control complies with this article and may require, as a condition of approval of such retention of control, that all or any portion of such information be disclosed to the insurer's stockholders.

(i) Duty of Insurer. Unless subject to registration under Section 3, or unless it is a foreign insurer not subject to disclosure requirements and standards adopted by statute or regulation in the jurisdiction of its domicile which are substantially similar to those contained in this article, or unless acquisition

of its control is subject to Subsections (a), (b), (c), and (d) hereof, every authorized insurer shall, on or before November 1, 1971, or within 30 days after any event requiring notice hereunder, whichever is later, notify the commissioner in writing of the identity of any person whom the insurer then knows, or has reason to believe, controls or has taken any action, other than preliminary negotiations or discussions, to acquire control of the insurer.

(j) Violations. The following shall be violations of this section:

(1) the failure to file any statement, amendment, or other material required to be filed pursuant to this section; or

(2) the effectuation or any attempt to effectuate an acquisition of control of, or merger with, a domestic insurer unless the commissioner has given his approval thereto.

(k) Jurisdiction; Consent to Service of Process. The courts of this State are hereby vested with jurisdiction over every person not resident, domiciled, or authorized to do business in this State who files a statement with the commissioner under this section, and over all actions involving such person arising out of violations of this section, and each such person shall be deemed to have performed acts equivalent to and constituting an appointment by such person of the commissioner to be his true and lawful attorney upon whom may be served all lawful process in any action, suit, or proceeding arising out of violations of this section. Copies of all such lawful process shall be served on the commissioner and transmitted by registered or certified mail by the commissioner to such person at his last known address.

Subsidiaries of Insurers

Sec. 6. (a) Any domestic insurer, either by itself or in cooperation with one or more persons, may organize, acquire, invest in or make loans to one or more subsidiaries, and may loan to or invest in affiliates, as permitted by the investment provisions of the Insurance Code.

(b) Additional investment authority. In addition to investments in common stock, preferred stock, debt obligations, and other securities permitted under all other sections of the Insurance Code, a domestic insurer may also:

(1) invest in common stock, preferred stock, debt obligations, and other securities of one or more subsidiaries and affiliates organized for any lawful purpose amounts which in the aggregate do not exceed the lesser of five percent of the insurer's assets or 50 percent of the insurer's surplus as regards policyholders, but after such investments the insurer's surplus as regards policyholders must be reasonable in relation to the

insurer's outstanding liabilities and adequate to its financial needs. In calculating the amount of such investments, there must be included (i) total net money or other consideration expended and obligations assumed in the acquisition or formation of a subsidiary, including all organizational expenses and contributions to capital and surplus of the subsidiary whether or not represented by the purchase of capital stock or issuance of other securities, and (ii) all amounts expended in acquiring additional common stock, preferred stock, debt obligations, and other securities and all contributions to the capital or surplus of a subsidiary subsequent to its acquisition or formation;

(2) if the insurer's total liabilities, as calculated for National Association of Insurance Commissioners annual statement purposes, are less than 10 percent of assets, invest any amount in common stock, preferred stock, debt obligations, and other securities of one or more subsidiaries and affiliates organized for any lawful purpose, but after such investment the insurer's surplus as regards policyholders, considering such investment as if it were a nonadmitted asset, must be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs;

(3) invest any amount in common stock, preferred stock, debt obligations, and other securities of one or more subsidiaries and affiliates organized for any lawful purpose, provided that such subsidiary or affiliate agrees to limit its investments in any particular asset so that such investments will not cause the amount of the total investment of the insurer to exceed the amount the insurer could have directly invested in such asset. For the purpose of this clause, "the total investment of the insurer" will include (i) any direct investment by the insurer in an asset and (ii) the insurer's proportionate share of any investment in such asset by any subsidiary or affiliate of the insurer, which must be calculated by multiplying the amount of the subsidiary's or affiliate's investment by the percentage of the insurer's ownership of such subsidiary or affiliate; and

(4) with the prior approval of the commissioner, invest any amount in common stock, preferred stock, debt obligations, or other securities of one or more subsidiaries and affiliates, but after such investment the insurer's surplus as regards policyholders must be reasonable in relation to the insurer's outstanding liabilities and adequate to its financial needs.

(c) Exemption from Investment Restrictions. Investments in common stock, preferred stock, debt obligations, or other securities of subsidiaries and affiliates made under Subsection (b) hereof are not

subject to any of the otherwise applicable restrictions or prohibitions contained in this code applicable to such investment of a company subject to this code, but such investments are subject to all of the provisions of Section 4 of this Act.

(d) Qualification of Investment. Whether any investment under Subsection (b) hereof meets the applicable requirements thereof is to be determined on a pro forma basis as of the time immediately after such investment is made, taking into account the insurer's assets, liabilities, and surplus as regards policyholders, the then outstanding principal balance of all previous investments in debt obligations of subsidiaries and affiliates, and the value of all previous investments in equity securities of subsidiaries and affiliates.

(e) Cessation of Control. If an insurer ceases to control a subsidiary, it must dispose of any investment therein made under Subsection (b) within three years from the time of the cessation of control or within such further time as the commissioner may prescribe and approve, unless at any time after the investment is made the investment otherwise meets the requirements of and qualifies for investment under any other section of this code, and the insurer has notified the commissioner thereof.

Valuation of Investment in a Subsidiary or Affiliate

Sec. 6A. (a) Valuation of an investment by an insurer in a subsidiary or affiliate of an insurer, which is not itself an insurer, shall be valued, subject to the additional provisions of this section, on the basis of the greater of:

(1) the net stockholder equity value owned by the insurer in the subsidiary or affiliate, adjusted to include the value of only such of the assets of such subsidiary as would constitute lawful investments for the insurer if acquired or held directly by the insurer; or

(2) one of the following bases appropriate to each type of subsidiary or affiliate owned by it, provided, however, that an insurer shall not be required to value the stock of all its subsidiaries or affiliates on the same basis:

(i) the net worth of the subsidiary or affiliate determined in accordance with generally accepted accounting principles as of the end of its most recent fiscal year, provided, subject to the other provisions of this section, that the financial statements of the subsidiary or affiliate for its most recent fiscal year have been audited by an independent certified public accountant in accordance with generally accepted auditing standards; or

(ii) a value equal to the cost of the stock of the subsidiary or affiliate, provided such value is determined and adjusted to reflect subsequent operating results in accordance

with generally accepted accounting principles; or

(iii) the market value of the stock of the subsidiary or affiliate, if the stock is listed on a national securities exchange; or

(iv) the value, if any, placed on the stock of such subsidiary or affiliate by the National Association of Insurance Commissioners; or

(v) any other value which the insurer can substantiate to the satisfaction of the commissioner as being a reasonable value.

(b) Within 60 days after the effective date of this section, an insurer shall file with the commissioner relevant information identifying, supporting, and justifying the value of and basis of valuation used in accordance with the provisions of Subsection (a) hereof for each of its noninsurer subsidiaries and affiliates.

(c) Within 30 days after the acquisition of a noninsurer subsidiary or affiliate, an insurer shall file with the commissioner relevant information identifying, supporting, and justifying the value of and the basis of valuation used in accordance with the provisions of Subsection (a) for such subsidiary or affiliate.

(d) A valuation basis used for a subsidiary or affiliate shall thereafter be consistently used unless a change is substantiated as reasonable and on that basis is approved in writing by the commissioner.

(e) If a subsidiary or affiliate is valued on the basis of Subsection (a)(2)(i) and the books of the subsidiary or affiliate are not audited at the time the valuation is included in the insurer's annual statement, the insurer shall thereafter report and explain the difference, if any, between the value of the subsidiary or affiliate as reported in the annual statement and the value as determined by audit. Such report and explanation shall be made as soon as possible following such audit.

(f) If any subsidiary or affiliate, which is not itself an insurance company, is valued other than on a basis of market value as defined in Subsection (a)(2)(iii), there shall be deducted from otherwise determined value a sum equal to the value claimed for any of its assets which would not constitute admitted assets for the insurer if held directly by the insurer, if such assets

(1) are held by the subsidiary or affiliate but used, under a lease agreement or otherwise, significantly in the conduct of the insurer's business; or

(2) were acquired from or purchased for the benefit or use of the insurer by the subsidiary or affiliate under specific circumstances that, in the opinion of the commissioner, support a rea-

sonable finding that the primary purpose of such acquisition or purchase was the evasion or avoidance of the Insurance Code.

(g) The commissioner may, after notice and opportunity to be heard, determine that the basis used for valuation of the stock of any subsidiary or affiliate does not, under the specific circumstances of the case, reflect the value of the subsidiary or affiliate and may order either an adjustment in valuation or the use of one of the other specified bases of valuation.

[See Compact Edition, Volume 2 for text of 7 to 15]

Rescission, Revocation, and Reversal of Unauthorized Transactions

Sec. 16. Whenever it appears to the commissioner that any person has entered into any transaction or act without having first complied with the provisions of this article applicable to such transaction or act, and in violation hereof, or has obtained his approval of or acquiescence in a transaction or act subject to this article based upon a material fraudulent misrepresentation, misstatement, or omission, the commissioner may, after giving notice and an opportunity to be heard, determine and order that such transaction or act be set aside, rescinded, revoked, reversed, and rendered void and of no force or effect, and that the parties to such transaction or act shall be returned to the position they would have occupied had not such transaction or act occurred in violation of this article.

Eligibility for Coverage

Sec. 3A. The board shall establish by order the categories of physicians and health care providers who are eligible to obtain coverage from the association and may, from time to time, revise its order to include or exclude from eligibility particular categories of such physicians and health care providers.

Procedures

Sec. 4. (a)(1) Any health care provider or physician included in one of the categories of health care providers eligible for coverage by the association shall, on or after the effective date of the plan of operation, be entitled to apply to the association for such coverage. Such application may be made on behalf of an applicant by an agent authorized pursuant to Article 21.14 of this code.

(2) If the association determines that the applicant meets the underwriting standards of the association as prescribed in the plan of operation and there is no unpaid, uncontested premium, policyholder stabilization reserve fund charge, or assessment due from the applicant for prior insurance (as shown by the insured having failed to pay or make written objection to such charges within 30 days after billing) then the association, upon receipt of the premium and the policyholder stabilization reserve fund charge, or such portion thereof as is prescribed in the plan of operation, shall cause to be issued a policy of medical liability insurance for a term of one year.

(b)(1) The rates, rating plans, rating rules, rating classifications, territories, and policy forms applicable to the insurance written by the association and statistics relating thereto shall be subject to Subchapter B of Chapter 5 of the Insurance Code, as amended,¹ giving due consideration to the past and prospective loss and expense experience for medical professional liability insurance within and without this state of all of the member companies of the association, trends in the frequency and severity of losses, the investment income of the association, and such other information as the board may require; provided, that if any article of the above subchapter is in conflict with any provision of this Act, this Act shall prevail.

(2) Within such time as the board shall direct, the association shall submit, for the approval of the board pursuant to Article 5.15 of the Insurance Code, an initial filing, in proper form, of policy forms, classifications, rates, rating plans, and rating rules applicable to medical liability insurance to be written by the association.

(3) Any deficit sustained by the association in any one year shall be recouped, pursuant to the plan of operation and the rating plan then in effect, by one or more of the following procedures in this sequence:

First, a contribution from the policyholder's stabilization reserve fund until the same is exhausted.

Second, an assessment upon the policyholders pursuant to section 5(a) of this article;

Third, an assessment upon the members pursuant to Section 5(b) of this article. To the extent a member has paid one or more assessments and has not received reimbursement from the association in accordance with Subdivision (5) of this subsection, a credit against premium taxes under Article 7064, Revised Civil Statutes of Texas, 1925, as amended shall be allowed. The tax credit shall be allowed at a rate of 20 percent per year for five successive years following the year in which said deficit was sustained and at the option of the insurer may be taken over an additional number of years.

(4) After the initial year of operation, rates, rating plans, and rating rules, and any provision for recoupment should be based upon the association's loss and expense experience, together with such other information based upon such experience as the board may deem appropriate. The resultant premium rates shall be on an actuarially sound basis and shall be calculated to be self-supporting.

(5) In the event that sufficient funds are not available for the sound financial operation of the association, in addition to assessments paid pursuant to the plan of operation in accordance with Section 3(c)(2) of this article and contributions from the policyholder's stabilization reserve fund, all members shall, on a basis authorized by the board, as long as the board deems it necessary, contribute to the financial requirements of the association in the manner provided for in Section 5. Any assessment or contribution shall be reimbursed to the members with interest at a rate to be approved by the board. Pending recoupment or reimbursement of assessments or contributions paid to the association by a member, the unrepaid balance of such assessments and contributions may be reflected in the books and records of the insurer as an admitted asset of the insurer for all purposes, including exhibition in annual statements pursuant to Article 6.12 of this code.

(c) Excess insurance coverage written for a health care provider or a physician by the association under this article shall be written on a following form basis to the primary insurance coverage of that health care provider.

¹ Article 5.13 et seq.

Policyholder's Stabilization Reserve Fund

Sec. 4A. There is hereby created a policyholder's stabilization reserve fund which shall be administered as provided herein and in the plan of operation of the association. Each policyholder shall pay an-

nually into the stabilization reserve fund a charge, the amount of which shall be established annually by advisory directors chosen by health care providers and physicians eligible for insurance in the association in accordance with the plan of operation. The charge shall be in proportion to each premium payment due for liability insurance through the association. Such charge shall be separately stated in the policy, but shall not constitute a part of premiums or be subject to premium taxation, servicing fees, acquisition costs, or any other such charges. The policyholder's stabilization reserve fund shall be collected and administered by the association and shall be treated as a liability of the association along with and in the same manner as premium and loss reserves. The fund shall be valued annually by the board of directors as of the close of the last preceding year. Collections of the stabilization reserve fund charge shall continue until such time as the net balance of the stabilization reserve fund is not less than the projected sum of premiums to be written in the year following valuation date. The fund shall be credited with all stabilization reserve fund charges collected from policyholders and shall be charged with any deficit from the prior year's operation of the association.

Participation

Sec. 5. (a) Each policyholder shall have contingent liability for a proportionate share of any assessment of policyholders made under the authority of this article. Whenever a deficit, as calculated pursuant to the plan of operation, is sustained by the association in any one year, its directors shall levy an assessment only upon those policyholders who held policies in force at any time within the two most recently completed calendar years in which the association was issuing policies preceding the date on which the assessment was levied. The aggregate amount of the assessment shall be equal to that part of the deficit not recouped from the stabilization reserve fund. The maximum aggregate assessment per policyholder shall not exceed the annual premium for the liability policy most recently in effect. Subject to such maximum limitation, each policyholder shall be assessed for that portion of the deficit reflecting the proportion which the earned premium on the policies of such policyholder bears to the total earned premium for all policies of the association in the two most recently completed calendar years.

(b) All insurers which are members of the association shall participate in its writings, expenses, and losses in the proportion that the net direct premiums, as defined herein, of each such member, excluding that portion of premiums attributable to the operation of the association, written during the preceding calendar year bears to the aggregate net direct premiums written in this state by all members

of the association. Each insurer's participation in the association shall be determined annually on the basis of such net direct premiums written during the preceding calendar year, as reported in the annual statements and other reports filed by the insurer that may be required by the board. No member shall be obligated in any one year to reimburse the association on account of its proportionate share in the deficit from operations of the association in that year in excess of one percent of its surplus to policyholders and the aggregate amount not so reimbursed shall be reallocated among the remaining members in accordance with the method of determining participation prescribed in this subdivision, after excluding from the computation the total net direct premiums of all members not sharing in such excess deficit. In the event that the deficit from operations allocated to all members of the association in any calendar year shall exceed one percent of their respective surplus to policyholders, the amount of such deficit shall be allocated to each member in accordance with the method of determining participation prescribed in this subdivision.

Directors

Sec. 6. The association shall be governed by a board of nine directors, to be elected annually by the members of the association. On or before 15 days after the effective date of this Act, the State Board of Insurance shall appoint a temporary board of directors of the association which shall consist of nine members who are representatives of the association, selected so as to fairly represent various classes of member insurers and organizations of insurers. Such temporary board of directors shall serve until the first annual meeting of the members of the association or until their successors have been elected in accordance with this section. The first elected board shall be elected at the annual meeting of the members, or their authorized representatives, which shall be held at a time and place designated by the board.

Appeals

Sec. 7. (a) Any person insured or applying for insurance pursuant to this Act, or his duly authorized representative, or any affected insurer who may be aggrieved by an act, ruling, or decision of the association, may, within 30 days after such act, ruling, or decision, appeal to the board of directors of the association. The board of directors of the association shall hear said appeal within 30 days after receipt of such request or appeal and shall give not less than 10 days' written notice of the time and place of hearing to the person making such request or the duly authorized representative. Within 10 days after such hearing, the board of directors of the association shall affirm, reverse, or modify its previous action or the act, ruling, or decision appealed to the board of directors of the association.

(b) In the event any person insured or applying for insurance is aggrieved by the final action of the board of directors of the association or in the event the association is aggrieved by the action of the board with respect to any ruling, order, or determination of the board of directors of the association or the board, the aggrieved party may, within 30 days after such action, make a written request to the board for a hearing thereon. The board shall hear the association, or the appeal from an act, ruling, or decision of the association, within 30 days after receipt of such request or appeal and shall give not less than 10 days' written notice of the time and place of hearing to the association making such request or the person, or his duly authorized representative, appealing from the act, ruling, or decision of the board of directors of the association. Within 30 days after such hearing, the board shall affirm, reverse, or modify its previous action or the act, ruling, or decision appealed to the board. Pending such hearing and decision thereon, the board may suspend or postpone the effective date of its previous rule or of the act, ruling, or decision appealed to the board. The association, or the person aggrieved by any order or decision of the board, may thereafter appeal in accordance with Article 1.04(f) of the Insurance Code of Texas.

Privileged Communications

Sec. 8. There shall be no liability on the part of, and no cause of action of any nature shall arise against the association, its agents or employees, an insurer, any licensed agent, or the board or its authorized representatives, for any statements made in good faith by them in any reports or communications, concerning risks insured or to be insured by the association, or at any administrative hearings conducted in connection therewith.

Annual Statements

Sec. 9. The association shall file in the office of the board, annually on or before the first day of March, a statement which shall contain information with respect to its transactions, condition, operations, and affairs during the preceding calendar year. Such statement shall contain such matters and information as are prescribed and shall be in such form as is approved by the board. The board may, at any time, require the association to furnish additional information with respect to its transactions, condition, or any matter connected therewith considered to be material and of assistance in evaluating the scope, operation, and experience of the association.

Examinations

Sec. 10. The board shall make an examination into the affairs of the association at least annually. Such examination shall be conducted, the report thereon filed, and expenses borne and paid for, in

the manner prescribed in Articles 1.15 and 1.16 of the Insurance Code.

Dissolution of the Association

Sec. 11. Upon the effective date of this article, the board shall, after consultation with the joint underwriting association, representatives of the public, the Texas Medical Association, the Texas Podiatry Association, the Texas Hospital Association, and other affected individuals and organizations, promulgate a plan of dissolution consistent with the provisions of this article, to become effective and operative on December 31, 1979, unless the board determines before that time that the association is no longer needed to accomplish the purposes for which it was created and orders its dissolution, in which case, the plan of dissolution shall become effective on the date of dissolution ordered by the board. The plan of dissolution shall contain provisions for maintaining reserves for losses which may be reported subsequent to the expiration of all policies in force. If, at the expiration of five years and annually thereafter, if necessary, from December 31, 1979, or the date of dissolution ordered by the board, the board finds, after notice and hearing, that all known claims have been paid or otherwise disposed of by the association, then the board may wind up the affairs of the association by paying to a special fund created by the statutory liquidator of the board a reasonable reserve to be administered by said liquidator for unknown claims; reimbursing assessments and contributions of members in accordance with Section 4(b)(5) of this article, and distributing the remainder to the policyholders ratably in proportion to premiums and assessments paid during or after the last two years in which the association was issuing policies. If such reserve fund administered by the statutory liquidator proves inadequate, the association shall be treated as an insolvent insurer in respect to the application of the provisions of Article 21.28-C, Property and Casualty Insurance Guaranty Act, Insurance Code. Notice of claim shall be made upon the board.

Authority of the Board Over Dissolution

Sec. 12. Before December 31, 1979, if the board finds that the association is no longer needed to accomplish the purposes for which it was created, the board may issue an order dissolving the association as of a certain date stated in the order.

Termination of Policies

Sec. 13. After December 31, 1979, if no earlier dissolution date is ordered by the board, or after the date ordered for dissolution by the board, no policies will be issued by the association. All then issued policies shall continue in force until terminated in accordance with the terms and conditions of such policies.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.02. Supervision; Requirements

All corporations organized under the provisions of this chapter shall be under the direct supervision of the State Board of Insurance, and shall be subject to the following requirements:

(1) After incorporation, but as a condition of doing business other than seeking applicants and obtaining contracting attorneys, they shall have collected in advance from at least 200 applicants (unless a lesser number of applicants is found by the State Board of Insurance to be a large enough number of applicants to constitute a workable prepaid legal service plan) the application fee and at least one month's payment for services. Such funds shall, at all times prior to issuance by the State Board of Insurance of its certificate of authority as below provided, be maintained in a trust account in a bank in Texas and shall be refunded in full should such certificate of authority not be issued. It shall thereafter be a condition of continued operation that a minimum number of 200 participants or lesser number previously approved by the State Board of Insurance be maintained.

(2) They shall file a statement of their operations for the year ending December 31 each year, said statement to reach the State Board of Insurance not later than March 1 of the succeeding year. The statements shall be on such forms and shall reveal such information as shall be required by the State Board of Insurance.

(3) They shall maintain solvency in each of its funds, i. e., the admitted assets of each such fund shall exceed its liabilities (except for claim liability covered by attorney guarantees provided by Article 23.15 of this code), and it shall be a continuing condition of licensing by the State Board of Insurance that such solvency be maintained.

(4) If any such corporation files an acceptable statement showing solvency, and otherwise complies with this chapter, the State Board of Insurance shall issue it a certificate of authority authorizing it to transact business until such certificate shall be revoked for noncompliance with law, by operation of law or as provided by this chapter.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.03. Attorneys Under Contract

Each corporation complying with the requirements of this chapter before issuing any contract for prepaid legal services shall have and so long as it issues such contracts maintain such number of contracting attorneys as is sufficient in the determination of the State Board of Insurance to service the participant contracts contemplated by the corporation's plan of operation.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.04. Officers: Employees Bond

Each corporation complying with the requirements of this chapter shall, by resolution adopted and entered on its minute book, a copy of which properly certified to by the president, secretary, or general manager shall be filed with the State Board of Insurance, designate some officer or officers who shall be responsible in the handling of the funds of the corporation. Said corporation shall make and file for each such officer a surety bond or blanket bond covering all such officers with a corporate surety company authorized to write surety bonds in this state, as surety, satisfactory and payable to the State Board of Insurance in the sum of not less than \$25,000 for each officer for the use and benefit of said corporation, which said bond shall obligate the principal and surety to pay such pecuniary loss as the corporation shall sustain through acts of fraud, dishonesty, forgery, theft, embezzlement, wrongful abstraction or willful misapplication on the part of each such officer, either directly and alone or in connivance with others, while employed as such an officer or exercising powers of such office. In lieu of such bond any such officer may deposit with the State Board of Insurance cash (or securities approved by the State Board of Insurance) which cash or securities shall be in the amount and subject to the same conditions as provided for in said bond.

In addition to the bond required in the preceding paragraph, each corporation shall procure for all other office employees, or other persons who may have access to any of its funds, separate bonds or blanket bonds with some surety licensed by the State Board of Insurance to do business in Texas, in an amount or amounts fixed by the State Board of Insurance with a minimum of \$1,000 and a maximum of \$10,000 for each employee, satisfactory and payable to the State Board of Insurance for the use and benefit of the corporation obligating the principal and surety to pay each pecuniary loss as the corporation shall sustain through acts of fraud, dishonesty, forgery, theft, embezzlement, wrongful abstraction or willful misapplication on the part of such persons, either directly and alone, or in connivance with others. Successive recoveries on any of the bonds provided from this article may be had on such bonds until same are exhausted.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.05. Claims; Cancellation of Certificate of Authority

All lawful claims for payment based upon certificates issued to participants shall be paid within 120 days after receipt of due proof of claim. Written notice of claim given to a corporation complying with the requirements of this chapter shall be deemed due proof in the event the corporation fails, upon receipt of notice, to furnish the participant making claim within 15 days such forms as are usually furnished by it for filing such claims. The State Board of Insurance after public hearing on written specifications after 20 days notice shall cancel the certificate of authority of any such corporation found to be not in compliance with this chapter, operating fraudulently, or which fails to pay its valid claims in accordance with the provisions of this article.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.06. Dissolution

Any dissolution or liquidation of any corporation subject to the provisions of this chapter shall be under the supervision of the State Board of Insurance. In case of dissolution of any group formed under the provisions of this chapter, participants' claims shall be given priority over all other claims except cost of liquidation.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.07. Method of Dissolution

Any corporation operating under this chapter may be dissolved at any time by a vote of its board of directors, and after such action has been approved by the State Board of Insurance. In the case of voluntary dissolution, the disposition of the affairs of the corporation shall be made by the officers (including the settlement of all outstanding obliga-

tions to participants), and when the liquidation has been completed and a final statement, in acceptable form, filed with and approved by the State Board of Insurance, the provisions for voluntary dissolution under the Texas Non-Profit Corporation Act shall be followed to dissolve the corporation. In all other cases where a corporation operating under this chapter is found to be insolvent, or to have violated the provisions of this chapter, on a determination of this condition, and after due notice and hearing, the affairs of the corporation shall be disposed of by a liquidator appointed by and under the supervision of the State Board of Insurance, or, in appropriate cases, under the direction of a court of competent jurisdiction in Travis County.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.08. Fees; Taxes

(a) The State Board of Insurance shall charge a fee of \$50 for filing the annual statement of each corporation operating under this chapter; an application fee of \$100 for each corporation applying under this chapter; and a fee of \$25 for the issuance of each certificate of authority to the corporation.

(b) To defray the expense of carrying out the provisions of this chapter, there shall be annually assessed and collected by the State of Texas, through the State Board of Insurance, from each corporation operating under this chapter, in addition to all other taxes now imposed, or which may hereafter be imposed by law, a tax of one percent of all revenues received by such corporation in return for issuance of prepaid legal services contracts in this state, according to the reports made to the State Board of Insurance as required by law. Said taxes, when collected, shall be placed in a separate fund with the State Treasurer which shall be kept separate and apart from other funds and money in his hands, and shall be known as the Prepaid Legal Services Fund, said fund to be expended during the current and succeeding years, or so much thereof as may be necessary, in carrying out such provisions. Such expenditures shall not exceed in the aggregate the sum assessed and collected from such corporations; and should there be an unexpended balance at the end of any year, the State Board of Insurance shall reduce the assessment for the succeeding year so that the amount produced and paid into the State Treasury together with said unexpended balance in the treasury will be sufficient to pay all expenses of carrying out the provisions of this chapter, which funds shall be paid out and filed by a majority of the State Board of Insurance when the comptroller shall issue warrants therefor. Any amount remaining in said fund at the end of any year shall be carried over and expended in accordance with the provisions of this article during the subsequent year or years. Provided, that no expenditures shall be made from said fund except under authority of the legislature as set forth in the general appropriations bill.

(c) The payment of the maximum tax of one percent provided by the preceding section of this article by any corporation complying with this chapter in any year either as a maintenance tax or as a voluntary elected payment into the General Revenue Fund of the State of Texas or a combination of such payments equaling such one percent shall be deemed to be a payment in lieu of any franchise or other gross receipts tax by or under the laws of this state and such corporation shall be exempt from such franchise and other gross revenue taxes as would apply to such corporation during the period for which the one percent tax or voluntary payment or combination thereof is made.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.09. Applications

Any corporation complying with the requirements of this chapter shall be authorized to accept applicants, who upon issuance of a benefit certificate shall be entitled to legal services for such period of time as is provided therein. Such corporation shall be governed by this chapter and shall not be construed as being engaged in the business of insurance nor subject to laws respecting insurers so long as it complies with the provisions of this chapter. The provisions of this article shall not be deemed to declare the issuance of contracts for prepaid legal services when done by those entities other than corporations complying with this chapter not to be the business of insurance. The right of corporations complying with the requirements of this chapter to issue prepaid legal services contracts on individual, group, and franchise bases is recognized.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.10. Corporations Non-Profit; Funds; Investments

The corporations complying with the requirements of this chapter shall be governed and conducted as non-profit nonmembership organizations for the purpose of contracting for and obtaining legal services for their participants through contracting attorneys, in consideration of the payment by the participants of a definite sum to fund the payment of attorneys fees for the legal services to be furnished by the contracting attorneys. Provided further, that each such corporation shall have two funds, namely: the claim fund and the expense fund. The claim fund shall be composed of at least 80 percent of the regular payments by participants, and the application fees. The percentage amounts above stated may be modified by the State Board of Insurance upon showing that such is in the best interest of the then existing persons receiving legal services under contract or that such is necessary for the development of the corporation during its first year of existence. The application fees shall be paid by applicants prior to issuance of a benefit certificate,

and shall not apply as a part of the cost of receiving benefits under the benefit certificate issued. Claim fund investments may include, besides lawful money and demand deposits, only certificates of deposits, share accounts, and time deposits in public banks and savings and loan institutions whose deposits are insured by a federal governmental agency, and obligations of a state or the federal government; and the expense fund investments may include only such as are legal investments for the capital, surplus, and contingency funds of capital stock life insurance companies. The net income from the investments shall accrue to the funds, respectively, from which the investments were made. The claim fund shall be disbursed only for the payment of valid claims, taxes on income of such fund, security transfer costs, and refunds of fees paid into such fund; and to the extent approved by the State Board of Insurance, cost of settling contested claims, expenses directly incurred on or for preservation of investments of the claim fund and contracts authorized under Article 23.19 of this code.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.11. Authority to Contract

Corporations complying with the requirements of this chapter shall have authority to contract in accordance with this chapter with attorneys in such manner as to assure to each participant holding a benefit certificate of the corporation the furnishing of such legal services by attorney under contract, or who shall agree to contract, to the extent agreed upon in prepaid legal service contract between the corporation and the participant, with the right to the corporation to limit in the prepaid legal service contract and benefit certificate the types and extent of benefits and the circumstances for which such legal services shall be furnished.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.12. Limitations

The corporation complying with the requirements of this chapter shall not contract itself to practice law in any manner, nor shall the corporation control or attempt to control the relations existing between a participant and his or her attorney, but the corporation shall confine its activities to contracting as an agent on behalf of its participants for legal services to be rendered only by and through contracting attorneys, who shall never be employees of the corporation but shall at all times be independent contractors maintaining a direct lawyer and client relationship with the participants. Such corporation must agree to contract under Article 23.11 of this code with any attorney licensed by the Supreme Court to practice law in Texas. Contracting attorneys shall maintain such professional liability, and errors and omissions insurance as the corporation shall deem proper and the State Board of Insurance

may by uniform rule declare a minimum amount of each such coverage to be maintained.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.13. Contingent Liabilities

Any person may advance to the corporation on contingent liability basis such funds as are necessary for the purposes of its business or to enable it to comply with any requirements of this chapter and such money and interest thereon as may have been agreed upon shall be repayable and shall be repaid only on prior approval of the State Board of Insurance.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.14. Supervision

Every corporation complying with the requirements of this chapter shall, before accepting applications for participation in said non-profit legal service plan, have sufficient money in its expense fund to cover initial operations and shall submit to the State Board of Insurance a plan of operation together with a rate schedule of its charges to participants and a schedule and projections of costs of legal services to be contracted for on behalf of the participants; which plan, rate schedule, and the sufficiency of expense fund shall first be approved by the State Board of Insurance as adequate, fair, and reasonable and not excessive before such corporation shall engage in business. The State Board of Insurance shall have continuing control over the plan of operation of such corporation and its rate schedule of charges to participants. No change in such plan or rate schedule shall be effectuated without its first being filed and approved by the State Board of Insurance.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.15. Approval of Rates

The State Board of Insurance shall likewise approve the ratio of benefits to be paid to anticipated revenues from the rate schedule proposed to be used if such be found to be actuarially sound. No prepaid legal services contract or benefit certificate thereunder shall be issued by corporations complying with this chapter without such finding. The contracting attorneys shall guarantee to the participants the services stated under the benefit certificates and shall agree to perform such services which they agree to render to the participants under the benefit certificates without there being any liability for the cost thereof to the participants beyond the funds of such corporation held for their benefit in accordance with the plan of operation of the corporation. Such corporations may issue prepaid legal service contracts without such guarantees and providing for indemnity for costs of attorney services where the attorney is not a contracting attorney under such rules and regulations as may be approved by the

State Board of Insurance provided that the State Board of Insurance be satisfied that the plan of operation, financial standing and experience of the corporation (including but not limited to a proper amount of free surplus) is adequate to assure the performance of such contracts.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.16. Benefit Certificates and Legal Services Contracts

Every corporation shall issue to its applicants that are covered by a contract for prepaid legal services benefit certificates setting forth the benefits to which they are or may become entitled. Such certificates, application forms, and contracts made between the corporation and the participants' employer or group representative shall be in form approved by the State Board of Insurance prior to issuance. The State Board of Insurance shall be authorized to issue rules and regulations concerning such forms to provide that they shall properly describe their benefits and not be unjust, misleading, or deceptive.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.17. Blank Deposits

All funds collected from applicants and participants of a corporation complying with this chapter shall be deposited to the account of the corporation in a public bank, which is a state depository having Federal Deposit Insurance Corporation protection of its deposits.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.18. Finance Procedures

A corporation complying with the requirements of this chapter shall not pay any of the claim funds collected from participants to any attorney except for legal services rendered by such attorney to the participants.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.19. Participation Contracts; Agreements with Insurers

Corporations complying with the requirements of this chapter shall be authorized to contract with other organizations complying with this chapter and insurers licensed to do business in Texas for joint participation through mutualization contract agreements or guaranty treaties or otherwise cede or accept legal services obligations from such companies on the whole or any part of such legal service obligations, provided that such contract forms, documents, treaties, or agreement forms are filed with and approved by the State Board of Insurance to be in accordance with the plan of operation of the corporation prior to their effectiveness.

The State Board of Insurance shall be authorized to issue rules and regulations concerning such partic-

ipation contracts and agreements with insurers as provided by this article in accordance with and in carrying out its purposes.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.20. Expenses of Directors: Meetings

No director of any corporation created under this chapter shall receive any salary, wages, or compensation for his services, but shall be allowed reasonable and necessary expenses incurred in attending any meeting called for the purpose of managing or directing the affairs of the corporation.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.21. Examination of Books and Records

Every corporation complying with this chapter shall keep complete books and records, showing all funds collected and disbursed, and all books and records shall be subject to examination by the State Board of Insurance, the expense of such examination to be borne by said corporation.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.22. Complaints

The State Board of Insurance shall refer any complaints received by it concerning the performance of any attorney connected with any corporation complying with this chapter to the Supreme Court of the State of Texas or to any person designated by the Supreme Court to receive attorney grievances from the public.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.23. Regulation of Agents

The State Board of Insurance may after notice and hearing promulgate such reasonable rules and regulations as are necessary to license and control agents of corporations complying with this chapter. An agent means a natural person who solicits legal services contracts or enrolls applicants.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.24. Hazardous Financial Condition

(a) Whenever the financial condition of any corporation complying with the requirements of this chapter indicates a condition such that the continued operation of such corporation might be hazardous to its participants, creditors, or the general public, then the State Board of Insurance may, after notice and hearing, order such corporation to take such action as may be reasonably necessary to rectify the existing condition, including but not necessarily limited to one or more of the following steps:

(1) to reduce the total amount of present and potential liability for benefits by use of Article 23.19 of this code;

(2) to reduce the volume of new business being accepted;

(3) to reduce expenses by specified methods; or

(4) to suspend or limit the writing of new business for a period of time.

Where none of the foregoing remedies is effective and the hazardous condition is determined to be a shortage of money in the expense fund the State Board of Insurance may after further notice and hearing order funds sufficient to cure the hazardous condition to be placed in the expense fund. The State Board of Insurance shall not have authority hereby to require the maintenance of money in the expense fund except as provided by Article 23.02(3) of this code.

(b) The State Board of Insurance is authorized, by rule and regulations, to fix uniform standards and criteria for early warning that the continued operation of any company might be hazardous to its participants, creditors, or the general public, and to fix standards for evaluating the financial condition of any corporation complying with the requirement of this chapter, which standards shall be consistent with the purposes expressed in this article.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.25. Management and Exclusive Agency Contracts

(a) No corporation complying with the requirements of this chapter may enter into an exclusive agency contract or management contract, unless the contract is first filed with the State Board of Insurance and approved under this article within 30 days after filing or such reasonable extended period as the State Board of Insurance may specify by notice given within the 30 days.

(b) The State Board of Insurance shall disapprove a contract submitted under Section (a) of this article if it finds that:

(1) it subjects the corporation to excessive charges;

(2) the contract extends for an unreasonable period of time;

(3) the contract does not contain fair and adequate standards of performance;

(4) the persons empowered under the contract to manage the corporation are not sufficiently trustworthy, competent, experienced, and free from conflict of interest to manage the corporation with due regard for the interest of its participants, creditors, or the public; or

(5) the contract contains provisions which impair the interests of the corporation's participants, creditors, or the public in this state.

[Acts 1975, 64th Leg., p. 126, ch. 60, § 1, eff. Sept. 1, 1975.]

Art. 23.26. Application of Other Laws

(a) Corporations complying with this chapter shall be subject to and are required to comply with the provisions of the Texas Miscellaneous Corporation Laws Act and the Texas Non-Profit Corporation Act as those laws now exist or may be amended in the future to the extent the provisions of this chapter are not in conflict therewith.

(b) The following provisions of the Insurance Code as they now exist or shall hereafter be amend-

§ 5. Jurisdiction of District Court and Other Courts of Record With Respect to Probate Proceedings and Appeals from Probate Orders

(a) The district court shall have original control and jurisdiction over executors, administrators, guardians and wards under such regulations as may be prescribed by law.

(b) In those counties where there is no statutory probate court, county court at law or other statutory court exercising the jurisdiction of a probate court, all applications, petitions and motions regarding probate, administrations, guardianships, and mental illness matters shall be filed and heard in the county court, except that in contested probate matters, the judge of the county court may on his own motion, or shall on the motion of any party to the proceeding transfer such proceeding to the district court, which may then hear such proceeding as if originally filed in such court. In contested matters transferred to the district court in those counties, the district court, concurrently with the county court, shall have the general jurisdiction of a probate court, and it shall probate wills, appoint guardians of minors, idiots, lunatics, persons non compos mentis, and common drunkards, grant letters testamentary and of administration, settle accounts of executors, transact all business appertaining to deceased persons, minors, idiots, lunatics, persons non compos mentis, and common drunkards, including the settlement, partition, and distribution of estates of deceased persons and to apprentice minors, as provided by law. Upon resolution of all pending contested matters, the probate proceeding shall be transferred by the district court to the county court for further proceedings not inconsistent with the orders of the district court.

(c) In those counties where there is a statutory probate court, county court at law, or other statutory court exercising the jurisdiction of a probate court, all applications, petitions and motions regarding probate, administrations, guardianships, and mental illness matters shall be filed and heard in such courts and the constitutional county court, rather than in the district courts, unless otherwise provided by the legislature, and the judges of such courts may hear any of such matters sitting for the judge of any of such courts.

(d) All courts exercising original probate jurisdiction shall have the power to hear all matters incident to an estate, including but not limited to, all claims by or against an estate, all actions for trial of title to land incident to an estate and for the enforcement of liens thereon incident to an estate, all actions for trial of the right of property incident to an estate, and actions to construe wills. When a surety is called on to perform in place of an administrator or guardian, all courts exercising original probate jurisdiction may award judgment against the personal representative in favor of his surety in the same suit.

(e) All final orders of any court exercising original probate jurisdiction shall be appealable to the courts of (civil) appeals.

[Amended by Acts 1975, 64th Leg., p. 2195, ch. 701, § 2, eff. June 21, 1975; Acts 1977, 65th Leg., p. 1170, ch. 448, § 1, eff. Aug. 29, 1977.]

§ 28. Personal Representative to Serve Pending Appeal of Appointment

§ 30. Repealed by Acts 1975, 64th Leg., p. 2197, ch. 701, § 7, eff. June 21, 1975

§ 36. Duty and Responsibility of Judge

It shall be the duty of each county and probate court to use reasonable diligence to see that personal representatives of estates being administered under orders of the court, guardians of the persons of wards, and other officers of the court, perform the duty enjoined upon them by law pertaining to such estates and wards. The judge shall annually, if in his opinion the same be necessary, examine the condition of each of said estates, the well-being of each ward of the court, and the solvency of the bonds of personal representatives of estate and guardians of persons. He shall, at any time he finds that the personal representative's bond is not suffi-

cient to protect such estate or ward, require such personal representatives to execute a new bond in accordance with law. In each case, he shall notify the personal representative, and the sureties on the bond, as provided by law; and should damage or loss result to estates or wards through the gross neglect of the judge to use reasonable diligence in the performance of his duty, he shall be liable on his bond to those damaged by such neglect.

CHAPTER II. DESCENT AND DISTRIBUTION

§ 37A. Means of Evidencing Disclaimer or Renunciation of Property or Interest Receivable from a Decedent Under a Will or by an Inheritance.

Any person, or the personal representative of an incompetent, deceased, or minor person, with prior court approval of the court having, or which would have, jurisdiction over such personal representative or any independent executor of a deceased person, without prior court approval, who may be entitled to receive any property under any will of or by inheritance from a decedent and who intends to effect disclaimer irrevocably on or after September 1, 1977, of the whole or any part of such property shall evidence same as herein provided. A disclaimer evidenced as provided herein, shall be effective as of the death of decedent and the property subject thereof shall pass as if the person disclaiming or on whose behalf a disclaimer is made had predeceased the decedent unless decedent's will provides otherwise. Failure to comply with the provisions hereof shall render such disclaimer ineffective except as an assignment of such property to those who would have received same had the person attempting the disclaimer died prior to the decedent. The term "property" as used in this section shall include all legal and equitable interests, powers, and property, whether present or future, whether vested or contingent, and whether beneficial or burdensome, in whole or in part. The term "disclaimer" as used in this section shall include "renunciation." Nothing in this section shall be construed to preclude a subsequent disclaimer by any person who shall be entitled to property as a result of a disclaimer.

The following shall apply to such disclaimers:

(a) **Written Memorandum of Disclaimer and Filing Thereof.** In the case of property receivable under a will or by inheritance, the disclaimer shall be evidenced by a written memorandum, acknowledged before a notary public or other person authorized to take acknowledgements of conveyances of real estate. A written memorandum of disclaimer disclaiming a

present interest shall be filed not later than nine months after the death of the decedent and a written memorandum of disclaimer disclaiming a future interest may be filed not later than nine months after the event determining that the taker of the property or interest is finally ascertained and his interest is indefeasibly vested. The written memorandum of disclaimer shall be filed in the probate court in which the decedent's will has been probated or in which proceedings have been commenced for the administration of the decedent's estate or which has before it an application for either of the same; provided, however, if the administration of the decedent's estate is closed, or after the expiration of one year following the date of the issuance of letters testamentary in an independent administration, or if there has been no will of the decedent probated or filed for probate, or if no administration of the decedent's estate has been commenced, or if no application for administration of the decedent's estate has been filed, the written memorandum of disclaimer shall be filed with the county clerk of the county of the decedent's residence, or, if the decedent is not a resident of this state but real property or an interest therein located in this state is disclaimed, a written memorandum of disclaimer shall be filed with the county clerk of the county in which such real property or interest therein is located, and recorded by such county clerk in the deed records of that county.

(b) Notice of Disclaimer. In the event that a personal representative of a decedent is qualified and acting, copies of any written memorandum of disclaimer shall be delivered in person or shall be mailed by registered or certified mail to any qualified and acting personal representative of the decedent or to the holder of legal title to the property to which the disclaimer relates.

(c) Power of Testator to Provide for Disclaimer. Nothing herein shall prevent a testator from providing in a will for the making of disclaimers by legatees, devisees and beneficiaries and for the disposition of disclaimed property in a manner different from the provisions hereof.

(d) Irrevocability of Disclaimer. Any disclaimer filed and served under this section shall be irrevocable.

(e) Partial Disclaimer. Any person who may be entitled to receive any property under any will of or by inheritance from a decedent may disclaim such property in whole or in part, including but not limited to specific powers of invasion, powers of appointment, and fee estate in favor of life estates; and a partial disclaimer or renunciation, in accordance with the provi-

sions of this section, shall be effective whether the property so renounced or disclaimed constitutes a portion of a single, aggregate gift or constitutes part or all of a separate, independent gift; provided, however, that a partial disclaimer shall be effective only with respect to property expressly described or referred to by category in such disclaimer; and provided further, that a partial disclaimer of property which is subject to a burdensome interest created by the decedent's will shall not be effective unless such property constitutes a gift which is separate and distinct from undisclaimed gifts.

(f) Disclaimer After Acceptance. No disclaimer shall be effective after the acceptance of the property by the heir, legatee, devisee, or beneficiary. For the purpose of this section, acceptance shall occur only if the person making such disclaimer has previously taken possession or exercised dominion and control of such property in the capacity of heir, legatee, devisee, or beneficiary.

[Amended by Acts 1977, 65th Leg., p. 1918, ch. 769, § 1, eff. Aug. 29, 1977.]

§ 42. Inheritance Rights of Illegitimate Children

(a) Maternal Inheritance. For the purpose of inheritance to, through, and from an illegitimate child, such child shall be treated the same as if he were the legitimate child of his mother, so that he and his issue shall inherit from his mother and from his maternal kindred, both descendants, ascendants, and collaterals in all degrees, and they may inherit from him and his issue.

(b) Legitimation by Marriage. Where a man, having by a woman a child shall afterwards intermarry with such woman, such child shall thereby be legitimated, so that he and his issue shall inherit from his father and from his paternal kindred, both descendants, ascendants, and collaterals in all degrees, and they may inherit from him and his issue.

(c) Legitimation by Voluntary Legitimation Proceeding. Where a man, having by a woman a child shall afterwards legitimate the child pursuant to a voluntary legitimation proceeding under Chapter 13, Family Code, such child and his issue shall inherit from his father but not from his paternal kindred; and the father, but not the father's kindred, shall inherit from such child and his issue.

(d) Homestead Rights, Exempt Property, and Family Allowances. Such child shall also be treated the same as if he were a legitimate child of his mother, and, if legitimated by marriage or by voluntary legitimation, as if he were a legitimate child of his father, for the purpose of determining homestead rights, distribution of exempt property, and the making of family allowances.

(e) **Marriages Null in Law.** The issue also of marriages deemed null in law shall nevertheless be legitimate.

[Amended by Acts 1977, 65th Leg., p. 762, ch. 290, § 1, eff. May 28, 1977.]

CHAPTER III. DETERMINATION OF HEIRSHIP

§ 48. Proceedings to Declare Heirship. When and Where Instituted

[See *Compact Edition, Volume 2 for text of (a) and (b)*]

(c) Notwithstanding any other provision of this section, a probate court in which the proceedings for the guardianship of the estate of a ward who dies intestate were pending at the time of the death of the ward may, if there is no administration pending in the estate, determine and declare who are the heirs and only heirs of the ward, and their respective shares and interests, under the laws of this State, in the estate of the ward.

[Amended by Acts 1977, 65th Leg., p. 1521, ch. 616, § 1, eff. Aug. 29, 1977.]

§ 49. Who May Institute Proceedings to Declare Heirship

Such proceedings may be instituted and maintained in any of the instances enumerated above by any person or persons claiming to be the owner of the whole or a part of the estate of such decedent, or by the guardian of the estate of a ward, if the proceedings are instituted and maintained in the probate court in which the proceedings for the guardianship of the estate were pending at the time of the death of the ward. In such a case an application shall be filed in a proper court stating the name, time, and place of death and the names and residences of the heirs of the decedent, if known to the applicant, and, if the time and place of death or the names and residences of all of the heirs of such decedent be not definitely known to such applicant, then the application shall set forth all of the material facts and circumstances within the knowledge or information of such applicant, as may reasonably tend to show the time and place of death of the decedent, and the names and places of residence of the heirs, and the true share and interest of each applicant, and of each heir, in the estate of such decedent. Such application shall, so far as is known to any of the applicants, contain a general description of all the real property of the decedent and a general description of all the personal property belonging to the estate of the decedent. If any of the foregoing information is not set out in the application, the reason for the omission shall be stated. Such application shall be supported by the affidavit

of each applicant to the effect that, insofar as is known to such applicant, all the allegations of such application are true in substance and in fact and that no such material fact or circumstance has, within the affiant's knowledge, been omitted from such application. The unknown heirs of such decedent, all persons who are named in the application as heirs of such decedent, and all persons who are, at the date of the filing of the application, shown by the deed records of the county in which any of the real property described in such application is situated to own any share or interest in any such real property, shall be made parties in such proceeding. [Amended by Acts 1977, 65th Leg., p. 1522, ch. 616, § 2, eff. Aug. 29, 1977.]

A mentally retarded person for whom a limited guardian has been appointed shall not be presumed to be incompetent and shall retain all legal and civil rights and powers except those which have by court order been designated as legal disabilities

by virtue of having been specifically granted to the limited guardian. An appointment of a limited guardian shall be made pursuant to the provisions of Part 5, Chapter V. For the purposes of Chapter V, Texas Probate Code, a mentally retarded person is defined as a person with significantly subaverage general intellectual functioning of two or more standard deviations below the age-group mean for the tests used, existing concurrently with deficits in adaptive behavior.

(10) the nature and degree of the alleged disability, the specific areas of protection and assistance requested, and the limitation of

rights requested to be included in the court's order of appointment; and

(11) the requested term of the limited guardianship to be included in the court's order of appointment.

[Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130D. Filing Fee

A fee of \$15 shall be charged for filing a petition for limited guardianship, and a fee of \$4 shall be charged for the service of notice and citation. However, no fees shall be charged by the court for filing a petition for limited guardianship unless the alleged mentally retarded person has an estate valued in excess of \$1500. A party may file with the county clerk an affidavit stating that the estate of the alleged mentally retarded person is valued at less than \$1500, and the clerk shall thereupon accept the application and issue process and perform all other services required of him in the same manner as if security had been given.

[Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130E. Notices and Citations in Limited Guardianship Proceedings

(a) On the filing of an application for appointment of a limited guardian, the clerk shall issue a notice setting forth that the application has been filed for the limited guardianship, the name of the person for whom the guardian is sought and the nature of the disability, and by whom the application is made. The notice shall cite all persons interested in the welfare of that person to appear at the time and place stated in the notice and contest the application, if they so desire.

(b) The notice shall be served by posting, and the sheriff or other officer posting the notice shall return the original, signed officially and stating thereon in writing the time and place that he posted the copy.

(c) The alleged mentally retarded person and his parents, if the parents can be found within this state, or the conservator or any person having control of the care and welfare of the alleged mentally retarded person shall be personally served with citation to appear and answer the application for the appointment of a limited guardian. Notwithstanding the foregoing, all persons then living who stand in the first degree of consanguinity or affinity to the alleged mentally retarded person shall be given notice if their whereabouts are known or can be reasonably ascertained.

[Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130F. Examination and Report

Within 30 days after the filing of the petition for limited guardianship, the person alleged to be mentally retarded shall be examined at a facility approved by the Texas Department of Mental Health and Mental Retardation to perform such service. The examination shall be conducted in accordance with rules promulgated by the commissioner of the Texas Department of Mental Health and Mental Retardation. The facility shall submit a written report of its findings and recommendations to the court with copies to the alleged mentally retarded person and the petitioner. The report may include a description of the alleged mentally retarded person's degree of incompetency, if any. The findings and recommendations of the examinations shall not be binding on the court.

[Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130G. Hearing

The person alleged to be mentally retarded shall be present at the hearing, unless the court determines that such personal appearance would not be in the person's best interest. He is entitled to be represented by counsel. If he is unable to pay for counsel, the county is responsible for costs of counsel. He is entitled, on request, to a jury trial. The hearing may be closed if the person alleged to be mentally retarded or his counsel requests a closed hearing. At the hearing, the court shall:

(1) inquire into the nature and extent of the general intellectual functioning of the individual asserted to need a limited guardian;

(2) evaluate the extent of the impairment in his adaptive behavior;

(3) ascertain his capacity to care for himself and manage his property; and

(4) inquire into the qualifications, abilities, and capabilities of the person seeking to be appointed limited guardian.

[Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130H. Order of the Court

If it is found that the alleged mentally retarded person possesses the capacity to care for himself and to manage his property as would a reasonably prudent person or if it is found that the alleged mentally retarded person is totally without capacity to care for himself and to manage his property, the court shall dismiss the petition for the appointment of a limited guardian. If it is found that the alleged mentally retarded person lacks the capacity to do some, but not all, of the tasks necessary to care for himself or to manage his property, the court may appoint a limited guardian for the individual and shall define the powers and duties of the limited guardian so as to permit the mentally retarded person to care for himself or to manage his property

commensurate with his ability to do so. However, the powers and duties granted to and imposed on the limited guardian by the court in its order shall not duplicate or be in conflict with the powers and duties of any other limited guardian, and the powers and duties shall not exceed those applicable to full guardians under this code. An order appointing a limited guardian shall contain findings of fact and shall also specify:

- (1) the properties of the mentally retarded person to which the limited guardian is entitled to possession and management, giving the description of the properties that will be sufficient to identify them;
- (2) the debts, rentals, wages, or other claims due the mentally retarded person which the limited guardian is entitled to collect, or file suit with respect to, if necessary, and thereafter to possess and manage;
- (3) the contractual or other obligations which the limited guardian may incur on behalf of the mentally retarded person;
- (4) the claims against the mentally retarded person which the limited guardian may pay, compromise, or defend, if necessary; and
- (5) any other powers, limitations, or duties with respect to the care of the mentally retarded person or the management of his property by the limited guardian which the court shall specifically and explicitly specify.

[Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130I. Who May be Guardians

(a) Only a person, institution, or corporation found by the court to be suitable may be appointed limited guardian of a mentally retarded person. The court shall not customarily or ordinarily appoint the Texas Department of Mental Health and Mental Retardation or a community mental health and mental retardation center, or any other agency, public or private, that is directly providing services to the mentally retarded person, except as a last resort.

(b) Prior to appointment, the court shall make reasonable effort to question the mentally retarded person concerning his preference of the person to be appointed limited guardian, and a preference indicated shall be given due consideration by the court. [Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130J. Certain Duties of Limited Guardian

(a) It is the duty of the limited guardian to file annually within 30 days after the anniversary date of his appointment and also within 30 days after termination of his appointment as the limited guardian a written verified account of his administration. The court in its discretion may also allow such

accounts to be filed at intervals of up to 36 months, with instructions to the limited guardian that any substantial increase in income or assets or substantial change in the mentally retarded person's condition shall be reported within 30 days of the substantial increase or change.

(b) It is the duty of the limited guardian who is managing properties to prepare and file within three months after his appointment a verified inventory of all the property of the mentally retarded person which shall come to his possession or knowledge, including a statement of all encumbrances, liens, and other secured charges on any item.

(c) To the extent that the order of the court gives the limited guardian control of any property of a mentally retarded person, the limited guardian must take care of and manage the property as a prudent man would manage his own property.

(d) Pursuant to the orders of the court, the limited guardian may expend funds of the limited guardianship in order to care for and maintain the mentally retarded person, including making application for residential care and services provided by public or private facilities. The limited guardian is required to report the condition of the mentally retarded person to the court at regular intervals or otherwise as the court may direct. If the person is receiving residential care in a public or private residential care facility, the limited guardian shall report to the court the necessity for continued care in the facility. [Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130K. Oath and Bond of Limited Guardian

The limited guardian shall take and subscribe an oath and, unless dispensed with by order of the court, shall file a bond in accordance with the provisions of Section 194, Texas Probate Code, as amended, except that in a limited guardianship of the person and in a limited guardianship of the estate in which the inventory filed with the court shows that the person has total accumulated assets of a value of less than \$1500, the court may dispense with the requirement of a bond. If the court dispenses with a bond, the limited guardian shall report to the court any known changes in the accumulated assets of the mentally retarded person that increase the value to more than \$1500.

[Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130L. Authority of Limited Guardian

On the filing of the oath and bond, if any, the order of the court appointing the limited guardian shall become effective without the necessity for issuance of letters of guardianship. The order shall be evidence of the authority of the limited guardian to act within the scope of the powers and duties set forth in the order.

[Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130M. Termination, Removal, or Resignation of Limited Guardian

(a) The limited guardianship shall be settled and closed when the mentally retarded person has died, or when he has been found by the court to have full capacity to care for himself and to manage his property, or when a full guardian of the person or estate of such individual has been appointed in this state and has qualified, or being married, when such individual's spouse has qualified as survivor in community.

(b) On petition of the mentally retarded person or any person interested in his welfare and on such notice as the court may direct, the court may remove the limited guardian if the court finds that to be in the best interest of the mentally retarded person. On petition of the limited guardian, the court may accept his resignation.

(c) When a limited guardian dies, resigns, or is removed, the court may, on application and on such notice as the court may direct, appoint a successor limited guardian. A successor limited guardian shall have all of the powers and rights and shall be subject to all of the duties of the prior limited guardian.

(d) An order appointing a limited guardian or a successor limited guardian may specify a minimum period, not exceeding one year, during which no petition for adjudication that the mentally retarded person no longer requires the limited guardianship may be filed without special leave. Subject to this restriction, the mentally retarded person or any person interested in his welfare may petition the court for an order that he is no longer in need of the limited guardianship and that requires the removal or resignation of the limited guardian. A request for this order may be made by informal letter to the court or judge, and a person who knowingly interferes with the transmission of this kind of request to the court or judge may be adjudged guilty of contempt of court.

[Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130N. Venue

A proceeding for the appointment of a limited guardian of a mentally retarded person shall begin in the county where the mentally retarded person resides or where his principal estate is situated.

[Added by Acts 1977, 65th Leg., p. 1171, ch. 449, § 1, eff. Aug. 29, 1977.]

§ 130O. Transfer of Venue

A court having venue of a limited guardianship proceeding may transfer venue of the limited guardianship proceeding to the court of any other county of the state on application of the limited guardian and with such notice to the mentally retarded person

or other interested party as the court may require. A transfer of a limited guardianship proceeding shall be made to the court of the county in which either the limited guardian or the mentally retarded person resides, as the court may deem appropriate, at the time of making application for the transfer. The original order providing for a transfer shall be retained as the permanent record by the clerk of the court in which the order is entered, and a certified copy thereof, together with the original file in the limited guardianship proceeding and a certified transcript of all record entries up to and including the order for the change, shall be transmitted to the clerk of the court to which the proceeding is transferred.

CHAPTER VI. SPECIAL TYPES OF ADMINISTRATION AND GUARDIANSHIP.

PART 4. INDEPENDENT ADMINISTRATION

Section

154A. Court-Appointed Successor Independent Executor [NEW].

PART 3. SMALL ESTATES

§ 137. Collection of Small Estates Upon Affidavit

The distributees of an estate shall be entitled thereto, to the extent that the assets, exclusive of homestead and exempt property, exceed the known liabilities of said estate, without awaiting the appointment of a personal representative when:

(a) No petition for the appointment of a personal representative is pending or has been granted; and

(b) Thirty days have elapsed since the death of the decedent; and

(c) The value of the entire assets of the estate, not including homestead and exempt property, does not exceed \$10,000; and

(d) There is filed with the clerk of the court having jurisdiction and venue an affidavit sworn to by such distributees as have legal capacity, and, if the facts warrant, by the natural guardian or next of kin of any minor or incompetent who is also a distributee, which affidavit shall be approved by the judge of the court having jurisdiction and venue, to be recorded in "Small Estates" records by the clerk, showing the existence of the foregoing conditions, the names and addresses of the distributees, and their right to receive the money or property of the estate, or to have such evidences of money, property or other rights of the estate as found to exist transferred to them, being heirs, devisees, or assignees, and listing all assets and known liabilities of the estates; and

(e) A copy of such affidavit, certified to by said clerk, is furnished by the distributees of the estate to the person or persons owing money to the estate, having custody or possession of property of the estate, or acting as registrar, fiduciary or transfer agent of or for evidences of interest, indebtedness, property or other right belonging to said estate.

Henceforth the county clerk of every county in this state shall provide and keep in his office an appropriate book labeled "Small Estates," with accurate index, in which he shall record every such affidavit so filed, upon being paid his legal recording fee, said index to show the name of decedent and reference to land, if any, involved.

[Amended by Acts 1975, 64th Leg., p. 1402, ch. 543, § 1, eff. Sept. 1, 1975; Acts 1977, 65th Leg., p. 361, ch. 177, § 1, eff. May 20, 1977.]

PART 4. INDEPENDENT ADMINISTRATION

§ 145. Independent Administration

(a) Independent administration of an estate may be created as provided in Subsection (b) or, if the value of the entire assets of an estate does not exceed \$200,000, as provided in Subsections (c) through (e) of this section. Those methods provided in Subsections (c) and (d) only apply to wills and codicils published after September 1, 1977.

(b) Any person capable of making a will may provide in his will that no other action shall be had in the county court in relation to the settlement of his estate than the probating and recording of his will, and the return of an inventory, appraisement, and list of claims of his estate.

(c) In situations where an executor is named in a decedent's will, but the will does not provide for independent administration of the decedent's estate as provided in Subsection (b) of this section, all of the distributees of the decedent may agree on the advisability of having an independent administration and collectively designate in the application for probate of the decedent's will the executor named in the will to serve as independent executor and request in the application that no other action shall be had in the county court in relation to the settlement of the decedent's estate other than the probating and recording of the decedent's will, and the return of an inventory, appraisement, and list of claims of the decedent's estate. In such case the county court shall enter an order granting independent administration and appointing the person, firm, or corporation designated in the application as independent executor, unless the county court finds that it would not be in the best interest of the estate to do so.

(d) In situations where no executor is named in the decedent's will, or in situations where each executor named in the will is deceased or is disqualified to serve as executor or indicates by affidavit filed

with the application for administration of the decedent's estate his inability or unwillingness to serve as executor, all of the distributees of the decedent may agree on the advisability of having an independent administration and collectively designate in the application for probate of the decedent's will a qualified person, firm, or corporation to serve as independent administrator and request in the application that no other action shall be had in the county court in relation to the settlement of the decedent's estate other than the probating and recording of the decedent's will, and the return of an inventory, appraisement, and list of claims of the decedent's estate. In such case the county court shall enter an order granting independent administration and appointing the person, firm, or corporation designated in the application as independent administrator, unless the county court finds that it would not be in the best interest of the estate to do so.

(e) All of the distributees of a decedent dying intestate may agree on the advisability of having an independent administration and collectively designate in the application for administration of the decedent's estate a qualified person, firm, or corporation to serve as independent administrator and request in the application that no other action shall be had in the county court in relation to the settlement of the decedent's estate other than the return of an inventory, appraisement, and list of claims of the decedent's estate. In such case the county court shall enter an order granting independent administration and appointing the person, firm, or corporation designated in the application as independent administrator, unless the county court finds that it would not be in the best interest of the estate to do so.

(f) In those cases where an independent administration is sought under the provisions of Subsections (c) through (e) above, all distributees shall be served with citation and notice of the application for independent administration unless the distributee waives the issuance or service of citation or enters an appearance in court.

(g) In no case shall any independent administrator be appointed by any court to serve in any intestate administration until those parties seeking the appointment of said independent administrator offer clear and convincing evidence to the court that they constitute all of the said decedent's heirs.

(h) When an independent administration has been created, and the order appointing an independent executor has been entered by the county court, and the inventory, appraisement, and list aforesaid has been filed by the executor and approved by the county court, as long as the estate is represented by an independent executor, further action of any nature shall not be had in the county court except where this Code specifically and explicitly provides for some action in the county court.

(i) If a distributee described in Subsections (c) through (e) of this section is a minor or an incompetent, the guardian of the person of the distributee may sign the application on behalf of the distributee. If the county court finds that either the granting of independent administration or the appointment of the person, firm, or corporation designated in the application as independent executor would not be in the best interests of the minor or incompetent, then, notwithstanding anything to the contrary in Subsections (c) through (e) of this section, the county court shall not enter an order granting independent administration of the estate. If such distributee who is a minor or incompetent has no guardian of the person, the county court may appoint a guardian ad litem to make application on behalf of the minor or incompetent if the county court considers such an appointment necessary to protect the interest of the distributees.

(j) If a trust is created in the decedent's will, the person or class of persons first eligible to receive the income from the trust, when determined as if the trust were to be in existence on the date of the decedent's death, shall, for the purposes of Subsections (c) and (d) of this section, be deemed to be the distributee or distributees on behalf of such trust, and any other trust or trusts coming into existence upon the termination of such trust, and are authorized to apply for independent administration on behalf of the trusts without the consent or agreement of the trustee or any other beneficiary of the trust, or the trustee or any beneficiary of any other trust which may come into existence upon the termination of such trust.

(k) If a life estate is created either in the decedent's will or by law, the life tenant or life tenants, when determined as if the life estate were to commence on the date of the decedent's death, shall, for the purposes of Subsections (c) through (e) of this section, be deemed to be the distributee or distributees on behalf of the entire estate created, and are authorized to apply for independent administration on behalf of the estate without the consent or approval of any remainderman.

(l) If a decedent's will contains a provision that a distributee must survive the decedent by a prescribed period of time in order to take under the decedent's will, then, for the purposes of determining who shall be the distributee under Subsections (c), (d), (h), and (i) of this section, it shall be presumed that the distributees living at the time of the filing of the application for probate of the decedent's will survived the decedent by the prescribed period.

(m) In the case of all decedents, whether dying testate or intestate, for the purposes of determining who shall be the distributees under Subsections (c), (d), (e), (h), and (i) of this section, it shall be presumed that no distributee living at the time the

application for independent administration is filed shall subsequently disclaim any portion of such distributee's interest in the decedent's estate.

(n) If a distributee of a decedent's estate should die and if by virtue of such distributee's death such distributee's share of the decedent's estate shall become payable to such distributee's estate, then the deceased distributee's personal representative may sign the application for independent administration of the decedent's estate under Subsections (c), (d), (e), (h), and (i) of this section.

(o) Notwithstanding anything to the contrary in this section, a person capable of making a will may provide in his will that no independent administration of his estate may be allowed. In such case, his estate, if administered, shall be administered and settled under the direction of the county court as other estates are required to be settled.

(p) If an independent administration of a decedent's estate is created pursuant to Subsections (c), (d), or (e) of this section, then, unless the county court shall waive bond, the independent executor shall be required to enter into bond conditioned as required by law in the same manner as other personal representatives.

(q) Absent proof of fraud or collusion on the part of a judge, no judge may be held civilly liable for the commission of misdeeds, or the omission of any required act of any person, firm, or corporation designated as an independent executor under Subsections (c), (d), and (e) of this section.

[Amended by Acts 1977, 65th Leg., p. 1061, ch. 390, § 3, eff. Sept. 1, 1977.]

§ 147. Enforcement of Claims by Suit

Any person having a debt or claim against the estate may enforce the payment of the same by suit against the independent executor; and, when judgment is recovered against the independent executor, the execution shall run against the estate of the decedent in the hands of the independent executor which is subject to such debt. The independent executor shall not be required to plead to any suit brought against him for money until after six months from the date that an independent administration was created and the order appointing an independent executor was entered by the county court.

[Amended by Acts 1975, 64th Leg., p. 980, ch. 376, § 1, eff. June 19, 1975; Acts 1977, 65th Leg., p. 1064, ch. 390, § 4, eff. Sept. 1, 1977.]

§ 148. Requiring Heirs to Give Bond

When an independent administration is created and the order appointing an independent executor is entered by the county court, any person having a debt against such estate may, by written complaint filed in the county court where such order was entered, cause all distributees of the estate, heirs at

law, and other persons entitled to any portion of such estate under the will, if any, to be cited by personal service to appear before such county court and execute a bond for an amount equal to the full value of such estate, as shown by the inventory and list of claims, such bond to be payable to the judge, and his successors, and to be approved by said judge, and conditioned that all obligors shall pay all debts that shall be established against such estate in the manner provided by law. Upon the return of the citation served, unless such person so entitled to any portion of the estate, or some of them, or some other person for them, shall execute such bond to the satisfaction of the county court, such estate shall thereafter be administered and settled under the direction of the county court as other estates are required to be settled. If the bond is executed and approved, the independent administration shall proceed. Creditors of the estate may sue on such bond, and shall be entitled to judgment thereon for the amount of their debt, or they may have their action against those in possession of the estate.

[Amended by Acts 1977, 65th Leg., p. 1064, ch. 390, § 5, eff. Sept. 1, 1977.]

§ 149A. Accounting

(a) Interested Person May Demand Accounting.

At any time after the expiration of fifteen months from the date that an independent administration was created and the order appointing an independent executor was entered by the county court, any person interested in the estate may demand an accounting from the independent executor. The independent executor shall thereupon furnish to the person or persons making the demand an exhibit in writing, sworn and subscribed by the independent executor, setting forth in detail:

1. The property belonging to the estate which has come into his hands as executor.
2. The disposition that has been made of such property.
3. The debts that have been paid.
4. The debts and expenses, if any, still owing by the estate.
5. The property of the estate, if any, still remaining in his hands.
6. Such other facts as may be necessary to a full and definite understanding of the exact condition of the estate.
7. Such facts, if any, that show why the administration should not be closed and the estate distributed.

Any other interested person shall, upon demand, be entitled to a copy of any exhibit or accounting that has been made by an independent executor in compliance with this section.

(b) **Enforcement of Demand.** Should the independent executor not comply with a demand for an accounting authorized by this section within sixty days after receipt of the demand, the person making the demand may compel compliance by an action in the county court or by a suit in the district court. After a hearing, the court shall enter an order requiring the accounting to be made at such time as it deems proper under the circumstances.

[See Compact Edition, Volume 2 for text of (c) and (d)]

[Amended by Acts 1977, 65th Leg., p. 1065, ch. 390, § 6, eff. Sept. 1, 1977.]

§ 150. Partition and Distribution

If the will does not distribute the entire estate of the testator, or provide a means for partition of said estate, or if no will was probated, the independent executor may file his final account in the county court in which the will was probated, or if no will was probated, in the county court in which the order appointing the independent executor was entered, and ask for partition and distribution of the estate; and the same shall be partitioned and distributed in the manner provided for the partition and distribution of estates administered under the direction of the county court.

[Amended by Acts 1975, 65th Leg., p. 1065, ch. 390, § 7, eff. Sept. 1, 1977.]

§ 154A. Court-Appointed Successor Independent Executor

(a) If a qualified independent executor fails or refuses to continue to serve as independent executor of a decedent's estate, and if, in the event the decedent died testate, the will does not provide for a qualified successor independent executor, all of the distributees of the decedent as of the filing of the application for an order continuing independent administration may apply to the county court for the appointment of a qualified person, firm, or corporation to serve as successor independent executor. If the county court finds that continued administration of the estate is necessary, the county court shall enter an order continuing independent administration and appointing the person, firm, or corporation designated in the application as successor independent executor, unless the county court finds that it would not be in the best interest of the estate to do so. Such successor shall serve with all of the powers and privileges granted to his predecessor independent executor.

(b) If a distributee described in this section is a minor or an incompetent, the guardian of the person of the distributee may sign the application on behalf of the distributee. If the county court finds that either the continuing of independent administration or the appointment of the person, firm, or corpora-

tion designated in the application as successor independent executor would not be in the best interest of the minor or incompetent, then, notwithstanding anything to the contrary in subsection (a) of this section, the county court shall not enter an order continuing independent administration of the estate. If the distributee who is a minor or incompetent has no guardian of the person, the court may appoint a guardian ad litem to make application on behalf of the minor or incompetent if the county court considers such an appointment necessary to protect the interest of such distributee.

(c) If a trust is created in the decedent's will, the person or class of persons first eligible to receive the income from the trust, determined as if the trust were to be in existence on the date of the filing of the application for an order continuing independent administration, shall, for the purposes of this section, be deemed to be the distributee or distributees on behalf of such trust, and any other trust or trusts coming into existence upon the termination of such trust, and are authorized to apply for an order continuing independent administration on behalf of the trust without the consent or agreement of the trustee or any other beneficiary of the trust, or the trustee or any beneficiary of any other trust which may come into existence upon the termination of such trust.

(d) If a life estate is created either in the decedent's will or by law, and if a life tenant is living at the time of the filing of the application for an order continuing independent administration, then the life tenant or life tenants, determined as if the life estate were to commence on the date of the filing of the application for an order continuing independent administration, shall, for the purposes of this section, be deemed to be the distributee or distributees on behalf of the entire estate created, and are authorized to apply for an order continuing independent administration on behalf of the estate without the consent or approval of any remainderman.

(e) If a decedent's will contains a provision that a distributee must survive the decedent by a prescribed period of time in order to take under the decedent's will, for the purposes of determining who shall be the distributee under this section, it shall be presumed that the distributees living at the time of the filing of the application for an order continuing independent administration of the decedent's estate survived the decedent for the prescribed period.

(f) In the case of all decedents, whether dying testate or intestate, for the purposes of determining who shall be the distributees under this section, it shall be presumed that no distributee living at the time the application for an order continuing independent administration of the decedent's estate is

filed shall subsequently disclaim any portion of such distributee's interest in the decedent's estate.

(g) If a distributee of a decedent's estate should die, and if by virtue of such distributee's death such distributee's share of the decedent's estate shall become payable to such distributee's estate, then the deceased distributee's personal representative may sign the application for an order continuing independent administration of the decedent's estate under this section.

(h) If a successor independent executor is appointed pursuant to this section, then, unless the county court shall waive bond, the successor independent executor shall be required to enter into bond conditioned as required by law in the same manner as other personal representatives.

[Added by Acts 1977, 65th Leg., p. 1066, ch. 390, § 8, eff. Sept. 1, 1977.]

CHAPTER VII. EXECUTORS, ADMINISTRATORS, AND GUARDIANS

PART 2. OATHS AND BONDS OF PERSONAL REPRESENTATIVES

§ 200. Bond of Married Person Under Eighteen Years of Age

When a person under eighteen years of age who is or has been married shall accept and qualify as executor, administrator, or guardian, any bond required to be executed by him shall be as valid and binding for all purposes as if he were of lawful age.

[Amended by Acts 1975, 64th Leg., p. 105, ch. 45, § 3, eff. Sept. 1, 1975.]

PART 5. GENERAL POWERS OF PERSONAL REPRESENTATIVES

§ 230. Care of Property of Estates

[See *Compact Edition, Volume 2 for text of (a)*]

(b) **Estates of Wards (1) General Powers and Duties.** The guardian of the estate of a ward is entitled to the possession and management of all properties belonging to the ward, to collect all debts, rentals, or claims due such ward, to enforce all obligations in his favor, and to bring and defend suits by or against him; but, in the management of the estate, the guardian shall be governed by the provisions of this Code. It is the duty of the guardian of the estate to take care of and manage such estate as a prudent man would manage his own property. He shall account for all rents, profits, and revenues that the estate would have produced by such prudent management.

(2) **Power to Make Tax-Motivated Gifts.** (A) On application of the guardian or any interested party, and after notice to all interested persons and to such

other persons as the court may direct, and on a showing that the ward will probably remain incompetent during his lifetime, the court may, after hearing and by order, authorize the guardian to apply such principal or income of the ward's estate as is not required for the support of the ward during his lifetime or of his family towards the establishment of an estate plan for the purpose of minimizing income, estate, inheritance, or other taxes payable out of the ward's estate. The court may authorize the guardian to make gifts of the ward's personal property or real estate, outright or in trust, on behalf of the ward, to or for the benefit of

- (i) organizations to which charitable contributions may be made under the Internal Revenue Code and in which it is shown the ward would reasonably have an interest,
- (ii) the ward's heirs at law who are identifiable at the time of the order,
- (iii) devisees under the ward's last validly executed will, if there be such a will,
- (iv) and a person serving as guardian of the ward provided he is eligible under either category (ii) or (iii) above.

(B) The person making application to the court shall outline the proposed estate plan, setting forth all the benefits to be derived therefrom. The application shall also indicate that the planned disposition is consistent with the intentions of the ward insofar as they can be ascertained. If the ward's intentions cannot be ascertained, the ward will be presumed to favor reduction in the incidence of the various forms of taxation and the partial distribution of his estate as herein provided.

(C) The court may appoint a guardian ad litem for the ward or any interested party at any stage of the proceedings, if deemed advisable for the protection of the ward or the interested party.

(D) Subsequent modifications of an approved plan may be made by similar application to the court. [Amended by Acts 1975, 64th Leg., p. 268, ch. 114, § 1, eff. April 30, 1975.]

§ 236. Sums Allowable for Education and Maintenance of Ward

[See Compact Edition, Volume 2 for text of (a)]

(b) **Court Approval of Previous Expenditures.** When a guardian has in good faith expended funds from the corpus of his ward's estate for support and maintenance for the ward, and when it is not convenient or possible to first secure approval of the Court, if the proof is clear and convincing that such expenditures were reasonable and proper and such that the Court would have granted authority to make the expenditures out of the corpus, and that the ward received the benefits of such expenditures, the judge, in the exercise of his sound discretion, may approve such expenditures in the same manner

as if such expenditures were made by the guardian out of the income from the ward's estate. Provided, however, such expenditures may not exceed the sum of Two Thousand Dollars (\$2,000) during an annual accounting period.

[Amended by Acts 1975, 64th Leg., p. 978, ch. 374, § 1, eff. June 19, 1975; Acts 1977, 65th Leg., p. 1170, ch. 448, § 2, eff. Aug. 29, 1977.]

PART 6. COMPENSATION, EXPENSES, AND COURT COSTS

§ 245. When Costs Are Adjudged Against Representative

When the personal representative of an estate or person neglects the performance of any duty required of him, and any costs are incurred thereby, or if he is removed for cause, he and the sureties on his bond shall be liable for costs of removal and other additional costs incurred that are not authorized expenditures, as defined by this code.

[Amended by Acts 1977, 65th Leg., p. 1171, ch. 448, § 3, eff. Aug. 29, 1977.]

CHAPTER VIII. PROCEEDINGS DURING ADMINISTRATION AND GUARDIANSHIP

PART 12. FINAL SETTLEMENT, ACCOUNTING, AND DISCHARGE

Section

404B. Payment by Guardian of Taxes or Expenses [NEW].

PART 3. SETTING APART HOMESTEAD AND OTHER EXEMPT PROPERTY, AND FIXING THE FAMILY ALLOWANCE

§ 273. Allowance in Lieu of Exempt Property

In case there should not be among the effects of the deceased all or any of the specific articles exempted from execution or forced sale by the Constitution and laws of this state, the court shall make a reasonable allowance in lieu thereof, to be paid to such widow and children, or such of them as there are, as hereinafter provided. The allowance in lieu of a homestead shall in no case exceed Ten Thousand Dollars and the allowance for other exempted property shall in no case exceed One Thousand Dollars, exclusive of the allowance for the support of the widow and minor children which is hereinafter provided for.

[Amended by Acts 1977, 65th Leg., p. 351, ch. 172, § 1, eff. Aug. 29, 1977.]

PART 4. PRESENTATION AND PAYMENT OF CLAIMS

§ 312. Contest of Claims, Action by Court, and Appeals

[See Compact Edition Volume 2 for text of (a) to (d)]

(e) **Appeal.** When a claimant or any person interested in an estate or ward shall be dissatisfied with the action of the court upon a claim, he may appeal therefrom to the courts of (civil) appeals, as from other judgments of the county court in probate matters.

[Amended by Acts 1975, 64th Leg., p. 2196, ch. 701, § 14, eff. June 21, 1975.]

§ 313. Suit on Rejected Claim

When a claim or a part thereof has been rejected by the representative, the claimant shall institute suit thereon in the court of original probate jurisdiction in which the estate is pending or in any other court of proper jurisdiction within ninety days after such rejection, or the claim shall be barred. When a rejected claim is sued on, the endorsement made on or annexed thereto shall be taken to be true without further proof, unless denied under oath. When a rejected claim or part thereof has been established by suit, no execution shall issue, but the judgment shall be certified within thirty days after rendition, if of any court other than the court of original probate jurisdiction, and filed in the court in which the cause is pending, entered upon the claim docket, classified by the court, and handled as if originally allowed and approved in due course of administration.

[Amended by Acts 1975, 64th Leg., p. 2196, ch. 701, § 5, eff. June 21, 1975.]

§ 320. Order of Payment of Claims

(a) **Estates of Decedents.** Executors and administrators, when they have funds in their hands belonging to the estate, shall pay in the following order:

(1) Funeral expenses and expenses of last sickness, in an amount not to exceed Two Thousand Dollars, if the claims therefor have been presented within sixty days from the original grant of letters testamentary or administration, but if not presented within such time, their payment shall be postponed until the allowances made to the widow and children, or to either, are paid.

(2) Allowances made to the widow and children, or to either.

(3) Expenses of administration and the expenses incurred in the preservation, safe-keeping, and management of the estate.

(4) Other claims against the estate in the order of their classification.

(b) **Estates of Wards.** The guardian shall pay all claims against the estate of his ward that have been allowed or approved, or established by suit, as soon as practicable, in the following order:

(1) expenses for the care, maintenance and education of the ward or his dependents;

(2) expenses of administration;

(3) other claims against the estate.

(c) A claimant whose claim has not been paid may petition the court for determination of his claim at any time before it is barred by the applicable statute of limitations and upon due proof procure an order for its allowance and payment from the estate.

[Amended by Acts 1975, 64th Leg., p. 1818, ch. 554, § 1, eff. Sept. 1, 1975; Acts 1977, 65th Leg., p. 352, ch. 173, § 1, eff. Aug. 29, 1977.]

PART 5. SALES

§ 341. Application for Sale of Real Estate

(a) Application may be made to the court for an order to sell property of the estate when it appears necessary or advisable in order to:

(1) Pay expenses of administration, funeral expenses and expenses of last sickness of decedents, and allowances and claims against the estates of decedents and wards.

(2) Make up the deficiency when the income of a ward's estate, and the personal property thereof, and the proceeds of previous sales, are insufficient for the education and maintenance of the ward, or to pay debts against the estate.

(3) Dispose of property of the estate of a ward which consists in whole or in part of an undivided interest in real estate, when it is deemed to the best interest of the estate to sell such interest.

(4) Dispose of real estate of a ward, any part of which is nonproductive or does not produce sufficient revenue to make a fair return upon the value of such real estate, when the improvement of same with a view to making it productive is not deemed advantageous or advisable, and it appears that the sale of such real estate and the investment of the money derived therefrom would be to the best interest of the estate.

(5) Conserve the estate of a ward by selling mineral interest and/or royalties on minerals in place owned by a ward.

(6) Dispose of any interest in real property of the estate of a decedent, when it is deemed to the best interest of the estate to sell such interest.

(b) Any natural or adoptive parent of a minor who is not a ward may apply to the court for an order to sell property of a minor without being appointed guardian, when the value of the property does not exceed \$1,500. A sale of property pursuant to an order of the court under the subsection is not subject to disaffirmance by the minor.

(c) Such parent shall make application under oath to the court for the sale of such property. Venue for such application shall be the same as in applications for the appointment for guardians of a minor.

The application shall contain the following information:

- (1) A Legal description of the property.
- (2) The name of the minor, or minors and his interest in the property.
- (3) The name of the purchaser.
- (4) That such sale of the minor's interest is for cash.
- (5) That all funds received by the parent shall be used for the use and benefit of such minor.

(d) The court shall upon receipt of such application set the same for hearing at a date not less than five days from date of filing of such application, and if it deems necessary may cause citation to be issued.

(e) At the time of the hearing of said application, the court shall order the sale of such property, if it is satisfied from the evidence that the sale is in the best interest of said minor.

(f) When the order of sale has been entered by the court, the purchaser of such property shall pay the proceeds of such sale belonging to said minor or minors into the registry of the court.

(g) Nothing in this section shall prevent the proceeds so deposited from being withdrawn from the registry of the court under Section 144 of the Texas Probate Code.

[Amended by Acts 1975, 64th Leg., p. 975, ch. 372, § 1, eff. June 19, 1975; Acts 1975, 64th Leg., p. 976, ch. 373, § 1, eff. June 19, 1975.]

§ 355. Action of Court on Report of Sale

After the expiration of five days from the filing of a report of sale, the court shall inquire into the manner in which the sale was made, hear evidence in support of or against such report, and determine the sufficiency or insufficiency of the representative's general bond, if any has been required and given; and, if he is satisfied that the sale was for a fair price, was properly made and in conformity with law, and has approved any increased or additional bond which may have been found necessary to protect the estate, the court shall enter a decree confirming such sale, showing conformity with the foregoing provisions of the Code, and authorizing the conveyance of the property to be made by the representative of the estate upon compliance by the purchaser with the terms of the sale, detailing such terms. If the court is not satisfied that the sale was for a fair price, was properly made, and in conformity with law, an order shall be made setting the same aside and ordering a new sale to be made, if necessary. The action of the court in confirming or disapproving a report of sale shall have the force and effect of a final judgment; and any person interested in the estate or in the sale shall have the right to have such decrees reviewed as in other final judgments in probate proceedings.

[Amended by Acts 1975, 64th Leg., p. 2197, ch. 701, § 6, eff. June 21, 1975.]

PART 9. PARTITION OF WARD'S ESTATE IN REALTY

§ 388. Partition of Ward's Interest in Realty

[See Compact Edition, Volume 2 for text of (a) to (e)]

(f) **Judicial Proceeding to Secure Partition.** If the guardian of the estate of a ward is of the opinion that it is for the best interest of said ward's estate that any real estate which said ward owns in common with others, part owner or owners, should be partitioned, he may bring suit in the court in which such guardianship proceedings are pending against the other part owner for the partition of such real estate; and the court after hearing such suit may, if it is satisfied that such necessity exists, enter an order partitioning such real estate to the owner thereof.

[Amended by Acts 1975, 64th Leg., p. 1128, ch. 427, § 1, eff. June 19, 1975.]

PART 10. INVESTMENTS, LOANS, AND CONTRIBUTIONS OF ESTATES OF WARDS

§ 389A. Other Investments

(a) **Application to Invest or Sell.** When a guardian of an estate shall deem it to be in the best interest of its ward to invest in or sell any property or security in which a trustee is authorized to invest by either Article 7425b-46 V.A.T.S. (the Texas Trust Act) or Article 7425b-48 V.A.T.S. (the Uniform Common Trust Fund Act), and such investment or sale is not expressly permitted by other Sections of this Code, the guardian may file a written application in the court where the guardianship is pending, asking for an order authorizing it to make such desired investment or sale and stating the reason why the guardian is of the opinion that such investment or sale would be beneficial to the ward. No citation or notice is necessary unless ordered by the court.

[See Compact Edition, Volume 2 for text of (b) and (c)]

[Amended by Acts 1977, 65th Leg., p. 1137, ch. 428, § 1, eff. Aug. 29, 1977.]

PART 12. FINAL SETTLEMENT, ACCOUNTING, AND DISCHARGE

§ 404. Closing Administration of Estates of Decedents and Guardianship of Wards or Their Estates

Administration of the estates of decedents and guardianship of the persons and estates of wards shall be settled and closed:

(a) **Estates of Decedents.** When all the debts known to exist against the estate of a deceased person have been paid, or when they

have been paid so far as the assets in the hands of an administrator or executor of such estate will permit, and when there is no further need for administration.

(b) Persons and Estates of Wards.

1. Of a Minor. When the minor dies, or becomes an adult by becoming eighteen years of age, or by removal of disabilities of minority according to the law of this state, or by marriage.

2. Of Incompetents. When the ward dies, or is decreed as provided by law to have been restored to sound mind or sober habits, or, being married, when his or her spouse has qualified as survivor in community.

3. Of a Person Entitled to Funds From Any Governmental Source. When the ward dies, or when the court finds that the necessity for the guardianship has ended.

4. Exhaustion of Estate. When the estate of a ward becomes exhausted.

5. When Income Negligible. When the foreseeable income accruing to a ward or to

his estate is so negligible that maintaining the guardianship in force would be burdensome. In such case the court may authorize such income to be paid to a parent, or some other person who has acted as guardian, to assist as far as possible in the maintenance of the ward, and without liability to account to the court for such income.

[Amended by Acts 1975, 64th Leg., p. 104, ch. 45, § 2, eff. Sept. 1, 1975.]

§ 404B. Payment by Guardian of Taxes or Expenses

Notwithstanding any other provision of this Code, a Probate Court in which proceedings to declare heirship are maintained, under the provisions of Subsection (c), Section 48 of this Code, may order the payment by the guardian of inheritance or estate taxes or expenses of administering the estate and may order the sale of properties in the ward's estate, when necessary, for the purpose of paying inheritance or estate taxes, or expenses of administering the estate, or for the purpose of distributing the estate among the heirs.

Art. 7057c. Repealed by Acts 1975, 64th Leg., p. 2306, ch. 719, art. V, § 1, eff. Sept. 1, 1975

Art. 7057g. Validation of Unenforceable Tax Levies and Junior College District Boundary Changes

Unenforceable Tax Levies and Boundary Changes

Sec. 1. (a) All tax levies and junior college district boundary changes heretofore made by and for any tax unit, which levies or boundary changes are unenforceable because not made in strict compliance with the form and manner required by statute or because of any other defect which may be cured by the legislature, are hereby validated and declared enforceable the same as though they had been regularly made in proper form and manner.

(b) If for any cause any tax unit hereafter fails to make a valid tax levy for any year or years, the tax unit's last valid tax levy prior to such omitted year or years shall be continued in force as the tax levy of such tax unit for each year in which a valid levy was not made, so that there shall never be a year hereafter for which some valid levy is not in force.

Levies Not Recorded

Sec. 2. Should any tax unit fail to make a proper record of a tax levy for any year or years, but taxes were assessed and collected by the tax unit for that year or years and the tax rate(s) can be determined by examining the tax rolls for such year or years, such assessing and collecting shall constitute notice that a tax levy was made by the tax unit for each such year even though such levy was not properly recorded; and the tax unit's governing body may

make inquiry and determine that a proper tax levy was regularly and validly made for each such year but was not recorded, and the governing body may adopt a proper tax levy ordinance for each such year to be entered in the official records nunc pro tunc, and this record shall be conclusive evidence that the tax unit's levy for such year was properly and regularly made. This provision shall be cumulative of and in addition to all other rights and remedies now available to any tax unit in such cases.

Tax Unit Defined

Sec. 3. A tax unit or unit as used in this Act is any governmental agency or subdivision of the state which levies a property tax (ad valorem or otherwise).

Inapplicability of this Act

Sec. 4. This Act shall not affect nor apply to any suit pending in any court on the effective date of this Act in which the invalidity or nonrecord of any tax levy, or both of them, has heretofore been pleaded.

Savings Clause

Sec. 5. This Act will not affect pending litigation nor any disputed property valuation notice of which has been given to the tax unit involved.

Partial Invalidity

Sec. 6. If any provision of this Act or the application thereof to any person or circumstance is held to be invalid, such invalidity shall not affect other provisions or applications of this Act which can be given effect without the invalid provision or application, and to this end the provisions of this Act are declared to be severable.

CHAPTER TWO. TAXES BASED UPON GROSS RECEIPTS

Art. 7083a. Allocation of Revenue Derived from Certain Occupations and Gross Receipts Taxes; Appropriations and Allocations for Certain Funds

[See Compact Edition, Volume 2 for text of 1]

Sec. 2.

[See Compact Edition, Volume 2 for text of 2, (1) to (4-c)]

(4-d) (A) After the above allocations and payments have been made from the Clearance

Fund, other than those provided by Subsections (4-a) and (5) of this section, there is allocated and shall be transferred and credited to the State Highway Fund an amount determined by the Highway Cost Index Committee as provided in this subsection.

(B) The Highway Cost Index Committee consists of the Governor, the Lieutenant Governor, and the State Comptroller of Public Accounts. In the absence of the Governor, the Secretary of State of Texas serves in place of the Governor.

(C) On or before November 1 of each even-numbered year, the committee created by this subsection shall certify to the Comptroller the estimated amount to be allocated, transferred, and credited to the State Highway Fund under this subsection for the succeeding fiscal biennium, except that the certification of the amount for the biennium beginning on September 1, 1977, must be made not later than 30 days after the effective date of H.B. No. 3, Acts of the 65th Legislature, Regular Session, 1977.

(D) On or before August 1 of each year, the committee shall certify to the Comptroller the amount to be allocated, transferred, and credited to the State Highway Fund under this subsection for the succeeding fiscal year.

(E) Funds allocated and appropriated from the Clearance Fund to the State Highway Fund shall be paid no later than the sixth working day of each month in equal monthly installments. If for any month the amount remaining to the credit of the Clearance Fund is insufficient to provide for the transfer and allocation to the State Highway Fund under this subsection, the difference between the amount transferred and the amount required to be transferred under this subsection shall be transferred and paid from the General Revenue Fund or from funds due to the General Revenue Fund.

(F) On or before November 1, 1978, and on or before each succeeding November 1, the committee shall determine the actual amount of dedicated revenue earned for the State Highway Fund and the actual highway cost index for the preceding fiscal year (except that for fiscal years beginning September 1, 1977, and September 1, 1978, the actual highway cost index is 1.00) and shall determine the amount by which the amount allocated, transferred, and credited to the State Highway Fund under this subsection during the preceding fiscal year differs from the amount that would have been allocated, transferred, and credited to the State Highway Fund during the preceding fiscal year based on the actual dedicated revenue and the actual highway cost index. The committee shall certify to the Comptroller the amount of the

difference, if any, and shall certify to the Comptroller the amount by which allocations, transfers, and credits for the remainder of the current fiscal year are to be adjusted to compensate for the amount of the difference.

(G) The amount to be transferred, allocated, and credited each fiscal year to the State Highway Fund shall be determined by application of the following formula:

Amount = (Base Amount × Cost Index) – Dedicated Revenue

In this formula:

(i) "Amount" means the amount to be allocated from the Clearance Fund to the State Highway Fund.

(ii) "Base Amount" means \$700 million for the fiscal year beginning September 1, 1977, and \$750 million for each fiscal year beginning on or after September 1, 1978.

(iii) "Highway Cost Index" means the number determined as provided in Paragraph (H) of this subsection, except that for the fiscal years beginning on September 1, 1977, and September 1, 1978, the highway cost index is 1.00.

(iv) "Dedicated Revenue" means the revenue credited to the State Highway Fund under Articles 9.25, 10.22, 10.72, and 20.13, Title 122A, Taxation—General, Revised Civil Statutes of Texas, 1925, as amended; Article 6686, Revised Civil Statutes of Texas, 1925, as amended; Sections 1 through 16, Chapter 88, General Laws, Acts of the 41st Legislature, 2nd Called Session, 1929, as amended (Article 6675a-1 et seq., Vernon's Texas Civil Statutes); Chapter 18, General Laws, Acts of the 41st Legislature, 5th Called Session, 1930, as amended (Article 6675a-6e, Vernon's Texas Civil Statutes); Section 2, Chapter 178, General Laws, Acts of the 43rd Legislature, Regular Session, 1933, as amended (Article 6675a-13½, Vernon's Texas Civil Statutes); Chapter 298, Acts of the 56th Legislature, Regular Session, 1959 (Article 6675a-5b, Vernon's Texas Civil Statutes); Chapter 456, Acts of the 56th Legislature, Regular Session, 1959, as amended (Article 6675a-6b, Vernon's Texas Civil Statutes); Chapter 517, Acts of the 58th Legislature, 1963, as amended (Article 6675a-6c, Vernon's Texas Civil Statutes); Chapter 707, Acts of the 59th Legislature, Regular Session, 1965, as amended (Article 6675a-6d, Vernon's Texas Civil Statutes); and Chapter 338, Acts of the 64th Legislature, 1975 (Article 6675a-5e.1, Vernon's Texas Civil Statutes).

(H) The highway cost index shall be determined by the State Department of Highways and Public Transportation according to procedures approved by the Highway Cost Index Committee. The index shall be based on the weighted combined costs of highway operations, maintenance, and construction for the appropriate fiscal year compared to the costs of those items used for the fiscal year beginning on September 1, 1978.

(I) This subsection does not authorize the transfer of any funds from the State Highway Fund to the Clearance Fund or any other fund even though the actual amount of dedicated revenue exceeds the base amount times the cost index.

(2) "Farm crops" means plants and fruits grown for human or animal consumption and plants grown for the production of fibers, floriculture, viticulture, horticulture, or planting seed.

(3) "Forest products" means forestry and the growing of trees for the purpose of rendering those trees into lumber, fiber, or other items for industrial, commercial, or personal consumption.

(4) "Livestock" means domestic or native farm or ranch animals kept for use and profit.

(5) "Category" refers to the value classification of land for agricultural and forestry use, with due consideration given to soil type, soil capability, general topography, weather factors, location factors, and other pertinent information from recognized agricultural sources and other competent sources.

(6) "Average net to land" means the average net income that would have been earned over the five-year period immediately preceding the valuation by a person using ordinary prudence in the management of the land and the farm crops, forest products, or livestock produced or supported thereon.

(7) "Authorized farm corporation" means a domestic corporation of which (1) the shareholders do not exceed 10 in number unless all are related by blood, adoption or marriage; (2) all shareholders, other than any estate or trust for the benefit of natural persons, are natural persons; and (3) its aggregate annual revenues from rents, royalties, dividends, interest and annuities do not exceed 20 percent of its gross receipts in any fiscal year of said corporation.

Valuation of open-space land

Sec. 2. The value for ad valorem tax purposes of open-space land used to support the raising of livestock or production of farm crops or forest products shall be determined on the basis of the category of the land supporting livestock or producing farm crops or forest products using accepted income capitalization methods applied to average net to land. The value so determined shall never exceed the fair market value of the land as determined by other appraisal methods. Pursuant to rule-making authority, the comptroller shall develop and distribute to all taxing authorities appraisal manuals setting forth the income capitalization method to be used for valuing open-space land and defining the categories of open-space land, and the appraisal manuals shall be used by each taxing authority in determining the value of open-space land. For the valuation function enumerated in Section 4 of this Act, the tax records of the valuations of open-space land used to support the raising of livestock or production of farm crops or forest products shall also contain the full market value of the open-space land. The comptroller shall develop and the local taxing authority shall enforce procedures to verify that the land in question meets the conditions contained in Section 1(1) of this Act.

Capitalization rate

Sec. 3. The income capitalization rate to be used in determining the value of open-space land shall be an amount equal to 2 percent greater than the average variable interest rate specified by the Federal Land Bank of Houston, for the immediately preceding tax year.

Change of use of land

Sec. 4. If the local taxing authority finds that the open-space land devoted to the production of farm crops, forest products, or livestock ceases to be used for the production of farm crops, forest products, or livestock, the land shall be appraised at market value, and the owner shall pay to each taxing authority imposing ad valorem taxes on the land a tax equal to the difference between the taxes paid or payable on the land during the previous four years under its open-space land for farm crops, forest products, or livestock designation and that tax that would have been levied had the land been appraised at market value for the same period of time plus interest at the rate of 5 percent per annum calculated from the dates on which the difference would have become due.

Minimum appraisal of forest land

Sec. 5. The value for ad valorem tax purposes of open-space land used for the production of forest products as provided in Section 2 of this Act shall not be less than the appraised value of such land for the 1977 tax year; provided, however, that the value used for any tax year shall never exceed the fair market value of the land as determined by other appraisal methods.

Values for state funding purposes

Sec. 6. The values of open-space land shall not be binding upon the Legislature of the State of Texas in its determination of the distribution of state funds to any unit of government for any purpose when the distribution of those funds is dependent, directly or indirectly, upon the values of property whose situs is within that unit of government.

Effective date

Sec. 7. This Act takes effect January 1, 1978. [Acts 1977, 65th Leg., p. 847, ch. 318, §§ 1 to 7, eff. Jan. 1, 1978.]

Art. 7150I. Valuation of Property Owned by Non-profit Associations or Corporations**Policy of State**

Sec. 1. The legislature recognizes as an existing condition the fact that many residential subdivisions are developed on the basis of a nonprofit association or corporation maintaining nominal ownership to certain property which will be held for the use, benefit, and enjoyment of the members of such

association or corporation, such nominally owned property consisting of such items as swimming pools, parks, meeting halls, parking lots, tennis courts, and many other similar and related items of property. The legislature further recognizes that the existence of such an association or corporation holding nominal title to such facilities for the use, benefit, and enjoyment of its members greatly enhances the valuation for tax purposes of the individual properties owned by members of the association or corporation who are entitled to the use and enjoyment thereof. The legislature further recognizes that the valuation for tax purposes of the property thus nominally held by such associations or corporations is actually reflected in the enhanced valuation of the property owned by the individual members thereof, and to assess such nominally owned property on the basis of its fair market value would result in double taxation of such property. It is therefore declared to be the policy of the State of Texas that all political subdivisions of the State of Texas take cognizance of the existence of such subdivision developments and recognize that all property nominally owned by such associations or corporations should be assessed and taxed on a nominal basis rather than at fair market value.

Assessment at Nominal Value

Sec. 2. All property, real, personal, or mixed, owned by an association, corporation, or similar non-profit organization, as herein defined, shall be assessed for tax purposes on the basis of a nominal value with respect to all property taxes levied by the State of Texas or any political subdivision of the State of Texas if:

(a) all property owned by said association or corporation is held for the use, benefit, and enjoyment of all members of said association equally; and

(b) each member of the association or corporation owns or possesses an easement, license, or other nonrevokable right for the use and enjoyment on an equal basis of all the property so held by such association or corporation, subject to any restrictions imposed by the instruments conveying such right or interest or granting such easement and any rules, regulations, or bylaws imposed by the association or corporations pursuant to the authority granted by the articles of incorporation, declaration of covenants, conditions and restrictions, the bylaws, or the articles of association of such corporation or association; and

(c) each easement, license, or other nonrevokable right to the use and enjoyment of all association property is appurtenant to and an integral part of the taxable real property owned by such members.

Enhanced Value as Assessment Factor

Sec. 3. In appraising individual properties owned by members of the association or corporation who are entitled to the use and enjoyment of facilities owned by the association or corporation, the enhanced value of the individual properties because of the right to the use and benefit of the facilities shall be a factor taken into consideration by the appraiser.

Qualifications for Benefits of Act

Sec. 4. Any nonprofit association, corporation, or other organization shall qualify for the benefits provided in this Act if:

(a) such association or corporation is engaged in residential real estate management; and

(b) such association or corporation is organized and operated to provide for the acquisition, construction, management, maintenance, and care of property nominally owned by such association or corporation and held for the use, benefit, and enjoyment of its members; and

(c) 60 percent or more of the gross income of such association or corporation consists of amounts received as membership dues, fees, or assessments from owners of residences or residential lots within the area subject to jurisdiction and assessment power of such association or corporation; and

(d) 90 percent or more of the expenditures of the association or corporation is made for the purpose of acquiring, constructing, managing, maintaining, and caring for the property nominally held by such association or corporation; and

(e) all members of the association or corporation own easement, license, or other nonrevokable rights for the use and enjoyment on an equal basis of all the property nominally owned by such association or corporation subject to any restrictions imposed by the instruments conveying such right or interest or granting such easement and any rules, regulations, or bylaws imposed by the association or corporation pursuant to the authority granted by the articles of incorporation, declaration of covenants, conditions and restrictions, the bylaws, or the articles of association of such corporation or association; and

(f) no part of the net earning, if any, of such association or corporation shall inure to the benefit of any member or individual, other than by acquiring, constructing, or providing management, maintenance, and care of association or corporation property, or other than by a rebate of excess membership dues, fees, or assessments; and

(g) such nonprofit corporation, association, or organization shall qualify for treatment under

Section 1301 of the Tax Reform Act of 1976 amending Internal Revenue Code, Section 528, "Certain Homeowners Associations."

Repeal of Conflicting Laws; Cumulative Effect

Sec. 5. All laws or parts of laws in conflict herewith are hereby repealed to the extent of such conflict but only to the extent of such conflict, and this Act shall be cumulative of all existing laws relative hereto and not inconsistent herewith.

[Acts 1977, 65th Leg., p. 1975, ch. 790, §§ 1 to 5, eff. Aug. 29, 1977.]

Art. 7150m. Assessment of Property Taxes in Planned Unit Development

Sec. 1. For purposes of this Act, "planned unit development" means a real property development project in which the owners of individual parcels of real property in the development each have a membership in an association that owns and maintains property in the development for the use of its members.

Sec. 2. A property tax on the property in a planned unit development that is owned by the association may be assessed proportionately against each member of the association if the association files with the tax collector a resolution adopted by majority vote of all members of the association authorizing the proportionate assessment.

Sec. 3. If taxes are assessed proportionately as authorized in this Act, the amount of tax to be imposed on the association's property shall be divided by the number of separately owned parcels of real property in the development. The quotient is the proportionate amount of tax to be assessed against each separately owned parcel in the development, and a tax lien attaches to each parcel to secure payment of its proportionate share of the tax on the association's property. Each separate parcel, together with the quotient portion applicable thereto, shall be rendered and assessed separately and the tax lien to secure the payment of the taxes assessed upon each such separate parcel, together with the quotient portion applicable to that parcel, shall apply only to such respective parcel together with its applicable quotient portion, and the tax lien securing the payment of taxes upon any other parcel or parcels, and the respective quotient or quotients applicable thereto, shall not apply to any other parcel and the respective quotient applicable thereto. [Acts 1977, 65th Leg., p. 2037, ch. 815, §§ 1 to 3, eff. Aug. 29, 1977.]

Art. 7150n. Appraisal of Land Limited in Use to Recreational, Park, or Open Space Purposes by Deed or Voluntary Restrictions**Definitions**

Sec. 1. In this Act:

(1) "Recreational, park, or open space use" means the employment or application of real

property for individual or group sporting activities, for park or camping activities, or for the conservation and preservation of scenic areas, and includes the use of real property for walking, jogging, running, swimming, boating, fishing, hunting, golfing, horseback riding, shooting, tennis, and the development of historical, archaeological, scenic, or scientific sites.

(2) "Deed restriction" means a valid and enforceable provision in a conveyance of land of five or more acres filed and recorded in the deed records of the county in which the land is located and which provision limits or restricts the use of the land conveyed.

(3) "Improvements" includes all valuable additions to real property except appurtenances to land.

(4) "Appurtenances to land" means riparian water rights, private roads, dams, reservoirs, water wells, and canals, ditches, and similar reshaping or additions to the soil.

Voluntary Restrictions

Sec. 2. (a) The owner of the fee simple title to a five or more acre tract of real estate may limit the use of the land to recreational, park, or open space use by filing with the county clerk an instrument executed in the form and manner of a deed.

(b) The restriction instrument must include a description of the property, the name of the owner or owners of the property, and a statement that the land may not be used for any purpose other than recreational, park, or open space uses for a term of years which term must be expressed in the instrument.

(c) An instrument complying with the requirements of this section may be enforced in the same manner as a valid deed restriction by action of the county attorney or any person owning or having an interest in the restricted property.

Appraisal of Restricted Land

Sec. 3. (a) For the purpose of assessing ad valorem taxes imposed by each tax authority, land that is subject to a deed restriction or a restriction instrument executed and filed as provided in Section 2 of this Act and that limits the use of the land to recreational, park, or open space uses for a term of 10 or more years and which land is actually used exclusively for recreational, park, or open space purposes on January 1 of the tax year and during all of the preceding tax year shall be appraised and valued as provided in Subsection (b) of this section.

(b) The tax assessor or appraiser shall consider no factor other than those relative to the value of the land as restricted. Sales of comparable land not subject to such restrictions may not be used.

(c) Improvements on land and the mineral estate shall be valued at actual cash value to be determined by comparable sales or other methods to determine market value.

(d) If the land has been subjected to a deed restriction or a restriction established as provided in Section 2 of this Act during the calendar year immediately preceding January 1 of the tax year and if the restriction is for a term of 10 or more years, the land is entitled to be valued as provided in Subsection (b) of this section, if the owner of the land presents to the tax assessor or appraiser an affidavit stating that for the tax year the land will be used exclusively for recreational, park, or open space purposes. If the valuation of the land is made according to the methods prescribed by Subsection (b) of this section based on an affidavit, the tax assessor or appraiser shall, at the end of the tax year, determine if the property was used exclusively for recreational, park, or open space uses, and if the land was not used exclusively for recreation, park, or open space uses, he shall assess additional taxes equal to the difference in the amount of the taxes assessed for the property based on recreational, park, or open space uses and the amount of taxes that would have been assessed if the property had been valued for tax purposes at market value of unrestricted land.

Reassessment of Taxes

Sec. 4. (a) When property valued as provided in Subsection (b), Section 3 of this Act is no longer subject to a deed restriction or a restriction instrument executed as provided in Section 2 of this Act, or when the property is not used exclusively for recreational, park, or open space uses, the tax assessor of each taxing authority shall determine the amount of taxes which would have been payable to the taxing authority had the land been valued at market value without restriction for the current tax year and for the previous five tax years and shall assess against the property and the owner additional taxes equal to the amount of the taxes assessed according to the value of the property as restricted for recreational, park, or open space uses and the amount of the taxes based on its value without restriction as to use for the current tax year and for the previous five tax years.

(b) The tax assessor for the taxing unit shall include the amount of the additional tax assessed under Subsection (a) of this section, plus interest, on the next tax notice issued after the additional assessment is made. Additional tax under this section shall be treated as back taxes.

Penalty for Violation of Restriction

Sec. 5. If, at any time before the expiration of a restriction which limits the use of land to recreational, park, or open space use, the land is used for a purpose other than recreational, park, or open space

use, there shall be assessed as a penalty an amount equal to the difference in the amount of the taxes assessed for the tax year in which the restriction is not observed on the property based on recreational, park, or open space uses and the amount of taxes that would have been assessed for the tax year in which the restriction is not observed if the property had been valued for tax purposes at market value of unrestricted land. The penalty imposed by this section is in addition to taxes imposed under Sections 3 and 4 of this Act. Penalties become due and are payable in the same manner as is the tax.

Effective Date

Sec. 6. This Act applies to each tax year beginning after December 31, 1977.

[Acts 1977, 65th Leg., p. 2065, ch. 818, §§ 1 to 6, eff. Jan. 1, 1978.]

Art. 7173. Leasehold interests in land, buildings, or improvements owned in whole or in part by the State, a county, a city or cities, a school district or any other governmental or public entity or body politic

(a) Property held under a lease for a term of one year or more, or held under a contract for the purchase thereof, belonging to the State, a county, a city or cities, a school district, or any other governmental or public entity, authority or body politic or that is exempt by law from taxation in the hands of the owner thereof, except for properties held, owned or dedicated, in trust or otherwise, to the support, maintenance or benefit of institutions of higher education, shall be considered for all the purposes of taxation, as the property of person so holding the same, except as otherwise specially provided by law; however this shall not include:

(1) A lease, concession or other use of an airport passenger building or a building used by certified air carriers primarily for aircraft maintenance, air cargo or aircraft services and equipment storage; an aircraft fueling systems facility servicing certified air carriers; or property in a foreign-trade zone established and operating pursuant to federal law, if the area of the zone does not exceed 250 acres, or

other property is ascertained. And should the owner of such timber fail or refuse to pay the taxes assessed against it, the same shall be sold for the taxes thereon, as provided in this title for the sale of personal property for taxes, provided that the same can be found by the collector; but, if the timber cannot be found, then the collector shall collect the taxes due as the taxes on other personal property are collected; provided, further, that the Land Commissioner shall furnish by the first of January each year to the various commissioners courts and the tax assessors of this State a full and complete list of all timber sold by the State belonging to the school funds, giving the number of acres, price and to whom sold, in the respective counties where the timber so sold is situated. [Amended by Acts 1977, 65th Leg., p. 1523, ch. 617, § 1, eff. Aug. 29, 1977.]

Art. 7174. Valuation of Property for Taxation

(a) Each separate parcel of real property shall be valued at its true and full value in money, excluding the value of crops growing or ungathered thereon.

(b) In determining the true and full value of real and personal property the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation, nor shall he adopt as a criterion of value the price for which such property would sell at auction or a forced sale or in the aggregate with all the property in his county; but he shall value each tract or lot by itself, and at such sum and price as he believes the same to be fairly worth in money at the time such assessment is made.

(c) In valuing any real property on which there is a coal or other mine, or stone or other quarry, or springs possessing medicinal properties, the same shall be valued at such price as such property, including a mine, or quarry or spring, would probably sell at a fair voluntary sale for cash.

(d) An interest in a mineral which may be removed by surface mining or quarrying from a deposit that is not being produced shall be valued at the price for which the interest would sell while the mineral is in place and not being produced. The value shall be determined by applying a per acre value to the number of acres covered by the interest. The aggregate of the value of such an interest, and all other interests that, if not under separate ownership, would constitute a fee simple estate in any real property, may not exceed the value which would be placed upon the fee estate, if the interest in minerals were not owned separately.

(e) Taxable leasehold estates on non-exempt property shall be valued at such price as such leasehold estates would bring at a voluntary sale for cash, and taxable leasehold estates on exempt property shall be valued at such price as such leasehold estates would bring at a voluntary sale thereof for cash, based upon the value of a comparable improvement if located on non-exempt property, with reductions for reversionary interests, restrictions on use, and credit for normal rental, except that the value of a leasehold may not be less than the total annual rental for the leasehold for the year in which it is valued.

(f) Personal property of every description shall be valued at its true and full value in money.

Art. 7244b. Assessors Registration and Professional Certification Act

Purpose of Act

Sec. 1. The Constitution of Texas requires that taxation be equal and uniform. It provides for taxation in proportion to value. The responsibility for assessing property in compliance with constitutional requirements is that of the tax assessor-collector. The purpose of the legislature by this Act is to assure the people of Texas that the responsibility of assessing property for taxation is entrusted only to those persons duly registered and competent according to the regulations provided by this Act. The legislature further intends that the assessing of property for taxation be practiced and regulated as a learned profession and that the practitioners in this state be accountable to the public.

At least four of the members must hold a certificate issued under this Act. However, for the members first appointed, certification by a recognized professional association of assessors

or appraisers satisfies the certification requirement for eligibility.

(d) Members hold office for terms of six years, with the terms of two members expiring on March 1 of each odd-numbered year. In making the initial appointments, the governor shall designate two members for terms expiring on March 1, 1979, two members for terms expiring on March 1, 1981, and two members for terms expiring on March 1, 1983.

(b) The board may promulgate and amend rules of professional conduct appropriate to establish and maintain a high standard of integrity in the practice of assessing and collecting ad valorem taxes, after all persons registered under Section 12 of this Act are notified. The notice shall set forth the proposed rules of professional conduct or amendments to the rules. No rule or amendment shall become operative until it is approved by a majority of the registered professional assessors practicing in this state. The board shall adopt reasonable means for voting on such measures and shall declare the results of elections and proclaim the effective date of the rules or amendments and notify all persons registered by this Act.

Sec. 10. The board may initiate proceedings under this Act, either on its own motion or on the complaint of any person, to insure strict compliance with this Act and the enforcement of this Act and of all rules and regulations adopted by the board. The violation of a provision of this Act, or a rule or regulation of the board, by a person practicing assessing in Texas is sufficient reason or ground to refuse, suspend, or revoke his registration granted under the terms of this Act. The board may institute action in its own name against an individual person to enjoin a violation of a provision of this Act or a rule or regulation of the board. The board is not required to give an appeal bond in a cause arising under this Act. Prior to the initiation of proceedings for a violation of this Act, a written notice shall be sent by certified mail to the prospective defendant stating the nature of the charge and the time and place of the hearing before the board. The notice shall be mailed at least 20 days before the hearing.

Information required on the form shall include the applicant's name, residence address, educational background, work experience, character and employment references, a recent photograph of the applicant, and other information as the board deems necessary. The form shall be accompanied by the code of ethics and the other limiting conditions required by the rules and regulations prescribed by the board. All applications, including the code of ethics, shall be subscribed and sworn to before a notary public or other person qualified to administer oaths. The board shall act on all applications within 60 days after they are received by the secretary-treasurer. Applicants approved by the board shall be notified of the time and place where examination for all classes of registration will be conducted. Applicants shall be allowed a maximum of one year to pass the required examinations for classifications described under Subdivisions (1) and (2), Section 12 of this Act. The maximum time for complying with classifications described under Subdivisions (3) and (4), Section 12 of this Act shall be in accord with the rules and regulations for professional certification prescribed by the board.

After notification that all requirements for registration are in compliance with the provisions of this Act, the applicant shall remit the annual registration fee to the secretary-treasurer before he is duly registered to practice assessing.

Registered Texas assessors with birthdates prior to January 1, 1950, may substitute special training and experience for the minimum educational requirement at the discretion of the board. Rights and Prohibited Acts of Registrants; Suspension or Revocation for Violations

Sec. 23. (a) An assessor registered under the terms of this Act shall:

Art. 7261a. Acceptance of Checks by Tax Collector for Payment of Fees and Taxes

Definitions

Sec. 1. In this Act:

(1) "Tax collector" means the county tax assessor-collector.

(2) "Check" means an instrument signed by the maker; containing an unconditional promise or order to pay a sum certain in money and containing no other promise, order, obligation, or power given by the maker; payable on demand; and drawn on a bank.

(3) "Maker" means the drawer of a check.

Acceptance of Check for Payment of Certain Fees Permitted

Sec. 2. A tax collector may, but is not required to, accept a check for the payment of motor vehicle registration fees (Article 6675a-1 et seq., Vernon's Texas Civil Statutes); motor vehicle sales taxes imposed by Chapter 6, Title 122A, Taxation-General, Revised Civil Statutes of Texas, 1925; occupation taxes paid to the tax collector under Chapter 19, Title 122A, Taxation-General, Revised Civil Statutes of Texas, 1925; motor vehicle title transfer fees under the Certificate of Title Act (Article 6687-1, Vernon's Texas Civil Statutes); license or permit fees under the Texas Liquor Control Act (Article 666-1 et seq., Vernon's Texas Penal Auxiliary Laws), and property taxes.

Issuance Conditional on Bank's Honoring Check

Sec. 3. The acceptance of a check for the payment of taxes and fees listed in Section 2 of this Act does not constitute payment of the tax or fee, and the tax or fee is not considered paid until the check is honored by the bank on which the check is drawn. This section does not prohibit a tax collector from issuing receipts, license plates, certificates, or other instruments on the receipt of a check, but the issuance is conditional on the payment of the check by the drawee bank.

Identification Required

Sec. 4. When a tax collector receives a check as conditional payment of a tax or fee listed in Section 2 of this Act, he shall require adequate identification of the maker and note on the check or otherwise record the type of identification of the maker and information from the identification to assist in locating the maker in the event the check is not honored.

Liability of Tax Collector and Bondsman

Sec. 5. Except as provided in Section 8 of this Act, a tax collector and his bondsman are not liable for the amount of any taxes and fees for which the tax collector has accepted a check that is not honored by the drawee bank if the tax collector complied with the requirements of Section 4 of this Act and if the tax collector did not know or should not reasonably have known that the check was not properly drawn or that it would not be honored.

Procedures for Collection of Dishonored Checks

Sec. 6. A tax collector may establish procedures for the collection of dishonored checks. The procedures may include:

(1) official notification to the maker that the check has not been honored and that the receipt, registration, certificate, or other instrument issued on the receipt of the check is not valid until payment of the tax or fee is made;

(2) notification of the sheriff or other law enforcement officers that a check has not been honored and that the receipt, registration, certificate, or other instrument held by the maker is not valid; and

(3) notification to the State Department of Highways and Public Transportation, the State Comptroller of Public Accounts, or the Department of Public Safety that the receipt, registration, certificate, or instrument held by the maker is not valid.

Dishonored checks; Remission Not Required; Notice; Assistance in Collection

Sec. 7. If taxes and fees listed in Section 2 of this Act are required to be remitted to the State Comptroller of Public Accounts or the State Department of Highways and Public Transportation and if payment was made to the tax collector by a check

that was not honored by the drawee bank, the amount of the tax or fee is not required to be remitted, but the tax collector shall notify the appropriate department of the amount of the fee or tax, the type of fee or tax involved, and the name and address of the maker. The State Department of Highways and Public Transportation and the State Comptroller of Public Accounts shall assist the tax collector in collecting the fee or tax and may cancel or revoke any receipt, registration, certificate, or instrument issued in the name of the state conditioned on the payment of the fee or tax.

Liability of Tax Collector for Violations of Act

Sec. 8. If the State Comptroller of Public Accounts or the State Department of Highways and Public Transportation determines that the tax collector of a county has accepted payment for fees and taxes to be remitted to that department in violation of Section 4 of this Act or that more than two percent of the fees and taxes to be received from the tax collector are not remitted because of the acceptance of checks that are not honored by the drawee bank, the department may notify the tax collector that he may not accept a check for the payment of any fee or tax to be remitted to that department. A tax collector who, after notice that he may not receive a check for the payment of fees or taxes to be remitted to a department, accepts a check for the payment of a fee or tax, is liable to the state for the amount of the check accepted.

Rules for Acceptance of Checks and Collection of Dishonored Checks

Sec. 9. The State Comptroller of Public Accounts and the State Department of Highways and Public Transportation may make rules concerning the acceptance of checks by tax collectors and for the collection of dishonored checks.

(b) Notwithstanding any other provision of the law or rules, the sheriff, a deputy sheriff, or an authorized agent of the sheriff may conduct the tax foreclosure sale or sale of real property purchased at a tax foreclosure sale by the state or a taxing unit. Art. 7329a. Homestead Owned by Person 65 or Older; Collection of Delinquent Taxes Deferred or Abated

Suit to Collect Delinquent Taxes Prohibited; Affidavit

Sec. 1. No suit to collect delinquent ad valorem taxes on real property shall be filed by any tax unit of this state against property owned and occupied as a homestead, as defined in Article XVI, Section 51, of the Texas Constitution, by a person sixty-five (65) years of age or older during the time that it remains the homestead of such person; and provided further, that such person shall have filed for record with the county clerk of the county in which the land, or a part thereof, is located, prior to institution of suit by any tax unit, an affidavit containing the following:

- (1) the birth date of the affiant;
- (2) a description by metes and bounds, or other sufficient description to identify the property claimed as a homestead; and
- (3) the signature of the affiant and acknowledgement or proof as in other instruments for record.

Defendant's Sworn Plea; Abatement of Suit

Sec. 2. In a suit for the collection of delinquent ad valorem taxes, the defendant may file a sworn plea stating that he is sixty-five (65) years old or older and that he is entitled to a residential homestead in the property. If the tax unit fails to file an affidavit controverting the sworn plea, or if on a hearing the court determines that the plea is true, the suit shall be abated until the property is no longer owned and occupied by the person sixty-five (65) years or older filing such sworn plea.

Right to Delinquent Taxes Not Extinguished or Released; Delay

Sec. 3. This Act does not extinguish or release the right of a tax unit to delinquent ad valorem taxes, and penalties (including "interest") against

any property. In any suit upon which action is deferred or abated pursuant to this Act, such delay is not the basis for a plea of limitation, laches, or want of prosecution against a tax unit.

Penalties and Interest

Sec. 4. Penalties and interest continue to accrue during a period of deferment or abatement of suit as a result of this Act. Delinquent ad valorem taxes, penalties, and interest at all times remain a first priority lien upon the land and all mutations thereof until paid. A tax unit may sue for and foreclose its liens on all accrued delinquent ad valorem taxes and penalties (including "interest") when the homestead is no longer owned and occupied by the person sixty-five (65) years old or older who has claimed protection of this Act.

Payment of Taxes Due Not Precluded

Sec. 5. Nothing in this Act precludes any person sixty-five (65) years old or older from paying the ad valorem taxes due on residential homestead property. He or she may pay for any year(s) without losing his rights to protection under this Act for any year(s) when he is unable to pay or chooses not to pay.

Distribution of Proceeds

Sec. 8. No property sold for taxes under decree in such suit shall be sold to the owner of said property, directly or indirectly or to anyone having an interest therein, or to any party other than a taxing unit which is a party to the suit, for less than the amount of the adjudged value aforesaid of said property or the aggregate amount of the judgments against the property in said suit, whichever is lower, and the net proceeds of any sale of such property made under decree of court in said suit to any party other than any such taxing unit shall belong and be distributed to all taxing units which are parties to the suit which by the judgment in said suit have been found to have tax liens against such property, pro rata and in proportion to the amounts of their respective tax liens as established in said judgment, but any excess in the proceeds of sale over and above the amount necessary to defray the costs of suit and sale and other expenses hereinabove made chargeable against such proceeds, and to fully discharge the judgments against said property, shall be paid by the sheriff or constable making the sale to the clerk of the court out of which execution or

other final process issued to be retained and disposed of by him as follows:

Such excess funds shall be retained by the clerk of the court for a period of three (3) years from the date received, unless otherwise ordered by the court, after which time he shall forward such excess funds to the State Treasurer, who shall hold the same in trust to be paid to the owner against whom said taxes were assessed or the heirs or legal representative of a deceased owner. The clerk shall note upon the execution docket in each such case the amount of such excess funds, the date received by him, and the date transmitted to the State Treasurer, and shall accompany such remittance with a statement upon a form to be prescribed by the Comptroller showing the style and number of the case, the court from which execution issued, which statement shall be filed and kept by the Treasurer and a duplicate thereof shall be forwarded to the Comptroller, who shall also keep an account of such excess funds transmitted to the Treasury.

At any time during the three (3) year period such excess funds are retained by the clerk of the court, anyone claiming the same may file a petition in the case out of which execution or other process issued, setting forth in said petition the basis upon which claimant claims such excess funds, and the court shall set the same for hearing. A full copy of such petition and date set shall be served on the County or District Attorney of the county at least twenty (20) days prior to the date set for the hearing, and if there be intervening plaintiffs or attorney ad litem in the case previously, then a full copy of such petition shall also be timely served on each such plaintiff or attorney. Signed approval or waiver must be obtained from each such plaintiff or attorney before the petition may be approved and granted.

At any time within four (4) years from the date such excess funds are forwarded to the State Treasurer by the clerk of the court, anyone claiming the same may file a petition in the case out of which execution or other final process issued, setting forth in said petition the basis upon which claimant claims such excess funds, and the court shall set the same for hearing. A copy of such petition shall be served on the County or District Attorney of the county, at least twenty (20) days prior to the date of hearing, and a copy of such petition shall be forwarded to the State Treasurer and the Comptroller. The County Attorney, or District Attorney if there be no County Attorney, of such county, shall represent the State at such hearing.

If the court shall find that such claimant is entitled to recover such excess funds, it shall make an order directing the Comptroller to issue his warrant on the Treasury against such trust funds for the payment of same, but without interest or cost; a copy of which order under the seal of the court shall be sufficient voucher for issuing such warrant.

After expiration of four (4) years from date such excess funds are received by the Treasurer he shall transfer the same from the trust fund to the general revenue fund unless there is then pending a petition by a claimant of such excess funds not acted upon, and if such claimant has not within four (4) years as herein provided filed a petition for such excess funds, the same shall be forever barred, and no claim shall be thereafter filed or allowed.

This Act shall apply to and govern the handling and disposition of excess funds arising from delinquent tax sales in the hands of the District Clerk or the State Treasurer at the effective date of this Act. The District Clerk shall submit to the State Treasurer all such excess funds which have been in his hands three (3) years or more prior to the effective date of this Act, but the District Clerk shall have thirty (30) days from the effective date of this Act to comply herewith, and such excess funds may be claimed within (4) years from the effective date of this Act in the same manner as such funds transmitted to the State Treasurer under the terms of this Act after its effective date.

After the expiration of four (4) years from the effective date of this Act such excess funds remaining in the trust fund, unless a petition is then pending claiming such funds, the State Treasurer shall transfer all of such unclaimed funds from the trust fund to the general revenue fund and thereafter the claim for such funds shall be forever barred and no claim shall be thereafter filed or allowed.

Purchasing Taxing Unit to Hold Property for Itself and Other Taxing Units Adjudged to Have Liens; Sale by Purchasing Taxing Unit; Proceeds; Failure to Sell Within Six Months after Redemption Period Expires

Sec. 9. If the property be sold to any taxing unit which is a party to the judgment under decree of Court in said suit, the title to said property shall be bid in and held by the taxing unit purchasing same for the use and benefit of itself and all other taxing units which are parties to the suit and which have been adjudged in said suit to have tax liens against such property, pro rata and in proportion to the amount of the tax liens in favor of said respective taxing units as established by the judgment in said suit, and costs and expenses shall not be payable until sale by such taxing unit so purchasing same. During the time the taxing unit has title to the

property, it shall preserve the status and value of the property by fencing, leasing, or other reasonable means until the property is redeemed or resold. If the property is leased during the redemption period, the rental income shall be used to maintain and improve the property, and the taxing unit shall keep records of the amount of rental income and its disposition. The taxing unit may sell and convey said property so purchased by it, or which has heretofore been purchased in the name of any officer thereof, at any time in any manner determined to be most advantageous to said taxing unit or units either at public or private sale, subject to any then existing right of redemption; and the purchaser of the property at any such sale shall receive all of the right, title and interest in said property as was acquired and is then held by said taxing unit under such tax foreclosure sale to it; but such property shall not be sold by the taxing unit purchasing the same, at private sale, for less than the adjudged value thereof, if any, as established in the tax judgment, or the total amount for which such judgment was rendered against the property in said suit, whichever is lower, without the written consent of all taxing units which in said judgment shall have been found to have tax liens against said property. All such consents shall be evidenced by the joinder in the conveyance by the consenting taxing units, acting by the officers herein authorized to give such consents. Consent to such sales in behalf of the State of Texas may be given by the County Tax Collector of the county in which the property is located; and consents on behalf of other taxing units may be given by the presiding officers of their governing bodies. Deeds executed hereunder by taxing units shall be executed in their behalf by the presiding officer of their governing body and whose authority to so act in any given case shall be prima facie presumed. When such property is so sold at public or private sale, the proceeds thereof shall be received by or paid over to the taxing unit which purchased said property at the tax foreclosure sale, for the account of itself and all other taxing units adjudged to have a tax lien against such property, and all taxing units so receiving said proceeds shall first pay out of the same all costs and expenses of Court and of sale, and distribute the remainder among all taxing units for which purchasing taxing unit purchased and held said property, pro rata and in proportion to the amounts of their tax liens against said property as established in said judgment. Public sales hereinabove provided for may either be made by the Sheriff, at the request of the taxing unit purchasing the property at the tax foreclosure sale, or by any Commissioner appointed by such taxing unit by resolution of its governing body. If the State of Texas is the taxing unit which purchased said property at the tax foreclosure sale, the Commissioners Court of the county in which the

property is located shall have authority to act for the State of Texas in making private sales and conveyances of said property, as herein provided, or in requesting the Sheriff, or in appointing a Commissioner, to make public sale thereof, and in receiving and distributing the proceeds of such sales; and all sales and conveyances made in behalf of the State of Texas by the Commissioners Court, or made by the Sheriff or any Commissioner appointed by the Commissioners Court, under the provisions hereof, shall operate to transfer to the purchaser at such sale all right, title and interest acquired or held by the State of Texas as purchaser at the tax foreclosure sale. Any taxing unit, Sheriff, or Commissioner appointed by a taxing unit, making any sale under provisions hereof shall execute and deliver to the purchaser at such sale a deed of conveyance, conveying all right, title and interest of all the taxing units interested in the tax foreclosure judgment in and to the property so sold; provided, if the period for the redemption of said property from said tax foreclosure sale has not expired at the time of said sale, said conveyance shall be made expressly subject to the right of redemption provided in Section 12 of said Act.

Provided, however, that the methods of sale above set out shall not be exclusive and that if sale has not been made by, or at the instance of, the purchasing taxing unit within six (6) months after the redemption period has expired, any taxing unit which has obtained judgment in said suit may force the sale of said property by the Sheriff by written request to the Sheriff, and in the event such written request is so made to the Sheriff it shall be his duty to sell said property at public sale as hereinafter provided. All public sales provided for in this Section shall be made in the manner prescribed for the sale of real estate under execution. The notice of the sale shall contain a legal description of the property to be sold, the number and style of the suit under which same was sold at tax foreclosure sale and the date of said tax foreclosure sale; and the Sheriff or other officer making such sale is hereby authorized and it is hereby made his duty, to reject any and all bids for said land when in his judgment the amount bid is insufficient or inadequate, and in the event said bid or bids are rejected, the land shall be readvertised and offered for sale as herein provided, but the acceptance by the Sheriff or other officer authorized to make such sale of a bid for said land shall be conclusive and binding on the question of the sufficiency of the bid, and no action shall be sustained in any Court of this State to set aside said sale on the grounds of the inadequacy of the amount bid and accepted. Nothing herein shall be construed as prohibiting any taxing unit participating in said judgment from instituting action to set aside the said sale on the grounds of fraud or collusion between

the officer making the sale and the purchaser, provided that such action be brought within two (2) years after such sale is made, and not afterward. The Sheriff or other officer making any such sale shall receive and pay over the proceeds thereof as hereinabove provided, and the same shall be distributed as herein provided.

All sales and conveyances heretofore made by taxing units, or officers thereof, of property purchased by them, or in the name of any officer thereof, at tax foreclosure sales, for the benefit of themselves and all other taxing units interested in the tax judgment, and all sales heretofore made by the Commissioners Courts, or the Attorney General joined by the County Tax Collector, of property purchased by the State of Texas at tax foreclosure sales for the benefit of itself and other taxing units, are hereby in all things confirmed and validated; provided that this validating provision shall in no way apply to or validate any such sale the validity of which is challenged in any now pending litigation; nor shall the same apply to or validate any such sale, in cases where the Sheriff upon written request of any taxing unit, has thereafter made sale of the same property at public outcry and all such so made by the Sheriff as provided in Section 9 of said Act prior to the taking effect of this Amendment, and all such sales so made by the Sheriff are hereby in all things confirmed and validated.

No action attacking the validity of any resale of property purchased by a taxing unit at a tax foreclosure sale, or any of said sale hereafter made in accordance with, or purporting to be made in accordance with, this Section shall be commenced after the expiration of one (1) year from the date of such sale.

Art. 7345b-3. Limitations On Actions to Recover Real Property Sold at Tax Sale

(a) No cause of action or defense may be asserted or maintained on a claim respecting any land sold for delinquent taxes at a tax sale pursuant to a judicial foreclosure of a tax lien, unless the cause of action or defense is asserted in an action commenced within three years after the filing of record of the deed executed to the purchaser at the tax sale.

(b) If the purchaser's deed was filed before the effective date of this Act, the cause of action or defense may be asserted in an action commenced

within three years after the effective date of this Act.

(c) Notwithstanding any other provision of this Act, if a person other than the purchaser at the tax sale or his successor in interest pays taxes on the property during the three consecutive years following the tax sale, the three-year limitations period provided in this Act does not run against the person who paid the taxes unless that person was duly served by process in the previous suit involving foreclosure of the tax lien for delinquent taxes.

(d) When an action for recovery of real property is barred by the provisions of this Act, the purchaser at the tax sale or his successor in interest shall be held to have full title to the land, precluding all other claims.

Art. 7345f. Right of Appeal by Property Owner

Time for Filing Petition for Review

Sec. 1. A property owner is entitled to appeal a decision of any board of equalization to a district court of the State of Texas. A party who appeals to a district court must file a petition for review with the district court within 45 days after the tax roll containing the value involved is approved by the taxing authority.

Venue

Sec. 2. Venue is in the county in which the board of equalization that made the decision is located.

Trial by Jury

Sec. 3. Any party is entitled to a trial by jury on demand.

Value of Property Fixed

Sec. 4. (a) The issue to be determined by the district court in an appeal is whether or not the value of the property in question as ascertained by the board of equalization is in error.

(b) If the court or jury finds that the value as ascertained by the board of equalization is in error, meaning it is higher than the value set out by the property owner in a rendition filed prior to the board of equalization hearings as required by law, then the court or jury shall fix a value for the property in question as of January 1 of the tax year in controversy. In fixing the value of the property in question, the court or jury shall determine the cash market value and multiply that value by the assessment ratio, if any, in effect for the taxing authority involved.

(c) The value affixed by the court or jury pursuant to Subsection (b) above shall be binding on the taxing authority or authorities involved in the law-

suit for the tax year in question and for the succeeding tax year. However, in the succeeding tax year the taxing authority may add the value of subsequent improvements to the property, if any, to the value affixed by the court or jury.

Defense to Appeal

Sec. 5. When established by a preponderance of the evidence, it shall be a defense to an appeal under this article that the taxpayer failed to exercise good faith in estimating the cash market value set out in the rendition required in Subsection (b) of Section 4 of this article. A taxpayer does not fail to exercise good faith for purposes of this section if he makes a good faith effort to estimate the cash market value of the property and the assessment ratio, if any, in effect for the taxing authority and renders the value determined by multiplying his estimate of cash market value by the assessment ratio. A taxpayer shall be required to file with the board of equalization a sworn affidavit, in addition to the rendition, prior to invoking the provisions of this article but shall not be required to appear personally or by a representative.

Rights Cumulative

Sec. 6. The rights afforded taxpayers under this article are cumulative and do not preempt other remedies granted by statute or evolving by common law.

Injunctive or Restraining Order Relief

Sec. 7. The cause of action herein granted does not expand upon taxpayers' rights to sue for an injunction or restraining order as a member of a class. Rights granted hereunder are specifically prohibited from being the basis of injunctive or restraining order relief in a class action suit seeking to enjoin the putting into effect of a tax plan of a taxing authority.

(1) Except as otherwise provided in this Article, the taxes levied by this Chapter shall be collected by the Tax Collector and Assessor of the county in which an application for registration and for a Texas Certificate of Title is made for a motor vehicle. The Tax Collector and Assessor shall refuse to accept an application for the registration of or for the Texas Certificate of Title to a motor vehicle until the applicable tax levied by this Chapter is paid.

(2) Persons doing business in Texas who register motor vehicles for use on the public highways of this State pursuant to the provisions of Section 14, Chapter 110, Acts of the 47th Legislature, Regular Session, 1941 (Article 6675a-16, Vernon's Texas Civil Statutes), shall pay the motor vehicle use tax imposed by Section (2) of Article 6.01 to the Comptroller on or before the date the motor vehicle is brought into this State.

(3) The tax on gross rental receipts levied by this Chapter shall be reported and paid to the Comptroller in the same manner as the Limited Sales, Excise and Use Tax is reported and paid by retailers under Article 20.05 of this Title. Motor vehicle owners required to collect, report, and pay taxes on gross rental receipts imposed by this Chapter shall register as retailers with the Comptroller and obtain from him a Motor Vehicle Retailer's Permit in the same manner as required by Article 20.031 of this Title.

(4) The motor vehicle owner required to collect, report, and pay the taxes on the gross rental receipts imposed by this Chapter shall add the tax to the rental charge, and when added, the tax shall consti-

tute a part of the rental charge, shall be a debt of the person renting the motor vehicle to the owner until paid, and shall be recoverable at law in the same manner as the rental charge. Nothing in this Section or any other provision of this Chapter precludes the Comptroller from proceeding against the person renting the motor vehicle for unpaid gross rental receipts taxes on the rental.

(5) When an owner as defined in Section (J)(i) of Article 6.03 of a motor vehicle previously registered pursuant to the provisions of Article 6.041 ceases to use the vehicle for rental, he shall report and remit on the next succeeding report required to be filed with the Comptroller any unremitted portion of minimum gross rental receipts tax required by Section (6) of Article 6.01.

(6) When a motor vehicle upon which the motor vehicle sales or use tax has been paid is used for rental, the owner shall collect the gross rental receipts tax imposed by this Chapter from the person renting the vehicle but is entitled to credit an amount equal to the motor vehicle sales or use tax paid by such owner to the Comptroller against the amount of gross rental receipts tax due and payable to the Comptroller from the rental of the motor vehicle. The credit provided herein is not transferable and cannot be applied against the amount of gross rental receipts tax due and payable to the Comptroller from the rental of any other motor vehicle belonging to the same owner.

(7) The motor vehicle owner required to collect, report, and pay the taxes on the gross rental receipts imposed by this Chapter is entitled to credit an amount equal to the taxes on the gross rental receipts of a motor vehicle paid by such owner to any other state in calculating the amount of the minimum gross rental receipts tax due and payable to the Comptroller. The credit provided herein is not transferable and cannot be applied against the amount of minimum gross rental receipts tax due and payable to the Comptroller from the rental of any other motor vehicle belonging to the same owner.

[Amended by Acts 1977, 65th Leg., p. 629, ch. 233, § 1, eff. Sept. 1, 1977.]

Art. 6.041. Registration of Motor Vehicle Purchased for Rental

(1) When a motor vehicle is purchased for rental, the owner may furnish the County Tax Collector and Assessor a rental certificate in lieu of the motor vehicle sales or use tax imposed by Section (1) or (2) of Article 6.01; whereupon the Tax Collector and Assessor shall accept the motor vehicle for registration and issue a receipt for the license and title application.

(2) A rental certificate may be furnished by a dealer licensed pursuant to the provisions of Article

6686, Revised Civil Statutes of Texas, 1925, as amended, or by an owner for use in a rental business that rents at least five (5) different motor vehicles within any twelve (12) month period.

(3) The rental certificate shall be in a form promulgated by the Comptroller and shall:

(i) be signed by the owner and bear the name and the address of the owner; and

(ii) give the owner or dealer's license number or a statement by the owner that the rental business of the owner meets the activity requirement of Section (2) of this Article; and

(iii) include the Motor Vehicle Identification Number, the total consideration paid or to be paid, and the amount of motor vehicle sales or use tax that would have been due had a rental certificate not been furnished.

[Added by Acts 1977, 65th Leg., p. 634, ch. 233, § 2, eff. Sept. 1, 1977.]

Art. 6.042. Revocation; Suspension of Motor Vehicle Retail Seller's Permit; Procedure

(1) Whenever any motor vehicle owner required by Article 6.04 to obtain a Motor Vehicle Retail Seller's Permit fails to comply with any provision of this Chapter or with any rule or regulation of the Comptroller relating to such tax prescribed and adopted under this Chapter, the Comptroller upon hearing, after giving the person twenty (20) days' notice in writing specifying the time and place of hearing and requiring him to show cause why his permit or permits should not be revoked, may revoke or suspend any one or more of the permits held by the person.

(2) The Comptroller shall give to the person written notice of the suspension or revocation of any of his permits.

(3) The notices may be served personally or by mail in the manner prescribed for service of notice of a deficiency determination.

(4) The Comptroller shall not issue a new permit after the revocation of a permit unless he is satisfied that the former holder of the permit will comply with the provisions of this Chapter and the rules and regulations of the Comptroller. The Comptroller may prescribe the terms under which a suspended permit may be reissued.

(5) The action of the Comptroller may be appealed by the taxpayer in the same manner as a final deficiency determination.

[Added as art. 6.041 by Acts 1975, 64th Leg., p. 2315, ch. 719, art. XVII, § 1, eff. Sept. 1, 1975. Renumbered as art. 6.042 by Acts 1977, 65th Leg., p. 634, ch. 233, § 3, eff. Sept. 1, 1977.]

Art. 6.05. Affidavits and Sales Invoices as to Consideration, Records

(1) The purchaser and seller shall make a joint affidavit setting forth the then value in dollars of the total consideration, whether in money or other things of value, received or to be received by the seller or his nominee in a retail sale. Where a transfer of title to a motor vehicle is made either as the result of an even exchange or of a gift, the two (2) principal parties to such a transaction shall make a joint affidavit setting forth the facts describing the nature of the transaction. In an even exchange no transfer of title shall be accomplished until the two (2) principal parties have paid a tax of Five Dollars (\$5) each to the Tax Assessor and Collector. Where any party to a sale, exchange, even exchange or gift is a corporation, the president, vice president, secretary, manager or other authorized officer of the corporation shall make the affidavit for the corporation. When any tax imposed by this Chapter is paid to the Tax Assessor and Collector, the person upon whom the tax is imposed by this Act shall file with the Tax Assessor and Collector the joint affidavit required by this Article. The Tax Collector and Assessor shall keep copies of the affidavits until they are called for by the Comptroller of Public Accounts or his representative for auditing.

Any person who signs the joint affidavit knowing that it is false in any material fact is guilty of a felony and upon conviction is punishable by imprisonment for not more than five (5) years nor less than two (2) years or by a fine of not more than One Thousand Dollars (\$1,000) or by both a fine and imprisonment.

[See Compact Edition, Volume 2 for text of (2)]

(3) The owner of a motor vehicle used for rental purposes is required to keep records and supporting documents containing the total consideration paid, or to be paid; the amount of motor vehicle sales or use tax paid, if any; the amount of gross rental receipts; and the amount of gross rental receipts tax remitted to the Comptroller with regard to each motor vehicle used for rental. The owner must keep the records and documents for at least four (4) years from the date of purchase of the motor vehicle. No mileage records are required.

[Amended by Acts 1977, 65th Leg., p. 629, ch. 233, § 1, eff. Sept. 1, 1977.]

Art. 6.06. Penalties and Interest; Redetermination and Hearings

(1) If the Comptroller upon audit of the records of the seller shall determine that the amount of tax due on any transaction was incorrectly reported on the joint affidavit so that the tax actually paid was less than that actually due or that the seller failed to execute and deliver to the purchaser a joint affidavit and any other documents necessary to register the

vehicle, the seller shall then be liable for the full amount of tax determined to be due plus a penalty of ten per cent (10%) of the amount of tax due and interest on the amount of tax due computed at the rate of six per cent (6%) per annum beginning sixty (60) days from the date on which the joint affidavit was executed. The Comptroller shall notify the seller in writing of his determination and the seller shall, within ten (10) days following the receipt of such notice, pay to the Comptroller the amount of back taxes, penalty and interest. The Comptroller shall promulgate rules and regulations under which the seller may petition for a redetermination of liability and shall grant the seller an oral hearing. The Comptroller may decrease or increase the amount of his determination before it becomes final, but the amount may be increased only if a claim for the increase is asserted by the Comptroller at or before the hearing, in which case the seller shall be entitled to a thirty-day continuance of the hearing to allow him to obtain and produce further evidence applicable to the items upon which the increase is based.

Art. 6.09. Exemptions

[See Compact Edition, Volume 2 for text of (1)]

(2) The taxes imposed by this Chapter do not apply to fire trucks, ambulances, or other motor vehicles used exclusively for fire fighting purposes or for emergency medical services when purchased by a volunteer fire department. "Volunteer fire department" means any company, department, or association organized for the purpose of answering fire alarms and extinguishing fires, or answering fire alarms, extinguishing fires, and providing emergency medical services, the members of which receive no compensation or nominal compensation for their services thus rendered.

[Text of Section (3) added by Acts 1977, 65th Leg., p. 635, ch. 233, § 5]

(3) The taxes imposed by this Chapter do not apply to the sale of a motor vehicle to or use of a motor vehicle by a public agency; provided the vehicle is operated with exempt license number plates issued pursuant to Section 3-AA, Chapter 88, General Laws, Acts of the 41st Legislature, 2nd Called Session, 1929, as amended (Article 6675a-3aa, Vernon's Texas Civil Statutes).

[Text of Section (3) added by Acts 1977, 65th Leg., p. 1011, ch. 375, § 1]

(3) There are exempted from the taxes imposed by this Chapter the receipts from the sale or rental and the use of a motor vehicle that is designed to carry more than six (6) passengers, is sold to or used

by a church or religious society, and is used primarily for the purpose of providing transportation to and from church or religious services or meetings. This exemption does not apply to a vehicle registered as a passenger vehicle and the primary use of which is for the personal or official needs or duties of a minister.

[Text of Section (3) added by Acts 1977, 65th Leg., p. 1121, ch. 417, § 1]

(3)(a) There are exempted from the taxes imposed by this chapter the receipts from the sale and use of a motor vehicle that is driven primarily by an orthopedically handicapped person. Exemption under this section shall extend to privately owned vehicles which require modification for operation by an orthopedically handicapped person. Exemption under this section shall not extend to any vehicle owned or operated by any corporation, partnership, limited partnership, or association.

(b) The comptroller shall promulgate rules and regulations to ensure that any vehicle exempt from taxation under this section is used primarily for the purposes specified herein. Any person seeking exemption from taxation under this section shall present such information or documents as the comptroller may require pursuant to granting any exemption.

(c) For the purposes of this section, an "orthopedically handicapped person" is one who is so physically impaired that he is unable to operate a motor vehicle which has not been specially modified.

[Text of Sections (4) and (5) added by Acts 1977, 65th Leg., p. 635, ch. 233, § 5]

(4) The taxes imposed by this Chapter do not apply to the rental of a motor vehicle to a public agency. The tax which would have been remitted on gross rental receipts without this exemption shall be deemed to have been remitted for the purpose of calculating the minimum gross rental receipts tax due and payable to the Comptroller under the provisions of Section (6) of Article 6.01.

(5) The taxes imposed by this Chapter on the gross rental receipts from the rental of a motor vehicle do not apply to the rental of a motor vehicle for the purpose of re-rental. The minimum gross rental receipts tax imposed by Section (6) of Article 6.01 remains the obligation of the owner as defined in Section (J)(i) of Article 6.03; provided the owner may credit all gross rental receipts taxes remitted to the Comptroller on the re-rental of a motor vehicle registered in accordance with Article 6.041 for the purpose of calculating the amount of the minimum gross rental receipts tax due and payable to the Comptroller. A person authorized by Article 6.041 to register motor vehicles for rental may issue an exemption certificate to the owner of the motor vehicle. If the owner takes an exemption certificate

in good faith he is relieved of the burden of proving that the vehicle was rented for the purpose of re-rental.

If a letter of exemption has not been timely issued by the Internal Revenue Service, the corporation may furnish to the comptroller within such 15-month period evidence that the corporation has in good faith filed an application for the federal exemption and, except as indicated in Section (6) of this article, the franchise tax exemption, when finally established under either of the above procedures, will be recognized as of the date of the corporation's charter or certificate.

If the application is submitted to the comptroller no later than the end of the month after the expiration of 15 months from the date of charter

or certificate, or from September 1, 1975, whichever is later, except as indicated in Section (6) of this article, the exemption when finally established will be recognized as of such date of charter or certificate.

(6) The provisions of this article do not require any additional application, report, letter of exemption, or other evidence from a corporation eligible for exemption under Section (1) of this article, which corporation was granted exemption by the comptroller or by the secretary of state prior to September 1, 1975. Provided that nothing in this article or in any other laws of this state shall be construed to authorize a refund or credit for franchise tax paid prior to September 1, 1975, by a corporation eligible for or determined by the comptroller to be exempt under this article from the payment of franchise tax, unless the comptroller determines that the corporation through mistake of law or fact overpaid the franchise tax due by it prior to September 1, 1975. Provided, further, that if a corporation which was granted an exemption prior to September 1, 1975, no longer qualifies for exemption under Section (1) of this article, such previously granted exemption shall terminate on April 30, 1976, and thereafter such corporation shall be subject to and shall be liable for the franchise tax levied by this chapter.

(3) Effective September 1, 1975, each foreign corporation doing business in this State shall have on deposit with the Comptroller of Public Accounts the Five Hundred Dollars (\$500) trust amount described in Section (2) above. Upon determination by the comptroller that a foreign corporation has maintained a continuous status in good standing for three (3) consecutive reporting years, or upon determination by the comptroller that a corporation is exempt from payment of the franchise tax under Article 12.03 of this chapter or other laws of this state, such corporation shall be exempt thereafter from the security requirements of this article, and the comptroller shall return the trust deposit to the corporation; provided, however, that such exemption from the security requirement shall continue only until such time that it is determined by the comptroller that the corporation has failed to file all reports or to pay the franchise tax or other payments required by this chapter, or that the corporation no longer qualifies for exemption from the franchise tax, at which time the comptroller shall notify the corporation that a cash trust deposit in the amount of Five Hundred Dollars (\$500) must be furnished the comptroller's office as required by this article.

(2) Notice of hearing for refusal, cancellation, or suspension may be served personally by the commission or its authorized representative or sent by United States certified mail addressed to the applicant or licensee at his last known address. In the event that notice cannot be effected by either of these methods after due diligence, the commission may prescribe any reasonable method of notice calculated to inform a person of average intelligence and prudence in the conduct of his affairs. The commission shall publish notice of a hearing in a newspaper of general circulation in the area in which the licensee conducts his business activities.

The commission may modify its findings and decision or order by reason of the additional evidence and shall file such evidence and any modifications, new findings, decisions, or orders with the court. In cases of alleged irregularities in procedure before the commission, not shown in the record, proof thereon may be taken in the court.

(2) The court shall not substitute its judgment for that of the commission as to the weight of the evidence on questions of fact committed to commission discretion. The court may affirm the decision of the commission in whole or in part; the court shall reverse or remand the case for further proceeding if substantial rights of the appellant have been prejudiced because the commission's findings, inferences, conclusion, or decisions are:

Prohibited Financial Relationships; Credit Transactions; Penalty

Sec. 26. (1) It shall be unlawful for a person who has a financial interest in a business required to be licensed by this Article or for any agent on behalf of such person to contract either orally or in writing to convey an interest in real property whether by lease, sub-lease or otherwise if such contract contains a provision or provisions in any way limiting the other party's right to secure music or skill or pleasure coin-operated machines from any source.

(2) It shall be unlawful for a person to secure or attempt to secure a contract of lease or bailment of a music or skill or pleasure coin-operated machine by coercion, threats or intimidation, through the commission of, or threat to commit, any act prohibited by the penal laws of this State or the Consumer Credit Code of this State.

(3) A person who violates Subsection (1) of this Section shall be guilty of a third-degree felony.

(4) Any person required to be licensed by this Article may make an extension of credit or lend the licensee's credit to a lessee or a bailee of a music or skill or pleasure coin-operated machine, or on behalf of either for business or commercial purposes when the following terms and conditions have been met and the following duties and obligations satisfactorily assumed and discharged.

(a) Before making the first such extension of credit, the licensee under this Article shall first notify the Consumer Credit Commissioner of the State of Texas of the intent of such licensee to make extensions of credit in the conduct of the licensee's business.

(b) The consideration for such extensions of credit shall not be less than one-half percent or exceed interest or its equivalent at the rate of one and one-half percent (1½%) per month, computed according to the United States Rule. Consideration excludes court costs and attorney's fees as determined by the court, but includes the aggregate interest, fees, bonuses, commissions, brokerage, discounts, expenses, and other forms of costs charged, contracted

for, or received by a licensee or any other person in connection with investigating, arranging, negotiating, procuring, guaranteeing, making, servicing, collecting, and enforcing an extension of credit or forbearance of money, credit, goods, or things in action, or any other service rendered. If in any transaction any consideration in excess of that provided above is charged or received by the licensee directly, or indirectly, except as the result of an accidental and bona fide error corrected upon discovery, the unpaid balance of the indebtedness created by such transaction shall be void, and that portion of any indebtedness so created which has been paid to the licensee, either the principal or its equivalent or interest or its equivalent, or both, shall be repaid by the licensee to the person.

(c) No extension of credit may be made by any person required to be licensed by this Article unless it is evidenced by a written agreement signed by the parties thereto specifying both the amount of credit extended, the consideration for such extension of credit, and the terms according to which such extension of credit is to be repaid.

(d) Each licensee making extensions of credit authorized by this Section shall keep in this State books and records, which shall be consistent with accepted accounting and auditing practices, relating to all such extensions of credit authorized by this Section sufficient to enable any competent person to determine whether or not such licensee is complying with this Section. Such records shall be preserved for four (4) years from the date of the transaction to which they relate, or two (2) years from the date of the final entry made with regard to such transaction, whichever is later.

(e) At such times as the Consumer Credit Commissioner may deem necessary, or at the request of the commission or the Attorney General, the Consumer Credit Commissioner, or his duly authorized representative, may make an examination of the place of business of each licensee hereunder, and may inquire into and examine the transactions, books, accounts, papers, correspondence, or records of such licensee insofar as they pertain to the extensions of credit regulated by this Section. In the course of such examinations, the Consumer Credit Commissioner or his duly authorized representative shall have free access to the office, place of business, files, safes and vaults of such licensee, and shall have the right to make copies of such books, accounts, papers, correspondence and records. The Consumer Credit Commissioner or his duly authorized representative may, during the course of such examination, administer oaths

and examine any person under oath upon any subject pertinent to any matter about which the Commissioner is authorized or required by this Section to consider, investigate or secure information. Any licensee who shall fail or refuse to let the Consumer Credit Commissioner or his duly authorized representative examine or make copies of such books or other relative documents shall thereby be deemed in violation of this Section. The information obtained in the course of such examination shall be confidential. Each licensee shall pay to the Consumer Credit Commissioner an amount assessed by the Commissioner to cover the direct and indirect costs of such examination, including a proportionate share of general administrative expenses, which amount shall be retained and held by the Consumer Credit Commissioner, and no part of such fee shall ever be paid into the General Revenue Fund of this State. All expenses incurred by the Consumer Credit Commissioner in conducting such examinations shall be paid only from such fees, and no such expense shall ever be charged against the funds of this State.

(f) The Consumer Credit Commissioner may make regulations necessary for the enforcement of this Section and consistent with all its provisions. Before making a regulation the Consumer Credit Commissioner shall give each licensee at least thirty (30) days' written notice of a public hearing, stating the time and place thereof and the terms or substance of the proposed regulation. At the hearing, any licensee or other person may be heard and may introduce evidence, data, or arguments or place the same on file. The Consumer Credit Commissioner, after consideration of all relevant matters presented, shall adopt and promulgate every regulation in written form, stating the date of adoption and date of promulgation. Each regulation shall be entered in a permanent record book which shall be a public record and be kept in the Consumer Credit Commissioner's office. A copy of every regulation shall be mailed to each licensee, and no regulation shall become effective until the expiration of at least twenty (20) days after such mailing. On the application of any person and payment of the cost thereof, the Consumer Credit Commissioner shall furnish such person a certified copy of any such regulation.

(4) Any person who violates Subsection (3) of this Section is guilty of a Class C misdemeanor.
